The Meeting House Green Memorial and Historical Association held its fifth annual meeting in Tuck Hall October 12, 1929. Fifty members and their friends were present. The week-end holiday prevented a much larger attendance. The feature of the meeting was the unveiling of a fine picture of the Association's founder, the Rev. Ira S. Jones. This was followed by a program of historic interest. The members expressed a wish that an open air meeting be held in the summer, that the town people as well as the summer visitors, see the park and grounds of Tuck House when they look their best. Town water was brought to the park in 1929 and proved a **great help**, during the unusually dry season, to Mr. Bradbury, the efficient care-taker. The interior of the log cabin has been refinished and furnished to look like an early home, the antiques suitable for such a place having been assembled there. During the winter Mr. Bradbury has done the painting and repairing necessary to keep the Tuck House in its usual attractive condition. Books, papers and articles relating to the early life of the town have been given from time to time to add to the collection at Tuck House. Two hundred and eleven names were inscribed on the register, kept by Mrs. Bradbury, in Tuck Hall during the past year. More than twice the number of preceeding year. Many visitors did not register. They came from all parts of the country with one from France, and two from Wales. Attracted by the unique memorial or through their Hampton ancestry, among them was Mr. John C. Chase, president of the New England Historic Genealogical Society. The association is slowly growing and that its interest is broadening may be seen by the names of out-of-town persons some of them summer residents who were present and joined it at the annual meeting as follows: Mr. Fred B. French, South Hampton, Mr. and Mrs. Edward Hutchinson, Brighton, Mass., Mr. William S. Leavitt, Boston, Mass., Mr. H. C. Little, Lynn, Mass., Mr. and Mrs. J. M. Tufts, Exeter. Due chiefly to the generosity of Mr. Edward Tuck of Paris, France, benefactor of Hampton and all New Hampshire, the financial condition of the Association is such as enables it to be a credit to its founder and an honor to the early settlers, whose mem-

ory and tradition it would preserve.

The officers are: Honorary president, Mr. Edward Tuck, President, Mr. William Brown, Vice-president, Mr. Richard B. Shelton, Treasurer, Mrs. Vina M. Jones, Recording secretary, Mrs. Clara P. Miner, Corresponding secretary, Mrs. Caroline C. Shea, Auditor, Mr. George Ashworth.

REPORT OF LIBRARIAN

During the past year the interest in the library has been well maintained.

Though the number of volumes issued does not quite equal that of the preceding year the circulation exceeded the average for the last five years.

The arrangement of the latest books on the desk, giving everyone an opportunity to examine them, has proved quite popular with the patrons of the library.

In works of fiction, a brief, printed outline of the story is placed in the front part of the book which is often of great help in the selection of a book.

Number of volumes added to the library for the year ending January 31, 1930:

By purchase	366
By gift	6
	<hr/>
Total	372
Number of books replaced	10
Number of books catalogued	8946

The number of books purchased in each class with the cost of same is given below:

Fiction, 194 volumes	\$281.77
Juvenile, 86 volumes	124.11
History, Biography and Travels, 55 volumes	153.17
Miscellaneous, 31 volumes	68.03
Replaced 10 volumes	15.70

Number of books issued for February, 985; for March, 1239; for April, 1023; for May, 728; for June, 569; for July 880; for August, 926; for September, 672; for October, 818; for November, 1033; for December, 951; for January, 976.

Total circulation, 10800. Magazines loaned, 276. Of the total circulation, 10059 volumes were issued to residents and 741 to non-residents.

Largest number in one day, 184; smallest, 36. Average per day 106.

Number of different borrowers: resident, 378; non-residents, 102. Total number of different borrowers, 480.

The attendance in the reading room has been very good. Very little change has been made in the reading matter.

Two magazines—The Youth's Companion and the Saturday Evening Post—have been discontinued.

Two magazines, The Mid-Week Pictorial Magazine and Collier's Magazine have been added to the list.

At the present time the list of periodicals is as follows:

Harper's, National Geographic, World's Work, Current History, Review of Reviews, Outlook, Literary Digest, Life, American Magazine, Ladies' Home Journal, Woman's Home Companion, McCall's, Delineator, Collier's, Good Housekeeping, Mid-Week Pictorial Magazine, Christian Endeavor World, Zion's Herald, Radio Broadcast, Popular Science, Popular Mechanics, Scientific American, St. Nicholas, American Boy, Bird Lore, National Sportsman, Base Ball Magazine, Nature Magazine, Rural New Yorker, New England Homestead, Country Gentleman, American Fruit Grower, The Flower Grower, American Botanist, Child Life, Exeter News-Letter, Hampton Union, and Union Signal.

The following periodicals have been presented: New Hampshire Issue, Telephone Topics and Telephone Quarterly.
