TOWN CLERK'S REPORT

TOWN WARRANT FOR 1956

TOWN OF HAMPTON STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hampton, in the County of Rockingham, in said State, qualified to vote in town affairs: You are hereby notified to meet at the High School Auditorium in said Hampton on Tuesday, the Thirteenth day of March, 1956, at ten o'clock in the forenoon to act upon the following subjects:

Article 1. To choose by Australian Ballot one Selectman for three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, three members of the Budget Committee for three years and one member of the Budget Committee for two years.

Article 2. To choose all other necessary officers for the ensuing year.

(The polls for the election of officers and to vote on any other articles which may appear on the ballot, will open at ten o'clock in the forenoon and will not be closed earlier than six o'clock in the afternoon of the same day.)

Article 3. To see if the town will vote to rescind the action taken on Article 3 of the Town Warrant for 1955 relative to placing on the ballot all special articles involving the expenditure of \$750 or more.

Article 4. To see if the town will vote to accept the Budget as submitted by the Budget Committee and to raise and appropriate the sum of \$358,487.23 for town purposes.

Article 5. To see if the town will vote to give the Selectmen and Town Treasurer power to borrow money in anticipation of taxes.

Article 6. To see if the town will vote to give the Selectmen power to administer, sell or otherwise dispose of any real estate acquired by the town through tax deeds.

Article 7. To see if the town will vote to raise and appropriate the sum of \$1,000 for publicity and promotion of the natural resources and recreational advantages of the Seacoast Region, said sum to be turned over to the Seacoast Region Association for expenditure.

Article 8. On petition of James R. Dawson and seventeen other legal voters of the Town of Hampton, to see if the town will vote that the money appropriated at the last annual town meeting for storm drains on Kings Avenue be diverted from this purpose, and in lieu of storm drains, a sanitary sewage system be constructed.

Article 9. On petition of Richard Rice and eleven other legal voters of the Town of Hampton, to see if the town will vote to accept a street on the northerly side of Rice Terrace and running parallel with Lafayette road.

Article 10. On petition of Alton P. Tobey and nine other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate the sum of Five Thousand (\$5,000) Dollars for the purpose of contributing through the Hampton Beach Chamber of Commerce toward the issuance and distribution of circulars and other written or printed matter and toward publicity by other means and toward promotional activities calling attention to the resources and natural advantages of the town.

Article 11. On petition of Frank B. Freeman and ten other legal voters of the Town of Hampton, to see if the town will vote to authorize the appointment of a Recreation Commission, to act in an advisory capacity with the Town Manager, as provided in the State Statutes, Revised Laws of 1942, Chapter 51, Section 34-40, as amended. The members of this Commission to be appointed,

vacancies and expirations filled by those who appointed the original members, as follows: first member by the Board of Selectmen; second member by the School Board; third, fourth and fifth members by the Moderator.

Article 12. On petition of Frank B. Freeman and ten other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate the sum of \$1,500 for the employment of instructors and the promotion of recreational activities, to be expended under the above article.

Article 13. On petition of Alton P. Tobey and fifteen other legal voters of the Town of Hampton, to see if the town will vote in instruct the Selectmen to purchase for use as a public parking lot the following lot of land: A lot 68 feet bordering on High Street belonging to Kenneth W. Langley; and to raise and appropriate such sum or sums of money as may be necessary for this purpose, said sum or sums not to exceed in the aggregate the amount of \$12,500.

Article 14. On petition of Richard Rice and eighteen other legal voters of the Town of Hampton, to see if the town will vote to direct the Selectmen and/or Town Manager to designate a portion of Town owned land to be used for the disposal of contents of sewer systems for those whose homes or places of business are not and cannot be connected to the Town sewer plant.

Article 15. On petition of Charles W. H. Whitcomb and ten other legal voters of the Town of Hampton, to see if the town will vote to accept as a public way the street known as Belmont Circle.

Article 16. On petition of Charles W. H. Whitcomb and ten other legal voters of the Town of Hampton, to see if the town will vote to install a fire hydrant at a centrally located point on Belmont Circle.

Article 17. On petition of Lawrence Douglas and seventeen other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate the sum of Twenty-five hundred (\$2,500) Dollars for the installation of dry well catch basins on Philbrook Terrace to handle the drainage of surface water at said location.

Article 18. To see if the town will vote to amend Article VI, Section 2, of the Zoning Ordinance of the Town of Hampton, New Hampshire, adopted March 8, 1949, as amended, by striking out the third paragraph thereof; said Article VI, Section 2, third paragraph to read as follows: "The Building Inspector for his services shall be entitled to three-fourths of the fee collected and the remaining one-fourth shall be paid by him to the Town each month."

Article 19. To see if the town will vote to raise and appropriate the sum of \$600 toward equipping the Police Department with weapons.

Article 20. On petition of Ivan R. Lund and twenty-one other legal voters of the Town of Hampton, to see if the town will vote to accept and improve the Locke Lane extension as part of Locke Lane.

Article 21. To see if the town will vote to raise and appropriate the sum of \$1,500 for the purpose of erecting metal street and directional signs on metal posts from the Ashworth southward at both ends of the streets lettered "A" through "Q", which will be one-way for the traffic in 1956. The remainder of the appropriation to be used for other streets in the area requiring direction of traffic.

Article 22. On petition of Raymond H. St. Pierre and fourteen other legal voters of the Town of Hampton, to see if the town will vote to transfer the sum appropriated at the annual town meeting of March, 1955, for drainage of the Hacketts Lane area, to be used for installation of

a sanitary sewer and drainage system to serve the area, and raise and appropriate the additional sum of \$2,000 for the purpose.

Article 23. On petition of Margaret M. Wingate and sixteen other legal voters of the Town of Hampton, to see if the town will vote to extend the present sewer system on Exeter Road, and to raise and appropriate the sum of \$19,000 necessary to accomplish said extension.

Article 24. On petition of Lewis L. Mace and sixteen other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate \$1,200 to print the new assessed revaluation of resident and non-resident property taxes. These books to be completed and printed not later than June First and a copy of same to be delivered to the home of every resident taxpayer as soon as possible upon delivery to the Selectmens Office.

Article 25. On petition of Margaret M. Wingate and sixteen other legal voters of the Town of Hampton, to see if the town will vote that the present method of assessed valuation be rescinded and revoked and that the Selectmen be empowered to use the previous method of former years of assessing taxable property in Hampton.

Article 26. On petition of Lawrence Douglas and eleven other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate the sum of Nineteen Thousand (\$19,000) Dollars for the extension of sewerage for the balance of Ann's Lane and the entire length of Philbrook Terrace.

Article 27. On petition of Henry R. Bailey and thirteen other legal voters of the town of Hampton, to see if the town will vote to amend the Zoning Ordinance adopted March 8, 1949, as amended, by adding to Article

III, Section 2, Residence B Districts, the following subsection; 4. Bathing house facilities for use by the public provided that such facilities are totally enclosed within the residences, lodging houses, apartment houses, tourist cabins, and hotels permitted in Residence B districts.

Article 28. On petition of John P. Dunfey and twelve other legal voters of the Town of Hampton, to see if the town will vote to adopt the non-partisan ballot system for all future town elections, regular and special, as provided by Chapter 22 of the New Hampshire Laws of 1943 and any subsequent amendments.

(This article will appear on the Australian ballot).

Article 29. On petition of James W. Tucker and thirteen other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate the sum of two thousand dollars to purchase the land wherein is situated the three century old marker known as "Bound Rock" including the cement well within which it is enclosed; the land and enclosed marker to be preserved and maintained forever by the town as one of its historic shrines.

Article 30. On petition of Alfred Janvrin and thirteen other legal voters of the Town of Hampton, to see if the town will vote to establish a Commission of seven members, all citizens of Hampton, to be appointed by the Board of Selectmen and to be known as the Marsh Reclamation Commission. It shall be the duty of this Commission to ascertain the pertinent facts bearing on the feasibility of reclaiming all or a portion of the Hampton marshes as a municipal project and to report its findings and recommendations either at the next regular Town Meeting or at an intervening Special Town Meeting which may be called for that purpose. And, in connection with this article, to see if the town will vote to raise and appropriate the sum of \$500 for use of the Commission in making this necessary study.

Article 31. On petition of John P. Dunfey and fourteen other legal voters of the Town of Hampton, to see if the town will vote to authorize the Moderator to appoint a committee of eleven citizens to be known as the Hampton Development Council. The purpose of this committee shall be to ascertain if it is possible to attract small and diversified industries to this community — industries which will fit into and not conflict with the economy of a residential-recreational town such as Hampton. This committee shall consist of six business men, one Selectman, the Town Manager, one professional man, one civil engineer, and one citizen who shall have had a background of experience as an industrial executive. The committee shall be empowered to seek assistance from the local Planning Board; to ask cooperation of state, regional and national industrial promotion groups; to obtain accounts of the experiences of other communities which may be engaged in seeking suitable industries to locate within their confines and to take such other action as may be deemed necessary to achieve its purpose.

Article 32. On petition of Alton P. Tobey and fourteen other legal voters of the Town of Hampton, to see if the town will vote to authorize the Moderator to appoint a committee of five citizens to ascertain what places, sites or events of Hampton's historical significance should be memorialized with permanent markings and to report its findings to the next regular Town Meeting, together with an estimate of the costs which may be involved in providing such permanent markings.

Article 33. On petition of Herbert Casassa and twelve other legal voters of the Town of Hampton, to see if the town will vote to authorize the Moderator to appoint a committee of seven citizens to consider the advisability of erecting at some future time by means of a voluntary subscription and taxation, a municipal memorial building and adequate parking area, so located

and so designed that it may serve (1) as a Town Hall, (2) as a community center, and (3) as a convention facility which might be the means of attracting early and late season conventions to Hampton Beach, said Committee to report its findings at the next regular Town Meeting.

Article 34. To see if the town will vote to authorize the Selectmen to work with the Planning Board to study methods of financing future sanitary sewer extensions and operation, outside of the general property tax, and to present what recommendations they might make at the next regular Town Meeting or at an earlier special Town Meeting if in the opinion of the Board such special action is either necessary or desirable.

Article 35. On petition of Edgar H. VanDeWater and nine other legal voters of the Town of Hampton, to see if the town will vote to build sidewalks on Lafayette Road from Ann's Lane to Watson Lane.

Article 36. To see if the town will vote to authorize the Selectmen to obtain by purchase or by eminent domain proceedings, a strip of land fifty feet in width extending ten feet on each side of the sewer easement from Island Path to Dustin Avenue for the purpose of future extension of the "Marsh Highway".

(\$5,000 in budget under Town Construction).

Article 37. To see if the town will vote to amend the Zoning ordinance of the Town of Hampton, adopted at the annual Town Meeting March 8, 1949, as amended by Town Meetings held on March 14, 1950, March 11, 1952, September 29, 1952, March 8, 1955, and January 11, 1956, as follows: (A) By adding the following new Residence A District to Appendix A:

**PROCEEDINGS OF THE ANNUAL TOWN MEETING
HELD AT THE HIGH SCHOOL AUDITORIUM
HAMPTON, N. H.**

MARCH 13, 1956

The Meeting opened at 10:00 A.M. with Moderator Edward S. Seavey Jr., presiding.

The following ballot clerks were sworn in by the Moderator: Raymond Sturgis, Solon Gremmels, Eleanor Dennett, Ethel Hamilton, Helen Mullen, Rebecca Tuttle, Marian Scannell, Clara Gale, Lena Emery, Alice Downer, Wilma White, and Clarence Shaw.

Prayer was offered by Rev. William G. McInnes.

“Almighty and Eternal God, our Heavenly Father, we begin the work of this day by asking for Thy help and Thy guidance.

“We give thanks to Thee for the rich heritage we have in this community and this land, for the evidences of Thy favors in years past, and for Thy Hand which has made and preserved us a people and a nation.

“May we never forget nor hold lightly the sacrifices of blood and toil, sweat and tears by which godly men and women through the years and the centuries obtained for us so many privileges and blessings.

“Help us this day and always to exercise a responsible freedom.

“May prejudice and self-seeking and self-gorification be in abeyance.

“May each of us be less concerned about our rights than about our duties.

“Make us all to look to and work for the good of others both now and for the years to come.

“Send now, our God and Father, Thy Spirit upon us to direct and guide our thinking, our speaking, and our choosing so that all things may be begun, continued and ended with Thine approval and benediction. And help us to hear in our minds and hearts Thy ‘Well done, good and faithful servants.’” In Jesus’ name. Amen.

The motion was made and seconded to omit reading of the Warrant, as it had been published in the Hampton Union and in the Town Reports. So voted.

ARTICLE I

‘Election of Town Officers’ was read by the Moderator. (on Australian ballot).

ARTICLE II

Mr. Harry Parr moved that the Polls close no earlier than eight o’clock.

Seconded. So voted.

The Moderator explained that each voter would use three ballots:

1. For voting for town officers.
2. For voting for Delegates to the Constitutional Convention.
3. For voting in Presidential Primary.

ARTICLE III

Mrs. Margaret Wingate asked for an explanation of this Article.

Town Manager John W. True explained that the article voted in 1955 relative to placing on the ballot all special articles involving the expenditure of \$750.00 or more, conflicted with the Municipal Budget Law, under which it was voted to operate, at the same meeting.

Town Counsel John W. Perkins explained that under the Municipal Budget Law it was impossible to put articles on the ballot as provided in article previously voted. He said it could be rescinded or not, but still could not operate.

Mr. James Tucker, Sr., moved that Article 3 be adopted as read. Seconded. So voted.

Report of the Budget Committee

The purpose of submitting this report of the Budget Committee is to inform the voters of the workings of this Committee as it is a new part of our Town Government. The Municipal Budget Law says that it shall be the duty of the Budget Committee to prepare a budget according to the forms prescribed by the Tax Commission for the Town expenditures and for this purpose hold Public Hearings.

Prior to the Public Hearings the Committee held a meeting with the Selectmen and Town Manager present. At this meeting every item of income and expense as submitted by the Board of Selectmen was discussed and changes or increases were explained by the Town Manager.

At the Public Hearing on Feb. 3 all those present were given the opportunity to hear the Budget discussed item by item and various explanations regarding changes. At a later Hearing on February 17 all Special Articles having to do with the appropriation of money were discussed and the people given the opportunity to review any part of the Budget that had been submitted at the Public Hearing on Feb. 3.

Now if you will kindly turn to page 73 in the Town Report I will briefly explain the difference in the appropriations recommended by the Budget Committee and

the actual expenditures of the previous year. The first item of Town Officers Salaries is reduced only as an accounting convenience. However, it does incorporate a \$500.00 increase in the Town Manager's Salary. The Town Officer's Expense is changed primarily for the purpose stated above. In other words, the Selectmen are paid \$1,200.00 salary and \$300.00 expense and the Town Manager \$6,000.00 salary and \$1,000.00 expense. Election expense is increased to take care of election year expenses.

The increase in the Police Department is due to salary increases and increased personnel during the summer months for patrolling newly developed Beach area.

The additional expense under Fire Department is due to salary increases.

The expenses for the Comfort Station seem to fluctuate from year to year. In 1954 they were higher and the 1955 appropriation was set at \$6,300.00. As the actual expenditures were lower in 1955 the amount recommended for 1956 is \$300.00 less the prior year's appropriation.

The decrease in the recommended amount over the appropriated amount for 1955 of \$600.00 is due to the fact that Health Officer was formerly paid \$200.00 and his duties are now performed by the Town Manager, and also there will be fewer hired trucks used.

The next Budget item of \$1,200.00 is covered by Special Article No. 24 which appears on page 64 of the Town Report. The committee did not feel this expenditure was necessary. However, it was submitted without recommendation so that the voters might still be given the opportunity of considering this item.

The increase in the Sewer Dept. appropriation of \$4,000.00 is due principally to a manhole repair on Marsh Highway.

The increase under the item of Town Dump and Garbage Removal is reflected in the new method of caring for the dump and employment of one additional man.

Additional expense of \$1,000.00 under Town Maintenance is for the increased amount of salt used due to adverse road conditions.

The Budget item of Beach Street Signs is covered by Special Article No. 21, which appears on page 63 of the Town Report, whereby it is proposed that Streets from A-Q will be marked with directional signs for the guidance of summer visitors and to aid the flow of traffic on such streets.

The Budget item for Recreation Commission is covered by Special Article No. 12 which appears on page 62 of the Town Report. This item calling for \$1,500.00 was discussed at some length and a summary of the past history of efforts along this line was given by Donald Ring and Douglass Hunter. It appeared that in the past it has been difficult to maintain recreational activities during the summer months because of lack of participants, and therefore the Committee has submitted this Article without recommendation.

Under the item of Parks and Playgrounds the decrease in the amount recommended is because the State Law specifies that not more than \$800.00 may be appropriated for Band. In past years the appropriation has been \$2,500.00 The Budget Committee has, therefore, recommended an increase in advertising for the difference in this item.

Under the item of Cemeteries, last year there was a special appropriation in the amount of \$400.00 which does not appear this year.

Under the item of Parking Space, the additional expense involved over and above last year's appropriation was the expense of moving the playground to a new

location to make added parking facilities on Ocean Boulevard. The increase in this year's appropriation is to be used principally for surfacing.

The item of Special Activities has been increased for one additional lifeguard and additional Beach cleaning due to a great expanse of Beach.

The increase under the item of Legal Expense is in anticipation of receiving a bill from the attorney retained by the Town who is handling the Fish House Case.

Under the appropriation of Advertising and Regional Association; this is covered by Special Articles No. 7 and No. 10, which appear on page 61 in the Town Report, and the transfer of \$1,700.00 taken off the appropriation for the Band.

The Employee's Retirement and Social Security increase is due to the increase in wages.

The amount of \$2,500.00 for Philbrook Terrace Drain is covered by Special Article No. 19 which appears on page 63 in the Town Report. This article was submitted without recommendation because of lack of engineering information.

The item of \$5,000.00 under Town Construction is included under Special Article No. 36 which appears on page 67 of the Town Report. This is an additional appropriation to be added to the unexpended appropriation from the previous year for the future extension of the proposed Marsh Highway.

An additional appropriation of \$2,000.00 for Hackett Lane and King Avenue Drain has been recommended. This item is covered by Special Article No. 22 and Special Article No. 8. It is proposed that the unexpended portion of last year's appropriations which is \$16,167.65

be used together with a new appropriation of \$2,000.00 to install sanitary sewers in the Hackett Lane and King Avenue section.

Under the item of sewer construction, the normal amount of \$5,000.00 that is appropriated each year has been recommended by the Committee. With regard to the amount of \$38,000.00 this is covered by Special Articles No. 23 and 26 which appear on page 64 of the Town Report. In considering these Articles calling for proposed extensions of sewer system, the Budget Committee took into consideration the study of this problem undertaken by the Anderson-Nichols Co. as a part of their master plan for the Town of Hampton. From the information available it was apparent that neither of the two areas to be covered by these appropriations would receive initial priority for sewer construction. Further, the Committee felt that such proposals should first be taken up with the Selectmen and/or the Planning Board in order that sufficient data would be available to the Committee to enable them to properly evaluate the proposed expenditure. Also Special Article No. 34 in this Warrant proposes an alternate method for handling future sewer extensions.

The amount of \$10,000.00 was recommended by the Budget Committee for the purchase of additional parking space on High Street. This appears under Special Article No. 13 on page 62 of the Town Report where the sum of \$12,500.00 is proposed for this purpose.

The amount of \$2,000.00 is covered by Special Article No. 29 which appears on page 65 of the Town Report. This sum has been submitted without recommendation as the Committee felt that it was not vital that it be recommended at this meeting, in view of the fact that Special Article No. 32 in this Warrant proposes that a Committee be appointed by the Moderator to handle things of this nature and report its findings at the next Town Meeting.

Under new equipment, the amount of \$11,750.00 recommended by the Committee covers the following items:

Police Car	\$1,500.00
Crawler Tractor with Skid Shovel	5,000.00
Trencher	3,750.00
Lifeguard Equipment	250.00
Police Weapons	600.00
Fire Alarm Boxes	650.00

The amount of \$600.00 for Police Weapons appears under Special Article No. 19 on page 63 of the Town Report.

The item of \$500.00 for Marsh Reclamation is covered by Special Article No. 30 which appears on page 65 of the Town Report.

This summarizes the Budget of \$358,487.23 as recommended by the Budget Committee. The committee would like to point out that so long as the provisions of this Chapter shall remain in force in any town, the total amount appropriated at any annual meeting shall not exceed by more than ten per cent the total amount specified in the budget for said meeting, and no appropriation shall be made for any purpose not included in said budget, provided, however, that the budget committee may also submit, without approval, items which they do not wish to recommend but which they believe the voters should be allowed to consider and act upon, whether favorably or unfavorably. Money may be raised and appropriated for such items, but not to an amount which would increase the total appropriation as recommended by the budget committee, by more than the ten per cent allowed hereunder. This would provide that an increase of \$35,848.72 could be raised and appropriated at this meeting over and above the sum recommended.

In closing the Budget Committee would like to thank the Board of Selectmen, Town Manager, and the Depart-

ment Heads for their cooperation received during the preparation of this Budget.

Respectfully submitted, Hampton Budget Committee:
Kenneth W. Langley, Chairman, Martin E. Gunther,
William Elliot, Alfred L. Tower, Caroline P. Higgins,
Virginia C. Blake, William W. Treat, Douglass Hunter,
Carl M. Lougee, Seth M. Junkins, H. L. Pierson, Wilma
White, George Downer, Charles E. Greenman, Lawrence
C. Hackett.

ARTICLE IV

The Moderator explained proper procedure for acceptance of Articles under the Municipal Budget Law.

Mr. Kerin Shaughnessey moved that the Report of the Budget Committee be accepted as recommended, with the exception of those items covered by Articles in the Warrant. Seconded. So voted.

ARTICLE V

BORROWING MONEY IN ANTICIPATION OF TAXES

Mr. John Perkins moved adoption of Article V as read. Seconded. So voted.

ARTICLE VI

DISPOSAL OF LAND ACQUIRED BY TAX DEED

Mr. Leroy Hamilton moved acceptance of Article 6 as read. Seconded. So voted. -

ARTICLE VII

\$1000.00 FOR SEACOAST REGIONAL ASSOCIATION

Mr. Leroy Hamilton moved that Article VII be struck out. No second. Chairman of the Selectmen Lawrence

Hackett stated that the Seacoast Regional Association did much to benefit the town, and that the \$1000. would be money well spent.

Mr. Douglass Hunter moved that the sum of \$1000.00 be raised and appropriated for Article 7. Seconded. So voted.

ARTICLE VIII

SEWER SYSTEM CONSTRUCTION INSTEAD OF STORM DRAINS FOR KING'S AVE.

Mr. Donald Ring moved the adoption of Article 8 as read. Seconded. So voted.

ARTICLE IX

STREET NORTH OF RICE TERRACE

Mrs. Margaret Wingate moved the adoption of Article 9 when the street meets the approval of the Board of Selectmen. Seconded. So voted.

ARTICLE X

\$5,000. FOR CHAMBER OF COMMERCE

(The amount of money asked was not recommended by Budget Committee and would be included in the 10% increase allowed)

Mrs. Wingate asked if it was legal to raise money to give to the Chamber of Commerce.

Mr. William Elliott explained that the money raised and appropriated for this purpose last year was spent under the direction of the Town Manager and Selectmen and an itemized accounting was given. He moved the adoption of Article X as read. Seconded. So voted.

ARTICLE XI

RECREATION COMMISSION

Mr. Frank Freeman spoke in favor of this article, and moved that Art. 11 be accepted as read. Seconded. So voted.

ARTICLE XII

\$1500.00 FOR RECREATIONAL ACTIVITIES

(The \$1500. for this article not recommended by Budget Committee) Mr. Frank Freeman moved that Article 12 be passed as read. Seconded. So voted.

ARTICLE XIII

PARKING LOT HAMPTON CENTER

Mr. Lawrence Hackett moved that the sum of \$10,000.00 be raised and appropriated for the purposes of Article 13. Seconded. So voted.

ARTICLE XIV

DISPOSAL OF SEWER

Dr. Roger Blake moved that Article 14 be adopted as read.

Mr. Hackett asked if money could legally be raised at Town Meeting for private business. Town Counsel answered that it could not.

Mr. Richard Rice stated that if land was purchased by the Town for purposes of Art. 14 it could be used by anyone in the business of cleaning septic tanks.

There followed much discussion on the proper disposal of contents of Septic Tanks.

ARTICLE XVI
FIRE HYDRANT, BELMONT CIRCLE

Mr. True explained that there is no need for an additional hydrant at this time as all the buildings are within the required 500 feet from a hydrant. Discussion followed.

Mr. James Tucker moved adoption of Article, and installation of hydrant when and if the Selectmen feel it necessary. Seconded. So voted.

ARTICLE XVII
DRY WELL CATCH BASINS AT PHILBROOK
TERRACE

(The amount of \$2,500.00 asked in this article is not recommended by Budget Com.) Town Manager John True said that the town has a Master Plan for drainage and suggested waiting until this was in use before spending money on individual spots.

Mr. Leroy Hamilton moved that Art. XVII shall *not* be passed as written. Seconded. So voted.

ARTICLE XVIII
ZONING ORDINANCE

After much discussion, with explanation by the Building Inspector, Floyd Gale, Mr. Leroy Hamilton moved that Article 18 be passed as read. Seconded. So voted.

Mr. Hackett's motion amending the article to read "the Building Inspector for his services shall be entitled to the fee collected," was voted down 104 to 77.

ARTICLE XIX
POLICE WEAPONS

Mr. Carl Bragg moved that Article 19 be accepted as read. Seconded. So voted.

ARTICLE XX

LOCKE LANE EXTENSION

Article read.

Mr. Kerin Shaughnessey amended Art. XX to read as follows:

“On petition of Ivan R. Lund and 21 other legal voters of the Town of Hampton, to see if the town will vote to accept the Locke Lane Extension as a part of Locke Lane, subject to the approval of the Selectmen.” Seconded. So voted.

ARTICLE XXI

METAL STREET SIGNS AT BEACH

Mr. Douglass Hunter moved that we adopt article 21 as read. Seconded. So voted.

ARTICLE XXII

HACKETT LANE DRAINAGE

Budget Committee recommendation was read. Mr. St. Pierre spoke in favor of the article and moved that it be accepted as read. Seconded. So voted.

Town Manager True explained the proposed engineering plan which will assist in drainage, as well as installing sanitary sewer.

ARTICLE XXIII

EXTENSION OF SEWER ON EXETER ROAD

(Not recommended by Budget Committee.)

Mrs. Wingate spoke in favor of article because of new developments on Exeter Rd.

Mr. Raymond Goding listed the "Master Plan Proposals for Sewage" in the order of importance as follows:

Priority Districts for Sewers:

1. Winnacunnet Road up to Locke Road, and down to North Beach.
2. Ocean Blvd. at North Beach.
3. Area around Boar's Head.
4. Coast Guard Station, north, Plaice Cove.
5. High St., Moulton Road and Kelpport.
6. Exeter Rd. extension and Brookfield if development increases.

Mr. A. Roland Bragg moved that Art. 23 be indefinitely postponed. Seconded. So voted.

ARTICLE XXIV

BOOK OF PROPERTY VALUATIONS

Miss Ruth Stimson made amendment to Art. 24 that addresses of owners be included.

Mrs. Margaret Wingate amended Article 24 to read "Oct. 1," instead of "June 1."

Article voted with both amendments, upon motion of Mr. Lawrence McKillop. (seconded)

ARTICLE XXV

TO RESCIND PRESENT METHOD OF VALUATION OF PROPERTY

Mr. K. Shaughnessey spoke in favor of system of valuation used since the revaluation in 1954. Mr. Willard Emery spoke against present system.

Town Counsel said that it was up to the Assessors to use any system of valuing property that they wished. If article is passed, or not passed, it is merely an expression of opinion. No meeting can tell the assessors how to assess. It is decided by public statute.

A letter from the State Tax commission was read to clarify the meaning of enhancement. Enhancement is applied due to location only.

Mr. Norman Royal said that this was the first time that the Town had been assessed by formula instead of opinion. He spoke in favor of staying with the formula and correcting any errors or inequities.

Mr. Royal moved that Article XXV be tabled indefinitely. Seconded.

Motion carried by a large vote.

ARTICLE XXVI

SEWER FOR ANN'S LANE AND PHILBROOK TERRACE

Mr. Lawrence Douglas moved that Article 26 be passed as read. Seconded. Not voted.

ARTICLE XXVII

AMENDMENT OF ZONING ORDINANCE

Mr. Seth Junkins moved adoption of Article 27 as read. Seconded.

Mrs. Mabel Clancy made the following amendment:

"I move the adoption of Article 27 with the following amendment: that bathing lockers already built and equipped that are connected to the guest houses in the aforementioned Article 3, Section 2, and Residence B District, be permitted for public use." Seconded.

Mr. Raymond Goding made the following substitution of article after "4".

"Dressing room facilities for public use, providing such facilities shall be totally enclosed within an existing residence, lodging house, apartment house, hotel or motel as permitted in a Residence B. District; provided that such use shall not be carried on in any accessory building; and provided that such facilities be operated only by the owner or lessee of such residence, lodging house, apartment house, hotel or motel."

If substitution is voted it will take the place of Mrs. Clancy's amendment and Mr. Junkins motion. Mr. Junkins concurred.

Mr. Goding stated that Mr. and Mrs. Clancy would be able to use their existing facilities under his motion.

Mrs. Clancy's amendment not voted.

Original article passed as amended by Mr. Goding.

ARTICLE XXIX

BOUND ROCK

Mr. James Tucker moved that the town adopt Article 29 as read.

Mr. John Perkins seconded motion on Art. 29. So voted.

Bound Rock located on a 75 by 100 ft. lot. Mr. Hunter expressed the opinion that we did not exploit our historic landmarks sufficiently.

ARTICLE XXX

MARSH RECLAMATION

Mr. Donald Ring moved that Art. 30 be adopted as read. Seconded. So voted.

ARTICLE XXXI

HAMPTON DEVELOPMENT COUNCIL

Mr. John Dunfey spoke for Article 31 and said that the Planning Board has put aside a section of land for industry and it is only proper that a council be established.

Mr. Dunfey moved that Article 31 be adopted as read. Seconded. So voted.

ARTICLE XXXII

MARKING HISTORIC SITES

Mr. James Tucker moved adoption of Article 32 as read. Seconded. So voted.

ARTICLE XXXIII

MUNICIPAL MEMORIAL BUILDING

Mr. James Tucker moved that Art. 33 be adopted as read. Seconded. So voted.

(This might be made a Memorial to the Men of All Wars.)

ARTICLE XXXIV

FINANCING FUTURE SEWER EXTENSIONS

Mr. Leroy Hamilton moved that this article be adopted as read. Seconded. So voted.

ARTICLE XXXV

SIDEWALK ON LAFAYETTE RD.

Mr. L. Hamilton moved that this article be indefinitely postponed. Seconded. Not voted.

Discussion. Mr. True explained that there was no provision for appropriation of money in Art. 35, therefore it could not be built.

It was moved that Art. 35 be adopted as read. Seconded. Not voted.

ARTICLE XXXVI

MARSH HIGHWAY EXTENSION

Mr. L. Hamilton moved adoption of Art. 36 as read. Seconded.

Mr. Norman Royal amended Art. 36 to read:

“To see if the town will vote to authorize the Selectmen to obtain by purchase or by eminent domain proceedings, a strip of land 75 ft. in width including the sewer easement, from Island Path to Dustin Ave. for the purpose of future extension of ‘Marsh Highway,’ and to increase the amount allowed in the budget to \$7500.00.

Motion of Amendment seconded. Article XXXVI voted as amended.

Mr. Kenneth Ross and Mrs. Myrtie Cogger have given some land in this vicinity to the Town.

Mr. Tucker told of the proposed Toll Road from the Toll Turnpike to the Beach which may enter the beach area near the proposed Island Path Road.

BUDGET

The motion was made by James Tucker that the sum of \$365,687.23 be raised and appropriated. Seconded. So voted.

(Note) The above amount is the \$358,487.23 recommended by the Budget Committee plus \$2500.00 additional voted in Article 36, and the three other sums already voted as follows: \$1200.00 valuation books, \$1500. Recreation Commission, \$2000.00 purchase of Bound Rock. (\$7200.00 over recommendation of Budget Committee.)

ARTICLE XXXVII

AMENDMENTS TO ZONING ORDINANCE

Mr. Lawrence Hackett moved the adoption of Article 37 as read. Seconded. So voted.

ARTICLE XXXVIII

The following report was presented and the recommendations accepted upon the motion of Mr. Roland Paige.

March 5, 1956

Mr. Edward S. Seavey, Jr.
Moderator, Hampton, N. H.

Dear Sir:

As the committee appointed by you to prepare the necessary details including an accurate list of those who served honorably in the Armed Forces during the Korean Operation for the purpose of erecting an Honor Roll, the following recommendations are submitted for consideration:

1. In keeping with the customs and traditions of the town we recommend that a Korean Honor roll be erected.
2. We recommend that the dates of eligibility be from June 25, 1950 to July 27, 1953.

3. A complete and accurate list be compiled for the Honor Roll.
4. That the present committee be authorized to serve until the Town Meeting of 1957.

Roland W. Paige	Marion E. Leach
Barbara M. Bogrett	Roscoe B. Palmer
William D. Holman	Donald A. Ring
Vernon B. Dennett	

Upon motion of Douglass Hunter a vote of thanks was given the High School Students who assisted with the Microphone during the meeting.

Town Manager True suggested a rising vote of thanks to the Planning Board and Budget Committee for their work.

Meeting was adjourned at 6:10 P.M.

Respectfully submitted

WARRANT FOR SPECIAL TOWN MEETING**July 17, 1956**

TOWN OF HAMPTON, STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hampton in the County of Rockingham in said state qualified to vote in town affairs:

You are hereby notified to meet in the High School Auditorium in said Hampton the 17th day of July, 1956 at 8 o'clock in the evening (Daylight Savings Time) to act upon the following subjects:

(This meeting is held in accordance with a Decree of the Superior Court in and for the County of Rockingham dated June 28, 1956, which said Decree gives this Special Town Meeting the same authority as that of an Annual Town Meeting).

Article 1. To see if the Town will vote to purchase the property of James and Louise Martel for municipal use situated on the Easterly side of Academy Avenue in said Hampton having a frontage on said highway of 100 and 11/12ths feet and extending Easterly a depth of 215 and 10/12ths feet, and bounded on the South by land of said Town, together with the buildings thereon, for the sum of FIFTEEN THOUSAND DOLLARS (\$15,000.00), and to appropriate therefor the sum of FIFTEEN THOUSAND DOLLARS (\$15,000.00) and to authorize the issue and sale of notes of the Town of Hampton in the sum of \$15,000.00 therefor under and pursuant to the Municipal Finance Act.

Article 2. In the event that Article 1 is passed, to see if the Town will vote to authorize the Selectmen to rent or lease the premises described in Article 1 under such

terms and conditions as the Selectmen may determine but subject to the right of the Town of Hampton to cancel the Lease upon reasonable notice when these premises or any portion thereof are desired for any municipal use.

Given under our hands and seals at said Hampton this 29th day of June, 1956.

REPORT OF SPECIAL TOWN MEETING

The Special Town Meeting was held at the High School Auditorium on July 17, 1956.

Meeting was called to order by Moderator Edward S. Seavey at 8:00 P. M.

The moderator then read the Warrant for the Special Town Meeting, and the Decree of the Suprior Court authorizing the Town of Hampton, N. H. to hold the meeting.

The Report of the Municipal Budget Committee was read, as follows:

Mr. Edward Seavey, Jr., Moderator
Hampton, New Hampshire.

BUDGET COMMITTEE: Report of

A meeting of the Hampton Budget Committee was held on Wednesday, July 11, 1956 at the Town Offices to consider Articles in the Warrant for a Special Town Meeting to be held July 17, 1956 to authorize the Town to purchase property owned by James and Louise Martell. It was unanimously voted to recommend the approval of fifteen thousand dollars (\$15,000.00) for the purchase of this property, as called for in Article 1.

As Article 2 does not request the appropriation of money, it therefore does not require the approval of the Budget Committee, however it was unanimously voted there be included in this report, the recommendation that the wording of Article 2 in the Warrant be amended to include the words, "**sell or otherwise dispose of the buildings.**" This recommendation being made so

that the Board of Selectmen would not be hampered in any way, should they decide to move or sell the buildings at once.

Respectfully submitted,

KENNETH W. LANGLEY, Chairman
Hampton Budget Committee

Article 1. Read by Moderator, who asked for discussion.

Chairman of the Selectmen, Donald A. Ring, explained that the property in question adjoined town land, and that the Selectmen felt that it was advisable to purchase same.

Mr. Lloyd Farrell asked if there was a quorum present. Moderator replied that none was required.

Mr. Jackson of Leavitt Road inquired if the disposal of the buildings on the Martell property was to be left entirely in the hands of the Selectmen.

Town Counsel John W. Perkins made the following motion, which was seconded by Mr. Kenneth Ross.

"I move that the sum of FIFTEEN THOUSAND DOLLARS (\$15,000.00) be appropriated for the purpose of purchasing the land and buildings of James and Louise Martell for municipal use situated on the Easterly side of Academy Avenue in Hampton and that said sum of Fifteen Thousand Dollars (\$15,000.00) shall be borrowed under and pursuant to The Municipal Finance Act by the issue and sale of notes of the Town of Hampton, said notes to mature over a period of Two (2) Years, interest payable semi-annually and that except as otherwise provided herein the discretion of fixing the date, maturities, denomination, the interest rate, place of payment, form and other details of said notes and of providing for the sale thereof is hereby delegated to the Selectmen."

Following the reading of the motion Mr. Perkins made the amendment that the vote on his motion be by "Yes" and "No" ballot. Seconded. So voted.

Ballot Clerks were appointed as follows:

Caroline Higgins, W. S. Noyes, and John W. True.

Total number of votes cast	34.
Yes	32
No	2.

Article 1 voted as read.

Article 2. Read by Moderator.

Mr. Martin Gunther made the

"Motion that Article No. 2 be amended to insert the words "sell or otherwise dispose of the buildings," so that the Article as amended will read as follows:

"Article 2. In the event that Article 1 is passed, to see if the Town will vote to authorize the Selectmen to rent or lease the premises, or sell or otherwise dispose of the buildings, described in Article 1, under such terms and conditions as the Selectmen may determine, but subject to the right of the Town of Hampton to cancel the lease upon reasonable notice when these premises or any portion thereof are desired for any municipal use."

Seconded. Article 2 voted as amended.

Meeting adjourned at 8:20 P. M.

Respectfully submitted,

HELEN W. HAYDEN,

Town Clerk

TOWN OF HAMPTON STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hampton, in the County of Rockingham, in said State, qualified to vote in town affairs: You are hereby notified to meet at the High School Auditorium in said Hampton on Tuesday, the Twelfth day of March, 1957, at ten o'clock in the forenoon to act upon the following subjects:

ARTICLE 1. To choose by Australian Ballot one Selectman for Three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, four members of the Budget Committee for three years.

ARTICLE 2. To choose all other necessary officers for the ensuing year.

(The polls for the election of officers and to vote on any other articles which may appear on the ballot, will open at ten o'clock in the forenoon and will not be closed earlier than six o'clock in the afternoon of the same day.)

ARTICLE 3. To see if the town will vote to accept the Budget as submitted by the Budget Committee and to raise and appropriate the sum of \$453,628.00 for Town purposes.

ARTICLE 4. To see if the town will vote to give the Selectmen and Town Treasurer power to borrow money in anticipation of taxes.

ARTICLE 5. To see if the town will vote to give the Selectmen power to administer, sell or otherwise dispose of any real estate acquired through tax deeds.

ARTICLE 6. To see if the town will vote to raise and appropriate the sum of \$1,000 for publicity and promotion of the natural resources and recreation advantages of the Seacoast Region, said sum to be turned over to the Seacoast Regional Development Association for expenditure.

ARTICLE 7. On petition of Alton P. Tobey and eleven other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate the sum of Seven Thousand Seven Hundred (\$7,700.00) Dollars for the purpose of contributing through the Hampton Beach Chamber of Commerce toward the issuance and distribution of circulars and other written or printed matter and toward publicity by other means and toward promotional activities calling attention to the resources and natural advantages of the town.

ARTICLE 8. On petition of Thomas J. Downs and 18 other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate the sum of One Thousand (\$1,000) Dollars to be expended on the publication and mailing of brochures, cards and other advertising media; this being part of the program of the Hampton Development Council as authorized by passage of Article 31 in the Town Warrant of 1956; provided that the majority of voters of the Town of Hampton desire this Council to continue their work of trying to attract new, clean industry into the town.

ARTICLE 9. On petition of Mrs. Roger F. Henderson and nine other legal voters of the Town of Hampton, to see if the town will vote to raise and appropriate the sum of Three Thousand (\$3,000) Dollars to construct a sidewalk on the South side of High Street from Mill Road to Five Corners.

ARTICLE 12. On petition of Beatrice T. Boudreau and 27 other legal voters of the Town of Hampton, to see if the town will vote to change the present name of Marsh Avenue at Hampton Beach to Sunset Boulevard.

ARTICLE 13. To see if the town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and as amended by subsequent Town Meetings as follows:

(A) By adding after Section 5, Article III the following section:

Section 6. Residential C Seasonal District. In the Residential C Seasonal District no building or land shall be used for any purpose except a single or double family residence or residences and private garages accessory thereto and not more than two single family residences and a private garage for each residence or one double family residence with a private garage shall be erected, placed, moved or otherwise located on each lot. The letting of rooms to five or less lodgers or tourists in a single family residence or to ten or less in a double family residence by the owner or tenant thereof shall be permitted.

(B) By adding after Section 6 of Article IV the following new section: Section 7. Residential C Seasonal District.

1. In the Residential C Seasonal District no structure shall exceed two stories in height nor shall any single family residence structure contain less than 500 square feet at the ground level, nor shall a double family residence structure contain less than 750 square feet at ground level, both exclusive of garages.

2. No structure in the Residential C Seasonal District shall be placed closer than 10 feet from the street frontage or frontages or closer than 7 feet to any other building on the same lot or closer than 7 feet from one side lot-line or closer than 12 feet from the opposite side lot-line (the purpose of this is to provide for an adequate driveway on one side or the other of the lot).

3. In the Residential C Seasonal District no building shall be erected, placed, moved or otherwise located on a lot containing less than 6,000 square feet in area and less than 60 feet in width unless such a lot is on record in the Rockingham County Registry of Deeds prior to the adoption of this section.

(C) By adding after Section 8 of Article V the following new section: Section 9. Foundations. In the Residential C Seasonal District on structure shall be erected, placed, moved or otherwise located except on concrete or masonry foundation walls resting on adequate footings.

(D) To amend Article II Districts by changing the number thereof from "Five" to "Six" and adding a new district "Residential C Seasonal" between "Residence B" and "Business".

(E) By striking out the description of the Business District — Hampton Beach — First Street to Hampton River in Appendix A and inserting in place thereof the following:

BUSINESS DISTRICT — HAMPTON BEACH
FIRST STREET TO HAMPTON RIVER

Beginning at the intersection of First Street and the Ocean Boulevard; thence running southerly by the westerly sideline of said Boulevard to a point opposite Dumas Avenue; thence turning at right angles and running easterly to a point 100 feet easterly from the easterly side of said Boulevard; thence running southerly by a line parallel to and 100 feet easterly from the easterly side of said Boulevard to the Atlantic Ocean on the southerly shore of Great Boars Head; thence turning and running westerly across said Boulevard to the westerly sideline thereof; thence running in a general southerly direction following the westerly sideline of said Boulevard to a point opposite Haverhill Street; thence easterly across said Boulevard to the northeast corner of the lot fronting on Haverhill Street and the Boulevard; thence running in a general southwesterly direction following the rear lines of the lots fronting on said Boulevard to the State Park; thence turning and running westerly by the State Park and a continuation of the northerly line thereof to Hampton River; thence running northerly by said river to a point on the centerline of Bragg Avenue extended westerly; thence turning and running easterly by the centerline of Bragg Avenue extended to a point 137.5 feet westerly from the town intercepting sewer; thence turning and running northerly by a line parallel to and 137.5 feet westerly from said town intercepting sewer to Church Street; thence turning and running in a straight line to a point in a line at right angles to Ocean Boulevard through the intersection of Dumas Avenue and 300 feet westerly from the westerly sideline of Ocean Boulevard; thence running northerly by a line parallel to and 300 feet westerly from Ocean Boulevard and westerly by a line parallel to and 300 feet southerly from Winnacunnet

SELECTMEN'S AND TOWN MANAGER'S GENERAL REPORT

Another year has ended well financially with the State audit report showing a budget surplus of \$30,244.01, reduction of net debt of \$23,849.42, and a cash surplus of \$34,738.00 which may be used to reduce the 1957 tax rate.

The Planning Board, and committees on Industrial Development, Marsh Reclamation, Historical Sites, Municipal Auditorium, and others have worked diligently during the year and will have reports for the annual town meeting, for future progress. Purchases of property as authorized by the town meeting were made and the Town now owns all the High Street parking lot, Martel property on Academy Avenue, and the "Bound Rock" lot at Hampton Beach.

We have continued waste collections with our packer type truck and sanitary care of the town dumps. For the second year, we have had not a single complaint about our dumps from the State Health dept.

For the coming year, we hope to start dumping and building a roadway from Tide Mill to Glade Path; extend sewerage on Anns Lane and see the start of action toward North Beach sewerage; drainage for Surfside; drainage for Kings Avenue; rebuilding of the main creek crossing for the beach pumping line; a plan of the marsh south of Island Path showing streets, lots and possible canals; and we hope to see the addition completed to the Lane Memorial Library.

December 17 - 21 & 26, 1956 - January 2 - 4, 1957

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire
SUMMARY OF FINDINGS AND RECOMMENDATIONS**

January 14, 1957

Board of Selectmen
Hampton, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hampton for the fiscal year ended December 31, 1956, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court, Library, Cemetery Association and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets — Dec. 31, 1955 — Dec. 31, 1956:

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1955 and December 31, 1956, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$23,849.42 in 1956.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decreases in Net Debt	
Budget Surplus	\$30,244.01
Bonds Retired	9,000.00
	\$39,244.01
Increases in Net Debt	
Long Term Notes Issued	\$15,000.00
Decrease in Accounts Receivable	376.50
Tax Deeds Taken by Town	18.09
	15,394.59
Net Decrease	\$23,849.42

Comparative Statements of Appropriations and Expenditures**Estimated and Actual Revenues: (Exhibits A-3 & A-4)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1956, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net revenue surplus of \$32,279.31, less a net overdraft of appropriations of \$2,035.30, resulted in a net budget surplus of \$30,244.01.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1956, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1956, is indicated in Exhibit B-2.

Statement of Bonded Indebtedness: (Exhibit I)

A statement of bonded indebtedness as of December 31, 1956, showing annual debt service requirements, is contained in Exhibit I.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

GENERAL COMMENTS**Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased from \$73,294.02 to \$103,143.44 in 1956, as shown by the following statement:

	Dec. 31, 1955	Dec. 31, 1956
Total Assets	\$253,528.99	\$271,235.93
Current Liabilities	180,234.97	168,092.49
	<hr/>	<hr/>
Current Surplus	\$73,294.02	\$103,143.44

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hampton for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director

“Book week comes once a year, but good reading knows no season.” This year it was observed from November 25 to December 1. The Poster, “It’s Always Book Time” was designed by Leonard Weisgard, a native of New Haven, Conn. Newbery-Caldecott Medal Bookmarks were distributed to the young folks and there was the usual display of new books for juveniles.

The increase in new Patrons of the Library is great this year; 143 new adult readers and 128 juveniles and several new summer patrons. The Library's loss of some long-standing patrons has been television's gain, I presume.

The Reading Room can no longer be called such, as it has become a Study Room with very inadequate facilities. The crying need of the Library is "Room", for a Children's Room, a Study Hall apart from the Reading room and more stack space. To keep pace with the growth of the town, enlargement of the Library is a necessity.

Again this year, the wreath which adorned the doorway during the Christmas Holidays was presented by the Garden Club, to whom we say "Thank You."

RECREATION COMMITTEE REPORT OF 1956

The Recreation Committee operated a program at Tuck's Field, from July 2nd through August 29th. This program was under the supervision of Mr. Robert J. Carroll, who has a summer residence on the North Shore Boulevard. Mr. Carroll came to us with a wealth of experience, having a B.S. in physical education from B.U. He is presently connected with the Brookline, Mass. physical education program of the public schools.

The Tuck Field program was in operation five days a week. The hours were nine to noon and five thirty to dark. The morning events consisted of baseball, horse-shoes, paddle tennis, badminton, croquet and tennis. Popular demand made baseball the sport which had the most time devoted to it. Four teams were organized, they played twenty four games in a league; also, nine games were played against a North Hampton team of boys in this same age group. Hampton was represented in these games by a combined team from the league players. The daily average attendance at the morning sessions was thirty eight.

The evening events were set up for an older group and consisted of baseball, softball, croquet, paddle tennis, badminton, horseshoes and tennis. A softball league got underway during August. The attendance was slow in picking up, it was the last of July before enough showed up to get team events under way. August found a high attendance of eighty four as of one evening.

Late July a 'Father and Son' night was featured, which brought out about twenty five fathers and sons. These fifty had an enjoyable evening. Closing the summers activities was a 'Family cook-out' which brought

out a total of one hundred participants. The families furnished their food, while the Recreation Committee furnished tonic and watermelon; also, the wood for the cooking.

Mr. Carroll recommended in his report to us that a woman assistant during the morning hours would improve the interest of girls and younger boys. This subject was given thought for the 1956 season, but it was decided to try the first season with one supervisor. We hope that 1957 will find greater interest to warrant employing an assistant.

There has been no winter program with two reasons predominant. First the facilities were limited, where the Centre School activities room was not available, and secondly we did not have enough money to put on much of an indoor program.

The Committee is asking for the same sum of money (\$1,500.00) in 1957, which with our 1956 balance, we feel will hire two supervisors for the summer and provide the necessary equipment to carry out a good program. The Committee was very much pleased with Mr. Carroll and hopes that he will be available to head up our future summer activities.

Betty J. Blatchford, Philip Toppan.

SCHOOL WARRANT FOR 1956

School District of the Town of Hampton

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District affairs:

You are hereby notified to meet at the High School Auditorium in said Hampton, on Thursday, the first day of March, 1956 at three o'clock in the afternoon, and to cast ballots from that hour until at least eight o'clock in the evening of said day for candidates for the following district officers:

1. Moderator for the ensuing year.
2. Clerk for the ensuing year.
3. Member of the School Board for the ensuing three years.
4. Treasurer for the ensuing year.

You are also notified to meet at the same place at eight o'clock in the evening of the same day to act upon the following subjects:

1. To determine the salaries of the School Board and the salaries of other officers of the District.
2. To choose Auditors and Agents in relation to any subject embraced in this warrant.
3. To see if the District will vote to participate, on a Union basis, in the formation of a special class for mentally retarded children, to be at a cost per child not to exceed the high school tuition rate set by the State Board of Education.

4. To see if the School District will vote to authorize the School Board, if the said School Board deems it advisable, to make application for and to receive in the name of the School District of the Town of Hampton such advances, grants in aid, or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency or from any other agency of the United States Government or of the State of New Hampshire and especially in connection with Public Law 874 81st Congress Second Session approved September 30, 1950 and Title II Public Law 815 81st Congress Second Session approved September 23, 1950 as amended or any other act of Congress applicable thereto and to execute for and in behalf of the School District of the Town of Hampton such applications, agreements, contracts, or other instruments as may be necessary.

5. To see if the District will vote to appropriate the sum of \$26,500, the same being the amount of the Federal Aid Grant received or expected to be received from the Federal Government, and to authorize the same to be used towards the construction of the new elementary school in addition to the Bond Issue already raised.

6. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

7. On petition of Roger N. Blake and ten other legal voters of the District: To see if the voters of Hampton School District at their annual meeting will vote to fill

in with gravel and top-soil the area to the rear of the Centre School, being that area between the south side of the present black-top and the north side of the most recently constructed play area or soft ball court; and will vote to raise the sum of \$2,500.00 (twenty-five hundred dollars) to defray the cost of such construction or part thereof.

8. To see if the School District will vote to transfer to the general fund the balance of the Centre School building fund amounting to \$235.27.

9. To see if the School District will appropriate the sum of Fifty-Two Thousand Dollars (\$52,000.00) for the purpose of purchasing approximately forty-three (43) acres of land on the Easterly side of the Landing Road in Hampton as described in three options given to the School District, one by Homer A. Johnson and Elsa Johnson, one by Roland Emery and Augusta Emery, and one by Winthrop W. Kenney and Harriett Kenney, to be used for future school construction and to authorize the borrowing of said sum and to authorize the issue and sale of bonds or notes of the School District therefor under and pursuant to the Municipal Finance Act.

10. To transact any other business that may legally come before said meeting.

Given under our hand at said Hampton this fourteenth day of February 1956.

WILLIAM W. TREAT,
DEBORAH GALE BRYER,
RICHARD D. SIMONS,

Mr. Kenneth Langley, Chairman of the Municipal Budget Committee gave the following report:

SCHOOL DISTRICT MEETING

March 1, 1956

REPORT OF THE BUDGET COMMITTEE

I am hereby submitting a brief report of the Budget Committee to inform the voters of the workings of this Committee as it is a new part of our town government. The Law states, "it shall be the duty of the Budget Committee to prepare a budget according to the forms

prescribed by the Tax Commission for the school expenditures and for this purpose hold public hearings, notice of which shall be given seven days in advance.

Prior to the public hearings, the Committee held a meeting with all members of the School Board and the Superintendent of Schools present. At this meeting every item of the budget, as submitted by the School Board, was discussed and changes or increases in the budget were explained by the Board. This meeting was not only educational for the Committee, but prepared the Committee for the public hearing to be held on February 10 and for its ultimate recommendations.

At the public hearing on February 10, at which all members of the Budget Committee were present and approximately thirty or thirty-five other townspeople, Mr. Gillmore, Superintendent of Schools, read through the various items in the budget as proposed by the School Board and explained the purposes of the various expenditures.

Under the item of salary of Superintendent, the additional expense of \$1,333.33 was explained as the present Superintendent is retiring and the Supervisory Union has voted to have the new Superintendent assume his duties two months prior to the retirement of the present Superintendent, thus necessitating the additional expenditure.

It might also be well to note at this time that Hampton's share in the expenses of the Supervisory Union comprises 41.775%. The payments from the state are shared in the same ratio as expenses.

Regarding teachers' salaries, the budget, as proposed, anticipates an additional teacher for the High School and four for the Elementary School. In addition, it was found necessary to increase the starting salary for teachers from \$2,800. to \$3,000.

This means that the salary schedules should have been increased \$200.00 all along the line. Mr. Gillmore stated that the teachers had voluntarily agreed to halve this amount. The salary schedule further provides for yearly increases of \$150. providing the teacher qualifies for it. This means, therefore, that there would be an increase of \$250. each to the teachers rather than \$150.

The increase in instructional aids of approximately \$1,500. is intended to be used for a library for the elementary schools.

Increased expense in the operation of the school plant is due to the proposed new elementary school.

Increase in the school lunch program is to cover the employment of a third person needed to adequately staff this department.

With regard to the teachers' retirement, the school district pays in at a rate of .0682% and the teachers contribute on a basis of the mortality table which ranges from 4% to 8%.

With regard to the school facilities for handicapped and retarded children, this would be a project of the Supervisory Union. It is estimated that in the Union, there are at present time, thirty-five to forty such children.

Mr. Norman Merrill, Chairman of the Building Committee for the new Elementary School spoke in behalf of a special article to be inserted in the School Warrant. This had to do with the Federal Aid Grant of \$26,500.00 forthcoming from the Federal Government. The article last year authorized the School Board to apply for and receive this grant. The effect of the article this year is to apply this toward construction of the new school. It is now estimated by the Building Committee that the total cost of land, construction and equipment will ap-

proximate \$325,000.00 and it is proposed that this Federal Grant be used in addition to the \$300,000.00 raised under the Bond Issue. There appears also in the budget, items totaling \$7,598.95 under new equipment for the new school. It was stated that this equipment will be needed, but in the event that the additional \$26,500.00 is approved, this item would not be necessary. Mr. Merrill stated further that bids are to be called in February 25 for the construction of the new Elementary School, and that a complete report would be given at the School District meeting on March 1.

There was also a report given by the committee appointed to look into the matter of acquiring land for the proposed new High School. Options have been secured which are to run for a period of three years on a tract of land comprising approximately forty-six acres. As this is a Special Committee Report. I will only state that the Budget Committee recommends the purchase of this land to better prepare the town for its future expansion of schools.

Again, on February 13, the Budget Committee held a meeting in the town offices to prepare a budget to be submitted to the school district and make its recommendations. This Budget has since appeared in two issues of The Hampton Union.

Another important chapter of the Municipal Budget Law states, "that so long as the provisions of this chapter shall remain in force in any town, the total amount appropriated at any annual meeting shall not exceed by more than ten per cent the total amount specified in the budget for said meeting, and no appropriation shall be made for any purpose not included in said budget, provided, however, that the Budget Committee may also submit, without approval, items which they do not wish to recommend but which they believe the voters should be allowed to consider and act upon, either favorably

or unfavorably. Money may be raised and appropriated for such items, but not to an amount which would increase the total appropriations, as recommended by the Budget Committee, by more than the ten per cent allowed hereunder. In the event that any part of an appropriation is to be secured by borrowing, only the amount to be raised currently by taxation shall be included as controlling the ten per cent increase herein allowable above the total amount specified in the budget for said meeting.”

In closing, I would like to state that the Budget Committee is very appreciative of the fine cooperation it has received from the members of the School Board and the Superintendent of Schools' office.

Respectfully submitted,

KENNETH W. LANGLEY,

Chairman

Hampton Budget Committee

Mr. Harold Noyes moved that the report of the Budget Committee be accepted, and that the sum of \$342,766.03 be raised and appropriated as recommended.

1st Amendment. Mrs. M. Wingate made an amendment that the Budget be taken up item by item. Seconded by Franklin Brittan. Not Voted.

Mr. William Treat rose to a point of order to have articles taken in order.

Article I. Mrs. M. Wingate asked explanation of increase in District Officers' Salaries. The extra money is to go to the Treasurer. Motion made and seconded that the sum of \$1,500. be raised for District Officers' Salaries. So Voted.

Article II. Auditors. Mr. Treat moved that the selection of such auditors and agents as the District may require be left to the discretion and choice of the School Board. Seconded. So Voted.

Article III. Special Class. Mr. Treat explained the study which had been made by Mr. Sherman Lovering, of the necessity for a Special Class for Mentally Retard Children. It is a problem which may have to be met in the future.

Mr. Lovering stated that there are about 35 children in District No. 21 with an I.Q. of between 50 and 75. They need special curricula. Three especially trained teachers would be needed.

Mrs. Margaret Wingate moved that the School Board be instructed to take the matter of Article 3, under consideration. Seconded. So Voted.

Retiring Chairman of the School Board, William Treat, asked for an informal expression of opinion to see if the voters are in favor of participating in this program. The show of hands showed those present to be greatly in favor.

Article IV. Federal or State Aid. Mr. Dean B. Merrill moved the adoption of Article 4. Seconded. So Voted.

Article V. Expected Federal Aid Grant. Mr. Donald Murphy moved adoption of Article V. Seconded. So Voted.

A Special School District Meeting has been announced, and Warrant posted for March 22, 1956 at 8:00 P.M.

Mr. Norman Merrill, Chairman of the Building committee gave his report at this time.

Report of Chairman of the Building Committee:

Last Saturday the bids were opened for the construction of the Elementary School, and the lowest bid was

\$330,058.00 which was about \$75,000.00 more than expected. On Tuesday night, Feb. 28, a meeting was held by the Building Committee in which we instructed our architect to bring in a plan in which we could build a school of twelve classrooms and a multipurpose room — within the money we have.

Last evening (Feb. 29) our architect reported back to us with a floor plan for a school which can be built with present available money excluding any government aid. We instructed our architect to proceed immediately, drawing these plans so that they will be available by the end of March, and bids received by the middle of April. It is under the above mentioned plan that this Committee is now proceeding.

However: To fully inform the School District I would like to say that a vote was taken last night at the Building Committee Meeting to instruct the School Board to call a Special Meeting to see if the voters would prefer the original plan, and if so, raise the additional money by a bond issue. This passed 4 to 2. The full School Board, and Mrs. Gunther, voting in favor, and Dean Shindledecker and myself voting against.

Regarding this Article we are now working under, I am not making any recommendations to the voters of this School District regarding the increased cost of the school to the sum of \$326,500.00.

In closing I want to make it perfectly clear that a good workable school can be built with the money we now have, irrespective of whether Government School Aid is available or not.

Mr. Kenneth Langley, Chairman of the Budget Committee said that the \$26,500.00 from the Government was a restricted fund. If not used for building for which it was asked, it can only be used for interest and principal.

\$32,000. was paid for land for Elementary School between High Street, Mill Road and Mace Road.

Of bids opened Feb. 25, 1956, one for the sum of \$330,000.00 was the lowest.

Two alternatives:

A. Reduce requirements for plans of building. Eliminate many good features, or cut down square footage of building.

B. School District may approve additional money to make possible use of plan now approved. In either case there will be a school. The voters must decide.

\$70,000.00 more required for original plan. Bids are valid for 45 days.

Mr. Treat commended the work of the Building Committee, particularly Mr. Norman Merrill, Chairman.

At that time Chairman of the School Board William W. Treat paid tribute to Superintendent Roy Gillmore who will retire on November 30, 1956. Mr. Gillmore has been Superintendent of this School Union for 26 years, and has taken an active part in town, as well as school affairs.

Mr. Treat referred to Superintendent Gillmore as the Dean of Superintendents, and a man dedicated to a cause, a great educator. He said it had been a wonderful experience to work with him.

Mr. Gillmore replied to Mr. Treats' tribute saying that for 26 years he had been School Supt. here, and next year he would become just a citizen of a town of which he is proud. He has tried to make the education of children an individual thing, and asked parents to keep faith with their children. He expressed his gratitude to the people and to the School Board.

Article VI. Mr. Harold Noyes moved that the report of the Budget Committee be accepted and that the sum of \$342,766.03 be raised and appropriated to approve the budget as recommended. Seconded. So Voted.

(Amendment by Mrs. M. Wingate, seconded by Franklin Brittan, that the budget be taken up item by item, was not voted.)

Article VII. and Article VIII passed as money has already been approved by Budget Committee, and recommended.

Article IX. Land For High School. Report of Mr. Bruce Russell follows:

“Report of the Committee Appointed by the Moderator under Article 10 of the Special School District Meeting held April 27, 1955.

Article 10 of that meeting read:

To see if the School District will vote to authorize the moderator to appoint a Committee consisting of the School Board and four other legal voters and to empower said Committee to engage the services of Educational Consultants and Engineers, to make surveys, to prepare contour drawings and to obtain an option for a building site or sites for a secondary school and to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for the foregoing purposes.

Accordingly the moderator appointed Douglass Hunter, Dean Merrill, Carl Bragg and Bruce Russell to act with the school board.

At the first meeting Bruce Russell was designated as chairman and Carl Bragg as clerk. It was decided that the primary purpose of the committee was to select a site for a secondary school, to have it surveyed to determine boundaries and ownership, and if possible to

obtain options from the owners. Four possible sites were listed and discussed: 1. East of Park Avenue; 2. East of Locke Road; 3. West of the Boston and Maine Railroad and north of Exeter Road; 4. Drakeside and Towle Road area.

At our next meeting the committee walked over each of the sites and discussed their advantages and disadvantages. At the conclusion of the meeting we were in agreement that the area east of Park Ave. was the one best suited to our purpose. Accordingly one of our members was chosen to find out who owned the land. It was found that Mr. Homer Johnson owned most of it and that smaller parcels were owned by the Winthrop Kenneys, and by Roland Emery.

Each of the owners was approached to tell them what we had in mind and to obtain their permission to make a survey. After some discussion, permission was obtained.

We had to wait some time to obtain the services of engineers to make a survey, but it was done and we obtained maps of the area. These maps were taken to the owners and discussed with them. In order to take options it became necessary to set the asking price. We proceeded with the negotiations and finally agreed on \$40,000. for the 40 acres of land from Mr. Johnson; \$8,000. for 4.3 acres from Mr. Kenney and \$4,000.00 for 2.16 acres from Mr. Emery. We then agreed on the terms of an option which included the conditions we had discussed and set the option price at 1% of the asking price per year for a term of three years.

Therefore the cost of the options is \$400.00 per year for Mr. Johnson, \$80.00 per year for Mr. Kenney and \$40.00 per year for Mr. Emery, or a total of \$520 per year, or \$1,560.00 for a three year term. This was well within the money allotted so we have completed the transaction and delivered the options to the School Board.

Financial Statement:

Nov. 2	Bill of J. Leavitt Cram, Civil Eng.	\$430.00
Nov. 18	Option of Winthrop Kenney	240.00
Feb. 20	Option of Homer Johnson	1,200.00
Feb. 20	Option of Roland Emery	120.00
	Total	<hr/> \$1,990.00

Outstanding expenses:

For recording options.

For services of a lawyer to draw options.

As a result of the study of this committee it was their unanimous opinion that the School District be given an opportunity to purchase the land which is now under option. For that purpose the School Board with the recommendation of the Budget Committee have inserted an article in the warrant of this meeting.

Respectfully submitted, (Signed) Bruce E. Russell, William W. Treat, Deborah Gale Bryer, Dean B. Merrill, Richard D. Simons, Douglass E. Hunter, Carl C. Bragg.

Following the reading of his report Mr. Bruce Russell made the following motion, which was seconded.

“I move that the sum of Fifty-two Thousand Dollars (\$52,000.) be appropriated for the purpose of purchasing approximately forty-three acres of land on the easterly side of the Landing Road in Hampton as described in three options given to the School District, one by Homer A. Johnson and Elsa Johnson, one by Roland Emery and Augusta Emery, and one by Winthrop W. Kenney and Harriet Kenney, to be used for future school construction, and that said sum of Fifty-two Thousand Dollars (\$52,000.) shall be borrowed under and pursuant to the Municipal Finance Act by the issue and sale of bonds or notes of the School District of the Town of

Hampton, said bonds or notes to mature over a period of ten years, and to bear interest at a rate not to exceed three percent per annum, payable semi-annually; and that except as otherwise provided herein, the discretion of fixing the date, maturities, denomination, the interest rate, place of payment, form and other details of said bonds, and of providing for the sale thereof is hereby delegated to the School Board."

Money already approved by Budget Committee.

Question requires 2/3 vote.

Ballot Clerks asked to count: Caroline Higgins, Wilma White, Helen Savage, Ustina Simons.

Result of vote: 212 voted in favor of Mr. Russell's motion. 1 opposed.

Mr. Kenneth Langley thanked the assembly for their confidence in the Budget Committee.

Mr. Franklin Brittan asked the amount of the School Districts bonded indebtedness.

Mr. Langley replied: \$500,000.00 plus \$52,000.00 just voted. Total, \$552,000.00.

Motion to adjourn was made by Douglass Hunter at 9:40 P.M. Seconded. So Voted.

Respectfully submitted,

HELEN W. HAYDEN,

Clerk of the Hampton, N. H.
School District.

**SCHOOL DISTRICT WARRANT
FOR SPECIAL SCHOOL DISTRICT MEETING**

School District of the Town of Hampton
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of Hampton in the County of Rockingham in said State qualified to vote in District Affairs:

You are hereby notified to meet at the High School Auditorium in said Hampton on Thursday, the 22nd day of March, 1956, at Eight o'clock in the evening to act upon the following subjects:

(This Meeting is held in accordance with a Decree of the Superior Court in and for the County of Rockingham, dated March 1, 1956, which said Decree gives this Special School District Meeting the same authority as an Annual School District Meeting).

Article 1. To see if the District will vote to authorize an additional appropriation of Seventy Thousand Dollars (\$70,000) in addition to the appropriation of Three Hundred Thousand Dollars (\$300,000.) made at a Special School District Meeting on April 27, 1955, and any Federal Funds which may be available, for the construction of a school building, consisting of twelve class rooms and an activity room, to be located in that area of said Hampton which is bounded Southerly by High Street, Westerly by Mill Road, Northerly by Mace Road and Easterly by Hobbs Road, including the construction of the building, cost of land, furnishings and equipment, architectural and other fees, grading and any other items incidental to and necessary for such construction, all as voted by the said District.

Note: The necessary land has already been purchased, the architect retained, the plans prepared, Federal approval received and other progress made.

Article 2. To see if the School District will appropriate the sum not exceeding Seventy Thousand Dollars (\$70,000) for the purpose of the construction as described in Article 1, and determine how any such appropriation or any part thereof shall be raised, whether by taxation, by borrowing or otherwise, and if by borrowing to authorize the issue and sale of bonds or notes of the School District therefor under and pursuant to the Municipal Finance Act.

Given under our hands and seals at said Hampton this 1st day of March, 1956.

WILLIAM W. TREAT,
DEBORAH GALE BRYER,
RICHARD D. SIMONS,

**RESULTS OF THE
SPECIAL SCHOOL DISTRICT MEETING**

**School District of the Town of Hampton, New Hampshire
Held on March 22, 1956 at the
High School Auditorium, Hampton, N. H.**

Ballot clerks sworn in at 8:00 P.M. by Moderator William I. Elliot, as follows: Joseph Green, William Holman, Robert Kimball, Ethel Hamilton, and Marjorie Pierson.

The meeting was opened at 8:05 P.M. by the Moderator, who read the Decree of the Superior Court permitting the raising and appropriating of money by a Special School District Meeting.

Moderator Elliot then read the Warrant for the Meeting, and the report of the Municipal Budget Committee:

Report of Municipal Budget Committee.

March 22, 1956

Mr. William Elliot, Moderator
Hampton School District
Hampton, New Hampshire

Dear Mr. Elliot:

In accordance with the Municipal Budget Law, the following recommendations are hereby submitted by the Budget Committee for Article II of the School District Warrant for the Special School District Meeting to be held on Thursday March 22, 1956.

Since this warrant was posted on March 1, the Budget Committee has met on two occasions with the Building Committee to discuss the matter of the appropriation of \$70,000.00. There has been considerable information brought forth at these meetings with regard to both plans. Mr. Tracy, of the architectural firm of Tracy and

Hildreth, who is handling the planning for the Building Committee, was present at both meetings and has informed us of savings on the original plan that may be affected in the amount of \$12,588.00. These savings will not be detrimental in any way to the school construction or its function. Therefore, on a motion duly made and seconded, it was voted to recommend the amount of \$58,000.00 for the purpose of the construction as described in Article I.

The principal reason for the Budget Committee's action in recommending \$58,000. for the school as originally planned was its firm conviction that it is a better value for the town than the alternate plan.

Another point that cannot be stressed too strongly is the limited amount of time to complete the construction of either plan. However, in this instance, the original plan does have an advantage in view of the fact that it has already been accepted by the State Board of Education and by the Federal Government.

In conclusion, it should be stated that the vote of the meeting in recommending \$58,000. was unanimous.

Respectfully submitted,

KENNETH W. LANGLEY,
Hampton Budget Committee
Kenneth W. Langley, Chair.

Herbert Casassa, Seth Junkins, Harold L. Pierson, William Elliot, Martin E. Gunther, Donald Ring, Virginia Blake, Wilma White, Douglass E. Hunter, Charles E. Greenman, Carl M. Lougee, George S. Downer, Deborah Bryer, Caroline P. Higgins.

Article II. Read by Moderator.

The following motion was made by Harold Noyes.

"I move that the sum of Fifty-eight Thousand Dollars (\$58,000.) be appropriated for the additional cost of

constructing the School Building consisting of twelve classrooms and an activity room as authorized under Article 1, and that said sum of Fifty-Eight Thousand Dollars (\$58,000.) shall be borrowed under and pursuant to the Municipal Finance Act by the issue and sale of bonds of this School District, said bonds to mature over a period of eleven (11) years, principal payable Eight Thousand Dollars (\$8,000.) the first year and Five Thousand Dollars (\$5,000.) each year for the next ten years to bear interest at a rate not to exceed three per cent per annum, payable semi-annually; and that except as otherwise provided herein, the discretion of fixing the date, maturities, denomination, the interest rate, place of payment, form and other details of said bonds, and of providing for the sale thereof is hereby delegated to the School Board."

Seconded.

D. Malcolm Hamilton made the motion that "Yes" and "No" ballots and the check list be used in voting on Article II.

Tellers: Ethel Hamilton, Robert Kimball, Marjorie Pierson and Joseph Green.

Result of ballot: 124 votes for; 115 against Mr. Hamilton's motion.

Mr. Franklin Brittan asked amount of Bonded indebtedness of the School District.

Mrs. Deborah Bryer, Chairman of the School Board replied: Amount allowed \$1,176,208.00, Amount of Bonded debt: \$564,900. If article 2 passes, add \$58,000. Total will be \$622,900.

Mr. Harry Parr spoke strongly favoring action in building an Elementary School.

Mr. Kenneth Langley said passage of this article would increase the tax rate 62 cents.

Mr. Kenneth Langley, in reply to question, explained in detail where the \$12,000.00 had been saved on the original estimate of \$70,000. additional money needed for the Elementary School.

Meeting was adjourned at 9:10 P.M.

Respectfully submitted.

HELEN W. HAYDEN,

Clerk of the Hampton, N. H.
School District.

SCHOOL WARRANT for 1957

School District of the Town of Hampton

State of New Hampshire

To the inhabitants of the School District in the Town of Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District affairs:

You are hereby notified to meet at the High School Auditorium in said Hampton on Friday, the eighth day of March, 1957 at three o'clock in the afternoon, and to cast ballots from that hour until at least eight o'clock in the evening of said day for candidates for the following district officers:

1. Moderator for the ensuing year.
2. Clerk for the ensuing year.
3. Member of the School Board for the ensuing three years.
4. Treasurer for the ensuing year.

You are also notified to meet at the same place at eight o'clock in the evening of the same day to act upon the following subjects:

1. To determine the salaries of the School Board and the salaries of other officers of the District.

2. To see if the District will vote to confirm the action of the Building Committee and grant Harold P. and Sadie Smith and their assigns the right to use the roadway leading from High Street as a means of entrance and egress to their property on the West side thereof. (The purpose of this authorization is to carry out an agreement made between the Building Committee and the Smiths at the time of the purchase of the property by the School District.)

3. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

4. To see if the District will vote to authorize the School Board to lease for One Dollar (\$1.00) per year for home economics purposes the property now owned by the Town, known as the Martel property, on Academy Avenue, under such terms and conditions as the School Board may determine.

5. To see if the District will vote to raise and appropriate the sum of Seven Hundred Dollars (\$700.00) for the equipping and operation of the former Martel property on Academy Avenue for home economics purposes.

6. To see if the District will vote to participate with such other School Districts in Supervisory Union No. 21 as may also so vote in the formation of a special class for children of intellectually retarded development and to raise and appropriate the sum of Three Thousand Five Hundred Twenty-nine and 52/100 Dollars (\$3,529.-52) for the share of the expense of the Hampton School District therein.

7. On petition of Myra R. Driscoll and twenty-eight other legal voters of the District:

To see if the School District will vote to discontinue kindergarten classes in the public schools beginning with the Fall term in 1957.

8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District, and

to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town; the Budget Committee recommends the sum of \$412,928.28.

9. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 21st day of February, 1957.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens
of the Hampton School District:

It is a pleasure to submit my first annual report as Superintendent of Schools. I was conscious that I was assuming a heavy responsibility when I accepted the superintendency of Union No. 21. This school union is one of the largest and most vigorous school organizations in New England. It was apparent to me that if one were to meet the demands of administrative duties in this union, it would be necessary that full cooperation be given by all school personnel and by the citizens of the school districts. I am happy to be able to say that since I took office on December 1, 1956 such has been the case.

My predecessor, Roy W. Gillmore, during October and November gave me the full benefit of his twenty-six years of experience in this Union. Your School Board has offered me unstinted assistance and support. I trust that the people of the district appreciate the sacrifices of time and energy made by the members of the Board, particularly in connection with problems of school construction. The Union Office staff has worked and continues to work beyond regular requirements to meet the needs of the school. Miss Edith Hammond, my Executive Assistant, renders invaluable help in freeing me from many administrative problems. Mr. Sherman A. Lovering, the Helping Teacher, continues to carry an increasing responsibility for efficiency in instruction.

Increasing enrollments make it necessary to engage additional teachers for next year. One must be added in the junior high grades and one more at each grade level from kindergarten through the fifth grade. Only in the

sixth grade can we plan to continue for one more year with three class sections. Either in September or during the next school year we expect to reach an enrollment of 800 pupils in the elementary grades.

The availability of the new Marston School will make it possible to reduce class sizes and to accommodate increased enrollments. Principal Thayer Wade and his teachers deserve great credit for the orderly transfer they effected when the new school opened on January 28th. During the coming year it will be necessary to utilize some temporary classroom areas in the Centre School. Full relief for the classroom problem in Hampton will be found only when a new high school is ready. Then, with the junior high grades in the high school building, all of our pupils can be accommodated in regular classrooms.

In the High School we anticipate an enrollment approaching 300. Principal Russell and his faculty have done an admirable job of planning a program of studies to meet the needs of pupils for next year. Four rooms in the school will be partitioned to provide sufficient classroom space. Two additional classroom teachers will be needed to handle the increased instructional load.

We also hope to have an additional instructor in physical education. We propose to hire a young man with proven experience both in physical education and coaching. This additional instructor would work principally in the high school. Without this assistance it will not be possible for the other instructors to conduct an adequate program in physical education and health for elementary pupils.

Hampton High School has great need of an organized program of educational and vocational guidance. In the past thirty years guidance has become a specialized field of educational work. For many years federal and state

funds have been available for the subsidy of such programs. In the beginning the term "pilot" program was used to describe those guidance programs first established in communities which were to serve as a model for surrounding areas. This term is still used in the law, but it should be understood that it does not indicate anything in the nature of an experimental program.

The State Department of Education will subsidize five programs this year in New Hampshire. We have been able to secure approval for such a program in Hampton High School. This means that Hampton would be reimbursed for part of the guidance counselor's salary for three years according to the following ratios:

1st year — 50%; 2nd year — 35%; 3rd year — 25%. In addition 50% of any necessary travel expenses would be reimbursed.

The work of a guidance counselor consists in studying the records of a pupil's accomplishments in the elementary grades, the evidence of his ability as measured by tests, and the nature of his interests as measured by tests and indicated in interviews. With this information as a basis, the counselor advises the pupil and his parents, from year to year throughout high school, concerning appropriate choices of courses and subjects. As the pupil progresses he is helped to develop a goal for his future life work. The counselor assists in making decisions about choices of further education or of work. He assists each senior either in applying for entrance to a college or another type of school or in securing employment.

The great value of a guidance program is that it helps each boy or girl to see himself as an individual within the school who is working towards a definite goal. A sense of purpose thus develops for each pupil which makes his school years more productive than would otherwise be the case.

A special Warrant Article will be offered to provide funds for the establishment of a special class for children with learning handicaps. This class will be located in the North Hampton Elementary School since space can be provided there at least for next year and since this is a location central with respect to the seven school districts of the union. Each district would share in the support of this class and would be entitled to send a number of pupils proportionate to its share.

In all districts we have pupils who need the special curriculum and special instruction that can be furnished in such classes. More than one such class is needed in a union of this size. I look forward to recommending a second class for the following year so that children can be served in two locations. It seems wise to begin with one class and, after a year's experience, to expand to two classes later.

It must be clearly understood that this recommendation stands as a local decision. We have agreed to participate in a state study of the best ways of organizing such classes within school unions. This study will deal largely with identification of pupils needing the instruction and organization and administration of the class. Funds for this study will be provided by the Huntley Spaulding Fund. With the assistance of Mr. Lovering I will supervise the personnel conducting the study.

The important point is that the class will not be established for purposes of the state study. Children need such classes and this instruction is routinely provided in other school systems. Whether or not the state study existed I would propose that such a class or classes be a part of our school system.

You are familiar with the study that has been made of the possibilities of establishing a cooperative school district for the construction and operation of a new high

school. If Hampton joins with its neighbors in Seabrook, Hampton Falls and North Hampton in this undertaking it will be possible to have an adequate modern high school building and program ready for operation by September 1958. Hampton, in this way, can provide for the needs of its own youth of high school age and still have money left for further elementary school construction if the growth of the town requires additional elementary facilities.

In conclusion, may I again extend to the School Board and the citizens of the District my appreciation for the kind welcome you have given me and for your generous cooperation. During the next year it is my hope to be able to extend my services to the district.

Respectfully submitted,

EDWARD CHANDLER MANNING,

Superintendent

HIGH SCHOOL PRINCIPAL'S REPORT

Dr. Manning:

I herewith submit my annual report as Principal of Hampton Academy and High School.

Our enrollment has increased by about twenty this last year. The September 1st enrollment for the past five years has been 253-232-234-219 and 215. There are at present 32 eighth grade pupils in North Hampton and 67 at the Centre School. We can therefore expect an entering class of close to 100. That would make our total enrollment next year slightly under 300.

In order to take care of that many pupils we will need to increase our seating capacity and provide for two more teachers. As you know we have already put in two partitions and expect to move another to make more complete use of the space available. If we move the home economics department to the town owned building near the school, then we could have rooms for the additional teachers.

The building is now crowded, and the quality of instruction will be impaired by further increases.

Last year we graduated a class of forty-eight pupils. Ten are attending colleges, two business schools, three nursing schools, three preparatory schools and one trade school. Of the remainder, three are in the armed forces, fifteen are employed and five are married.

I have mentioned in my reports before that our program is arranged to make possible three consecutive periods for seventh and eighth grade home economics and shop. This causes inconvenience to our activities program particularly music, and it also causes an early lunch period.

Our crowded conditions are beginning to influence certain departments of our work. There is no suitable place for art and music classes. Biology classes are without laboratory facilities. We use the stage, or a corridor for a projection room. Our lunch facilities are extremely meager and use part of our shop space. The dressing rooms for girls are limited. We are aware that these things cannot be remedied until more area can be provided. However, we feel that they should be known so that voters can make their decisions wisely.

We are pleased that there is to be a new guidance department added to our facilities. For some time we have been unable to find time for services that a good guidance department can provide, particularly in the field of testing. Now we will be able to provide a full testing program and follow it up with counseling services. There is much occupational information available and encouraging each individual into work that he is likely to be the most successful at, will be a real service to the community.

A system of cumulative records has been started in the elementary schools, and we continue it through the high school. These records will serve as a nucleus for the guidance work. They include scholastic achievement, mental capacity, interest inventories and aptitude test, and a health record. In addition we will include any special referral reports, results of special testing and teachers anecdotal notes.

We have reached a point in our development in which each of our departments is out growing its present quarters. It is especially noticeable in classes that requires specialized equipment. We cannot get all our science classes in rooms intended for that purpose. Just what is to be done is up to the school district. I feel that we fulfill our obligations when we make the fact known.

Because I have called attention to some of the things that need cooperative effort I do not want to give the impression that our school is not an excellent one. I feel that we are meeting the needs of the youth of our community in an adequate manner. We have an outstanding force of teachers. We stand ready to serve any youth who can profit from our services. Our greatest handicap is the lack of regular attendance and of effective study. We can serve well all who do the best they can.

One of the pleasant things about our school is the many friends and organizations that do things for the school. Our trustees have provided much needed equipment; the P.T.A. has taken an interest in our welfare; there are several scholarships available, there are numerous awards, parents frequently provide transportation. We are grateful and want to express our thanks.

I want to express my appreciation to you, your staff and the school board for the constant cooperative spirit in which our work is carried on.

Respectfully submitted,

BRUCE E. RUSSELL,

Principal

CENTRE SCHOOL PRINCIPAL'S REPORT

To the Superintendent of Schools:

I herewith submit my annual report for the Hampton Elementary Schools.

The 1956 school year for the Elementary School has been an interesting and productive one.

It was necessary for pupils and teachers to work under great hardships for part of this year because the Marston School was not completed. A number of classes had to be content with makeshift rooms. It was necessary to use the church again for one class. Physical education was curtailed, and music and girls' and boys' basketball teams worked under great difficulties. Throughout this time, however, both teachers and pupils cooperated, and therefore not much was lost educationally.

There are other phases to be considered where our program has improved. Correlation between rooms and grades has increased. With the completion of the Marston School two libraries will be created; one at each school. Although just the basic materials were supplied this year, it is hoped that each year some can be added so that in a few years we will be proud of our libraries.

Extra curricular activities that are so important to today's education contributed to our year. Choral groups and a band concert were enjoyed by many. The basketball, baseball and softball teams performed admirably in competition.

It has been a pleasure to have the Parent-Teacher Association working closely with the school to improve understanding and assist with many phases of school-community relationships.

When the gymnasium at the Centre School and the gymnasium-auditorium at the Marston School are avail-

able, more activities in the line of dramatics, guidance, and music will be forthcoming.

There was a big change in the professional staff this year; partly because of the need of four additional teachers. Nine new teachers in all were added to the staff. They have assigned as follows: Mrs. Garnett, Kindergarten; Mrs. Ford, Grade 1; Mrs. Greene, Grade 2; Mrs. Cusick, Grade 4; Miss Scripture, Grade 4; Mr. Barr, Grade 5; Mrs. Marcotte, Grade 6; Miss Williams, Grade 6; Miss Bilodeau, Junior High Social Studies. With the special teachers, that brings the total number on the staff to 32. Mrs. Cutrovo, string teacher, and Mr. Muchemore, teacher of reed instruments were also added to assist in the instrumental program.

It is important at this time to point out that the increase in Kindergarten pupils and their attendance proves that the people of this community have not only accepted Kindergarten, but feel there is a definite need for one. Last year at this time we had 71 pupils enrolled in Kindergarten. This year we have 95 presently enrolled. Our total enrollment this year was 103, or a loss of only 8. Most of these are the result of people moving away from the area.

Assignment of pupils to the Marston and Centre Schools was a tremendous task. It was impossible to place everyone where it would appear he should go. When difficult decisions did appear, the determining factors were always the regulations influencing the problem and what would be the best for the child. Further study is being made and it is hoped that next year an even better procedure can be worked out.

The assignment of teachers to the elementary schools is as follows:

Marston School: Kindergarten, Mrs. Garnett; Grade 1, Mrs. Ford, Mrs. Berry; Grade 2, Mrs. Greene; Grade

3, Mrs. Cummings, Mrs. Fernald; Grade 4, Mrs. Crane, Miss Scripture; Grade 5, Mr. Barr, Mrs. Lloyd; Grade 6 and Assistant Principal at the Marston School, Mrs. Stevens.

Centre School: Kindergarten, Miss Snow, Miss Frye; Grade 1, Miss Bean; Grade 2, Miss Millett, Mrs. Palmer; Grade 3, Miss Rand; Grade 4, Mrs. Cusick; Grade 5, Mrs. McClain; Grade 6, Mrs. Marcotte, Miss Williams.

Centre Junior High: Grade 7, Mr. Eastman, Mr. McClain; Grade 8, Miss Bilodeau, Mr. Mayo.

There has been an almost phenomenal increase in enrollment this year. The September 1955 enrollment for Kindergarten through Grade 8 was 610. This September the figure jumped to 774, or an increase of 164. A few pupils have left for the winter but will be back shortly. From all reports, we can expect a steady increase throughout the year. Present enrollment figures are as follows: Kindergarten, 95; Grade 1, 110; Grade 2, 89; Grade 3, 102; Grade 4, 91; Grade 5, 82; Grade 6, 71; Grade 7, 69; Grade 8, 67.

There are three teachers for each grade through Grade 6 this year. Simple division shows that most classrooms have 30 pupils or more. Grade 1 has two with 37 and one with 36. Considering the fact that, with the exception of Grade 6, all rooms are overcrowded and that people are still moving in, it is necessary to split each grade again, making four teachers for each grade, or six additional teachers needed from Kindergarten through Grade Five. Even then it is expected that some rooms will reach 30 pupils before the end of next year.

In Junior High, the present average for each room is: Grade 7, 35; Grade 8, 34. The anticipated enrollment will increase Grade 7 rooms to 42 and Grade 8 rooms to 36. It is therefore necessary to have an additional

teacher, not only because the large number is not desirable educationally, but because there just isn't room for that number in any classroom.

This makes a total number of seven additional teachers needed for the ensuing year.

It is always a pleasure to serve a community that takes an active interest in its youth. I would like to express my sincere appreciation for the assistance given me by the Superintendent, School Board, my staff, and the community.

Respectfully submitted,

THAYER D. WADE,

Principal

Hampton Elementary Schools

**REPORT OF THE
PHYSICAL EDUCATION AND ATHLETIC
DEPARTMENT**

Dr. Manning:

Following is the annual report of the Department of Physical Education and Athletics.

The last few months have been trying ones. Without facilities, we have attempted to modify activities and materials so that the program could be carried on. This has been done by using class rooms and any other small area that was available.

Previous reports have pointed out the need of a daily physical education program for each child. Every child can benefit from physical education, but the program will not be the same for all. Most can take part in all activities, some will need an easier program, some can play only quiet games, and a few may need rest.

Adequate supervision is essential for safe participation in physical activities. This includes noon hours and recess as well as physical education periods. All facilities and equipment need to be checked periodically.

Leaders in educational, political, and military life are calling for more emphasis on physical fitness of our youth. Our program should make every attempt to encourage boys to develop physical fitness and a desire to participate in vigorous activities.

Our athletic program over the years has attracted in the vicinity of fifty percent of the boys enrolled, but as the school grows larger, we must give all boys an opportunity to engage in competitive sports through a larger intramural program under adequate supervision.

ATHLETICS

Track and Field, with a squad of twenty boys, enjoyed considerable success in winning the League title and placed third in the State Meet. The Baseball, Basketball, and Football squads were in the throes of rebuilding. The Junior Varsity Basketball team finished the season with 13 wins and 4 losses.

Through the generosity of the citizens of Hampton, the athletic teams are not wholly dependent upon gate receipts to carry on their programs.

**REPORT OF THE
GIRL'S PHYSICAL EDUCATION DEPARTMENT**

Dr. Manning:

The Girls' Physical Education Program at the High School for last spring consisted of classes in stunts and tumbling, badminton, indoor softball and volleyball. A volleyball tournament was carried on after school and a badminton tournament was played in the regular classes. A voluntary bowling league was set up to run for an eight week period between the basketball and softball seasons. The ten-game softball schedule netted the team six wins, two losses, and two cancellations due to poor weather conditions.

The Fall activities consisted of softball, marching drills, calisthenics and conditioning exercises. The High School girls had a six-game schedule for field hockey with the following results: one win, one tie, four losses.

This winter the emphasis has been on basketball drills and skills. At present the basketball team is in the midst of an eleven-game schedule and we are hoping for a good season. The team has been invited to participate in a play-day at Durham on February ninth.

The physical education program at the fifth, sixth and Junior High level has been somewhat curtailed this year on account of the lack of available space for the activities. During the fall and early winter, classes were held outside when weather permitted. Softball, volleyball, relays, and some basketball drills were offered. At present, however, these classes are held in the classrooms. This necessitates quieter, less active games as bean bags, bowling, calisthenics, etc. These grade classes

meet once a week for thirty minutes, whereas, the Junior High and High School classes meet twice a week for two forty minute periods.

Both the High School and the Junior High cheerleaders are under the supervision of the Physical Education Program.

Respectfully submitted,

MRS. BETTY BLATCHFORD

Girls' Physical Education

Director

**REPORT OF THE
MUSIC DEPARTMENT**

Dr. Manning:

Following is a report of the activities in music for the year 1956:

Beside the regular vocal program in the elementary schools, for the first time, Hampton has had two instrumental demonstrations by Carl Fischer of Boston — one in March and one in November. Reception by pupils and parents was very gratifying. After the first demonstration about 90 instruments were placed. Twenty percent dropped, as was to be expected. Twelve weeks later these pupils put on a simple program, playing together as a Band. At the same time a group of 23 string players played in ensemble. This program was presented the public in June. Since that time other students have become interested from time to time, more than replacing those who dropped out.

Although the ultimate result of this program is to create material for a well-balanced, successful High School Band, it is of equal importance that we have a Band and Orchestra at Elementary and Junior High level. This is being accomplished. At present we have a string ensemble and a 50 piece Band at the Centre School, and already the High School Band is being replenished by those who started to study last spring.

Besides the work of Mr. Rolvin Coombs with pupils and the school organizations, we are fortunate to have Mr. Warren Muchemore, teacher of reeds; Mr. Richard Grant and Mr. William Rau, teachers of drums; Mrs. Leona Cotruvo, teacher of strings. This is well on the

way to becoming a well-balanced instrumental program, in spite of the fact that adequate rehearsal space has been at a premium.

We are still working under great difficulties in the Junior High School. Lack of storage space and room to work, as well as the need of an accompanist, hampers the work there.

Classes in the High School are as follows: Boys' Glee Club, Freshman-Sophomore Girls' Glee, Junior-Senior Girls' Glee, Mixed Chorus, and Choir. Members of these groups have performed for assemblies, graduation, concert, Monday Club, P. T. A., Rebeccas, Wesleyans and Mothers' Circle during 1955.

Judith Colwell, Gail Cunningham, Dennis Dionne and Frederick Rice sang in the All-State Chorus. George Sumner and Robert Hanscom played in the All-State Band.

When we occupy the new elementary school, we are going to be in great need of pianos and record players.

The music program has been supported by the loyal work of the teachers, for which I am very grateful.

Respectfully submitted,

ESTHER B. COOMBS,

Supervisor of Music

REPORT OF THE ART DEPARTMENT

Dr. Manning:

The following is a report of the art activities for the year 1956:

In planning the art program for the students of the Centre School and High School, I have considered the following to be the most important: meaningful art experiences for the student, the learning of certain skills, the integration of art with other subject areas, and above all, the encouragement of creativeness.

In the elementary grades the art program has included learning basic skills in painting, drawing, cut-paper work and three dimensional projects. Art in the fourth, fifth, and sixth grades has consisted of crafts, group work, the study of design, painting, ceramic pottery, and a variety of three-dimensional work. In these grades, art work was correlated with classroom studies whenever possible. One example of correlated group work was carried on in the fourth grade where the class made a twelve foot mural of a jungle village which they were studying. Another excellent opportunity arose when the fourth grades studied the classification of the animal kingdom. They worked on three dimensional cut paper and papier mache for this project with very good results. The sixth grade class made their own pottery and glazed it while studying a unit on the Navajo Indians.

The program for the Junior High has consisted mainly of three dimensional work such as papier mache masks, soap carving, and ceramic pottery as well as experiments with wood block and linoleum block printing. Their work in these fields was quite outstanding.

In the High School the students have worked in many new fields. These include commercial designing for fabrics, textile printing, ceramic pottery and sculpture, portrait sketching, outdoor sketching of scenery, and many different kinds of painting. Linoleum block printing, oil painting, and a study of art history have also been started this year. The students have done very well in art history, beginning with Egyptian art and including the great artists of each century up to modern painters such as Picasso and Marin. I would like to thank the many parents who have let us use art books, reproductions, and miniatures of art work which have enriched our study.

A large electric kiln has been added to our equipment as well as many necessary ceramic supplies. These have greatly aided the art curriculum in both the Centre School and the High School. We have also secured a small printing press which has helped us in block printing.

Nine students won awards in the statewide Roadside Improvement contest. They won a total of twelve dollars in prizes, with three students receiving honorable mention.

The major art activity of the year was an exhibit of the art work of students from the first grade through High School. This was held in March for a P. T. A. Meeting. Over five hundred examples of art, representing the work of each grade, were exhibited.

Through the cooperation of the parents, the teachers and the administrative staff we have had a most successful year in art.

Respectfully submitted,

MARILYNN H. CAMPBELL

Art Supervisor

REPORT OF SCHOOL NURSE

Dr. Manning:

This is a report of the School Health Program of the Hampton Schools for the year 1956.

The following cases of contagion were found or reported:

Whooping Cough	11
Chicken Pox	22
German Measles	7
Scarlet Fever	1
Impetigo	4

770 children received either a first or second injection of Salk Polio vaccine.

50 children were examined by the nurse at the pre-school clinic held last May.

The Kiwanis Club of Hampton is continuing to supply the funds for free hot lunches for underprivileged children.

To insure a complete follow-up program for each child, records are carried through from one year to the next. This continuity explains why in two instances more defects were corrected than appeared from the records to be found. These, of course, are corrections of defects found last year.

782 children have had vision tests. 57 children did not pass the test. 53 have been corrected. The Lions Club of Hampton, as in previous years, supplies the funds for eye examinations and glasses whenever necessary.

Hearing tests with the Maico Audiometer were done on 854 children. Seven children did not appear to have normal hearing. Ten corrections have been made.

895 children were examined by the nurse and the following were conditions found and corrections made:

Defects		Corrections
Teeth	162	78
Scalp	9	9
Skin	3	3
Overweight	2	1
No weight gain	15	10

The school physician, Dr. Blake, examined 252 children and all sports participants and the following conditions were noted:

Defects		Corrections
Hypertrophied Tonsils	3	5
Heart	1	0
Nutrition	1	1

All defects will continue to be followed by the school nurse until corrected or diagnosed as irremedial by the family physician.

Please notify the school nurse if your child is absent from school for three consecutive days, or if your child has a communicable disease.

The following services were also performed by the nurse during 1956:

First Aid	1,371
Taken home sick	85
Taken to doctor	53
Home visits	385
Special Clinics	6

Parents will continue to be notified immediately if their child fails to pass any testing procedure, or if any questionable condition is found by the nurse.

Respectfully submitted,

SHIRLEY McRAE, R. N.

School Nurse
