REPORT OF SELECTMEN & TOWN MANAGER

At the close of the year 1963 the town had a net budget surplus of \$32,411.58. Funds have been reserved for all incompleated projects previously voted.

During 1963 a new Police Station was constructed in the Ashworth Avenue parking lot. This is the first new Police Station built in the State for over thirty-five years. We urge you to visit the station and see what your tax dollars have purchased.

For over 20 years the town has been faced with a drainage problem on High Street and at Five Corners. Under a state-aid construction program the project has been started. When the drainage system is completed in 1964 it will be possible to extend the drainage lines to the low point in Mace Road. Funds have been reserved for the Mace Road drain.

The Town Manager plan was adopted 10 years ago. Since that time population and the assessed valuation have more than doubled. Many land areas have been developed creating greatly expanded town services effecting all departments. In addition to this, the State has turned many miles of road over to the town for future maintenance. Our schools have experienced a like growth with corresponding increases in costs. Therefore, while the growth of the town has nearly doubled, and all services have been maintained, the tax rate has not increased correspondingly. The tax rate in 1955 was \$44.00; in 1963, which included \$80,000 for a new police station, the rate was \$69.00.

We feel the Town Manager plan is a satisfactory and progressive form of government. However, due to legislative restrictions on the town form of government, thought should be given to alternative forms if our growth continues. In the near future a comprehensive study may be in order.

KENNETH D. BOEHNER

Town Manager

LAWRENCE C. HACKETT

ROBERT H. DANELSON, JR.

NOEL W. SALOMON

Board of Selectmen

Report of the Annual Town Meeting

Hampton, New Hampshire
March 12-16, 1963

The Meeting was opened at 10:00 a.m. by Moderator Edward S. Seavey, Jr.

Raymond Sturgis, Assistant Moderator.

The following Ballot Clerks were sworn in:

Clifton Woodes	(R)	Dorothy Murphy	(D)
Ruth Simons	(R)	Alice Downer	(D)
Clara Gale	(R)	Mary Coellner	(D)
Ethel Hamilton	(R)	Marilyn Dubois	(D)
Barbara Barker	(R)	Yvonne Crapo	(D)
Olga Casassa	(R)	Barbara Stone	(D)

Town Counsel John W. Perkins made a motion to dispense with the reading of the entire Warrant, with the exception of Articles 1, 2, and 11, as it has been published according to law. Seconded. *So Voted.*

The Moderator, Edward S. Seavey, Jr., read Articles 1, 2, and 11, which appear on the ballot.

Chairman of the Selectmen, Noel W. Salomon made the following motion:

I move that the polls be open for balloting on Articles 1, 2, and 11, from 10:00 a.m. to 8 p.m., and after the counting of the ballots and the Moderator has announced the results of the vote, that the meeting adjourn to Saturday, March 16, 1963 at 10 a.m. at the Winnacunnet Cooperative High School

to consider the subject matter contained in Articles 3 through 10, and 12 through 21, inclusive. Seconded. *So Voted*, after discussion.

Mr. Robert Bridle made the motion that Mr. Salomon's motion be amended to read: The March 12th meeting to continue and be recessed for dinner at the call of the Moderator, to be resumed after lunch and continue until 5 p.m. then if necessary to be adjourned to Saturday, March 16th at 10 a.m. Seconded.

Mr. Salomon explained that the Selectmen were trying to carry out the Resolution passed at the 1962 Town Meeting and hoped to make it possible for more people to attend by adjourning until Saturday.

Mr. Russell McQuirk spoke against postponement.

Town Counsel said that the State Statutes require the Town Meeting to be on the date called, March 12, and election of officers must be that day, but it is in the power of the assembly to postpone action on Articles in the Warrant, with the exception of No. 1, No. 2 and No. 11.

Mr. Raymond St. Pierre cited the result of postponement at the School District Meetings. Still only about 300 people attend.

Mr. Bridle's amendment was defeated.

Mr. Salomon's motion to postpone the meeting was passed.

After reading the result of Voting by Ballot, the Moderator declared the meeting adjourned until 10:00 a.m. Saturday, March 16th at the Winnacunnet High School.

A true Record, Attest:

HELEN W. HAYDEN

Town Clerk of Hampton, N. H.

Report of the Adjourned Town Meeting

Winnacunnet High School - March 16, 1963

The adjourned Town Meeting was opened by the Moderator, Edward S. Seavey, Jr., at 10 a.m.

Prayer offered by Reverend Howard S. Danner, Jr., pastor of the First Congregational Church of Hampton:

Eternal God: We thank thee for the opportunity to gather together this day that we may carry forward the business of our beloved town of Hampton. Grant us the patience and wisdom to fulfill our duties in a manner well-pleasing to thee and for the good benefit of all who live within our community. This we ask in the Name of Jesus Christ. Amen.

Mr. Roland Paige moved that the assembly dispense with the reading of the Warrant. Seconded. *So Voted.*

Business opened under Article 3. (Articles 1 and 2 on Ballot).

The Moderator announced that Guests were welcome to attend the meeting but must sit in designated seats.

A motion to reconsider will be accepted only immediately after action, and before any other business takes place.

BUDGET

The Report of the Municipal Budget Committee was given by the Chairman, David B. Drummond, as follows:

To: The Hampton Town Meeting, March 12, 1963

The gross budget recommended by the Municipal Budget Committee for the ensuing year is \$726,069, which is \$40,496 less than the 1962 town budget and a reduction of \$35,516 from the figures submitted by the Board of Selectmen. Anticipated income during 1963 is \$229,579.

The Budget Committee held 9 executive sessions and 2 public hearings in preparing its recommendations for this town budget and the completed budget has been published in the newspaper as required by law; included in the Town Report, and has been posted.

Special Article No. 8 concerns an appropriation of \$150,000 for the purpose of paying land and property damages for the acquisition of a strip of land approximately 100 - 110 feet wide running from Glade Path to Ocean Boulevard near the Hampton River Bridge for the purposes of a public highway, has been submitted WITHOUT RECOMMENDATION.

Special Article No. 9 concerning an appropriation of \$7500 as the town's share toward the construction and development of a Seacoast Area Airport, is NOT RECOMMENDED by the Budget Committee. The location of this Seacoast Area Airport would be in the town of Stratham and there would be many legal responsibilities that would arise that

would tie in the town of Hampton. We do not consider this a good investment for the town.

Special Article No. 13 concerning the appropriation of \$1,000 for the purpose of providing a traffic light at the intersection of Moulton, Winnacunnet and Park Avenue Roads is NOT RECOMMENDED. It is expected that the new State Road to the beach should reduce the heavy traffic flow by this intersection considerably and the Committee thought that it would not be prudent to spend this money at this time.

Special Article No. 14 concerning the appropriation of \$10,000 for the purpose of building a storm drainage system on Ashworth Avenue from the Town Parking Lot to a point near J Street is NOT RECOMMENDED. In the total budget of \$726,069 we have included \$10,000 for drainage and the Selectmen and Town Manager have assured us that they will be spending the money in the area that is described in this Special Article.

Special Article No. 19 — The sum of \$1,000 is RECOMMENDED by the Budget Committee for this article.

If you will kindly turn to Page A-13 of the Town Report, I will review the major items of the Budget as recommended by the Budget Committee in Column 3.

We would like to express, at this time, our appreciation for the cooperation received from the Board of Selectmen, Town Manager and Department Heads during the preparation of this budget.

Respectfully submitted,
DAVID B. DRUMMOND,
Chairman, Municipal Budget Committee

Current Maintenance Expenses

1. General Government

The Town Officers' salaries shows an increase of \$1,375 over 1962, but with the exception of a \$400 increase in the Town Managers' salary, there is really no increase in the amount of salaries paid to Town Officials. The difference comes in the method of payment. Last year we agreed to adjust the Town Officers Salaries so that instead of getting paid in advance of their working, they would be paid in the arrears. This year, 1963, they will receive a full years pay for a full years work.

The Town Officers' expenses are primarily the administrative cost of maintaining the Town Office including stenographic help, office supplies, printing and postage. The cost of postage and supplies has increased. This account allows the adding of \$75.00 for the Town Clerk's expenses, an increase in stenographic help.

The election and registration expenses budgeted for 1963 reflect a decrease of \$1,050 over 1962 because there are no November or Primary Elections in 1963 and we are not having any new Check Lists printed. This amount of \$700 is within \$250 of the amount suggested by the Selectmen. There is no money budgeted for Election Clerks.

There are some small deductions made under the accounts of Municipal Court expenses and expenses for the Town Hall and Other Buildings, over what was previously budgeted in 1962 and we believe

that what is budgeted in 1963 is more in line with what was actually spent in 1962.

Employees Retirement and Social Security—Increase in Town Employees wages plus the number of dollars budgeted for retirement. This account has increased to \$7,800.

2. Protection of Persons and Property

The Police Department budget was thoroughly reviewed by Chief Roden, the Town Manager and the Selectmen. Finally after considering the many phases of our public protection problems it was voted by the Committee to recommend the sum of \$89,869 for the account covered by Protection of Persons and Property. This allows for wages and salaries of the Police Force, of \$76,491 to cover the hiring of additional Special Policemen during the summer and to make an all out effort to keep Hampton Beach a place that will enjoy a good reputation.

The increase in the Fire Department budget over the actual expenditures in 1962 is due primarily to the 5 per cent wage increase recommended by the Budget Committee.

The Planning and Zoning account has been decreased a total of \$700 because we thought this amount is more in line with the total amount that has been actually spent during the last two years.

Hydrants — The additional \$650 in this account allows for two additional hydrants recommended by the Selectmen.

3. Health

Comfort Station — There is no money recommended for this account as we have gone out of the Comfort Station Business.

Health Department — This account has decreased \$4,900 from the amount submitted by the selectmen for 1963. The reduction will come about by having *one* collection for rubbish disposal for houses, twice for business places, the year around, and six times a week for businesses in the summer if they need it. There will also be a saving in the amount of gas and oil, repairs to equipment, operating under this account.

Sewer Maintenance — This account shows an increase because a great deal of the mens' time will be spent on sewer maintenance rather than sewer construction.

Town Dump and Garbage Removal — There is an increase in this account due to the fact that the state will no longer allow us to burn in the dumps and therefore this increase is necessary to take care of burying the rubbish.

Tax Maps — \$7,500 is recommended by the Budget Committee in this account which will cover the salary and expenses of the Engineer and his helpers. The amount of \$3,932 shown as actual expenditure in 1962 was for only part of a year.

4. Highways and Bridges

Town Maintenance — A saving can be made in Town Maintenance by not paving unaccepted streets. The total amount of money in this account is \$63,300 and is just about the same amount of money that was expended in 1962.

Street Lighting — The actual expenditures for existing streets lights is \$34,642 and this slight increase in the budget allows for additional lights to be placed at strategic places in the town.

General Expenses of the Highway Dept. — The increase in this account is for wages and supplies. This increase amounts to approximately \$800 over the actual expenditures in 1962.

5. Libraries

The Library account is increased \$400 for wage increases to the Librarian and Assistant Librarian.

6. Public Service Enterprises

Parking Spaces — The increase in the expenditures for parking spaces is for the Island Path Parking Lot which would have to be re-surfaced and also the old parking lot at the beach front and the one at the Coast Guard Station. They all need to have new parking lot lines painted. There will have to be new lights installed at the Island Path Parking Lot and we will have to purchase an additional cash register for tickets. These expenditures have been recommended by the Budget Committee.

7. Interest on Temporary Loans

The decrease in the interest charges is because of a reduction of outstanding debts.

Outlay for New Construction and Permanent Improvements

1. Highways and Bridges

Storm Drains — Planning and Service — Tuck Field — Sidewalk Construction — Sewer Construction.

In 1962 we budgeted \$47,500 in these 5 accounts as compared with \$16,500 for 1963. The major expenditures for 1962 were for Sewer Construction and Drainage Construction. In 1963 the only sewer construction that will be done by the town (other than what we are bonded to do) will be on High Street, and this year as compared with \$32,500 in 1962. There is also \$10,000 in this budget for drainage construction which has been approved by the Budget Committee.

New Land and Buildings — The rent on the Casino Garage is \$1,000 as compared to expenditures of \$2,000 in 1962 and the final repairs of the Court House will amount to \$750. This year as compared with over \$1,800 last year. Therefore, the Budget Committee recommends only \$2,500 for expenditures in 1963, as compared with \$4,800 in 1962.

New Equipment — The Selectmen requested an expenditure of \$32,450 for new equipment in 1963. This was for the following: A Police Station Wagon, \$3,000, a Dump Truck and Plow, \$8,000, Fire Alarm Boxes, \$850, Garbage Truck, \$11,000, Radio, \$600, and a Sweeper, \$9,000.

In view of the fact that we have the \$80,000 Police Station to pay for in 1963, the Budget Committee thought that this was one area wherein savings could be made and expenditures postponed until a future time and therefore the only items that were approved were \$1,800 for a Police Station Wagon and \$7,000 for a Dump Truck and Plow and \$850 for 5 new Fire Alarm Boxes. This makes a total expenditure for new equipment of \$9,650 as compared with requests from the Selectmen of \$32,450 for this year.

2. Payment on Principal of Debt.

There is a reduction of \$6,666 on the payment of Principal of Debt due to the fact that the library notes were retired at the end of 1962 and also the final payment on the Grist Mill was made in 1962.

Page A-12 shows the anticipated receipts of \$229,579 for 1963.

We have spent many hundreds of hours going through this budget item by item and there are many many more sub-accounts, and it is our recommendation that the budget of \$726,069 be adopted at this Town Meeting.

Respectfully submitted,

DAVID B. DRUMMOND,

Chairman
Municipal Budget Committee

Mr. Drummond made the motion that the sum of \$525,069 be raised and appropriated for the annual budget. Seconded by Wilfred Cunningham. (\$1,000 which was approved for Article 19 to be voted under that Article.)

Mr. Charles Butler moved that Election and Registration Expenses be increased by \$250.00. This to be used as compensation for Ballot Clerks. *Sec-onded. So Voted.*

Attorney Richard Dunfey spoke as a representative of the Hampton Beach Precinct against cur-tailing the collection of rubbish. This would be nec-essary if the amount approved by the Budget Com-mittee is voted.

Town Manager Boehner explained that there would be a saving of \$4,900 in the Health Dept. if the budget was voted as recommended.

Mr. Richard Dunfey moved that "Health" be amended to put back the \$4,900 which had been cut from that department by the Budget Committee. *Sec-onded. So Voted* after Mrs. Louisa Berry 'moved the previous question.'

Mr. Robert Bridle expressed the opinion that some of the titles in the Budget were misleading, and cited as an example "Health Department and Hospitals." There is no money used for hospitals. Mr. Boehner explained that the Budget form came from the State of N. H.

Mrs. Louisa Berry made the motion that the Recreation Appropriation be increased by \$500. The \$500 to be used for the Youth Association in its work with their sports program for boys and girls. *Sec-onded.* Selectman Noel Salomon spoke in favor of the increase, and said that the program had been expanded to include both boys and girls and also other sports beside basketball.

Mrs. Berrys motion *passed.*

Mr. John Mahon made the following amendment to Article 3.

Amend Article 3 to read "To see if the town will vote to accept the Budget as submitted by the Budget Committee and to raise and appropriate the sum of \$706,000 provided that the Selectmen grant 5 per cent across the board wage increases as recommended in the original appropriation." *Seconded.*

Chairman of the Selectmen Lawrence Hackett asked where Mr. Mahon proposed that the Board cut the Budget by \$24,000. Mr. Mahon replied that they could use the money as they thought advisable.

Mr. William Elliot spoke as a member of the Budget Committee. He said that they had spent a great deal of time and thought on the Budget and had decreased the amount to be raised by \$44,255.48. He felt that the assembly should support the Budget Committee.

Mrs. Helen Mullen suggested that Civil Defense be cut to \$1.00. In reply to a question from Mrs. MacArdle, Mr. Boehner said that if the motion by Mr. Mahon is carried — many services will have to be curtailed, such as snow removal, street lights and others.

Attorney Seth Junkins expressed the opinion that specific items should be mentioned when cutting the Budget. Across the board cuts are a denial of our duty in Town Meeting.

Town Counsel John W. Perkins said that where changes occur that make it unnecessary to spend any appropriation, the unexpended balance may be transferred.

Mr. William Elliot moved the previous question. *Seconded. So Voted.* Mr. Mahons motion *was not passed.*

Mr. Robert Bridle asked how long it would take to de the necessary Tax Maps for the town. Mr. Boehner replied — 3 years.

Mr. Bertrand Roy made the amendment that the figure for Tax Maps be cut to \$3,931.56 (the amount spent last year.)

Mr. Harry McDormand of the Budget Committee explained that that amount was not for a full year in 1962. \$12,000 was requested and the Budget Committee cut this figure to \$7,500. He asked that more citizens attend the Budget Hearings.

Mr. Boehner and Mr. Salomon showed a large map giving areas which have already been completed.

Mr. Roy's amendment *not passed.*

In reply to a question Mr. Boehner said that there might be extra plain clothes policemen at the beach this summer to help find the trouble spots.

Mr. Douglass Hunter was asked if there was any other way to curb trouble at the beach than by increasing the number of the Police force. Can the Legislature pass a bill to license Hotels? Mr. Hunter said that the Selectmen could pass an ordinance to license hotels and rooming houses. Mrs. Irving Jones, a resident of Hampton Beach for many years expressed the opinion that if young people were busy they would not get into trouble. She said that everything at the beach costs money, and many young people did not have much. They need places for active

recreation that are free, as the beaches are too crowded to allow ball playing there now.

Mr. Robert Bridle asked if the areas that were promised the opportunity to enter the town sewer would be able to do so.

Reply: Surfside — tentatively. Emerald, Thorwald and small streets in between, coming up for bid. Unexpected trouble encountered with marsh gas. Lift stations need to be installed first. Two lift stations must be put in before King's Highway can be connected.

Mr. Thayer Barry moved that in the interest of safety for the young people of Hampton, the item for sidewalk construction be increased by \$3,500 to build a sidewalk on Park Avenue. Seconded. *Not passed.*

The motion was made to limit debate on the Budget. Seconded. *So Voted.*

Mr. Drummond's original motion to raise and appropriate \$725,069.00 has been amended by \$250. Election and registration expense, \$4,900 additional for Health Dept., and \$500 for the Recreation Commission making a *total of \$730,719.00. So Voted.*

Mr. William Elliot moved that the meeting be recessed until 1:15 p.m. Seconded. *So Voted.*

Town meeting re-convened at 1:15 p.m.

ARTICLE 4

Power to Borrow Money in Anticipation of Taxes

Mr. William Elliot made the motion that Article 4 be accepted as read. Seconded. *So Voted.*

ARTICLE 5

Power to Sell Real Estate Acquired by Tax Deeds

Mr. Douglass Hunter moved that Article 5 be accepted as read. Seconded. *So Voted.*

ARTICLE 6

Sale of Lots at Plaice Cove

Mr. Howard Page moved that this article be indefinitely postponed. Seconded.

Mr. Lawrence Hackett spoke in favor of the sale of the lots in question to bring in more revenue.

Mr. H. Clifford Bean said that the area between Plaice Cove Lots and North Shore Lots was the only beach front area left open. In 1909 the Selectmen were authorized to protect the rights of the town in regard to the land on the beach front between Winnacunnet Road and the North Hampton town line.

William Ross, in 1909, and subsequently William Grover laid out lots in that section.

Mr. Bean expressed the opinion that the value of maintaining the beach front open to the people of Hampton in the above area, far exceeded the revenue that might be derived from its sale. Years ago it was dedicated informally as a Park in memory of "Joe Billy" Brown who by repute did more for the development of the Town of Hampton than any former Selectmen. The town has lost or given away many of its rights to the beach front, and may be happy to keep this strip of land as a Park.

Attorney Wilfred Sanders spoke in opposition to selling the Plaice Cove Lots. He said that he could add little to Mr. Bean's comments but holders of leases in that area had understood that it would remain vacant. Townspeople also like to go to a quiet area. Too much stress on building on all vacant land.

Urged assembly to oppose Article 6. Mr. Hackett said that if the lots were sold there would still be a 30 foot right of way to the ocean. Two lots could be leased. He said parks were an expense to the town.

Attorney Sanders said that if these lots were leased to highest bidder as proposed that the price might go quite high and would have a bearing on the price which might be asked for other leased land -- if it should be decided to sell in the future.

With reference to Parks — Miss Ruth Stimson said that boulders had been given for a rude breakwater to prevent damage to the park on North Shore. Mr. Fitzgerald moved boulders there at his own expense. Mr. Howard Page moved the previous question. Seconded. *So Voted.*

Mr. Page's motion was passed. Lots not to be sold, or leased.

ARTICLE 7

Sewer Entrance Fees

Mr. Noel Salomon made the motion that Article 7 be passed as read. Seconded.

Mr. Robert Bridle amended his motion to remove the word "each" from Article 7.

Mr. Norman Royal made a second amendment to Mr. Salomons' motion as follows:

To see if the town will vote to ratify the policy of the town which was established around 1948, of charging a sewer entrance fee of \$100.00 for each sewer entrance, and an additional fee of \$100.00 for each lot serviced by the same entrance. Seconded.

Mr. Royal said that the present system of

charging should be called sewer usage tax, not entrance. Only one entrance to each lot, and one entrance fee.

Selectman Lawrence Hackett explained that the maintenance of the Imhoff tank must be considered. A Motel of 5, or any number of units is a much greater problem than a single home. The sewer lines are becoming overloaded with the many additions to Motels.

Town Manager Boehner said that Article 7 represented the policy in force since around 1948. It is legal. Article 7, if passed, will merely ratify it. Town Counsel says that it is legal.

The fact that the State drainage easement in the marsh in back of Ashworth Ave. needs cleaning out, was mentioned. This is the duty of the State — not of the town. Town pumps work night and day to keep drainage water out of the sewer system. The sewer lines cannot take care of drainage of storm water.

Mr. Royal's Amendment did *not* pass.

Mr. Bridle withdrew his amendment.

Mr. Salomon made a substitution to Article 7 deleting the words "one to" in the last line, and adding the words "or less" at the end. Seconded. The Article as amended reads:

To see if the town will vote to ratify the policy of the Board of Selectmen, which was established around 1948, of charging a sewer entrance fee of \$100.00 for each sewer connection from one to five living units, and an additional \$100.00 for each additional five living units, or less.

Mr. Salomon's motion passed as amended.

ARTICLE 8***\$150,000 for Land Damage***

This article was submitted without recommendation by the Budget Committee, but may be voted upon by the assembly.

Mr. Seth Junkins moved that Article 8 be adopted as read. Seconded.

He then made the following amendment to Article 8, so that it will read:

Amend said Article by striking from said Article the following words "said highway to be generally as shown on the plan dated June 20, 1962, and prepared by Anderson Nichols, Inc., and filed in the Hampton Town Offices" and substituting in place therefore the following words "said highway to be generally on the line of the present Sewer Main" and to add to said Article the following paragraph:

To appoint a nine member Committee to consult with and aid the Selectmen in laying out the said highway, said Committee to consist of three members selected by and from the Directors of the Hampton Beach Chamber of Commerce, three members selected by and from the Hampton Planning Board, and the Commissioners of the Hampton Beach Village District.

A great deal of discussion followed. Many believed that the proposed road parallel to Ashworth Avenue should follow the line of the Sewer easement as originally planned.

Mr. Junkins' amendment was not passed.

Original motion to accept Article 8 as read was not passed.

ARTICLE 9***Airport***

This article not recommended by the Budget Committee. Mr. Salomon moved indefinite postponement of Article 9. ***Seconded. So Voted.***

ARTICLE 10***Zoning***

Mr. Kenneth Boehner moved adoption of Article 10 as read. ***Seconded. So Voted.***

ARTICLE 11***Non-Partisan Ballot System***

Article 11 appeared on the ballot March 12, 1963. Result of voting: Voted ***to adopt*** the non-partisan ballot system.

ARTICLE 12***Pier at Hampton Harbor***

This article appeared in the Town Warrant for 1962, but it was voted to postpone discussion and decision on it until the Annual Town Meeting of 1963.

The docking facilities at Hampton Harbor are now adequate and will justify improvement of the harbor by Port Authority and Army.

Mr. William Elliot moved indefinite postponement of this article. ***Seconded. So Voted.***

ARTICLE 13***Traffic Lights***

This article not recommended by Budget Committee. Indefinitely postponed.

ARTICLE 14***Storm Drainage on Ashworth Avenue***

This article not recommended by Budget Committee. Indefinitely postponed.

ARTICLE 15***Re-Zoning Land Near Landing Road***

Mr. Bernard R. Barteau moved acceptance of Article 15 as read. Seconded.

Selectman Lawrence Hackett said that Article 15 was in opposition to what the town is trying to do. If re-zoned, the area in question may be used for billboards, and will look similar to the Revere Marshes. Attorney Alfred Casassa said that the article was brought before the Planning Board and turned down. Article 15 *not passed*.

ARTICLE 16***East End School House Park***

Mrs. Roland Bragg, President of the Hampton Monday Club, made the motion that Article 16 be passed as read. Seconded. She explained that the town had already voted not to sell this piece of land, and that three clubs in Hampton are interested in making a park of this spot. Article 16 *passed as read*.

ARTICLE 17***Rescind Action of 1960 Meeting Giving
Town Marsh Land to Marsh Reclamation Authority***

At this time the Report of the Hampton Municipal Development Authority was given by the Chairman, Carl M. Lougee:

To the Citizens of Hampton, N. H.:

Our activities this past year have been devoted almost entirely to efforts toward securing the financing of the Final Plan for Project Area No. 1. We have been up and down many paths at both the Federal and State level, but as of this date we have not arrived at a solution which we believe to be acceptable.

It appears at the moment, due to recent conditions that have developed, that we may be able to reconsider Federal Urban Renewal as some previously qualifying requirements have been changed in our favor.

If we do not have the Final Plan we obviously are still not in a position to ask for the Faith and Credit of the Town, and therein lies the reason why we do not have an Article in the Warrant this year.

The Authority still feels very strongly that areas that are not being used at all, or that are being used in an unplanned and piecemeal manner, impair economic values as well as impair tax revenues to the Town, and thereby threaten the financial stability of the community.

The reclamation of at least a part of our marsh area is the obvious answer for the future economic prosperity of the Town of Hampton, and we shall continue to work toward that end.

Respectfully submitted,

CARL M. LOUGEE, Chairman

Douglass E. Hunter, Vice Chairman

Walter F. Vanderpool, Clerk

Paul F. Leary, Treasurer

Albert B. Wright, Asst. Treasurer

Mr. Lawrence Hackett moved that a vote of thanks be given the Hampton Municipal Development Authority. *So Voted.*

Miss Ruth Stimson moved the adoption of Article 17 as read. Seconded. Miss Stimson then gave a Report of the work of the Conservation Committee as follows:

Report of the Hampton Marsh Conservation Committee

March 12, 1963

Articles 17 and 18 are sponsored by the Hampton Marsh Conservation Committee, which you voted to establish last year. Seven members were appointed by the moderator, and have met regularly during the year.

To understand the purpose of Article 17 it is necessary to brief you on our activities. We have received to date, gifts of 82 acres of Marsh land for wildlife and conservation purposes. The names of the doners have been published after each gift was legalized and we wish to express our appreciation publicly for their generosity and interest in conservation and preservation of some portion of the 1600 acres of marsh in town. There is a provision in every deed that the land will revert back to the original owner or his heirs at such time that the land is no longer used for conservation purposes.

Last year the citizens expressed the desire to investigate setting aside an area of 350 acres or more for wildlife and conservation purposes. Our committee invited technical consultants from the USDI, New Hampshire Fish and Game Dept., University of New Hampshire, Federated Sportsmen,

Marine Fisheries, Historical Society, Audubon Society, and interested individuals to consider what is the most desirable area in the marsh to conserve.

Admittedly all of the Hampton salt marsh is worth conserving, but our committee recognizes and expects development through private enterprise. After hearing all parties, the Marsh Conservation Committee selected an area west of Project 1 of the Hampton Municipal Development Authority.

This proposed conservation area is on the right hand side of the new road to Hampton Beach, or southwest toward Hampton River and Lafayette Road. This area has been discussed with the Board of Selectmen and three members of the Hampton Municipal Development Authority, and is shown on the map being displayed, and the bounds publicized in the local paper, prior to this town meeting.

From a conservation viewpoint the most important resource to preserve by public action is the Hampton River to protect the clam industry and the feeder fish habitat as well as the salt marshes that soak up tons of excess water yearly — water that comes to us from flood tides, and water from inland runoff.

In Article 17, which was initiated by the Conservation Committee at the suggestion of the Board of Selectmen as the first step necessary toward a conservation area, the sponsors are asking you to review the situation in 1963 compared with 1960. At that time it was voted to give the 200 to 300 acres of town owned marshland for the sum of \$1.00 to the now Hampton Municipal Development Authority upon approval of each final project plan. Since Project 1 Final Plan has not been approved yet, this

Article 17 is seeking your consideration of the proposal to use some of this town owned land for conservation purposes to supplement the donations received to date. Article 17 asks you for no money. It asks you for permission to rescind a vote taken in 1960. Since then we have seen what a dredge can do to change a harbor and marsh in a short time — in our neighboring town of Rye. People have said there: “If we had only known.” We’ve seen what it can cost to try to build a sewer through the marsh in Hampton, a sewer that will serve fewer homes than originally planned. It has cost money for this sewer that is not yet completed and sewer gas has cost two lives. We’ve seen since 1960 town meeting, and years before, the value of a salt marsh in serving as a sponge to soak up excess water, a very valuable natural resource for this reason alone. It is for you, the voters to weigh in 1963 the possible value of keeping some of the Hampton marsh in its natural state, which makes no demands on your pocketbook versus giving away 2 million dollars to develop.

The Conservation Committee wants no one to later, “If we had only known.” Now is the time to consider as a taxpayer what is the most economical, practical use of the Hampton Salt Marshes; development as real estate under public funds, your money, or development under private funds as has been done since the settling of the town, with an area of 350 acres or more bounded by the Hampton River set aside for its drainage, recreational, scientific, historic and scenic value to all who visit the New Hampshire seashore this year or in the years to come. Progress may mean preserving the marsh as much as changing this natural resource.

I move the adoption of Article 17 as read.

In discussion of this report it was pointed out that the Marsh Conservation Committee used the Soil Conservation Service aerial Conservation map, DQW-9K-160, in determining the proposed bounds for a multi-purpose conservation area. The Western boundary of the minimum acreage of 350 acres was discussed as lying slightly west of the Hampton Landing from Tide Mill River, the western boundary of Project 1.

The Committee suggested a conservation area of "350 acres or more" in keeping with the 1962 article, *not* 350 acres more or less. The conservation acreage suggested even at lowest tide was under 700 acres by two scientific counts by two different methods. The Hampton Municipal Development Authority used another type of map to discuss proposed acreage size, and at the time of town meeting had not yet accepted the size of the proposed conservation area.

The bounds in the proposed area were forwarded to Town Counsel, John W. Perkins, at his request, for sharing with Mr. Carley, Bond Counsel for the Municipal Development Authority. The Selectmen and Authority were forwarded the bounds in a letter of March 6, 1963 from the Hampton Marsh Conservation Committee.

RUTH STIMSON, Chairman
Marsh Conservation Committee

A map of the Hampton Marshes was displayed showing the area that the Conservation Committee wish to keep in its natural state.

Mr. William Elliot spoke against giving away more property of the town.

Mrs. Donald Munsey spoke in favor of the work of the Conservation Committee.

Mr. Joseph Kennedy asked how the town acquired the marsh land that it owns, and if there could be any income from it.

Mr. L. Hackett replied that the bounds of marsh land mentioned in old tax records were unknown. No tax income from this land.

Mr. Kennedy favored turning town owned marsh over to the Conservation Committee and rescinding motion of 1960 Town Meeting.

The Hampton Municipal Development Corporation and the Conservation Committee agree on many points. Mr. Lougee said the only difference now is — should the land reserved for conservation be 600 acres or 350 acres.

Mr. A. Casassa said that \$30,000 has already been appropriated for the Marsh Reclamation Committee (and same group by other names).

Upon motion of William Elliot it was voted to postpone action on Article 17 for one year. The Conservation Committee and Hampton Municipal Development Authority to bring in further recommendations at that time.

ARTICLE 18

Marsh Conservation

Mr. Elliot moved postponement of action on Article 18 to 1964 Town Meeting. The Authority and Conservation Committee to work together in recommendations. Seconded. ***So Voted.***

ARTICLE 19***325th Anniversary***

Mr. Harold Fernald moved the adoption of the following amendment to Article 19: (\$1,000 recommended by Budget Committee).

That the town shall raise and appropriate the sum of \$1,000 for the celebration of the 325th Anniversary of the Town of Hampton to be spent by the Selectmen in cooperation with the Old Home Day Celebration of the Hampton Meeting House Green Memorial and Historical Association, Incorporated. Seconded. *So Voted.*

ARTICLE 20***Plumbing Code***

Article read by the Moderator.

Town Manager Kenneth Boehner made the motion to adopt Article 20 with the amendment to insert after "town" in Section D-(1) the words "except as provided in D-(4)." Seconded.

Mr. Kenneth Malcolm made a second amendment to Article 20, Section D-(5) — No individual serving as a town Plumbing Inspector shall be actively engaged in the plumbing trade in the Town during his term as Inspector. Seconded.

Mr. Wilfred Cunningham asked the duties of the building inspector, Mr. Alfred Janvrin, Building Inspector, said that he was not a plumber or qualified to inspect plumbing. Another person needed. Mr. Boehner said that the Board of Health usually did not know of dangerous conditions arising from bad plumbing until trouble arose. Much dis-

cussion regarding qualifications of Master Plumbers and Journeyman plumbers.

Mr. Robert Taylor made a subsidiary motion to postpone action on Article 20 until the Town Meeting of 1964. Seconded. *So Voted.*

ARTICLE 21

Other Business

Under this article Mr. John Long gave the report of the Leased Land Committee. The recommendation of the Committee was that the land now on lease should be retained by the Town of Hampton.

Report of the Leased Land Committee

To the Honorable Board of Selectmen, and
Citizens of Hampton:

Your Leased Land Committee authorized under Article 32 as passed at the Town Meeting of 1962 and as appointed by the Selectmen to study the possible sale of Town owned land at Hampton Beach now being leased (excepting the land leased to the Hampton Beach Improvement Company, Inc.) and such other matters as may be related thereto.

The first meeting of the Committee was held on June 15, 1962 at which time Town Manager Boehner and Selectmen Noel W. Salomon and Lawrence C. C. Hackett submitted to the Committee information as to the number of lots and location of the leased land, the present rates being paid per lot, and a copy of the lease held by the lease holders.

In addition to the monthly meetings held by the Committee, a questionnaire was prepared with a letter explaining why such a study was being made

and mailed to the 372 lease holders. Over 50 per cent of these questionnaires were completed and returned.

Upon receipt of the questionnaires, a public hearing was held on Saturday, January 26, 1963, at the Hampton Academy Junior High School for the purpose of furnishing the citizens of Hampton and all lease holders an opportunity to present their opinions. In order to insure that all people in the Town of Hampton and all lease holders were notified of the hearing, a notice appeared in the Hampton Union on January 17 and January 24 and a personal notice was mailed to each lease holder.

The public hearing was most successful with over 200 people in attendance and many different views were expressed by both citizens and lease holders in a two-hour meeting.

The specific areas of study and their findings were as follows:

(1) Present return to the Town for lease rents and the effect of the new rates established by the Selectmen as of January 1962:

Revenues to the Town from 413 lots, with an estimated land value of \$1,614,000.

(a) 1961 — with rates from \$15.00 to \$150.00 per lot — \$19,368.75.

(b) 1962 — with the new rates effective as of January 1, 1962 on all new and renewed leases with rates of \$105. - \$135. and \$150 per lot — \$21,033.75

(c) This amount would show a yearly increase during the next ten years to a total of \$48,420.00.

(2) Controls now held by the Town over such leased land. All leases have controls written in.

(3) The legal rights to sell such land by the Town. Your committee engaged the services of the law office of H. Thornton Lorrimer of Concord, N. H., who advised as follows: "Said leased land may be sold by this Town by either private sale or public auction under the authority of Chapter 31, Section 3, RSA as real estate acquired for public use of the inhabitants, noting however, in order for this land to be sold by the Selectmen, it must be by *a vote of the Town* authorizing them to do so."

(4) The legal rights of the lease holder to such land. The form lease presently used by the Town does not grant the lessee any option to purchase nor any right of first refusal so-called, therefore, the Town is free to sell its reversion in said leased land to anyone in the world subject of course to the unexpired terms of the lease.

(5) What about a Trust Fund? In the event that the Town voted to sell the leased land, the Committee discussed the possibility of establishing a trust fund for the control of the proceeds rather than placing said moneys in the general fund.

Conclusions and Recommendations:

From the information which the Committee has secured from all sources of its studies, it is their considered opinion that inasmuch as the land now being leased has reached almost 100 per cent of development possibilities, said land should be retained in its present state by the Town for the following reasons:

1. It is a definite fact that the Hampton Beach we have today is a direct result of the control which the town has exercised through their granting of leases.

2. We believe that the resulting change of ownership which would occur in a comparatively short time would not be in the best interests of our community as it stands today.

3. We believe that leaseholds issued by the Town have not adversely affected the growth and development of Hampton Beach as the quality of construction has constantly improved.

4. Financing for qualified borrowers has been available in adequate amounts for construction and improvements on said leaseholds.

5. Your committee feels that it would be highly improbable that the Town would ever be in a position to set values on individual leaseholds that would be fair and equitable to all parties involved.

6. Your committee further believes that the Town should not be put in the position of forcing the present lessees (many of whom have held town leases for periods up to 50 years) to purchase this property against their wishes, as it would present a great financial problem.

7. It would appear that the Town of Hampton does not have the power to transfer the proceeds from sale of Town land to an irrevocable trust fund for the benefit of the Town. The powers of a town as set forth in Chapter 31 of R.S.A. contain authority for towns to "take and hold in trust, gifts, legacies and devises made to them." No authority is therefore granted to towns to transfer their own property in trust. The power of a municipal corporation is derived solely from the laws of the State and must be confined by its charter or the laws which created it. It would thus appear a spe-

cial act of the Legislature would therefore be necessary to create a trust or an irrevocable trust.

8. It is recommended that the Selectmen consider the advisability of extending the term of the lease from ten to fifteen years in order that the leaseholder may be able to obtain more favorable financing.

9. It is further recommended that the Selectmen consider establishing the yearly rental charge on a fair assessment of the land value to the current tax rate.

It should be noted that in reaching the final recommendations that the Town retain the land presently under leasehold at this time, no one factor was all-conclusive but rather, by weighing all the factors involved, the committee arrived at its final conclusions.

The committee wishes to extend its thanks to all the Town Officials and Citizens for the information they have furnished, and also to the Hampton Union and the Merchants Review for their press coverage in bringing the information to the public.

Respectfully submitted

JOHN D. LONG, Chairman

CORA L. MUNSEY, Sec'y

DEAN B. MERRILL

WALTER NICHIPOR

H. ALFRED CASASSA

Mrs. Donald Munsey made the motion that this report be accepted and placed on file, and the Committee be thanked for their work. Seconded. *So Voted.*

The Selectmen were thanked for their assistance, and the Budget Committee for their work in preparation of the Budget.

The expression of opinion on recessing the Town Meeting as was done this year, was about equal for and against — of those present. Not as large attendance as formerly.

Mr. Bernard R. Barteau presented the following Resolution which was carried:

Resolution for Hampton Town Meeting
March 12, 1963

RESOLVED: That this meeting is in favor of the Board of Selectmen granting to the Hamptons' Post No. 35, American Legion, an easement over Tuck Field for the purpose of permitting access to an area bounding on the Westerly side of Tuck Field and on the Easterly side of the proposed new location of Park Avenue upon said American Legion acquiring said premises.

Mr. Douglass E. Hunter presented the following resolution which received unanimous approval of the assembly.

RESOLUTION: In view of the demise of our Town Historian, Miss Adeline Marston who was also a member of the "Grist Mill Committee" I would ask that this body place in its records due consideration for a lifetime of teaching our young, recording our towns actions for posterity, working personally for

the good of the Town with love and devotion to her last day, and many of these without compensation.

Mr. Richard Dunfey made a motion that the Moderator appoint a committee of three to continue the study of the Leased Land Problem.

The Moderator said that this could not be accepted under Article 21.

Mr. Howard Page said that no one living on leased land had been appointed to the committee.

Mr. William Elliot said that there had been no expression of the opinion of the Chamber of Commerce or Precinct Commissioners.

Attorney Alfred Casassa reminded the assembly that the Committee were trying to represent the best interests of the Town of Hampton, not any vested interest.

It was moved, seconded and voted that the meeting adjourn at 6:50 p.m.

Respectfully submitted,

HELEN W. HAYDEN,

Town Clerk

A true copy of record, Attest:

Town Clerk

Proceedings of the Special Town Meeting

June 11, 1963

Hampton, New Hampshire

A Special Town Meeting was held on June 11, 1963 at the Hampton Academy Junior High School.

The Meeting was opened by Moderator Edward S. Seavey, Jr., at 7:30 p.m.

The Moderator read the Decree of the Superior Court giving permission for a Special Meeting, and the Warrant and Return.

ARTICLE 1

\$26,300 for Parking Lot

Article 1 was read.

Mr. David B. Drummond gave the following Report of the Budget Committee.

June 11, 1963

To: The Special Hampton Town Meeting:

On May 21, 1963 the Superior Court in and for the County of Rockingham, gave permission for the Town of Hampton to hold a special town meeting on Tuesday the 11th day of June, 1963 at 7:30 p.m. at the Hampton Academy Junior High School Auditorium to see if the Town will vote to raise and appropriate the sum of \$26,300 for the purpose of purchasing land from Kenneth W. Swain for a parking lot and also in the event that this Article is passed, to see if the Town will vote to authorize the Selectmen to sell at public auction or private sale, Lot No. 1, together with the buildings thereon.

A special meeting of the Budget Committee was held in the Hampton Court House at 8 p.m. on Monday the 3rd day of June 1963. The Town Manager represented the officials of the Town presenting the articles to the Budget Committee concerning the purchase of this land. There was much discussion, both pro and con, concerning the article and when it was learned that the Town did not have a written option from Mr. Swain for the sale of this property, it was decided to adjourn the meeting until such a written option was obtained. Article 1 was then recommended by the Budget Committee. It was the Budget Committee's opinion that if the Town was to continue to grow, we would need to have these parking facilities and if they were not available to us at a later date, we might well find many of our potential shoppers going to outlying shopping centers.

Article 2 was also recommended by the Budget Committee as written.

Respectfully submitted,

(signed) DAVID B. DRUMMOND,
Chairman

Municipal Budget Committee

Mr. Lawrence C. Hackett, Chairman of the Board of Selectmen moved the adoption of Article 1 as read. Seconded.

An amendment was offered by Mrs. Ruth Nutter: "That every reasonable attempt shall be made to preserve the majority of healthy trees on the land to be acquired by the Town as described in Article 1." Seconded.

Town Manager Kenneth D. Boehner showed a map of the area in question. He also said that probably no more than three trees would have to be removed. The entrance to the proposed parking lot would be through Brown Avenue and the exit on High Street. It is the intent of the Selectmen to sell the house and lot included in the Swain property. An estimate of Sale Price is approximately \$13,000 which would reduce the cost of the parking lot by nearly one-half.

Mr. David Colt said that the cost of making the Parking Lot might be at least \$1,500 in addition to the \$26,300.

Mr. John Mahon asked if the figure of \$13,000 estimated price to be received for the house and lot could be added to the "estimated revenue" in the Town Budget.

Mr. Boehner replied that if the house was sold *before* the figures were sent in for the tax rate, that the Tax Commission would include that amount in "Sale of Town Property." If not sold before the tax rate is set — the Budget cannot be changed.

Mr. Mahon asked if the \$13,000 figure could be legally be added to "Estimated Revenue" instead of "Sale of Town Property." Town Counsel John W. Perkins said that Articles 1 and 2 are legally correct. The result of the meeting and sale of property will be reported to the Tax Commission who will take all facts into consideration in determining the Tax Rate for 1963.

Town Counsel ruled against an amendment by Mr. Mahon. Selectman Lawrence Hackett said that the Budget had been set and approved. It is the

thought of the Board to reduce the Tax Rate as much as possible. If property is sold it is up to the Tax Commission to make decision.

Mr. Colt asked why it was so imperative that the purchase of the Swain property be voted this year. Mr. Hackett replied that Mr. Swain gave the Selectmen and the Town 90 days to decide whether or not they wanted his land. Otherwise he will sell to an individual.

Mrs. Louisa Berry asked how the town proposed to pay for this land. Reply: By direct taxation.

Mr. Charles Wallace said various financial aspects had been discussed, but do we really need the parking area. He said that he had never been unable to find a parking space in the present lot.

The Town Manager said that in his opinion the space was not needed right now, but that it would definitely be needed in the future. A shopping center and parking space must be provided or people will shop elsewhere.

Mr. Chester Mullen asked how the town could expand any more in the centre.

Mr. John Doheny said that in his opinion the Parking Lot should be used for live parking, and not all day parking caused by car pools.

Mr. J. Mahon asked the Selectmen when the property will be sold if the assembly votes favorably. Reply: As soon as possible.

Mr. James Rush said that only in the summer months was there need for extra parking. It seemed that \$26,300 was expensive for such a short period of time.

Mrs. Louisa Berry moved the previous question (limiting debate). Seconded.

Mr. Roland Page made the motion that the vote be by "Yes" and "No" ballot.

Tellers: Walter Brown, J. Thomas Raisner.
For: *40 votes.* Against *34 votes.*

Mrs. Ruth Nutter's amendment to Article 1 was passed.

Vote on Article 1: (by ballot)
In favor 50. Against 46.

Tellers: Walter Brown and J. Thomas Raisner.

ARTICLE 2

Mr. David Colt made the motion to adopt Article 2 as read. Seconded.

Mr. John Mahon wished to amend Article 2 to have the Budget figure of "Estimated Revenue" changed by adding \$13,000. The Moderator ruled that the Budget figure cannot be changed by vote. Mrs. Louisa Berry amended Article 2 by adding the words "Sale to be by Public Auction or Sealed Bid." Seconded.

Mr. John Mahon made a second amendment to Article 2 that the receipts from the sale of this property be used to reduce the 1963 Tax Rate. Seconded.

Mrs. Berry amended her amendment to read "by Public Auction or Sealed Bid, with the right to reject any or all bids." Delete the words "Private Sale."

Mr. Boehner said that sale by Public Auction often depresses the price of property.

Mr. David Colt said that the assembly should have confidence in the judgement of the Board of Selectmen, and that they should not be pinned down to certain procedure.

Amendments by Mrs. Berry and Mr. Mahon were not carried.

Mr. Colt's motion to adopt Article 2 as read was voted in the affirmative.

Mrs. Louisa Berry made the motion to adjourn at 9:07 p.m. *So Voted.*

Respectfully submitted,

HELEN W. HAYDEN,

Town Clerk

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 10, 1964

Board of Selectmen
Hampton, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hampton for the fiscal year ended December 31, 1963, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court, Library, Cemetery Association, Trustees of Trust Funds, Marsh Reclamation Authority and Sewer Bond Fund.

FINANCIAL STATEMENTS

Comparative Balance Sheets: Dec. 31, 1962 - Dec. 31, 1963:
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1962 and December 31, 1963, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$127,956.17 in the year of 1963.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

DECREASE IN NET DEBT

Net Budget Surplus	\$ 32,411.58
Increase in Accounts Receivable	510.00
Tax Collector's Excess Credits - Net	489.05

Tax Collector's Excess Collections	10.00	
Bonds Retired	109,000.00	
Special Fund - Swain Property	15,053.33	
		\$157,473.96

INCREASE IN NET DEBT

Cash Surplus Used to Reduce Tax Rate \$ 29,000.00	
Tax Liens transferred to Tax Deeds	517.79
	29,517.79

NET DECREASE

\$127,956.17

**Comparative Statements of Appropriations and Expenditures —
Estimated and Actual Revenues: (Exhibits A-3 & A-4)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1963, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4, a net unexpended balance of appropriations of \$16,416.51, plus a revenue surplus of \$15,995.07, resulted in a net budget surplus of \$32,411.58.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1963, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1963, is indicated in Exhibit B-2.

Statement of Bonded Indebtedness: (Exhibit I)

A statement of bonded indebtedness as of December 31, 1963, showing annual debt service requirements, is contained in Exhibit I.

Marsh Reclamation Authority: (Exhibit J)

A statement of the activity in the Marsh Reclamation Authority account during the year is included in Exhibit J.

Sewer Bond Fund Account: (Exhibit K)

A statement of the Sewer Bond Fund Account for the fiscal year ended December 31, 1963, is presented in Exhibit K.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS**Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased by \$18,956.17 from \$135,401.62 to \$154,357.79 during 1963, as shown herewith:

	December 31, 1962	December 31, 1963
Total Assets	\$1,423,654.00	\$1,132,931.04
Current Liabilities	1,288,252.38	978,573.25
Current Surplus	\$ 135,401.62	\$ 154,357.79

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hampton for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler

Director

Town Warrant

Town Warrant For 1964

TOWN OF HAMPTON

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hampton, in the County of Rockingham, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Auditorium of the Hampton Academy Junior High School on Tuesday the tenth day of March, 1964, at ten o'clock in the forenoon to act upon the following subjects:

* ARTICLE 1. To choose by Non-Partisan Ballot, one Selectman for Three Years, one Town Clerk, One Town Treasurer, One Collector of Taxes — for one year, and four members of the Municipal Budget Committee for three years.

* ARTICLE 2. To choose all other necessary officers for the ensuing year. (The polls for the election of officers and to vote on any other articles which may appear on the ballot, will be open at ten o'clock in the forenoon and will not be closed earlier than six o'clock in the afternoon of the same day.)

* ARTICLE 3. To choose Delegates at Large, Alternate Delegates at Large, Delegates and Alternate Delegates to the National Conventions of the various political parties to be held to nominate candidates for President and Vice-President of the United States.

* ARTICLE 4. To choose Delegates to the Constitutional Convention.

* ARTICLE 5. To vote on the question: "Shall Sweepstakes Tickets be sold in this city or town."

ARTICLE 6. To see if the town will vote to accept the Budget as submitted by the Budget Committee and to raise and appropriate the sum of \$773,-574.00.

ARTICLE 7. To see if the town will vote to give the Selectmen and Town Treasurer power to borrow money in anticipation of taxes.

ARTICLE 8. To see if the town will vote to give the Selectmen power to administer, sell or otherwise dispose of any Real Estate acquired through tax deeds, any sale to be at Public Auction.

ARTICLE 9. To see if the town will vote to authorize the Board of Selectmen to grant 15 year leases instead of the present 10 year leases, for all leases terminated or expiring after April 1, 1965.

ARTICLE 10. To see if the town will vote to have the vacant town land at Plaice Cove bounded on the north by Lot 537 and on the south by Lots 536 and 528 surveyed out into lots to be leased to private persons by the Board of Selectmen in the best interests of the town.

ARTICLE 11. To see if the town will vote to use voting machines at the March 1965 Town Meeting—provided voting machines are available and permitted for use at the 1965 Town Meeting on a trial basis.

ARTICLE 12. To see if the town will vote to discontinue issuing Real Estate Agent and Victualers Licenses and discontinue collecting fees from persons engaged in these pursuits.

ARTICLE 13. To see if the town will vote to investigate the legality of Chapter 159 of the Session Laws of 1933 and the expenditure of town funds for lifeguards, cleaning, and policing of State Parks and to take take the necessary action in the best interests of the town.

* ARTICLE 14. To see if the town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent Town Meetings, as follows:

Amend Article V by adding the following new section:

“Section 11. All construction shall conform to the National Building Code as recommended by the National Board of Fire Underwriters and described as, ‘a code prescribing regulations governing the construction, alteration, equipment, use and occupancy, location and maintenance, moving and demolition of buildings and structures’.”

* ARTICLE 15. To see if the town will vote to amend the Zoning Ordinances of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent Town Meetings, as follows:

Amend Article 1, Section 3 by adding the following new subsection:

“Subsection 4A. Permit in any district the dead storage (not be be inhabited) of travel trailers, boat trailers, and utility trailers of less than 24 feet.”

ARTICLE 16. On petition of Paul A. Keane and sixteen other legal voters of the Town of Hampton;

to see if the town will vote to raise and appropriate the sum of \$9,500.00 for the installation of a sanitary sewer system on Tobey Street and Gray Avenue.

ARTICLE 17. On petition of James A. Penney and nine other legal voters of the Town of Hampton; to see if the town will vote to raise and appropriate the sum of \$7,000.00 for the installation of a sanitary sewer system on Mill Road from Ann's Lane to a point near 111 Mill Road.

ARTICLE 18. On petition of William H. Little, Jr., and eleven other legal voters of the Town of Hampton; to see if the town will vote to extend the present sewer line approximately six hundred forty (640) feet west from the present terminus of said line at the intersection of Carlson and Locke Roads for the purpose of serving eight existing dwellings and the new Ellis Acres development with its anticipated sixteen new dwellings.

ARTICLE 19. On petition of William H. Little, Jr., and eleven other legal voters of the town of Hampton; to see if the Town will vote to raise and appropriate the sum of Sixteen Hundred (\$1,600.00) Dollars for the purpose of extending the sewer line six hundred forty (640) feet west of the intersection of Carlson and Lock Roads, to authorize the Selectmen to expend the above sum for that purpose, and to accept a similar sum of Sixteen Hundred (\$1,600.) Dollars from the Developer of the Ellis Acres Development as a fifty (50%) per cent contribution toward the cost of said sewer line extension in exchange for the right and privilege of connecting the sewer line within the development to the above sewer line extension.

ARTICLE 20. We, Ruth Stimson and one hundred and fifty other legal voters of the Town of Hampton, hereby respectfully petition the Board of Selectmen to insert the following article in the Warrant for the Annual Town Meeting of 1964.

1. Whereby by a vote passed at the annual town meeting of the Town of Hampton for the year 1960 certain marsh land owned by the Town of Hampton and located within the area specified in the vote was authorized to be conveyed to the Hampton Marsh Reclamation Authority, and

2. Whereas your petitioners desire to rescind said vote in part, and

3. Whereas your petitioners request that the marsh land owned by the Town of Hampton and located within the following described area be set aside and dedicated for wild life and conservation purposes; namely:

North Boundary: Start at intersection of B. & M. RR. and southerly side line of Exeter-Hampton Electric Co. right of way south of Drakeside Road, and progress in a general easterly direction to the point of intersection with the westerly side of Landing Road; then following the said westerly sideline of Landing Road in a general southerly direction and thence in a general easterly direction as far as the southerly side line of Exeter-Hampton Electric Co. right of way; thence following the southerly side line of said Exeter-Hampton Electric Co. right of way in an easterly direction as far as the west bank of Tide Mill Creek located at mean high tide.

East Boundary: Tide Mill Creek (west boundary of Project 1 area.)

South Boundary: Hampton River past Nudd's Canal and Hobb's Point to junction of Hampton and Hampton Falls Rivers, then following the town boundary to the B. & M. RR. right of way.

West Boundary: East side of B. & M. RR. right of way in a Northerly direction to a starting point the junction with Exeter-Hampton Electric Co. right of way, and

4. Whereas the marsh land located within the aforesaid specified area has not been conveyed by the Town to the Marsh Reclamation Authority.

Therefore we hereby request that the Town of Hampton vote to partially rescind the vote taken at the annual town meeting held in March 1960 whereby the town voted to convey certain marsh land to the Marsh Reclamation Authority, said partial rescinding of said vote to be wholly as to the area herein before described in paragraph 3 and to further vote that the marsh land owned by the Town of Hampton located in said area herein before described in paragraph 3 to be set aside for wild life and conservation purposes; said vote shall take effect immediately upon the passage of this article.

ARTICLE 21. On Petition of John J. Foley and nine other legal voters of the town of Hampton; to see if the town will vote to raise and appropriate the sum of \$150,000. for the purpose of paying land and property damages for the acquisition of a strip of land approximately 100-110 feet wide running from Glade Path to Ocean Boulevard near the Hampton River Bridge for the purpose of a public highway; said highway to be generally as shown on the plan dated June 20, 1962 and prepared by Anderson, Nichols, Inc., and filed in the Hampton Town

Offices but subject to such revisions of said plan as may be made by the Selectmen of the Town of Hampton at the time said highway is laid out and to authorize the Selectmen of the Town of Hampton to acquire said land by purchase or condemnation, or otherwise, and to proceed to lay out said highway in accordance with Revised Statutes Annotated as amended and to determine how any such appropriation shall be raised, from taxation, transfer of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town of Hampton under the Municipal Finance Statute or any other enabling authority; and to take any other action incidental to or connected with the foregoing matters or any of them.

ARTICLE 22. On petition of John J. Foley and nine other legal voters of the town of Hampton: to see if the town will vote to raise and appropriate the sum of \$40,000 for the purpose of paying land and property damages for the acquisition of a strip of land approximately 100-110 feet wide running from Glade Path to the town parking lot near Ashworth Avenue for the purpose of a public highway; said highway to be generally as shown on the plan dated June 20, 1962 from Station 46 to Station 70 and prepared by Anderson, Nichols, Inc., and filed in the Hampton Town Offices but subject to such revisions of said plan as may be made by the Selectmen of the Town of Hampton at the time said highway is laid out and to authorize the Selectmen of the Town of Hampton to acquire said land by purchase or condemnation, or otherwise, and to proceed to lay out said highway in accordance with the Revised Statutes as amended.

ARTICLE 23. On petition of Willis B. Eaton and nine other legal voters of the Town of Hampton: to see if the Town will vote to raise and appropriate the sum of \$2,000 for the purpose of building a storm drainage sewer in the drainage ditch on the Hoyt property, so called, provided the Town is given an easement.

ARTICLE 24. On petition of John Pierce Batchelder and 70 other legal voters of the Town of Hampton to see if the town will vote to ratify action by the Board of Selectmen in prior years, as follows:

Whereas, The Town of Hampton recorded plats in the Rockingham County Registry of Deeds as Plaice Cove in 1909 and North Side in 1919 and

Whereas, these plats designated a certain area on the northerly end of Plaice Cove as North Side Park and

Whereas, it is the intent of the petitioners to set aside all of this last remaining strip of natural sand dunes and

Whereas, this entire park has been used as a public park and

Whereas, the Board of Selectmen during the 1920's voted to set aside this park in the memory of Joseph B. Brown, a beloved Selectman for many years and

Whereas, no formal action by Town Meeting in accordance with R.S.A. Chapter 50 has been taken by previous Town Meetings

Now Therefore Be It Voted that North Side Park be and it is hereby dedicated as North Side Park in memory of Joseph B. Brown.

ARTICLE 25. On petition of Richard A. Stebins and 42 other legal voters of the town of Hampton; to see if the voters of the town of Hampton assembled here, will direct the selectmen that no funds shall be used or authorized to be used or expended for installation of sewer facilities, including trenching, pipe, pipe laying, fittings, appurtenances, back filling, or grading on any *unaccepted* street, highway, alley, lane or avenue existing and/or proposed, or extension thereof.

ARTICLE 26. On petition of James W. Tucker, Jr., and 24 other legal voters of the Town of Hampton: to see if the town will vote to raise and appropriate the sum of \$25,000.00 for the purpose of purchasing a new fire truck and to authorize the issue and sale of notes of the Town of Hampton in the sum of \$25,000.00 therefor under and pursuant to the Municipal Finance Act or any other enabling authority.

ARTICLE 27. On petition of John D. Hebert and 14 other legal voters of the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of fifteen hundred (\$1,500.) dollars to increase the appropriation of the Recreation Commission of the Town of Hampton from \$3,325.00 to \$4,825.00 said increased amount to be used for the recreation of youth of the Town of Hampton at the discretion of the Recreation Commission.

ARTICLE 28. On petition of Winthrop L. Hart and 19 other legal voters of the Town of Hampton to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for 2 Fire Alarm boxes to be located at or near the corner of Thomsen and Mace Roads and at the corner of Naves and Yeaton Roads.

ARTICLE 29. On petition of Norman P. Parsons and ten other legal voters of the Town of Hampton: to see if the town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent Town Meetings, as follows:

Amend Article VI, Section 1 by adding after the second paragraph the following paragraph:

The Building Inspector may employ technical assistance in order to determine if the requirements of the National Electrical Code or any state or local construction requirements are complied with. Before any work is started which requires inspection, a building permit must be issued by the Building Inspector.

Change Article V, Section 7, to read:

Electrical Wiring: All wiring shall meet the minimum standards of the latest edition of the National Electrical Code of the National Board of Fire Underwriters, and each subsequent edition or supplement, and any additional requirements that the Building Inspector may deem necessary.

ARTICLE 30. On petition of Donald A. Ring and 14 other legal voters of the Town of Hampton: to see if the town will vote to raise and appropriate the sum of twenty-five (\$25,000.) thousand dollars for the purchase of a new combination fire truck to serve the town and the construction of a suitable addition to the Academy Avenue Fire Station to provide storage for three pieces of equipment. Such purchase shall be financed by taxation, transfer of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of

bonds and notes of the Town of Hampton under the Municipal Finance Statute or any other enabling authority; and to take any other action incidental to or connected with the foregoing matters or any of them.

ARTICLE 31. On petition of Donald A. Ring and 12 other legal voters of the Town of Hampton to see if the Town will vote to raise and appropriate the sum of one (\$1,000.) thousand dollars as the town's share of the annual budget of the New Hampshire Seacoast Regional Development Association.

ARTICLE 32. On petition of Donald A. Ring and 13 other legal voters of the Town of Hampton: to see if the town will vote to raise and appropriate the sum of fifty (\$50.00) dollars for the expenses of a Survey Commission to Study the Recreation Industry in Hampton. Said Recreation Industry Survey Commission to be created by the adoption of this article and shall be charged with the responsibility of reporting its findings and recommendations to the next annual town meeting, and future regular and/or special town meetings.

The Recreation Industry Survey Commission shall examine into all phases of the industry in Hampton and other areas to determine the relative competitive position of the industry.

The Commission shall further examine into the physical and economic facilities available to the industry and make recommendations for the improvement thereof. The commission shall be charged with the responsibility for developing a master plan for the future growth and development of the recreation industry in Hampton and shall have the power to

accept the services, loans, grants-in-aid and other assistance from the Federal, State, County, or other unit of local government, regional organization and public as well as private organizations.

The membership of the Commission shall consist of the following to be appointed annually: two members by the moderator, two members by the Board of Selectmen, one member by the Planning Board, one member by the Zoning Board of Adjustment, one member by the Municipal Budget Committee. Commission membership shall also include the Chairman of the Board of Selectmen, the Chairman of the Precinct Commissioners, the Town Manager, the Executive Secretary of the Hampton Chamber of Commerce, the Executive Director of the N. H. Seacoast Regional Development Association, and the Chairman of the Hampton Municipal Development Authority.

Said Commission shall hold an organization meeting annually within thirty days following the Annual Town Meeting and shall adopt by-laws and establish other administrative regulation necessary for the furtherance of the purposes of the Commission.

ARTICLE 33. On petition of Kenneth W. Malcolm and 10 other legal voters of the Town of Hampton to see if the Town of Hampton will vote to raise and appropriate the sum of \$120,000.00 over a two year period, for the purpose of obtaining land and constructing a Community Center for the use of the Residents of the Town of Hampton.

The purpose of this Community center would be for the year round use of the residents for their social and recreational life of all age groups. This center would also fill the need for a Town Hall and

could be constructed so that it would be the nucleus of the eventual re-location of the Town Offices which the town growth will soon require. This multi-purpose recreational building would also serve as a Youth center and a Senior Citizen Center.

We hope and expect a positive vote on this article so that this often discussed and needed town facility will become a reality.

ARTICLE 34. On petition of Fred J. Schaaque and ten other legal voters of the Town of Hampton: to see if the Town will vote to convey all their right, title and interest in and unto a certain ten foot strip of land running parallel with the northerly side-line of Lot No. 20, sub-division Plan of Glen Hill, Hampton, N. H. said ten foot strip being a part of an existing fifty foot right of way between Lots No. 20 and No. 19 on said plan.

ARTICLE 35. On petition of Fred J. Schaaque and ten other legal voters of the Town of Hampton to see if the Town will vote to convey all their right, title and interest and to remove the dedication of a street as shown on subdivision Plan of Section C, Glen Hill, Hampton, N. H. described as follows:

Beginning at a point on the northerly side of Exeter Road at land of Mapes and running a depth of 300 feet to Burgundy Drive and a width of 40 feet between land of Mapes and April on said Exeter Road; said dedication being inadvertently included on the above entitled recorded plan but not being used as a road now or planned on in the future.

ARTICLE 36. On petition of Ralph T. Harris and ten other registered voters of the town of Hampton: to see if the town will vote to petition the 1965 session of the General Court to create a five-member

Board of Selectmen to govern the town of Hampton, to consolidate the functions of the town and precinct governments into said five-member Board, to define the powers and duties thereof and provided further that at least two members of said Board shall be residents of the presently defined Hampton Beach Village District.

ARTICLE 37. On petition of Ralph T. Harris and ten registered voters of the town of Hampton to see if the town will vote to authorize the Board of Selectmen in the interests of the protection of persons and property to take such action as may be necessary to cause the installation of fire hydrants, street lighting and such other facilities as may be necessary on accepted or unaccepted ways within the town of Hampton.

* ARTICLE 38. On petition of Arthur A. Hinkley and 23 other legal voters of the Town of Hampton; to see if the town will vote to rescind the action taken at the last annual town meeting that adopted the non-partisan ballot system, and return to the Australian Ballot System.

ARTICLE 39. (The following article appeared in the Warrant for the March 1963 Town Meeting. A motion was made, and carried that action on this article be postponed until the Town Meeting of 1964.)

Article 20 of Warrant for 1963 Town Meeting.

On Petition of Harry L. Tufts and nine other legal voters of the Town of Hampton: to see if the Town will vote:

- A. To adopt the provisions of Chapter 330, RSA, as amended requiring the licensing of plumbers.

- B. To create a board of three members for the examination of plumbers, said board to be appointed by the Selectmen and to consist of a master plumber, who has been engaged for at least five years in active plumbing business in the State, the plumbing inspector, and a journeyman plumber who has had at least five years active service, and they shall serve without pay. One member to serve for one year, one member to serve for two years, and one member to serve for three years and thereafter each member shall be appointed for a three year term.
- C. To provide for an inspector of plumbing to be appointed by the Selectmen for a term of one year or until his successor is appointed but no person shall be appointed plumbing inspector until the licensing board shall examine and pass the applicant. The licensing board shall examine and pass upon all applicants in accordance with the provisions of said Chapter 330 RSA except upon the adoption of this ordinance all active full time owners of plumbing business within the Town shall be considered master plumbers and shall be entitled to be licensed as such and any person who shall personally register his name and address with the licensing board and provide satisfactory evidence that he had been engaged as a master plumber for at least five years active service prior to the passing of this ordinance shall be entitled to receive a license as a master plumber without examination.

D. To adopt the following regulations:

- (1) All plumbing work within the Town shall be performed under the supervision of a master plumber and all plumbing work both in the rough and finished work must be inspected and approved by the master plumber before the plumbing inspector is called for inspection and the master plumber shall be responsible for all the work done under his supervision.
- (2) All plumbing shall be inspected in the rough and finished work by the plumbing inspector and no part of any plumbing shall be hidden from view until inspection and approval by the plumbing inspector.
- (3) All plumbing work not approved by the plumbing inspector shall be corrected within two working days. If the work is not corrected within the time limited the plumbing inspector shall immediately file a complaint in the municipal court.
- (4) Plumbing may be done by a person on premises owned by him without being licensed but if any new fixtures are added or any change made or any plumbing work done, the new fixtures, changes, or work, must be inspected and approved by the plumbing inspector.

E. To adopt the State Plumbing Code as made by the State Board of Health in accordance with Chapter 330 RSA.

F. To revoke all plumbing regulations passed prior to adoption of this ordinance, except any

plumbing regulations as set forth in the Zoning Ordinance of the Town of Hampton adopted March 8, 1949 and as subsequently amended, and the inspection by the plumbing inspector shall be in addition to the inspection by the building inspector as provided in the aforesaid Zoning Ordinance.

- G. Any person violating any provision of this ordinance shall be deemed guilty of a misdemeanor; and shall be subject to a fine not exceeding twenty dollars for each and every violation thereof, and his license may be revoked by the examining Board provided for in this ordinance.
- H. The unconstitutionality of any provision of this ordinance, or its application to any person or circumstance, shall not invalidate the remainder of this ordinance, or the application of such provision to other persons or circumstances.
- I. This ordinance shall take effect on its passage.

ARTICLE 40. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 24th day of February in the year of our Lord, 1964.

Juvenile Non-Fiction	1,079
Book Circulation	20,558
Magazine Circulation	5,282
Total Circulation	25,840

National Library Week in April and Children's Book Week in November were observed by displays of posters and new books. The theme for the Children's Book Week very attractive poster was "Three Cheers for Books."

This year the exhibits on the peg board and in the display cases were in charge of my assistant, Mrs. George Hadley. Descriptions and pictures of the displays appeared each month in the Hampton Union and drew not only local people but visitors from out of town. We thank all those who have been willing to loan articles for the displays and to arrange them.

Three paintings were purchased from a gift left to the Library by the late Mrs. Edgar Warren.

The Christmas season was observed by a prettily decorated tree and candles in the windows. The Garden Club, as in several past years, provided the very attractive wreath for the front door, for which we give thanks.

ANNUAL REPORT*of the***HAMPTON BEACH
VILLAGE DISTRICT**

Certificate of Audit

This is to certify I have examined and audited the accounts and records of the Hampton Beach Village District, for the year ended December 31, 1963. In my opinion the schedules of receipts and expenditures included herewith reflect the true condition of the Village District as of December 31, 1963 together with the results of operations for the year ended on that date.

Respectfully submitted,

FRANK A. BRIGGS,

Public Accountant

WILLIAM BREARLEY

MICHAEL LINN

Precinct Auditors

A. ROLAND BRAGG,
