Dearborn who gave his life for his country in World War II, and to raise and appropriate the sum of \$125 for an appropriate bronze sign to be erected at the High Street entrance of the above named street.

Article 33. On petition of K. L. Shaughnessey, Jr., and nine other legal voters of the Town of Hampton, in the event of adoption of the Municipal Budget Law, to see if the town will vote to have the Moderator appoint a Budget Committee of twelve members-at-large.

Article 34. On petition of Lema K. Platts and ten other legal voters of the Town of Hampton, to see if the town will vote to authorize the Selectmen to sell at a fair market price to be determined by the Selectmen, to Howard E. and Lema K. Platts a triangular parcel of town-owned land abutting the southerly side of Platts land, said parcel having a frontage of ten (10) feet on Academy Avenue and a depth of ninety-three (93) feet, four (4) inches, for the purpose of clarifying title to Platts driveway.

Article 35. To see if the town will vote to authorize the Selectmen to initiate an Ordinance to the effect that from this day, no one will be permitted to remove gravel or other fill from a bank or other location to leave a lower grade or level than that of nearby adjoining fields, roads, or other level areas in that locality.

This is to be construed in no way to prevent the digging of cellars or making other necessary excavations.

Be it further authorized that a fine be imposed for the violation of this ordinance at the discretion of the Selectmen.

Article 36. To see if the town will vote to amend the Zoning Ordinance adopted at the Annual Town Meeting on March 8, 1949, as amended by Town Meetings held on March 14, 1950, March 11, 1952, and September 29, 1952, as follows:

By striking out from Sub-section 4, Section 4, Article III, the words "trailer, or trailer camps" so that said Sub-section 4 as amended shall read as follows:

"4. Such other uses which are not obnoxious or offensive by reason of the emission of smoke, dust, gas, noise, or odor, but the following uses are specifically excluded from all districts: — junk yards, dumps, storage of abandoned automobiles; race tracks, roller skating rinks, roller coasters, 'The whip', merry-go-rounds, and /or any similar commercial amusements."

And by adding to and as a part of said Zoning Ordinance after Section 3, Article I, the following new Sub-section:

"4. Permit in a General Area trailers, trailer camps, mobile homes or mobile home subdivisions provided that no trailer or mobile home shall be located on a lot smaller than 2,000 square feet in area, and further provided that such trailers, trailer camps, mobile homes or mobile home subdivisions shall conform with the regulations of the State Board of Health."

Article 37. On petition of Norman Chambers and thirteen other legal voters of the Town of Hampton, to see if the town will vote to amend the Zoning Ordinance

adopted at the Annual Town Meeting on March 8, 1949, as amended by town meeting held on March 14, 1950, March 11, 1952, and September 29, 1952, as follows:

By striking out from Appendix A the words "Residence 'B' Hampton Village" and by inserting in place thereof the words "Business District Hampton Village North" so that the area referred to shall be changed from a Residence "B" Area to a business area and so that Ordinance as amended shall read as follows:-

**"BUSINESS DISTRICT HAMPTON VILLAGE
NORTH"**

"Beginning at a point in the easterly sideline of Lafayette Rd. distant 540 ft. northerly from the northerly sideline of Ann's Lane; thence running westerly by a line at right angles to Lafayette Road to the centerline of location of the Boston and Maine Railroad, thence running northerly by said centerline of location to the easterly sideline of Lafayette Road; thence running northerly by the easterly sideline of said road to the North Hampton town line; thence turning and running easterly by said town line to a point 300 feet easterly from the centerline of location of said railroad; thence turning and running southerly by a line parallel to and 300 feet easterly from said centerline of location and by a line parallel to and 300 feet easterly from the easterly sideline of Lafayette Road to a point in a line at right angles to Lafayette Road through the point of beginning; thence turning and running westerly to the point of beginning."

Article 38. On petition of Leroy W. Hamilton and nine other legal voters of the Town of Hampton, to see if the town will vote to adopt the following Sections to the Construction Provisions of Article V of the Zoning Ordinance of the Town of Hampton:

“Section 6. Exists. No building intended or designed for any public use or congregation of people shall be erected, altered, or used for any purpose which does not provide adequate exists, as described in Chapter 176, Revised Laws of New Hampshire, and Chapter 153, Laws of 1943, and in the regulations of the State Department of Health.

Section 7. Electric Wiring. All electrical wiring shall conform with approved methods and practices for safety to life and property. Compliance with the National Electrical Code, as published by the National Board of Underwriters, shall be prima facie evidence of such approved methods and practices.

Section 8. Sewerage. All dwellings and all commercial, public, or industrial buildings shall be connected to the public sewer system when available. When a public system is not available, a private sewage disposal system is required. The type, size, and construction of all septic tanks and drainage fields shall be approved by the Building Inspector or Town Health Officer.”

Article 39. On petition of Eugene V. Trenholm and ten other legal voters of the Town of Hampton, to see if the town will vote to amend Article 6, Section 1 of the Zoning Ordinance of the Town of Hampton, New Hampshire as adopted March 8, 1949, and amended September 29, 1952, to read:

“Section 1. No person shall undertake any construction or alteration in connection with any provisions of Article V until a written permit for such construction or alteration has been secured from the Building Inspector. A permit shall not be required in the case of repairs unless such repairs include alteration or new construction.

The Building Inspector before issuing the permit may

require a plan of the proposed work. He shall inspect all building or structures during construction or alterations to see that the provisions of this ordinance are complied with, and he shall be responsible for the enforcement of the Plumbing Code of the State of New Hampshire, Revised Laws 1942, and enforcement of the National Electric Code, as published by the National Board of Underwriters, and whenever in his opinion the provisions of this ordinance are not complied with, he shall order such work in violation to be stopped until the violation has been remedied and shall forthwith report such violations to the Selectmen for appropriate action.

A statement of all permits issued hereunder shall be filed within five days of the date of issuance with the Town Clerk, and said permits shall be available for public inspection at the Town Office."

Article 40. On petition of Eugene V. Trenholm and ten other legal voters of the Town of Hampton, to see if the town will vote to amend Article 6, Section 3, of the Zoning Ordinance of the Town of Hampton, New Hampshire, as adopted March 8, 1949, and amended September 29, 1952, to read :

"Section 3. A Building Inspector who is not employed by or holds office in the Town of Hampton shall be appointed annually by the Selectmen, and in the event of the disability, absence, or disqualification of the Building Inspector, the Selectmen shall appoint an Inspector to act in his stead."

Article 41. To see if the town will vote to rescind any and all Town Ordinances relating to clams passed at any regular or special Town Meeting prior to this date.

Article 42. To see if the town will vote to raise and appropriate the sum of \$50, said sum to be used to supply copies of the Town Ordinances passed subsequent to 1934.

Article 43. To see if the town will vote to raise and appropriate the sum of \$1100 for a Civil Defense warning air horn, if the Federal Civil Defense Administration contributes an equal amount.

Article 44. To see if the town will vote to request the Selectmen to take such action annually as shall be necessary to carry out the recommendations of the Ordinance Revision Committee, printed in this Annual Report, so as to insure having on hand a supply of up-to-date copies of the Ordinances of the Town.

Article 45. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 18th day of February in the year of Our Lord, 1955.

**PROCEEDINGS OF THE REGULAR
TOWN MEETING HELD ON MARCH 8, 1955**

The Meeting was opened at 10:00 A.M.

Ballot clerks sworn in by Moderator Edward S. Seavey Jr., as follows:

Raymond Sturgis (asst. moderator)	
Clarence Shaw	Rebecca Tuttle
Henry Bailey	Helen Mullen
Solon Gremmels	Ethel Hamilton
Wilma White	Marian Scannel

The Reverend Norman Allers offered Prayer for Town Meeting.

“Eternal God, touch us now with the breath of Thy spirit. Cast out from us all our thoughts of self-gain, self-power, and pride. Cleanse our minds of all hurt feelings, distrust and prejudice. Destroy in us those numerous barriers that prohibit us from seeing clearly and from co-operating with our fellow men. Then help us to seek together those things which will create justice, co-operation, good will, and a better way of life in our town. Teach us to ask first ‘What is best for our town.’

“We give Thee thanks for our heritage to speak and vote without fear of persecution. May we prove ourselves worthy of that heritage.

“Nourish now our minds with Thy truth and help us to guide our words and actions by Thy love.” Amen.

The Warrant having been duly published, Mrs. Margaret Wingate moved that the Moderator dispense with the reading of the warrant.

Seconded. So voted.

Mr. Walter Nichipor asked if Article 5 could be discussed merely for information, although it appeared on the Australian Ballot. The Moderator replied that his request was in order.

Mr. Kerin Shaughnessey, sponsor of Article 5, spoke in favor of the Municipal Budget Law.

Rev. Norman Allers asked what the advantages of its adoption would be.

Miss Ruth Stimson said that she had lived in towns operating under Municipal Budget Law and it was considered very successful.

Town Mgr. John W. True explained the Municipal Budget Law as it operated in Lancaster, N. H.

A Budget Hearing is usually held one month prior to the Regular Town Meeting.

Mr. James Tucker asked if Municipal Budget Committee also controlled the School budget and precinct budget.

Mr. Douglass Hunter questioned the fact that articles can be passed even if they call for more money than recommended. Also questioned whether there would be many people attend Budget hearings.

ARTICLE 6.

Mrs. Margaret Wingate complimented Town Mgr. John True on his excellent explanation of the Budget at the Budget Meeting.

Mrs. Margaret Wingate moved that Article 6 be taken up item by item. Motion Seconded.

So Voted.

Moderator Edward S. Seavey Jr. read the Budget and asked that anyone wishing discussion of a particular item interrupt by saying "question."

Miss Ruth Stimson asked that more attention be given to the park at Five Corners, and made the Amendment to the appropriation of \$7,000.00 for Parks and Playgrounds as follows:

“That the sum appropriated for Parks and Playgrounds be increased \$300.00, said sum to be ear-marked for weekly care of the Five Corners Park, during the growing season.”

Mr. True explained that \$2,500.00 of the proposed \$7,000.00 was used for Band Concerts.

Mr. Douglass Hunter made the motion that the Budget be accepted as amended, including School and County Taxes. Second by Wilfred Cunningham.

So Voted.

ARTICLE 7.

BORROWING MONEY IN ANTICIPATION OF TAXES

Mr. Wilfred Cunningham moved that Article 7 be accepted as read.

Seconded. So Voted.

ARTICLE 8

DISPOSING OF REAL ESTATE ACQUIRED BY TAX DEEDS

Mr. Lawrence McKillop made the motion that Article 8 be accepted as read.

Seconded. So Voted.

ARTICLE 9.

TAX MAPS

Mr. Douglass Hunter stated that mapping of the town for purposes of assessing was most important and moved that Article 9 be accepted as read.

Motion second and so voted.

Mr. True explained that the proposed \$5,000.00 would not complete mapping of the entire town, but would probably complete East of the Railroad.

ARTICLE 10.

MASTER PLAN

Article 10 was read by the Moderator.

Chairman of the Planning Board, Raymond Goding, spoke in favor of the Article and reminded the Assembly that the Article passed last year was for a Master Plan at the cost of \$15,000.00 — \$5,000.00 to be expended each year for three years.

Maps by the firm of Anderson and Nichols showing Existing Land Use were on exhibition.

Mr. Goding said that the proposed appropriation of \$10,000.00 would complete the work as about one third had been finished. An excellent Report of the Survey by Anderson and Nichols had been given to the Town, and had also been printed by courtesy of the Hampton Union.

Mr. Goding moved that Article 10 be accepted as read.

Mr. James Tucker complimented the firm of Anderson and Nichols upon their work and seconded Mr. Goding's motion. It was so voted.

ARTICLE 11.

SEACOAST REGION ASSOCIATION

Mr. Seth Junkins moved the adoption of Article 11 as read.

Seconded. So Voted.

ARTICLE 12.

PROMOTION — HAMPTON BEACH
CHAMBER OF COMMERCE

Mr. Alton Tobey explained that according to law the Chamber of Commerce can no longer sell tickets and raffle off a car during the summer as it has in the past. The proposed \$5,000.00 requested in this article is merely to replace revenue raised previously by that means. Mr. Tobey quoted the Attorney General, who advised that the money be raised by the town. Mr. Tobey moved the adoption of Article 12 as read. Seconded.

Amendment: Mr. Philip Toppan made an amendment to Mr. Tobey's motion that: "Any money expended under this article remain under the jurisdiction of the Selectmen and/or Town Manager." Seconded.

Mr. William Elliot, Sec. of the Chamber of Commerce spoke on the subject of the use of the money available to them. He said that without extensive advertising the number of visitors at Hampton Beach would decrease sharply. He also said that Hampton Beach was famous as a clean beach, and that there was a moral issue involved in doing away with lotteries and obeying the law. He also sanctioned Mr. Toppan's Amendment.

Both Amendment and original motion were voted.

ARTICLE 13.

PURCHASE OF "DÉPOT SQUARE"

Mr. Leroy Hamilton moved that Article 13 be accepted as read. Seconded.

Miss Ruth Stimson asked if the Park in "Depot Square" would be kept as a park if purchased by the Town.

Mr. M. Wingate made an amendment to Mr. Hamilton's motion that this area be kept permanently as a park. Seconded. So Voted.

Miss Stimson mentioned need of a curb to protect tree roots in Depot Square.

ARTICLE 14.
PUBLIC PARKING LOT

Article read by Moderator.

Mr. Norman Merrill one of the sponsors of Article 14, explained the intent of the Article and offered a complete substitution of Art. 14, which was seconded by Wilfred Cunningham.

Substitute Article follows:

“To see if the Town will vote to instruct the Selectmen to purchase for use as a public parking lot, the following lot of land —

Lot bordering on High St. belonging to the Hampton Associates Inc., and to raise and appropriate such sum or sums of money as may be necessary for this purpose, said sum or sums not to exceed in the aggregate, the amount of Fifteen Thousand Dollars. Seconded.

So Voted.

Intervening Discussion:

The Town has not yet asked for option on the property in question.

Mrs. Wingate asked if the owners of above land were allowed free taxes if they would allow the town to have option, and use parking space for the next year.

Mr. Lawrence Hackett replied that there was no legal way of giving free taxes, but the amount of the tax could be returned to owners. Mr. Kenneth Langley was paid the amount of his tax on adjoining land, for its use, during the past 2 years.

Mr. D. Malcolm Hamilton said that Mr. Charles Greenman, one of the Hampton associates, is willing to sell the desired land. He spoke in favor of the substitute Article.

Mr. Merrill reviewed the parking problem in the Center of Hampton and explained that the purchase of adjoining land owned by Kenneth Langley was not included in the motion because the purchase price was too high.

Mr. William Lee asked if substitute article was defeated — would original article be brought up.

Mrs. Wingate proposed that Art. 14 be held over until the Selectmen, Town Mgr. and Mr. N. Merrill could consult with Mr. Greenman and see if he would give the town an option for one year.

Mr. Hackett expressed the opinion that land would be just as scarce, and prices just as high next year.

Mrs. Hackett inquired whether any provision had ever been made for development of the Parking Area.

Mr. True replied that \$600.00 was allowed in the Budget to re-surface the area.

Mr. McKillop asked if this area was purchased by the town if there would still be free parking there.

Mr. True said the intention of the present Board of Selectmen is to keep it free.

ARTICLE 15. TRAFFIC LIGHTS

Town Manager True explained that the present traffic lights in the center of town had worked for 30 years, and had been inspected by an expert and pronounced not up to standard. Many parts are obsolete.

Mr. Herbert Clough questioned advisability of suspended light as proposed.

Mr. True replied that Mr. Morrill, State Highway Traffic Engineer recommended that type of light at Hampton Center, and also read itemized cost of replacement.

Mr. Nichipor inquired why "Stop and Go" lights at Mill Rd. and High St. intersection were not in operation.

Mr. True quoted Chief Malek as saying they were not necessary. Blinker light doing necessary job. No accidents there.

Mr. True moved that town adopt Article 15 as read. Motion second. It was so voted.

Announcement was made by the Moderator that the Teacher's Club was sponsoring lunch in the High School Basement at noon. Proceeds to be used for a Scholarship.

ARTICLE 16. CIVIL DEFENSE

Mrs. Wingate said that during the 1954 hurricane the Exeter Red Cross cars could not get to Hampton until nearly 5 P.M. Spoke about the necessity of Medical supplies being kept in Hampton in case of emergency.

Mr. Hunter stated that Hampton would be the Civil Defense Center of the Seacoast Area and that blankets, cots, and stretchers were needed. Said if water front road was damaged supplies kept at the Beach would be of no use. One thousand dollars worth of materials may be purchased from the Federal Govt. for \$500.00.

Mr. William Elliot moved that Article 16, be amended to read "together with Civil Defense Director," seconded. (words of amendment to be inserted after the word doctors in original article).

Mrs. M. Wingate moved that Article 16 be adopted as amended. Seconded. So Voted.

Mr. James Tucker moved that the meeting recess until until 1:30 P.M. So voted.

MEETING RE-OPENED AT 1:30 P.M.

ARTICLE 17.
NEW TANK TRUCK

Article 17 read by the Moderator.

Mr. Irving Campbell moved that Art. 17 be accepted as read.

Mrs. M. Wingate made an amendment to the motion causing it to read as follows:

“To see if the town will vote to raise and appropriate the sum of \$7,000.00 for a tank truck for the fire Dept. to be housed in the Village Station.”

Seconded. So voted.

Mr. Campbell changed his motion to read “That Article 17 be accepted as amended.”

Seconded. So voted.

Mr. McDermott asked if there was room at the Village Station. It was explained that an old truck would be disposed of. Plenty of room for the new equipment.

ARTICLE 18.
EQUIPMENT FOR FIRE DEPT.

Read by Moderator.

Mr. Leroy Hamilton moved that Article 18 be adopted as read. Seconded. So Voted.

ARTICLE 19.
FIRE ALARM BOXES

Mr. James Tucker, Jr. moved that Article 19 be passed as read. Seconded. So Voted.

ARTICLE 20.

ADDITIONAL MEN FOR FIRE DEPT.

Article read by Moderator.

Mr. Leroy Hamilton spoke in opposition to the article.

Upon request the Fire Chief, George Lamott explained the need of two additional men on the Fire Dept.

Mr. Walter Nichipor moved that Article 20 be adopted as read. Seconded. So Voted.

ARTICLE 21.

FIRE ALARM SYSTEM FOR
DRAKESIDE AND TOWLE ROADS

Mr. Irving Campbell moved that Article 21 be adopted as read. Seconded.

Mr. Tucker asked for an alternate method of fire protection by phone to save money.

Town Mgr. True explained that 3 telephones could be installed in weather-proof boxes at the same locations for \$240.00 per year rental.

Mr. I. Campbell objected as phones are frequently out of order.

Mr. Raymond Garland expressed the opinion that in 10 years time the town would have spent \$2,400.00 in rental which would go a long way toward paying for a regular Fire Alarm system. He also stated that the people in the section of Town mentioned in the article rarely asked for any expenditure of money.

Mrs. M. Wingate made an amendment to Art. 21 "That the fire alarm boxes installed be of the latest and most modern type." Seconded. So voted.

Art 21 was voted with amendment.

ARTICLE 22.

PROMOTION OF RECREATIONAL ACTIVITIES

Mrs. Wingate moved that action on this article be indefinitely postponed.

Seconded. So voted.

Mr. Kenneth Ryan spoke in favor of Article 22, and reminded the voters that it was sponsored by the P.T.A.

ARTICLE 23.

RECREATIONAL COMMISSION

Mr. Leroy Hamilton moved that Article 23 be indefinitely postponed. Seconded. So voted.

(Intervening discussion)

Mr. James Tucker Jr. asked if Art. 22 could be re-considered. Reply "no".

Mr. Frank Freeman spoke in favor of a Recreational Program, and the need for equipment.

Mr. D. M. Hamilton, Mr. Walter Brown and Mr. Wm. Elliot expressed the opinion that the Recreational Program several years ago fell through because of lack of interest.

ARTICLE 24.

ROAD FROM GLADE PATH TO ISLAND PATH

Art. read by Moderator.

Precinct Commissioner Seth Junkins explained traffic congestion at Hampton Beach, and said that the request for new road contained in Article 24 was the beginning of a remedy. \$1,000.00 was appropriated in 1954 to survey the traffic problem.

Mr. Douglass Hunter described area in question, and stated that \$2,400.00 of the proposed \$8,500.00 is for

land damage. The distance from Island Path to Glade Path is 775 feet. Mr. John Dunfey asked if Nudd Ave. would be connected with the proposed road. Answer "no".

Mr. McDermott asked if the road could later be extended further south. Reply "yes". Only 4 land owners involved.

Mr. James Tucker said that this project would solve:

1. Tremendous traffic problem.
2. A sanitary problem.
3. Adds taxable property for town revenue.

Further, this plan is not a new idea, it was originally planned to make a road along this Sewer easement some years ago.

Mr. S. Junkins moved that Article 24 be adopted as read. Seconded by Mr. Kirby Higgins. So voted.

ARTICLE 25.

SEA VIEW AVENUE

Town Mgr. True explained that Sea View Avenue runs between North Shore Road and North Shore Drive. At present a dirt road, and will require a lot of work before it is acceptable to the Town.

Mr. Freeman stated that the road is in very poor condition.

Mr. Tucker asked what the obligation of the town would be — in case of acceptance. Judge Perkins said that the clause "approval by the Board of Selectmen" protected the town, as roads must be brought to a reasonable standard before the Board would pass on acceptance.

Mrs. M. Wingate moved that Art. 25 be accepted as read. Seconded. So voted.

ARTICLE 26.

SUNSURF AVENUE

Article 26 was voted with amendment by Mrs. M. Wingate adding the words "after approval by the Board of Selectmen." (Seconded)

ARTICLE 27.

LEARY LANE

Article 27 was passed with amendment by Mr. Leroy Hamilton adding the words "after approval by Board of Selectmen."

(Note) An amendment to the amendment by Roland Paige "That Leary Lane be re-named after a deceased veteran of World War II was withdrawn after a conference between Mr. Paige and Mr. Leary.

(Note) Much discussion. Rev. Norman Allers moved the previous question which brought article to a vote.

ARTICLE 28.

SEWER SYSTEM AT FAIRFIELD DRIVE
AND RUTH'S LANE

Mr. George Enwright spoke on the serious health problem at the area in question, and read a letter from Mr. Grossman, State Sanitary Engineer of the N. H. Board of Health. In order to remedy the condition less than 1/2 mile of Sewer Main will be required.

Town Manager True has sent letters to Fairfield residents asking if they would enter the town sewer line immediately if it is extended to include that section. Out of 26 replies, twenty-five said that they would enter the sewer right away.

Mr. Enwright moved the adoption of Article 28 as read. Seconded. So Voted.

ARTICLE 29.
SURFACE DRAINAGE FOR
HACKETT'S LANE AND MOORE AVE.

Article read by the Moderator.

Mr. St. Pierre made plea for consideration of Art. 29.

Mr. Barteau asked if the amount requested in this article is appropriated, will it be sufficient to take care of the situation.

Mr. True replied that Engineers had estimated the \$10,000. figure which will take care of surface drainage only. The drainage proposed will follow the Sewer Easement to catch basin on Lafayette Road.

Mr. Shankle registered a protest against having any water pumped on to his land.

Mr. St. Pierre made the motion that Article 29 be adopted as read. Seconded. So voted.

ARTICLE 30.
DRAINAGE FOR KING'S AVENUE

Art. 30 was read by the moderator.

Mr. Silver said that the drainage problem on King's Avenue was much the same as that of Hackett's Lane and Moore Ave.

Discussion followed concerning proper planning of new developments.

Judge Perkins told the assembly that the Planning Board has regulations but can only enforce rules in which the people will back them up.

The opinion of the meeting seemed to be that the people want the Planning Board to enforce regulations.

Mr. Silver moved that Article 30 be accepted as read. Seconded. So voted.

ARTICLE 31.
ABANDONED CEMETERIES

Mr. Leroy Hamilton moved that Article 31 be passed as read. Seconded. So voted.

ARTICLE 32.
DEARBORN AVENUE (named for veteran)

Mrs. Wingate moved the adoption of Article 32 as read. Seconded. So Voted.

ARTICLE 33.
MEMBERS OF BUDGET COMMITTEE

The following motion was made by Mr. Herbert Casassa: Seconded.

I move that Article 33 be amended by striking out the article and amending it to read as follows:

“In the event of the adoption of a municipal budget law, to see if the Town will vote to have twelve members at large elected to the budget committee, the members for the ensuing year and for their respective terms of office to be elected by this meeting, and the four members whose terms expire in each subsequent year to be elected by Australian Ballot.”

Mr. Kenneth Ryan moved that the amendment to Article 33 be amended as follows: “That this meeting elect as members of the budget committee for their respective terms of office, the following citizens:

To serve for one year: Alfred Tower, Kenneth Langley, Carl Lougee, and Virginia Blake.

To serve for two years: Douglass Hunter, Martin Gunther, George Downer and Wilma White.

To serve for three years: Dean B. Merrill, William Elliot, Dr. Harold Pierson and Caroline P. Higgins.

Article 33 was passed as amended.

NOTE: (Mr. Dean Merrill resigned, and Mr. Charles Greenman was appointed in his place).

ARTICLE 34.
PLATT'S LAND

Article Read by the moderator.

Mrs. Hackett moved the adoption of Article 34 with the change of frontage being "5 feet on Academy Avenue instead of 10 feet, as printed in original article.

Seconded. Voted as amended.

ARTICLE 35.
GRAVEL ORDINANCE

Mr. Douglass Hunter moved that Article 35 be accepted as read. Seconded.

Mr. Hunter also proposed the following amendment:

"I move that this article (35) be referred to the Planning Board and that said Planning Board make a study of the question of gravel pits, and the removal of gravel and other fill, and of what restrictions should be placed thereon, and to report to the town meeting as soon as possible with a suggested amendment to the Zoning Ordinance to cover this situation — not later than the Regular Town Meeting in 1956, and that upon acceptance by the people, the said Planning Board be responsible for the administration of the same".

Seconded. Article 35 passed as amended.

ARTICLE 36.
AMENDMENT TO ZONING ORDINANCE

Mr. John W. Perkins moved the adoption of Article 36 as read. Seconded by Wilfred Cunningham.

So Voted.

Mr. Perkins explained Ordinance of State Planning Board, and said that if Art. 36 passes — Trailers would be permitted in General Areas.

They must conform to both State and local board of Health Regulations. The Board of Adjustment has control. General Area was explained as all area except Residence A, B, and Business.

Mr. McKillop asked if anyone could purchase land and put in a Trailer Park. Reply: "Yes, if it was a General Area."

Mrs. Hackett asked if any thought had been given to a Municipal Trailer Park.

Mr. James Tucker asked if Articles 22 and 23 could be re-considered.

The Moderator interpreted regulations to mean that they could not be re-considered.

Rev. Norman Allers suggested that a committee study the Recreational Program and report later.

Town Council said that such a motion was out of order at this time. Suggestions should have been made immediately following action on the Article.

ARTICLE 37. ZONING ORDINANCE

Mr. Norman Chambers moved that Article 37 be adopted as read. Seconded. So Voted.

Mr. Walter Hollis stated that all areas of Fairfield Park were Residence A. Residence B. Permits erection of Cabins.

ARTICLE 38 CONSTRUCTION PROVISIONS TO ZONING ORDINANCE

Mr. Roland Emery moved adoption of Article 38 as read. Seconded. So voted.

Mr. Eugene Trenholm reported on the Building Code.

ARTICLE 39.

AMENDMENT TO ARTICLE SIX,
SECTION ONE, OF ZONING ORDINANCE

Mr. Eugene Trenholm moved that Article 39 be adopted as read. Seconded. So Voted.

ARTICLE 40.

AMENDMENT TO ARTICLE SIX,
SECTION THREE, OF ZONING ORDINANCE
Article read by moderator.

Mr. Irving Campbell made an amendment to Article 40 so that it will read as follows:

(Sec. 3) "A Building Inspector who is not employed by, or holds office, but is a resident of the Town of Hampton, and in event of the disability, absence, or disqualification of the Building Inspector, the Selectmen shall appoint an Inspector to act in his stead."

Mr. Eugene Trenholm moved that Article 40 be adopted as amended.

Seconded. So voted.

ARTICLE 41.

RESCIND CLAM ORDINANCES

Mr. Seth Junkins reported on the work of the Ordinance Committee.

The reason for rescinding Clam Ordinances passed by the town prior to this date, is that the State controls the Claim Flats.

Mr. Junkins moved the adoption of Article 41 as read.

Seconded. So voted.

ARTICLE 42.

FIFTY DOLLARS FOR ORDINANCE BOOKLETS

Article 42 read by Moderator.

Discussion followed in regard to Ordinances. Some

voted in Town Meeting. Some made by Selectmen at regular meetings. Mrs. John Clancy mentioned ordinances made several years ago forbidding undressing in parked cars at the beach, also prohibiting dogs to run on the beach without being on leash.

Mr. Junkins moved the adoption of Article 42 as read. Seconded. So voted.

ARTICLE 43.

CIVIL DEFENSE HORN

Mr. Douglass Hunter explained that in order to meet requirements a warning air horn was needed.

The \$1,100.00 requested is only one-half of the cost. The Federal Government pays the other half.

Mr. Wilfred Cunningham moved that article 43 be adopted as read. Seconded. So voted.

ARTICLE 44.

COPIES OF REVISED ORDINANCES

Mr. Seth Junkins moved that Article 44 be adopted as read. Seconded. So voted.

ARTICLE 45.

Mr. Roland Paige proposed the following resolution from The Hampton's Post No. 35, American Legion.

"The Hamptons' Post No. 35 American Legion, believing it is the intention of the town to publicly preserve the names of those who honorably served during the Korean conflict, offers the following resolution:

WHEREAS: The Town of Hampton does always desire to recognize and honor the members of the Armed Forces who honorably served their country in the Korean War, therefore

BE IT RESOLVED that this meeting will request that the moderator appoint a committee of seven

citizens whose duty it shall be to bring in the necessary details, including an accurate list of those who served honorably in the Armed Forces of the United States during the Korean War, June 27, 1950 to January 31, 1955, and were legal residents of the town during such service."

(Note) Committee appointed by the Moderator under Resolution in Article 45:

Roland W. Paige	Mrs. Barbara Bogrett
Vernon B. Dennett	Mrs. Marion Leach
William D. Holman	Roscoe B. Palmer
Donald A. Ring	

Mr. James Tucker proposed a rising vote of thanks to the Town Officers and Town Manager.

Mr. Cunningham moved the meeting adjourn.

Respectfully submitted

K. To amend General District, Appendix A by striking out the same and substituting in place thereof:

“General Residential District”, All areas in the Town of Hampton not included in Residence A, Residence B, Business, and Industrial Districts.

L. By adding after Sub-Section 4, Section 3, Article I, the following new Sub-Sections:

5. Permit the issuance by the Building Inspector of a permit for a quarry, gravel pit, sand pit or any similar use, or for the removal of loam, such permit to be issued for an initial period of not more than two years and may be renewed upon application to and at the option of the Board for successive periods of not more than one year each, and said permit or any renewal thereof may specify the depth to which the gravel or other material may be removed; this Ordinance shall not effect any bona fide gravel pit in use as such or the removal of loam in progress on the date of the adoption of this section.

6. Permit the erection of temporary signs and markers designating a new housing development or any similar use, said permit to specify the size and location of the sign and the length of time it may remain.

7. Permit the reduction in lot area and width in a Residence A or General Residence District where the required minimums will work a hardship on the owner of the lot or lots and where such reductions will not be injurious or detrimental to the neighborhood.

8. In passing on any of the special exceptions to the terms of this Zoning Ordinance as set forth in this Section 3, no exception or variance shall be granted unless the Board shall rule that such exception or variance will not be injurious or detrimental to the neighborhood.

M. By adding to the end of Section 3, Article III the following new Sub-Section:

6. Coal, coke, wood and building yards.

N. By striking out the whole of Section 4, Article III, “General District” and inserting in place thereof the following sections:

Section 4 — General Residence Districts

In the General Residence District no building or land shall be used for any purpose except one or more of the following:

1. Any use permitted in a Residence B District.
2. General farming, including horticulture, dairying, livestock and poultry raising, and other agricultural enterprises or uses.
3. Processing the natural agricultural resources of the district.

9. Telephone, telegraph or power transmission lines.
10. Accessory use customarily incident to any of the above uses.

Section 5. — Industrial Districts

In the Industrial District no building or land shall be used for any use prohibited in a Business District unless the Board of Adjustment shall rule that such use under such conditions and in such a building as it may prescribe will not be detrimental or injurious to the neighborhood.

Section 6. — Excluded Uses

The following uses are specifically excluded from all Districts: Junk yards, dumps, storage of abandoned automobiles; race tracks, roller skating rinks, roller coasters, the whip, merry-go-rounds, and/or any other similar commercial amusements.

O. By adding after Section 3, Article IV the following sections:

Section 4. In a Residence A or General Residence District no dwelling shall be erected on a lot containing less than 10,000 square feet in area or less than 100 feet in width unless such lot is on record in the Rockingham County Registry of Deeds prior to the adoption of this section.

Section 5. No structure in an Industrial District shall be placed closer than 30 feet from the street frontage or frontages.

Section 6. **Vegetation on Corners.** Within the area formed by the lines of intersecting streets and a line joining points on such

lines fifteen feet distant from their point of intersection, or in the case of a rounded corner the point of intersection of their tangents, no structure other than a building and no foliage may be maintained between a height three and one-half feet and a height eight feet above the plane through their curb grades.

P. By adding after Article IV the following Article:

ARTICLE IV-A. SIGNS

1. No sign shall be erected in a Residence A area except those pertaining to the lease, sale, or use of the lot or building thereon and no sign shall exceed six square feet in total area and only one such sign shall be placed on the lot or building except in the case of a two family house where not more than two signs designating the use may be erected, in which case the total signs pertaining to the uses shall not exceed 6 square feet in total area.

2. No sign shall be erected in a Residence B area or in a General Residence District except those pertaining to the lease, sale or use of the lot or building thereon and no sign shall exceed 18 square feet in total area and only one such sign shall be placed on the lot or building except in the case of a more than one family house on a lot or more than one use, in which case the total signs pertaining to the uses shall not exceed 18 square feet in area.

3. No moving, flashing or animated lighted sign shall be erected or used in any Residence A, Residence B or General Residence area.

4. These restrictions shall not prevent the erection of State and Town Highway signs or signs designating an historical site and shall not prevent the erection of name signs on the lawn or house designating the name of the house or occupant thereof, but no historical sign or name sign shall exceed four square feet in total area.

5. The restrictions in Residence A, B and General Residence Districts pertaining to signs shall not apply to signs in existence at the time of the passage of these sections.

Q. By striking out the whole of Section 4, Article V, Chimney Construction and inserting in place thereof the following:

Section 4. — Chimney Construction

No chimney shall be built, erected, or altered below the roof unless containing a tile or brick lining the full length of the chimney and with a cast iron clean-out door at or near its base,

and woodwork or other combustible material enclosing the chimney shall be no closer than one inch to the chimney, and no chimney shall have its base resting upon any floor or beam of combustible material. All chimneys shall be constructed from the ground up.

R. To authorize and instruct the Planning Board to incorporate into and consolidate the descriptions of the various Districts included in Appendix A of the Zoning Ordinance the changes voted in the foregoing articles so that contiguous similar districts may be joined together in one description.

Given under our hands and seals this 5th Day of December in the year of Our Lord, 1955.

The purpose of this committee shall be to ascertain if it is possible to attract small and diversified industries to this community — industries which will fit into and not conflict with the economy of a residential-recreational town such as Hampton. This committee shall consist of six business men, one Selectman, the Town Manager, one professional man, one civil engineer, and one citizen who shall have had a background of experience as an industrial executive. The committee shall be empowered to seek assistance from the local Planning Board; to ask cooperation of state, regional and national industrial promotion groups; to obtain accounts of the experiences of other communities which may be engaged in seeking suitable industries to locate within their confines and to take such other action as may be deemed necessary to achieve its purpose.

Article 32. On petition of Alton P. Tobey and fourteen other legal voters of the Town of Hampton, to see if the town will vote to authorize the Moderator to appoint a committee of five citizens to ascertain what places, sites or events of Hampton's historical significance should be memorialized with permanent markings and to report its findings to the next regular Town Meeting, together with an estimate of the costs which may be involved in providing such permanent markings.

Article 33. On petition of Herbert Casassa and twelve other legal voters of the Town of Hampton, to see if the town will vote to authorize the Moderator to appoint a committee of seven citizens to consider the advisability of erecting at some future time by means of a voluntary subscription and taxation, a municipal memorial building and adequate parking area, so located

and so designed that it may serve (1) as a Town Hall, (2) as a community center, and (3) as a convention facility which might be the means of attracting early and late season conventions to Hampton Beach, said Committee to report its findings at the next regular Town Meeting.

Article 34. To see if the town will vote to authorize the Selectmen to work with the Planning Board to study methods of financing future sanitary sewer extensions and operation, outside of the general property tax, and to present what recommendations they might make at the next regular Town Meeting or at an earlier special Town Meeting if in the opinion of the Board such special action is either necessary or desirable.

Article 35. On petition of Edgar H. VanDeWater and nine other legal voters of the Town of Hampton, to see if the town will vote to build sidewalks on Lafayette Road from Ann's Lane to Watson Lane.

Article 36. To see if the town will vote to authorize the Selectmen to obtain by purchase or by eminent domain proceedings, a strip of land fifty feet in width extending ten feet on each side of the sewer easement from Island Path to Dustin Avenue for the purpose of future extension of the "Marsh Highway".

(\$5,000 in budget under Town Construction).

Article 37. To see if the town will vote to amend the Zoning ordinance of the Town of Hampton, adopted at the annual Town Meeting March 8, 1949, as amended by Town Meetings held on March 14, 1950, March 11, 1952, September 29, 1952, March 8, 1955, and January 11, 1956, as follows: (A) By adding the following new Residence A District to Appendix A:

SOUTH OF HAMPTON RIVER

Beginning at a point in the Hampton-Seabrook Town Line at the shore of the Atlantic Ocean; thence running

northwesterly by said town line to Hampton River; thence running in a general easterly and southerly direction by said River and said Ocean to the point of beginning. Meaning and intending to describe all land in the Town of Hampton south of Hampton River.

(B) By adding the following new Industrial District, taken partly from Residence A, Exeter Road, Hampton Village and partly from Business District, Hampton Village and changing the two said Districts to conform thereto, as follows:

INDUSTRIAL DISTRICT GRAVEL PIT,

SELECTMEN'S AND TOWN MANAGER'S GENERAL REPORT

We are pleased to submit the 318th Annual Report of the Town of Hampton. The year ended well financially with a budget surplus, and a reduction in the town net debt of over \$30,000.

One of the matters of great interest during the year just ended was the use for tax assessment purposes of the figures compiled in the revaluation project voted at the 1954 Annual Meeting. This work lasted for more than a year and of course was not perfect in all items. Many abatement requests were heard, and corrections were made on about 5% of the total properties. It now appears to us that the tax list is nearly correct in respect to names of owners and equalized value. Work is continuing on the tax maps which are a great help in determining exact size and location of lots.

During the year the town office was painted, an oil burner installed in the fire station, the beach dump operated as a land fill without burning.

In accordance with the authorization of the Town Meeting, Depot Square and the High Street parking lot were purchased; a waste collection truck for the combined collection of garbage and rubbish was purchased and saves about \$6,000 per year for the town; a ranch wagon type of combined ambulance and cruiser for the Police Department; a four wheel drive tank truck was purchased and equipped for the Fire Department, and the fire alarm system to the Drakeside Area was installed; the "Marsh Highway" is in progress between Glade Path and Island Path, and a sum of money is in the budget to purchase a right-of-way all the way to Dustin Avenue so that the road may be extended later as the need arises.

The drainage system for Kings Avenue and Hackett Lane was not built as the Boston & Maine Railroad refused permission for drainage to overflow onto their property, and no other method of drainage could be found for the sum available. This money is still on hand and articles to transfer it over for sewerage are in the warrant.

For the coming year we expect to continue the present system of waste collections, the sanitary land-fill operation of the dump, and continue the program of gradual elimination of leakage into the sewer system.

We endorse the proposals for beach development and industrial development during the coming year.

Respectfully submitted,

LAWRENCE C. HACKETT,
DONALD A. RING
HARRY D. MUNSEY,

Board of Selectmen.

Hampton Town Report

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

February 23, 1956

Board of Selectmen
Hampton, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hampton for the fiscal year ended December 31, 1955, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court, Library, Cemetery Association and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets — Dec. 31, 1954 — Dec. 31, 1955:

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1954 and December 31, 1955, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$32,675.86 in 1955.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decreases in Net Debt	
Budget Surplus	\$21,904.22
Bonds Paid	9,000.00
Increase in Accounts Receivable	356.50
Elimination of Yield Tax Reserve	1,455.45
	\$32,716.17
Increases in Net Debt	
Tax Liens Transferred to Tax Deeds	\$39.95
Adjustment in Cash Balance of Dec. 31, 1954	.36
	\$40.31
Net Decrease	\$32,675.86

Comparative Statements of Appropriations and Expenditures Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1955, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$43,500.13, less a net overdraft of appropriations of \$21,595.91, resulted in a net budget surplus of \$21,904.22.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1955, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1955, is indicated in Exhibit B-2.

Statement of Bonded Indebtedness: (Exhibit I)

A statement of bonded indebtedness as of December 31, 1955, showing annual debt service requirements, is contained in Exhibit I.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$49,618.16 to \$73,294.02 in 1955, as shown by the following statement:

	Dec. 31, 1954	Dec. 31, 1955
Total Assets	\$169,382.51	\$253,528.99
Current Liabilities	119,764.35	180,234.97
	<hr/>	<hr/>
Current Surplus	\$49,618.16	\$73,294.02

Conclusion:

The accounts of the town officials which we examined were found to be in good condition and the accounting procedure conformed to prescribed methods.

We extend our thanks to the officials of the Town of Hampton for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director

Book Week was observed November 13 to 19 with the usual display of new Juvenile books. The theme of the Poster, designed by Garth Williams, illustrator of children's books, was "Let's Read More."

On October 13, Librarians and trustees from twelve towns met at the Nichols Memorial Library in Kingston. The theme for the occasion was "What is the best library service for your town?" Mr. Gardner Soule, extension librarian from Concord and Miss Margery Stroud of the bookmobile division led the afternoon discussion. Collections of books loaned to teachers was one item in which this library participates.

Discussion of current books was the topic for the evening session, led by Miss Catharine Pratt, Assistant

State Librarian. We are sorry to be notified of Miss Pratt's resignation from the State Library Commission, to be effective in June 1956. It has been a pleasure to have had contact with Miss Pratt for so many years.

As the town is growing rapidly, so also is the work at the library. 145 new names have been added to the list of patrons during the past year, and new ones are being added every week. This does not include new summer borrowers.

Some consideration will have to be given soon for an addition to the Library. There is great need for a children's room and for a Study Room apart from the Reading Room. Students are given much research work for which the School Library is evidently not adequate, and the Reading Room at the Library does not give sufficient accommodations.

Again this year the Garden Club presented the Christmas Wreath for the door.

Town of Hampton, New Hampshire, to see if the School District will vote to have all special articles in the warrants for all Annual and all Special School District Meetings, with the exception of those articles in the warrant to raise and appropriate such sums of money as may be necessary for the School Budget, so called, placed on the Australian Ballot if such special articles involve or are likely to involve expenditures of the sum of seven hundred and fifty dollars or more; and to have a public meeting for the discussion of the articles in the warrant for each School District Meeting, said public meeting to be held at a time and place designated by the School Board at the time of posting of said warrant and to be held at least seven days before said School District Meeting.

8. On petition of Margaret M. Wingate and sixty-six other legal voters of the School District of the Town of Hampton, New Hampshire, to see if the School District will vote to revoke and rescind in its entirety the action taken at the Special Meeting of the School District of Hampton held November 26, 1954 on Articles 2, 3, 4, 5, 6, and 7 of the warrant for said Special School District Meeting, the subject matter of said articles being the construction of school buildings, the financing of the same, the acquisition of land for the same, and other related matters.

9. On petition of Margaret M. Wingate and sixty-six other legal voters of the School District of the Town of Hampton, New Hampshire, to see if the School District will vote to terminate as of March 2, 1955, the authority and terms of office of the presently existing School District Building Committee.

10. On petition of Margaret M. Wingate and sixty-six other legal voters of the School District of the Town of Hampton, New Hampshire, to see if the School Dis-

trict will vote to authorize and instruct the Moderator of the School District to appoint a School District Building Committee of seven members to consist of the School Board and four other legal voters of the School District, the said School District Building Committee to survey sites for elementary and secondary schools, to obtain options on land if desirable, to engage the services of engineers, educational consultants and architects in its discretion, to prepare plans for a building or building for elementary school pupils and to do all other things necessary to make a complete report to the School District as soon as possible; the said School District Building Committee being directed to prepare a new and different set of plans from those submitted to the Special School District Meeting held November 26, 1954.

11. To see what sum of money the District will raise and appropriate for the support of the schools, for the salaries of District officials, and agents, and for the payment of statutory obligations of the District, and to authorize the application against appropriation of such sums as are estimated to be received from the State equalization fund together with other income: The School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

12. On petition of Grace Lambert and eleven other legal voters of the School District of the Town of Hampton, New Hampshire, to see if the voters will authorize the adoption of the kindergarten program and instruct the School Board to take whatever measures are desirable to reinstate the kindergarten and to raise and appropriate whatever sum or sums of money may be necessary for this purpose.

13. To transact any other business that may legally come before said meeting.

Given under our hand at said Hampton this 15th day
of February 1955.

**RESULTS OF REGULAR SCHOOL MEETING,
HAMPTON SCHOOL DISTRICT**

March 2, 1955

The Meeting opened at 3:00 P.M.

The Warrant was read by Moderator Edward S. Seavey Jr.

The following Ballot Clerks were sworn in:

Caroline Higgins, Joseph Green, Elsie Underwood, Alice Langley, Isabel Colwell, Verna Sumner, Ruth Russell, Bruce Russell.

Motion was made by Caroline Higgins that the polls close at 8 o'clock P.M. (withdrawn)

Motion by Noel Salomon that polls remain open until 8:30 P.M. Seconded by William Treat. So voted.

William W. Treat moved that the business meeting be recessed until 8:00 P.M. Seconded. So voted.

Meeting called to order at 8:00 P.M. by Moderator Edward S. Seavey Jr.

Motion made by Mrs. Margaret Wingate to dispense with the reading of the entire warrant, as it had been published. Seconded. So voted.

Article 1. District Officer's Salaries.

Mr. Roy Hamilton moved that the District Officers salaries remain as they are at present.

Amended by Mr. James Tucker, to apply only to salaries of officers other than the School Board.

Seconded. So voted.

(Note) Treasurer and Auditor only other paid officers.

Article 2. Upon motion of Carl C. Bragg, Seconded, Sanford G. York was voted auditor for the School District.

Article 3. Federal Aid. Upon motion of D. Malcolm Hamilton, Article 3 was voted as read.

Article 4. Mr. Harry Parr moved that Article 4 be adopted as read. Seconded. So voted.

Article 5. School Board Salaries. Mr. Wilfred Cunningham moved that Article 5 be adopted as read. Seconded. So voted.

Article 6. Mr. Chester J. Mullen made the motion that Article 6 be accepted as read. Seconded. Article 6 was voted with amendment by William W. Treat that \$500.00 be raised and appropriated for the purposes of Article 6.

Mr. Franklin Brittan asked if the \$500. would cover the cost of Art. 6, or is it just a payment.

Mr. Treat replied "Cost to Date" if no more legal action against the District.

Article 7. Mr. Roland Paige moved the adoption of Article 7 as read. Seconded.

D. Malcolm Hamilton explained advantages of Article 7. Harry Parr spoke in opposition to Article 7. Walter Nichipor asked if it would prohibit amendments if accepted. Reply "It would". Edmund Langley Jr. cited use of the same system in Exeter and amended Art. 7 to have only amounts in excess of \$10,000. be put on the ballot. No Second.

Rising vote on Mr. Paige motion.

Teller: Edmund Langley Jr., Foster Greene.

Results of vote: In favor of Art. 7, 229; Opposed to Art. 7, 268. Article 7 not voted.

Article 8. Article read by Moderator. Mrs. Margaret Wingate moved the adoption of Art. 8 as read. Seconded.

D. Malcolm Hamilton presented a resume of past plans for schools which he believed superior to the campus type.

Harry Parr spoke for the Plan adopted at the Nov. 26, 1954 meeting.

Alfred Tower reviewed work of the building committee of which he was the Chairman, last year. He reminded people of their vote accepting Plan "D" so called.

Estimated projected growth of school population will require 29 classrooms by 1957 or 1958. At present there are 15. If 8 classrooms are now added, that will not be sufficient in 3 years.

James Tucker asked for an end to bickerings and an end to delay. He expressed the opinion that there was not enough recreational area at Centre School location for an addition and resulting added number of pupils. He said that the growth of our town is projected toward the area where the campus type school is planned. To save Federal appropriation already allocated, to save further planning expense, and to save further delay in providing adequate schools for our children, he recommended the results of the Nov. 26th meeting not be rescinded.

Mrs. Wingate stated that if Article 8 was carried architects said that a school could be ready by September 1955.

Mr. Foster Greene stated that the alternate plan had once been voted down.

Mr. D. Malcolm Hamilton said that there was more chance of having a school at an earlier date if results of Nov. 26th meeting are rescinded.

William Lessard asked type of construction of proposed campus type units.

Mrs. Doris Bragg said lunchroom facilities at Centre School are adequate to include additional pupils, contrary to many reports.

D. Malcolm Hamilton made amendment to Article 8 that the vote be by "Yes" and "No" ballot and that the check list be used.

Vote in the affirmative.

Mr. Noel Salomon spoke for the Campus type school and said that long range planning required 2 separate balanced Elementary Units. The long range plan also calls for moving the Junior High School into the present High School and building a new High School.

Elementary school will soon have enrollment requiring four classes to each grade. At the proposed Mace Road site the School Board have 8 acres. Do not contemplate taking land belonging to Mr. Mace. Proposed site 80 feet above sea level. Owners will receive fair value for their land if taken.

Mr. Carl Bragg asked for a vote on the article. Said that \$100,000. could be saved by not voting for campus type school and using alternate plan.

Mr. Treat stated that if action of Nov. 26th meeting was not rescinded, ten per cent of the Federal money would be available next week. Obtaining government money would save \$2.00 on each person's tax rate. \$26,000 is the cost of one school unit.

Mr. D. M. Hamilton remarked that it did not seem wise to spend \$100,000. just to get back \$26,000.

Mr. Franklin Brittan said if we save \$100,000. it would mean that we could start on a new High School without increasing bonded debt.

Mr. Lawrence Hackett was of the opinion that the Federal Government would allow the use of allocated money for the conventional type school instead of the campus type.

Mr. Nichipor said the important thing is the education of our children, not the tax dollar.

Mr. Alton Tobey moved the previous question (limits debate, requires 2/3 vote). Seconded. Voted in the affirmative.

Amendment requiring "yes" and "no" ballot, and check list use, voted in the affirmative.

Checkers appointed: William Holman and Norman Merrill.

Vote to rescind action of Nov. 26th 1954 meeting on Articles 2, 3, 4, 5, 6, and 7.

Yes	334	
No	294	(Total 628)

Article 9. Mrs. Margaret Wingate moved the adoption of Article 9 as read. Seconded. So voted.

Article 10. Mrs. Wingate made the motion that Article X be adopted with amendment read by her: (Amendment offered by Mrs. Wingate to Art 10 withdrawn after much discussion).

With regard to the appointment of the 4 members of a building committee in addition to the School Board, Mr. Harry Parr asked if newly elected moderator would be permitted to make the appointment of New Building Committee.

Mr. Parr made the amendment that the incoming moderator appoint the new members of the Building Committee. Seconded. So voted.

There was misunderstanding as to meaning of the action rescinding action of Nov. 26, 1954 meeting. it was

finally made clear that rescinding action of Nov. 26th meeting did not mean accepting plan for addition to Centre School.

Mr. James Tucker made the motion that Art. 10 be adopted as read. Seconded, and so voted.

Mr. Salomon was asked if the balance of the money left unused by previous committee could be used by the new committee. (\$1,200.00). He replied that the previous committee was authorized to use the money toward a High School Site.

Article 11. Budget. It was stated that the School Budget money was not available until July 1, 1955.

Mr. Noel Salomon moved that the Hampton School District Budget of \$236,757.20 be raised and appropriated. Seconded. So voted.

(This is a reduction of \$22,325.00 from the amount in the published budget.)

Article 12. Kindergarten. Mr. O. Raymond Garland moved that in view of the complicated position in which we find ourselves Article 12 be indefinitely postponed. Seconded. Not voted.

Discussion on subject of kindergarten by Mr. Nichipor, Mr. Youngman, Mr. Hackett and Mrs. Hackett.

Mrs. Bryer explained why the School Board felt that the sum of \$8,500.00 would be sufficient for kindergarten purposes the coming year. This sum included teachers' salaries, transportation and supplies.

Mr. Nichipor moved that the sum of \$8,500.00 be raised and appropriated for the adoption of the kindergarten. Seconded. So Voted.

William Lee asked if it would be possible to reconsider the vote which rescinded the action of the Nov. 26, 1954 meeting in regard to certain articles.

The moderator replied that it could not be done, as too many people had left the hall and much time and business had elapsed since the vote was taken.

The meeting was adjourned at 1:10 A.M.

Respectfully submitted,

HELEN W. HAYDEN,

Clerk of the Hampton, N. H.
School District.

New Members of the Building Committee appointed by Moderator William I. Elliot to serve with the three members of the School Board were:

**SCHOOL DISTRICT WARRANT
FOR SPECIAL SCHOOL DISTRICT MEETING**

School District of the Town of Hampton
STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Hampton in the County of Rockingham in said State qualified to vote in District Affairs:

You are hereby notified to meet at the High School Auditorium in said Hampton on Wednesday, the 27th day of April, 1955, at eight o'clock in the evening to act upon the following subjects:

(This Meeting is held in accordance with a Decree of the Superior Court in and for the County of Rockingham, dated April 6, 1955 which said Decree gives this Special School District Meeting the same authority as an Annual School District Meeting).

Article 1. To receive the Report of the Building Committee appointed at the Annual School District Meeting held on March 2, 1955, and to see if the District will vote to accept the same.

Article 2. To see if the District will vote to authorize the construction of a school building consisting of twelve class rooms and an activity room to be located in that area of said Hampton which is bounded Southerly by High Street, Westerly by Mill Road, Northerly by Mace Road and Easterly by Hobbs Road at a cost not to exceed Three Hundred Thousand Dollars (\$300,000.00), including the construction of the building, cost of land, furnishings and equipment, architectural and other fees, grading, and any other items incidental to and necessary for such construction in accordance with the recommendations contained in the Report of the

Building Committee, and to authorize a Building Committee consisting of the School Board and four other legal voters of the District or a majority of said Committee of seven in connection therewith to determine the final construction plans, to engage the services of an architect, to solicit bids from competent contracting firms, to accept the most advantageous bid or bids, to supervise the construction and to see that the contracts are carried out, to purchase the necessary equipment and furnishings, to determine what land in the aforesaid area must be acquired for the project and where the building is to be located, to purchase the necessary land in the name of the School District of the Town of Hampton, to accept the project for the School District, and to take any other necessary or desirable action in connection with such bids, contracts, construction, acquisition of land, and all other matters in connection therewith.

Article 3. To see if the School District will appropriate the sum not exceeding Three Hundred Thousand Dollars (\$300,000.00) for the purpose of constructing a school including construction of the building, cost of the land and all other items as described in Article 2 and determine how any such appropriation or any part thereof shall be raised, whether by taxation, by transfer of available funds, by borrowing or otherwise, and, if by borrowing, to authorize the issue and sale of bonds or notes of the School District therefor under and pursuant to the Municipal Finance Act.

Article 4. To see if the School District will vote to authorize the School Board, if the said School Board deems it advisable, to make application for and to receive in the name of the School District of the Town of Hampton such advances, grants in aid, or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency or from any other agency of the United States Government or

of the State of New Hampshire and especially in connection with the Public Law 874 81st Congress Second Session approved September 30, 1950 and Title II Public Law 815 81st Congress Second Session approved September 23, 1950 as amended or any other act of Congress applicable thereto and to execute for and in behalf of the School District of the Town of Hampton such applications, agreements, contracts, or other instruments as may be necessary.

Article 5. To see if the School District will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be used by the Committee described in Article 2 or by any other Committee chosen or authorized at this Meeting for the purpose of making preliminary surveys, securing options, engaging the services of architects, engineers or any other desirable services and in general to enable any Committee to make such plans and surveys as may be necessary or desirable in connection with the construction of an elementary school.

Article 6. To see if the School District will vote to raise and appropriate the sum of Forty-Five Hundred Dollars (\$4,500.00) or such sums as may be necessary for the payment of bond interest payable during the fiscal year ending June 30, 1956 on any bonds authorized and issued pursuant to Article 3 of this Warrant.

Article 7. To see if the School District will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) to construct temporary partitions in the Centre School Building and to furnish and equip the additional rooms.

Article 8. To see if the School District will vote to raise and appropriate the sum of One Thousand Seven Hundred and Fifty Dollars (\$1,750.00) for installation of additional toilet facilities in the Centre School.

Article 9. To see if the School District will vote to

raise and appropriate the sum of Six Thousand Dollars (\$6,000.00) for operating expenses of the school voted in Article 2.

Article 10. To see if the School District will vote to authorize the moderator to appoint a Committee consisting of the School Board and four other legal voters and to empower said Committee to engage the services of Educational Consultants and Engineers, to make surveys, to prepare contour drawings and to obtain an option for a building site or sites for a secondary school and to raise and appropriate the sum to Two Thousand Five Hundred Dollars (\$2,500.00) for the foregoing purposes.

**RESULTS OF THE
SPECIAL SCHOOL DISTRICT MEETING**

School District of the Town of Hampton, New Hampshire

Held on April 27, 1955 at the

High School Auditorium, Hampton, N. H.

The Meeting opened at 8:05 P.M. by Moderator William I. Elliot. The Moderator read the following Decree:

THE STATE OF NEW HAMPSHIRE

Rockingham, ss.

Superior Court
April Term, 1955

Application of the School District of the Town of Hampton by its School Board for an emergency Decree to hold a Special School District Meeting

DECREE

The above entitled action having come for hearing and having considered the evidence and having examined a draft of the proposed Warrant for the proposed School District Meeting, it is hereby ordered, adjudged and decreed that an emergency has arisen within the School District of the Town of Hampton for which an immediate expenditure of money is necessary and the School District of the Town of Hampton is hereby authorized to hold a Special School District Meeting on the 27th day of April, 1955, at eight o'clock in the evening, for the purpose of acting upon the articles as described in the aforesaid draft of the proposed warrant, and said Special Meeting shall have the same authority as an Annual School District Meeting.

Dated this 6th day of April, 1955.

JOHN H. LEAHY,
Presiding Justice

A TRUE COPY

In witness whereof I have hereunto set my hand and affixed the seal of the Superior Court this 6th day of April, 1955.

The Moderator also read the Report of the Municipal Budget Committee as follows:

April 21, 1955

Mr. William Elliot, Moderator
Hampton School District
Hampton, New Hampshire

Dear Mr. Elliot:

In accordance with the Municipal Budget Law, I am hereby submitting the recommendations of the Hampton Budget Committee, which report shall be read by the Moderator in open meeting prior to consideration of the proposals at the special School District Meeting to be held at the High School Auditorium in Hampton on Wednesday, April 27, 1955.

The Budget Committee met on Wednesday evening, April 13th, at the town offices with thirteen of its fifteen members present. Also attending this meeting, at the invitation of the Budget Committee, were the members of the Building Committee, members of the School Board, and Mr. Edward Seavey representing the Hampton Union.

On the Articles of the warrant for which money was to be appropriated, the following action was taken:

On Articles II and III, it was voted that we recommend the approval of Articles II and III, as written. Tabulation of the vote was twelve for, one against.

The Committee discussed the proposed location and school building with Chairman Norman Merrill acting as spokesman for his committee. It was the opinion of the Budget Committee that the need for a new school building has already been established by the inadequate temporary classrooms now being used at the Centre School, and by Article VII of this warrant requesting money to construct temporary partitions for three more makeshift classrooms.

The Budget Committee was also well aware of the fact that it had little to work on when it recommended the sum of three hundred thousand dollars to be spent for a new school, consisting of an activities room, a cafeteria, office space, and twelve class rooms (instead of the eight recommended in the last plan). However, the Budget Committee did have a tremendous amount of confidence in the Building Committee who had gathered estimates from conferences with the land owners and with a reputable architect as to the average cost per square foot on school buildings built in the State of New Hampshire in recent months. Many questions were asked of the Building Committee about the plan of the new school and Chairman Merrill stated that he did not feel that it was advisable at this time to discuss any plan with finality because of the fact that as yet no architect or engineer had been hired.

From the report of the Building Committee, The Budget Committee felt that they were proposing a compromise plan that very likely would be acceptable to the people who had been in favor of the addition to the Centre School and also the people who had been in favor of the Campus-type school. Therefore, the Committee felt that it was necessary that they recommend the appropriation of three hundred thousand dollars so that it might come before the voters. It may be well to explain here that under the Municipal Budget Law voted at the last Town Meeting no appropriation shall be made at

any special meeting for any purpose not approved by the Budget Committee, and no increase of more than ten per cent above the amount approved by the Budget Committee shall be made.

It should also be understood by the voters that if a definite plan were being presented there would be no way whatsoever of determining the actual cost of the building. In other words, the appropriations would have to be made on estimated amounts given to the committee by architects and engineers, not unlike what has been done in this instance and without the benefit of funds. The only way in which the actual cost figures can be determined is on the return of bids from reputable contractors on a specific plan.

On Article V, it was unanimously voted that we recommend the approval of the Article as written.

Under Article V it was explained to the Budget Committee that it was necessary to have the appropriation of five thousand dollars to expedite the building of the school by engaging the services of architects and engineers to make preliminary plans.

On Article VI, it was unanimously voted that we recommend the approval of the Article as written. Article VI needs no explanation as it is for payment of bond interest and principal.

On Article VII, it was voted that we recommend the approval of the Article as written. The tabulation of the vote was twelve for, one against.

Article VII was explained to the Committee by Mrs. Wayne Bryer with a breakdown of figures that showed us that approximately fifteen-hundred of the twenty-five hundred dollars asked for in this Article could be transferred to the new building. One of the reasons, of course, that made it necessary to partition the activ-

ities room was the fact that at our last School Meeting, it was voted to have a kindergarten. This required two rooms.

On Article VIII, it was unanimously voted that we recommend the approval of the Article as written.

Article VIII is also more or less self-explanatory because of the increase in the number of pupils and the addition of three more class rooms to our Centre School, it, of course, becomes necessary to put in additional toilet facilities. Estimates for this work were given to the School Board by Mr. Hersey, architect from Durham, N. H.

On Article IX, it was voted that we recommend the approval of the Article in the amount of five thousand dollars. Twelve members voting for, one member not voting.

Article IX brought about considerable discussion regarding the fuel consumption, water, light, and janitor's salary, and it was concluded that five thousand dollars would be adequate to take care of these items for a part year.

On Article X, it was voted that we recommend the approval of the Article as written, nine members voting for, two members voting against and one member not voting.

Article X was considered to be a necessity to most members of the Committee because everyone was aware that if the elementary school was voted, it would not be the end of our school problems, and consequently, the Committee felt that it would be advisable to have a committee appointed, with a limited sum of money, to work on this problem.

Respectfully submitted,

KENNETH W. LANGLEY,
Chairman, Budget Committee

The Moderator requested members of the assembly to give their names when they addressed the chair. He also asked for friendly cooperation in spite of difference of opinion. A microphone operated by John Holman was available for everyone's use when speaking.

Mr. Dean B. Merrill moved that the reading of the entire Warrant be dispensed with. Seconded. So voted.

Article I. Mr. Norman Merrill, Chairman of the Building Committee gave the report. (Report attached).

Mr. Walter Nichipor moved that the Report of the Building Committee be accepted as read. Seconded by William Treat. So Voted.

Mr. N. Merrill offered to answer any questions, and explained that the requested \$300,000.00 would include cost of building, and buying the land. This figure only an estimate. No provision for taking land by eminent domain. The total figure is estimated to be sufficient to equip the school ready for use. The proposed building will be made in such a way that it can easily be enlarged if necessary in the future.

Mr. William Treat, Chairman of the School Board read letter concerning Federal Funds which had been requested to help build a Campus type school. The Federal Authorities have been notified that plans are being revised, and extension of time was requested.

The letter from the Regional Representative of the Office of Education granted an extension of time from April 27, 1955 to May 7, 1955.

Article II. Read by Moderator. Mr. Norman Merrill moved that Article 2 be accepted as read, and that voting be by show of hands. Seconded. It was so voted.

Article III. Read by Moderator, who stated that this article required a two-thirds vote. Mr. John Perkins moved that the vote on this article be by "yes" and "no" ballot. Seconded. So voted.

Mr. Brandt moved that the check list be used on this vote. Seconded. So voted.

Mr. F. Brittan asked if school could be built for less than \$300,000.00 would it be done.

Mr. Merrill replied "as long as he is Chairman, costs would be kept down as much as possible and yet give services we would like our children to have."

Motion was made by Mr. John W. Perkins as follows: I move that the sum of Three Hundred Thousand Dollars (\$300,000.) be appropriated for the purpose of constructing the school building authorized under Article 2, including the construction of the building, cost of the land, furnishings and equipment, architectural and other fees, grading and any other items incidental to or necessary for said construction, and that said sum, or such part thereof as in the opinion of the Building Committee shall be necessary for said purpose, shall be borrowed under and pursuant to the Municipal Finance Act by the issue and sale of bonds of this School District, said bonds to mature over a period of twenty years and to bear interest at a rate not to exceed three per cent per annum, payable semi-annually; and that except as otherwise provided herein, the discretion of fixing the date, maturities, denomination, the interest rate, place of payment, form and other details of said bonds, and of providing for the sale thereof is hereby delegated to the School Board. Motion seconded.

Ballot Clerks appointed by the Moderator as follows: James Tucker, Edward S. Seavey, Jr., Caroline Higgins, Bruce Russell, Charles Butler, Irving Campbell.

Result of "Yes" and "No" ballot on Motion of John W. Perkins (art. 3.)

Total number of votes cast	337
Necessary to pass	226

Motion on Article was voted.

At this time a Resolution was presented by Mr. James Tucker as follows:

WHEREAS Miss Adeline C. Marston recently retired after a teaching career which covered forty-seven years in the elementary schools of Hampton, and

WHEREAS Miss Marston has always been held in the highest esteem by pupils and parents and by her colleagues in the field of public education, and

WHEREAS this native Hamptonian has also found time to be helpful in many other fields of civic activity having to do with the welfare of her community, therefor

BE IT RESOLVED that it is the sense of this meeting that the Board of Education of the Hampton School District be authorized to name the proposed new elementary school, "The Adeline C. Marston School."

This Resolution was voted.

Article IV. Mr. Norman Merrill moved that Article IV. be adopted as read. Seconded by John Perkins. So Voted.

Article V. Mr. Norman Merrill moved that Article V be adopted as read. Seconded. So Voted.

Article VI. Mr. James Tucker moved that Article VI be adopted as read. Seconded. So Voted.

Article VII. Mr. Irving Campbell objected to Article 7 because the Utility Room at Centre School would not be used for Athletics until the new school is completed. He asked the School Board if any other plan could be worked out for securing temporary class rooms.

Mrs. Bryer gave a break down of figures showing the proposed use of the \$2,500.00 asked in this article, and said that even if the kindergarten which was voted at the Regular Meeting was not put in immediate operation — there would still be a shortage of two clasrooms.

Mr. Richard Simons asked Mr. Campbell to meet with the School Board to see if a plan could be worked out which would not curtail the athletic program.

Mr. James Tucker moved that Article 7 be adopted as read. Seconded by Norman Merrill. So Voted.

Article VIII. Mr. William Treat moved that Article 8 be adopted as read. Seconded. So Voted.

Article IX. Mr. William Treat moved that the School District raise and appropriate the sum of \$5,000.00 for the purposes of Article 9. (As recommended by the Budget Committee.) Seconded. So Voted.

Article X. Article read by the Moderator.

Mr. Higgins asked how much of this money is to be used by consultants. Mr. Treat explained that the \$2,500.00 requested in this article had nothing to do with the Elementary School, but was to enable the School District to continue its "long range program" which plans for a new Secondary School in the future.

Mr. Kirby Higgins moved that Article 10 be accepted as read. Seconded. So Voted.

Moderator Elliot thanked the Ballot Clerks, and the Clerk for their work.

Motion was made to adjourn. Seconded and So Voted. Meeting adjourned at 10:10 P.M.

Clerk of the Hampton
School District, Hampton, N. H.

SCHOOL WARRANT for 1956

School District of the Town of Hampton State of New Hampshire

To the Inhabitants of the School District in the Town of Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon district affairs:

You are hereby notified to meet at the High School Auditorium in said Hampton, on Thursday, the first day of March, 1956 at three o'clock in the afternoon, and to cast ballots from that hour until at least eight o'clock in the evening of said day for candidates for the following district officers:

1. Moderator for the ensuing year.
2. Clerk for the ensuing year.
3. Member of the School Board for the ensuing three years.
4. Treasurer for the ensuing year.

You are also notified to meet at the same place at eight o'clock in the evening of the same day to act upon the following subjects:

1. To determine the salaries of the School Board and the salaries of other officers of the District.
2. To choose Auditors and Agents in relation to any subject embraced in this warrant.
3. To see if the District will vote to participate, on a Union basis, in the formation of a special class for mentally retarded children, to be at a cost per child not to exceed the high school tuition rate set by the State Board of Education.
4. To see if the School District will vote to authorize

the School Board, if the said School Board deems it advisable, to make application for and to receive in the name of the School District of the Town of Hampton such advances, grants in aid, or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency or from any other agency of the United States Government or of the State of New Hampshire and especially in connection with Public Law 874 81st Congress Second Session approved September 30, 1950 and Title II Public Law 815 81st Congress Second Session approved September 23, 1950 as amended or any other act of Congress applicable thereto and to execute for and in behalf of the School District of the Town of Hampton such applications, agreements, contracts, or other instruments as may be necessary.

5. To see if the District will vote to appropriate the sum of \$26,500, the same being the amount of the Federal Aid Grant received or expected to be received from the Federal Government, and to authorize the same to be used towards the construction of the new elementary school in addition to the Bond Issue already raised.

6. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

7. On petition of Roger N. Blake and ten other legal voters of the District:

To see if the voters of Hampton School District at their annual meeting will vote to fill in with gravel and top-soil the area to the rear of the Centre School, being

that area between the south side of the present black-top and the north side of the most recently constructed play area or soft ball court; and will vote to raise the sum of \$2,500.00 (twenty-five hundred dollars) to defray the cost of such construction or part thereof.

8. To see if the School District will vote to transfer to the general fund the balance of the Centre School building fund amounting to \$235.27.

9. To see if the School District will appropriate the sum of Fifty-Two Thousand Dollars (\$52,000.00) for the purpose of purchasing approximately forty-three (43) Acres of land on the Easterly side of the Landing Road in Hampton as described in three Options given to the School District, one by Homer A. Johnson and Elsa Johnson, one by Roland Emery and Augusta Emery, and one by Winthrop W. Kenney and Harriett Kenney, to be used for future school construction and to authorize the borrowing of said sum and to authorize the issue and sale of bonds or notes of the School District therefor under and pursuant to the Municipal Finance Act.

10. To transact any other business that may legally come before said meeting.

Given under our hand at said Hampton this fourteenth day of February 1956.

SANFORD G. YORK, Auditor

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Hampton:

I am pleased herewith to submit to you my twenty-fifth report as Superintendent of your schools.

The current year began Wednesday, September 7, 1955, with an initial enrollment of 832. This compares with a like figure of 736 in September 1954 and 649 for the year previous. The impact of the Portsmouth Jet Bomber Base was felt forcibly between January 3 and January 13 when 32 additional children were enrolled. Information received from the officials of the Bomber Base indicates that we must expect continued increases in the near future.

To house the additional pupils we were compelled to continue the temporary rooms in the basement of the Centre School as well as utilizing the stage as a classroom. We also constructed a partition through the auditorium of the school making two classrooms. The wardens of the Congregational Church granted the district the use of its Chapel because of the necessity of a third division of Grade Three. Next year we shall be compelled to have three divisions of Grades Kindergarten through Six, necessitating four additional teachers. It is not beyond the realm of possibility that we may need four divisions in one or two of the lower grades.

By vote of the school district meeting of April 27, 1955, a new elementary school is to be constructed. This is designated as a twelve-room school with auxiliary services. When this is available we shall be able to house these pupils now in temporary quarters and take care of the three or four additional divisions. An activity or multi-purpose room will be provided for the children

attending this school. We also plan a library, health room and cafeteria. The building committee has spent many hours in consultation with architects and federal and state authorities. It will present a building with approved features of construction from an educational as well as architectural viewpoint.

It is interesting to note that our school buildings are being increasingly used by community groups. This is as it should be. Each Thursday the Girl Scouts meet in the afternoon and the Boy Scouts in the evening, with the Cub Scouts the last Thursday of each month. Wednesday is the day for the Brownies. Saturday mornings during the winter months the activity room is open for basketball, participated in by the pupils too young to be on regular school representative teams. The Parent-Teachers Association is welcomed for its regular meetings and committee gatherings. The high school auditorium is in almost constant use with basketball games and the various clubs of the school as well as community plays, town meetings, and gatherings of various adult groups.

Hampton welcomed eight teachers new to its staff. Each of these teachers holds education degrees from approved colleges. Under the leadership of Mr. Thayer Wade as Principal, a well organized school has been developed. Efficient administration is the rule. Cooperation with parents has been emphasized. The new reporting system, we believe, has given the parents a clearer understanding of the pupil's progress in school work and in his social development.

Every child requires a sense of personal worth and belonging, with a feeling of security and freedom from burdensome fears and anxieties; that although a child must learn to meet and profit from failure, yet continuous, repeated failure destroys self-confidence, and breeds a spirit of futility; and that the life of every

child should thus be characterized, on the whole, by a success pattern and a feeling of personal security.

With the curriculum of the modern school becoming constantly more inclusive and the school enrollments becoming larger, care must be taken that the individuality of the child does not become neglected. Each boy or girl has his own strengths and weaknesses. He cannot be reduced to a pattern. Each approaches his problem in his own way. We intend that each individual pupil shall have the opportunity to utilize his own personality to his own best advantage. Many people do not realize the extent to which the modern curriculum has been broadened.

Under the direction of Mr. Lovering, the Helping Teacher, uniform methods of instruction between the grades has been established. Such procedure results in a more efficient presentation of subject matter to the pupils. Careful analysis of individual pupils has been made with the purpose of adjusting the methods of work to each child. The fundamentals of reading and arithmetic have been emphasized, within a curriculum which must include an ever increasing number of subjects.

The elementary schools must teach language arts, social studies, mathematics, science, art and music, health, physical education and safety. Each of these must be adapted to the pupils' interests, strengths, and weaknesses. Moral and spiritual values must be kept to the forefront. They are considered an essential element of the public school program. The teaching of these values permeates the entire school program. History, biography, literature and other subjects continuously offer opportunities for character education. Today's teachers are alert to utilize these subjects for such purposes. The growing generation is the most precious of our resources. Its talents and abilities must be nurtured

and developed to the utmost and its attitudes and loyalties made one of our chief concerns.

The belief that the public schools should educate all the children is becoming firmly established in the United States. This is a principle in contrast to that of most other countries which tend to restrict schooling to the academically minded. It is granted that some will not be able to absorb the work of the regular school program, but it is accepted that practically all children can be trained to such an extent that they may become self-supporting and respected citizens of their community.

The State of New Hampshire helps financially in the training of physically handicapped children and in the care of extremely low mentality. There is, however, a group of children who do not come under either classification. This group is penalized by being subjected to a curriculum paced to the normal child. As this is true, we are not serving him to the fullest degree possible.

For this purpose, special schools and special courses of study are being developed. These schools will teach the subjects necessary for a satisfactory life to pupils of limited ability together with imparting definite information concerning and training in, the type of work upon which such a pupil may enter. The number of children in each district adapted for such a course is limited. It is, however, entirely practical for several districts to collaborate in the establishment of such a school.

The cost of such a school, if undertaken by each town would be prohibitive in small districts. However, it is entirely practical for several districts to cooperate in this plan. By such united effort the ideal of American schools for all American youth can be achieved. The time to consider a program of this type has arrived. I am recommending that serious consideration be given this project now and through the coming year. Then we can feel that we are doing all we can for all children.

The Hampton Parent-Teachers Association has always shown its interest in the schools in a practical way. The help of its members in volunteering assistance to the lunch program has been of great value. Members of the group have assisted the lunchroom personnel with the serving of the lunches daily. We know this has on occasion been inconvenient to the members, but they have been faithful to the program. Under the guidance of the P.T.A. needed playground equipment has been installed at the Centre School. This represented much time and labor on the part of the members aided by volunteer helpers. Once again the organization has proven its interest in, and value to, the pupils of our school.

For the years I have been privileged to act as Superintendent of your school, I am grateful. The Hampton Boards have always been active for the welfare of their schools and their community. They have been helpful to me in my work. Hampton schools are busy and happy schools. I am certain they will continue in the forefront of educational endeavor.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools

HIGH SCHOOL PRINCIPAL'S REPORT

Mr. Gillmore:

I herewith submit my annual report as Principal of Hampton Academy and High School.

Our enrollment has held about the same this year. There is an increase in the size of the grade that is expected to enter next year so that our entering class will be larger. I am therefore recommending that we add another teacher to our staff to permit sectioning of the larger classes and to have an additional homeroom.

Whenever a new teacher is added to the staff it means that there will be a redistribution of classes to the teachers. I have such a plan ready for you to consult when you select the new teacher.

The conditions I called attention to last year regarding our shop, lunch room and storage still continue. I am aware that they cannot be changed until a new building for either high school or junior high is built. Increasing numbers will make these conditions more noticeable.

There is no suitable place for art classes. The rooms we used for music are now being used for regular classes. We use the stage as a projection room when we can and also for band practices. My reason for mentioning these things is not to complain, but to let you and the towns people know that we are aware of them so they will be considered in our long term plans.

Last year we graduated a class of forty eight pupils; ten are attending colleges and six are taking training courses. There is an increase in those joining the armed forces with eight in already. The military obligation required by federal statutes, has a very definite effect on high school graduates.

Our activities program continues to be a problem. Our teachers carry a full teaching load and so feel that we are not justified in asking them to take charge of night activities. Athletics, clubs, socials and programs that meet at night we have tried to hold at a minimum. In order to run them properly, it usually requires at least two teachers and a janitor. Frequently there are large crowds which must be prepared for, controlled and cleaned up after. There is a lot of work which is not always too pleasant. I feel that these things are part of an important public relations program and should be run well. I would therefore suggest that we list all our major activities and assign them to teachers as a part of their duties. It is expected, of course, that they be as nearly equal as possible in relation to the teachers natural abilities, training and experience. I would also suggest that when teachers are hired they be made aware that such duties are expected of them.

It is interesting to note, in the tests given our sophomores last year as a part of a state wide testing program, that they did very well. It is one indication that our schools are doing good work.

I want to thank you and your staff for the assistance you have given us. The trustees of the school have helped in a number of projects. Many friends have done things which have helped to broaden our program. I wish to thank all who have cooperated.

Respectfully submitted,

BRUCE E. RUSSELL,
Principal

CENTRE SCHOOL PRINCIPALS REPORT

To the Superintendent of Schools:

I herewith submit my annual report for the Hampton Centre School.

The Centre School has made much progress this year in revising and developing better procedures for administration, as well as teaching. The aim is to create a more smoothly running unit, this getting the most out of each dollar spent. Some of these things are integrating art and music with the subject areas taught by the classroom teacher, revising the remedial reading program, and introducing the teach-parent conference procedure of reporting.

It is my belief that the more people who understand and work with the school and the staff, the better the final results will be. It is for this reason that, with the exception of one or two weeks, there have been articles in the Hampton Union of the news from several classrooms and an article of professional nature describing a phase of teaching or administration in use in the school.

It was extremely encouraging and rewarding to have so many mothers and fathers turn out for Open House during Education Week. I wish, on behalf of the whole staff, to express our appreciation for this experience.

According to records, the enrollment at the Centre School for September 1954 was 520 pupils. The present enrollment is 610. We are presently averaging one to three new families about every week. Another factor to be considered is there are 57 pupils in the 1956 graduating class. There are 71 enrolled in Kindergarten. According to census figures, there will be between 90 and 100 pupils in next year's first grades—a gain of between 25 and 50 pupils, not including those moving into the community.

There were nine new teachers who joined our faculty this year. They have been assigned as follows: Miss Frye, Kindergarten; Miss Lynch, Grade 2; Mrs. Woodward, Grade 2; Mrs. Fernald, Grade 3; Miss Rand, Grade 3; Mrs. Lloyd, Grade 5; Mrs. Campbell, Art; Mrs. Blatchford, Physical Education; Miss Thomas, Remedial Reading. This brings the total number on the faculty at the Centre School to 22, not counting the six special teachers.

There have been great strides made in the playground this year. Through the generous cooperation of the PTA and additional funds from the school district, the playgrounds are now adequately equipped. This does not mean that they are what might be considered optimum, but they far surpass those we had previously.

The Centre School, with the assistance of the complete faculty, staged a very successful Operetta for the Christmas season. It should be mentioned that this was staged with almost insurmountable obstacles, but because this was felt to be an important part of the school program, everyone uncomplainingly assisted to make it a success.

It is rather difficult for a lay person to understand the problems that arise from overcrowded conditions. Presently we have seven makeshift classrooms taking care of 175 pupils. This means that better than one-quarter of the pupils are learning under hardships of one sort or another. This in turn limits the amount that can be accomplished.

Upon completion of the new school, it is hoped that a library for each school will become a reality. In this age of numerous distractions, it becomes more of a problem as time goes on to develop a desire and an appreciation for reading. A library can also enrich the school program, making it possible to use it for supplementary work. This does not mean that the present com-

munity library will not be used; rather it means that the type of material that is available and access to it is limited. To make available for the children all these sources means greater enrichment of the total school curriculum.

I have several recommendations to contribute for consideration. They are as follows:

1. Continue the painting program by painting two or three rooms this summer.

2. Tile the walls of the two toilets in the Junior High. This would make them more sanitary besides being neater and easier to keep clean.

3. Improve the Hot Lunch program by:

- a. Tiling the kitchen floor.
- b. Brightening the cafeteria by painting the ceiling.
- c. Purchase of a food freezer to enable the lunch program to buy in quantity. It would pay for itself and save money in a few years.
- d. The district paying for one of the cook's salaries. This would also allow more flexibility in menu planning. At present there are only about eleven towns in the whole state that do not do this.
- e. A mixing valve on one of the faucets in the kitchen.

I would like at this time to express my appreciation for the patience, understanding and cooperation that the Superintendent, School Board, Staff and the community have given me this year. Working together like this means better schools and a happier, friendlier relationship for all concerned, especially the children.

Respectfully submitted,

THAYER D. WADE,

Principal

REPORT OF THE PHYSICAL EDUCATION AND ATHLETIC DEPARTMENT

Dear Mr. Gillmore:

Following is a report of the program in Physical Education and Athletics.

Every child needs sufficient muscular strength to maintain good posture at rest and in motion, and to do with ease the tasks of each day. He attains this strength through daily vigorous activity. He should learn skills that will give him an interest in physical activities. To increase physical power and maintain it, each child should receive supervised physical activity at least three times a week.

In previous reports, it has been mentioned that the increase in school population and consequent grade sectioning has made it impossible for the specialist to meet with each child more than once a week. The answer to this problem is increased teacher participation under the guidance of the specialist who will provide methods, materials, program, etc., and teach those activities which call for a specialist.

The program has continued much the same in regard to time allotment, activities, etc. In the Junior High School, more attention has been given to formal exercises and marching tactics. Elements of the program were presented on the annual Academy Night.

As you know, our intramurals have been limited to a noon hour and an in between athletic season program. I would like to increase this program on an after school basis so that all boys, regardless of ability, may participate in team and individual sports. For example, the Activities Room at the Centre School would allow two games to go on at the same time. With classification on basis of height, weight, and age, all boys in grades 4 through 6 would participate with others of like ability.

ATHLETICS

The track squad engaged in seven dual and multiple

meets with moderate success and finished 7th in the state meet with $9\frac{1}{2}$ points. The baseball team had a successful season on the field of play, winning 7 and losing 4.

The basketball team finished the season with a 7-9 season.

Graduation and other difficulties removed most of the experienced boys from the football squad and resulted in a 1-5 season.

REPORT OF
GIRL'S PHYSICAL EDUCATION DEPARTMENT

Dear Mr. Gillmore:

The Girls' physical education program has been extended this year to include the girls in the 5th and 6th grades. These girls meet once a week for 30 minutes while those girls in grades 7 through 12 meet twice a week for two forty minute periods.

During the fall, classes were held outside when the weather permitted and they played field hockey, relays and softball. This winter the 5th and 6th grades have done some marching, relays, basketball skill drills and other organized games.

The fall semester activities at the High School consisted of softball, marching tactics, conditioning exercises and volleyball. This winter the emphasis has been on basketball drills and skills with an intramural tournament at the close of the season.

Both the High School and Jr. High cheerleaders are under the direction of the girls' physical education department this year.

Athletically the High School has had a Field Hockey team which played interscholastically during the fall months. This winter the basketball team has just completed an eleven game schedule with other schools and the Junior High is playing a five game inter-school schedule now.

The High School basketball squad has been invited to attend a playday at Durham on February 11th.

MRS. BETTY BLATCHFORD,
Girls' Physical Education Director

REPORT OF MUSIC DEPARTMENT

Dear Mr. Gillmore :

I submit the following report of music activities for the year 1955.

In the elementary grades our program has continued to follow the activities of singing, playing, dancing, listening, with some creative work.

Another Califone record player has been added to our equipment. Since we have added classes, this was almost a necessity. It is much enjoyed.

The musical activities in the Junior High School faced a situation of emergency this fall, for lack of auditorium facilities, but a piano in an upstairs classroom partly solved the problem.

Several stable bass voices contributed to excellent balance in the Junior High School during the last school year, and provided excellent music for the eighth grade graduation. This year we are struggling with the problem of many changing voices endeavoring to read in the bass clef. We are happily getting on with it.

Music in the High School continues in five groups, weekly. Another male quartet has been formed, and is doing good work: Dennis Dionne, Judson Scruton, Fred Rice and Roger Hammond.

Seven pupils attended All-State last year in Claremont. Judy Colwell, Dennis Dionne, Donald Sutherland and Fred Rice sang in All-State Chorus. Stacy Bragg, Robert Hanscom and George Sumner played in the All-State Band.

A Band Concert was held in the spring, with choral groups assisting. The Band, as usual, assisted in the observances of Memorial Day in the three towns. Having

lost valuable players at graduation, much effort is being expended to prepare young players to take their places. Lessons in woodwinds and brasses are being presented at the Centre School, and Mr. Rau of Hampton Falls is teaching drums at his home.

The operetta Hansel and Gretel was presented by the Centre School pupils just before Christmas in the High School Auditorium. It was a very successful and rewarding activity, since all the faculty members, as well as the pupils, actively engaged in the production. We wish to thank the parents, who also gave us their complete cooperation. We finished paying for our new Calfione with the proceeds.

I wish to thank Mr. and Mrs. Thayer Barry for kindly giving us a piano; and the Board of Education for moving it for us.

I wish, also, to thank Miss Alice Downing, who brought us nearly 200 Rhythm Sticks for our Rhythm Band from Surplus material at a factory in Plymouth, N. H.

The teachers and pupils join with me in gratitude for the excellent materials we continually enjoy using.

ESTHER B. COOMBS,

Director of Music

REPORT OF SCHOOL NURSE

To Mr. Gillmore, Superintendent of Schools:

The following is a report of the School Health program for the year 1955.

Dr. Blake, our School Physician, has examined 260 pupils plus all sports participants. Of this number the following conditions were found and the following corrections were carried out by the family physician.

Defects		Corrections
Enlarged Tonsils	10	5
Orthopedic	2	1
Cardiac	3	3
Nutrition	1	0

All corrected defects will continue to be followed by the School Nurse until corrected or diagnosed as irremediable by the family physician.

Vision tests have been conducted with the telebinocular on 801 children. 93 children failed to pass the test, and as this failure suggests defective vision they have been referred to a doctor. 66 have been corrected and it is hoped that through the Nurse's follow-up program the others will be corrected before the end of the school year. The Lion's Club, as in previous years, gives financial help whenever necessary.

We are fortunate this year to have a Maico audiometer. This machine which is used to check hearing was given to our school district by several organizations under the leadership of the American Legion Auxilairy of Hampton. The other participating organizations were: The American Legion of Hampton, Kiwanis Club, Kiwan-Aides, Rebeckahs, Hampton Falls P.T.A., North Hampton P.T.A., Hampton P.T.A., Rye P.T.A., and Hampton Beach Women's Club.

164 children have been tested on the Maico and it is hoped that all children will have the benefit of a hearing test before school closes in June. 5 children with below average hearing ability have been found and three of these have already been corrected.

Inspections were completed by the Nurse on 513 children and the following conditions were found:

Defect		Corrections
Teeth	108	69
Scalp	4	4
Skin	5	5
Overweight	1	1
Underweight	5	3

We have had the following cases of contagion:

Measles	107
German Measles	4
Chicken Pox	2
Whooping Cough	2
Scarlet Fever	5
Impetigo	6

The Kiwanis Club has again this year supplied the money for free hot lunches. This club has also provided help in many ways to needy children.

60 children were treated at the dental clinic in Dr. Gadbois' office.

These services have also been performed by the School Nurse this year.

First Aid	1,247
Taken home sick	148
Taken to Doctor	63
Taken to hospital	11
Home-visits	253
Special Clinics	14

In the polio clinics which were conducted at the Centre School in May and October, 325 injections of polio vac-

cine were given to Hampton children in the first and second grades.

Two pre-school clinics were held last May for children who were entering either the first grade or kindergarten. 59 of the children were examined by the Nurse.

All of our children have been vaccinated except 5 who have given us a written excuse from their doctor.

Parents will be informed immediately by the nurse if any condition is found which suggests that the child should be seen by a doctor.

There should be no reason for a remedial defect not being corrected. If a family is financially unable to obtain help, please notify the school nurse. The Kiwanis and Lions Clubs and other service organizations of Hampton are willing to help. This is, of course, confidential.

The following is the procedure in case of accident or illness:

- a. Do not send your child to school if he is sick.
- b. If your child is absent for 3 consecutive days, please notify the nurse.
- c. Notify the nurse immediately if your child has a disease.
- d. If your child is injured or is taken sick at school, the nurse is available for first aid measures. You will be notified immediately and will be expected to come to school for your child or to send someone for him. If you are not at home while your child is in school, please send the name and telephone number of a person who will be responsible for your child in your absence. This is most important.

Respectfully submitted,

SHIRLEY McRAE, R.N.,
School Nurse
