To comply with NH Department of Labor Regulations, students age 12 and over must have a New Hampshire Youth Employment Certificate. To obtain this please see the teen librarian for an Employer Request for Child Labor Form. These forms will then need to be delivered to the SAU90 office. It's also requested that they commit, to the best of their ability, to attending all dates and taking a short training course. **Program, courses, and training are not affiliated with SAU 90.**
