Preamble to the Constitution

For God and Country, we associate ourselves together for the following purposes to uphold and defend the Constitution of the United States of America; to maintain Law and Order; to Foster and Perpetuate a one hundred percent Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to Combat the autocracy of both the classes and the masses; to make Right the Master of Might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice; Freedom and Democracy; to Consecrate and Sanctify our Comradeship by our devotion to mutual helpfulness.

The Hamptons Post, No. 35, of American Legion of Hampton wishes to extend at this time its most sincere thanks to all who have made this program possible. The Post also wishes to thank all the members of the cast of the show, the members of all committees and those who assisted the committee in doing their utmost to make this affair a success.

Wedding Bells

Spring is here once more heralding in the marry months of April, May and June. With the pealing of church bells the guests gather to witness the wedding ceremony, greatest of all human institutions. The bride is radiantly triumphant, the groom as nervous as a cat, the mother is sad and the father is glad. Glad and proud because he gave his daughter one of the finest weddings of the season which included genuine steel engraved announcements and invitations.

We are proud to present these genuine engraved wedding announcements to the public at the unheard of price—fifty for only **\$8.95**. This price includes announcements, two sets of envelopes, tissues and engraving plate.

You, too, can easily afford genuine engraved announcements at this low price. We also have plain and imitation engraved announcements at lower prices.

We will be glad to show you samples (over 46) with no obligation attached. Why not consult us first?
