Town Manager

REPORT OF THE SELECTMEN AND  
TOWN Manager

To the Citizens of Hampton:

Throughout this past year considerable efforts have been made to provide the services desired by the community in the most professional manner possible.

These efforts have resulted in more efficient and economical operations allowing additional projects to be undertaken and completed and also resulting in a savings in tax dollars. January 1, 1969, the fiscal year ended with a net unexpended balance of appropriations of \$55,168.05. Funds have been reserved for all incom-pleted projects. The revenues returned to the Town's surplus account from all sources has brought our sur- plus account balance all the way back to the favorable status it had previously enjoyed.

This last year has been one of progressive deve-lopment in many areas and has alluded to the prospect of even greater need for changes for the future. The accomplishments and dissapointments of this past year tend to indicate the quality of planning and foresight of the past, just as the future depends on our present planning, citizen participation and interest.

Special projects of note this past year include a re-valuation by Cole, Layer, and Trumble Company Inc. at a cost of fifty thousand dollars. Funds were approved for this project two years ago, and the initial work of equalizing property values in town has been completed. A full-time assessing officer, working directly for the Board of Assessors, was authorized last year at Town Meeting to carry the equalization program on in a con- tinuing manner.

The Church Street Pumping Station and Force Main

project is essentially completed. This project was initially estimated to cost \$269,000.00 with the Town's share being 30% of the total cost. The total project cost is about \$240,000.00 with the Town contributing about 20% of the total project cost. We are now waiting for the final Federal inspection.

A contract for updating the Town's Master Plan was signed with Candeub and Fleissig and Associates and should be completed in 1969.

Over four thousand feet of new sewer line was installed in the Hutchinson Drive and Toby & Gray Streets areas. These lines together with the laterals placed to property lines cost over \$45,000.00.

More detail of 1968 activities can be found elsewhere in this report and are available in the Town's performance review, prepared in October of 1968 and available at the Town Offices.

Since true progress is recognized as proper growth, we anticipate steady adjustment in order to meet the constantly changing and increasing needs and demands for municipal services.

Sincerely,  
Walter F. Vanderpool, Chairman  
Edmand Langley, Jr.  
Lawrence C. Hackett  
BOARD OF SELECTMEN

Norman C. Cole,  
TOWN MANAGER

## TOWN CLERKS REPORT

During the year 1968 the Town Clerk has acted as an Election Official at the Annual Town Meeting and Presidential Primary, The September Primary, and the November Election. All action taken at these Elections has been recorded, and Reports appear on the following pages.

Records have been made of:

- All Appointments
- Recorded Plans
- Writs and Attachments
- Pole Licenses
- Jurors drawn
- Vital Statistics
- Uniform Commercial Code Financing Statements

Town Officers and Police Officers have been sworn in.

Permits Issued:

- Motor Vehicle Permits and Title Applications
- Sewer Permits
- Pistol Permits
- Beano Permits
- Voter's Certificates
- Filing Fees accepted

Licenses Issued:

- Taxi Licenses
- Dog Licenses
- Marriage Licenses
- Business Licenses (Theater, Dance Hall, Bowling)

All Leases issued by the Selectmen are drawn and witnessed by the Town Clerk.

Lease File Kept.

All required reports have been made to the New

Hampshire Dept. of Vital Statistics, and the Secretary of State.

Certified copies of records made.

Voluntary Services include:

Secretary at the Regular Monthly Meetings of the Planning Board.

Administrator of the Surplus Food Program.

Registrar of the Seacoast Area for Local Board #20 Selective Service.

I wish to thank the citizens of Hampton for their cooperation and patience while becoming accustomed to the procedures of the New Title Law which became effective September 1, 1968.

Respectfully submitted,

Helen W. Hayden  
Town Clerk

REPORT OF ACTION TAKEN AT THE ANNUAL  
TOWN MEETING, HAMPTON, N.H. MARCH 12, 1968  
AT HAMPTON JUNIOR HIGH SCHOOL.

Moderator H. Alfred Casassa declared the Meeting open for voting at ten o'clock in the forenoon. Election workers were duly sworn.

It was voted that the Polls remain open until 8 o'clock in the evening.

Articles I, II, III, XIV, XV, XV-A, XVI, XVII, XVIII, and XX, appear on the Ballots.

The Meeting opened under Article IV.

**BORROWING MONEY IN ANTICIPATION OF TAXES**

Article IV was approved by hand vote.

**Article V. DISPOSAL OF REAL ESTATE ACQUIRED  
BY TAX DEED**

Approved by hand vote.

**Article VI. BUDGET**

The report of the Budget Committee was given by Chairman David B. Drummond.

Amendment by Lawrence C. Hackett, seconded to increase Election and Supervisors Account by \$800.00 was defeated.

The Budget as recommended by the Budget Committee was voted in the affirmative by nearly unanimous vote.

**Article VII. PUBLIC WORKS GARAGE.**

Voted by hand vote in the affirmative. Tellers: Frank Fitzgerald and Douglass Hunter, Sr..

In favor: 180      Opposed: 10.

**Article VIII. STUDY COMMITTEE FOR BETTER  
TOWN ORGANIZATION**

Article VIII was amended to "instruct the Board of Selectmen to appoint a study committee consisting of 12 people, including the Precinct Commissioners, and the remainder to be appointed by the Board of Selectmen."

Article 8 was passed as amended above.

(List of Committees appears with Boards and Commissions)

Article IX. TRANSFER OF LAND TO THE CEMETERY ASSOCIATION.

Article 9 voted in the affirmative.

Article X. TO AUTHORIZE THE CEMETERY ASSOCIATION TO QUITCLAIM DEED TO THE ADVENT CHURCH LAND OF Article IX.

Approved by hand vote.

Article XI. MONEY FOR CHRISTMAS LIGHTS AND DECORATIONS

Article 11 was indefinitely postponed as money for this purpose is already appropriated in the Budget.

Article XII. SANITARY SEWER FOR TOBEY STREET AND GRAY AVENUE.

Article 12 approved nearly unanimously.

Article XIII. ACCEPTANCE OF BIRCH ROAD

Article 13 voted indefinitely postponed.

Article XXI. OTHER BUSINESS

Voted: Appreciation to Chairman David B. Drummond and the Members of the Budget Committee for work well done.

The Moderator thanked Selectmen, Clerk, and Assembly, for their cooperation.

The Meeting was voted adjourned at 2:55 P.M.

Attested a true record of votes: Helen W. Hayden  
Town Clerk

\*Complete record available at Town Office.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 17, 1969

Board of Selectmen

Hampton, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hampton for the fiscal year ended December 31, 1968, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, District Court, Library, Cemetery Association, Trustees of Trust Funds, Hampton Municipal Development Authority and Construction Account W.P.C. Project - Sewer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: Dec. 31, 1967 - -Dec. 31, 1968: (Exhibit A-1)

Comparative Balance Sheets as of Dec. 31, 1967 and Dec. 31, 1968, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$118,455.56 in 1968.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the

Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A13 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1968 are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$55,168.05, plus a revenue surplus of \$33,923.22, resulted in a net budget surplus of \$89,091.27.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended Dec. 31, 1968, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of Dec. 31, 1968, is indicated in Exhibit B-2.

Statement of Bonded Indebtedness: (Exhibit K)

A statement of bonded indebtedness as of Dec. 31, 1968, showing annual debt service requirements, is contained in Exhibit K.

#### AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes (with the exception of the 1968 property taxes which were not billed until the year end) was made by mailing

notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

### GENERAL COMMENTS

#### Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$86,921.59 to \$151,377.15  
December 31, 1967      December 31, 1968  
during 1968 as shown herewith:

Total Assets	\$699,099.05	\$2,592,667.11
Current Liabilities	612,177.46	2,441,289.96
Current Surplus	\$ 86,921.59	\$ 151,377.15

It is again recommended that a tax collector's deed be given for any property that remains unredeemed after two years from date of tax sale.

#### Conclusion:

The provisions of Chapter 184 of the laws of 1955 require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hampton for their assistance during the course of the audit.

Yours very truly,

O. Maurice Oleson

Director

Division of Municipal Accounting

State Tax Commission

**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Town of Hampton for the fiscal year ended December 31, 1968. In our opinion the Exhibits included herewith reflect fairly the financial condition of the Town on December 31, 1968, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

O. Maurice Oleson

TOWN OF HAMPTON  
STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hampton, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Cafetorium of the Hampton Academy Junior High School on Tuesday the eleventh day of March 1969, at ten o'clock in the forenoon to act upon the following subjects:

\*

Article 1. To choose by Non-Partisan Ballot, one selectman for three years; one Town Clerk, one Town Treasurer, and one Collector of Taxes-for one year; four members of the Municipal Budget Committee for three years, and one member of the Municipal Budget Committee for two years.

\*

Article 2. To choose all other necessary officers for the ensuing year. (The Polls for the election of officers and to vote on any other articles which may appear on the ballot, will be open at ten o'clock in the forenoon and will not be closed earlier than six o'clock in the afternoon of the same day.)

Article 3. To see if the town will vote to give the selectmen and Town Treasurer power to borrow money in anticipation of taxes.

Article 4. To see if the town will vote to give the Selectmen power to administer, sell, or otherwise dispose of any Real Estate acquired through tax deeds, any sale to be at Public Auction.

Article 5. To see if the town will vote to accept the Budget as submitted by the Budget Committee, and to raise

and appropriate the sum of \$1,111,985.00.

Article 6. To see if the town will vote to raise and appropriate the sum of \$1,250 for the purpose of an audit and study of the town's property and casualty insurance program.

(Recommended by the Budget Committee)

Article 7. To see if the town will vote to raise and appropriate the sum of \$4,500 to improve Birch Road in accordance with town standards so that it may be accepted as a public way.

(Submitted without recommendation)

Article 8. To see if the town will vote to raise and appropriate the sum of \$10,000 for the purpose of initiating preliminary planning for comprehensive expansion to the town's sanitary sewerage system.

(Recommended by Budget Committee)

Article 9. To see if the town will vote to raise and appropriate the sum of \$1,350 for the purpose of purchasing a parcel of land owned by Mrs. Marion Penniman, and located west of the Town's Waste Water Treatment Plant and further described on a plan prepared by Chester Leach, C.E.

(Recommended by the Budget Committee)

Article 10. To see if the town will vote to raise and appropriate the sum of \$1,000 for the purpose of procuring an easement across land owned by Mr. Homer Johnson, for an access road to the Public Works and Waste Water Treatment Plant sites as described on a plan prepared by Chester Leach, C.E.

(Recommended by the Budget Committee)

Article 11. To see if the town will vote to authorize the fire chief to send fire apparatus out of town and receive fire apparatus from other towns in accordance

with the provisions of the New Hampshire Revised Statutes Annotated, Chapter 154 Sections 24 through 30 inclusive, as amended, such authority to be subject to the supervision and control of the Town Manager and Board of Selectmen.

Article 12. To see if the town will vote to become a member of a regional planning agency, subject to final approval by the Board of Selectmen. This agency will have membership of at least two of the municipalities in the area. The objective of this agency will be to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern and to assist in the effectuation of projects which extend beyond the boundaries of a particular town.

Article 13. To see if the town will vote to appropriate the sum of \$3,750 to finance studies to be conducted by the regional planning agency. These monies will be used for financing planning studies which must be approved by the regional planning agency. These funds may be used in conjunction with other state and federal funds available for planning purposes.

(Recommended by the Budget Committee)

Article 14. To see if the town will elect to approve of the inclusion of its officers and employees in the New Hampshire Retirement System of the State of New Hampshire, which system is provided for by Chapter 100 A of the New Hampshire Revised Statutes Annotated, as amended, and to raise and appropriate the sum of \$5,720 therefor.

(Recommended by the Budget Committee)

Article 15. To see if the town will authorize the Selectmen, in their discretion, to grant rights of way, and to sign and execute a deed or deeds to Exeter and Hampton Electric Company to construct and maintain a line

or lines of poles and wires over parcels of land owned by the Town, the first parcel being located on the northerly side of the road of the Treatment Plant and acquired from Homer A. Johnson by deed dated March 2, 1962, and recorded in Rockingham County Registry of Deeds, Book 1617 page 388. The second parcel being the "Treatment Plant" lot so called, and acquired from Charles H. Brown by deed dated July 31, 1933, and recorded in Book 890 page 432 and the third parcel acquired from Tower Realty, Inc. by deed dated Feb. 27, 1965 and recorded in Book 1755 page 303. The proposed right of way is in part coincident with an existing sewer line and is shown on a certain plan entitled "Proposed Right of Way of Exeter and Hampton Electric Company across Land of the Town of Hampton, Hampton New Hampshire" by John Durgin, Civil Engineers, Scale 1"-100' January 1969.

Article 16. To see if the town will vote to raise and appropriate the sum of \$3,000 to purchase from the United States of America the Hampton Beach Coast Guard Station Building; together with the appurtenances thereto and to authorize the Selectmen to lease, rent, or sell for such consideration as the Selectmen may deem advisable, said building together with part or all of the land on which said building is situated as described in a certain deed from the Town of Hampton to the United States of America, dated May 27, 1898 and recorded in Rockingham Records, Book 562, Page 470.

Said lease, or deed to be given by the Selectmen to such lessee or buyer as the Selectmen shall deem for the best interest of the Town; if leased, to provide that all repairs and improvements during the life of the lease shall be made at the expense of the lessee subject to the approval of the Selectmen, and all repairs and improvements

shall revert to the Town of Hampton at the expiration of said Lease.

(Recommended by the Budget Committee)

Article 17. To see if the town will vote to buy from Wesley Davis for the sum of \$2,500 a certain tract of land adjacent to the east side of the High Street Cemetery with a forty - foot entrance from Mill Road, containing approximately 55,000 square feet; said tract to be used for cemetery purposes as a part of the High Street Cemetery, and to raise and appropriate the sum of \$2,500 therefor.

(Recommended by the Budget Committee)

Article 18. On petition of John J. Chernesky, Commander of Hampton's Post #35 American Legion, and ten other legal voters of the Town of Hampton, New Hampshire to see if the town will vote to raise and appropriate the sum of \$400 to develop the back half of the Memorial Lot in the High Street Cemetery. Said back part of this lot, approximately 125 feet by 145 feet, this part of the lot by vote of a previous town meeting was reserved for this purpose.

(Recommended by the Budget Committee)

Article 19. On petition of Ann H. Spurr and thirteen other legal voters of the Town of Hampton, to see if the Town will vote to appropriate the sum of \$1,500 in support of the Seacoast Home Health Association's Visiting Nurse Service.

(Recommended by the Budget Committee)

Article 20 On Petition of Everett C. Pillsbury and twenty-two other legal voters of the Town of Hampton; to see if the Town will vote to raise and appropriate the sum of \$25,000 for the installation of a sanitary sewer system on Warner Lane and Roberts Drive and auth-

orize the Board of Selectmen to reimburse the Town of Exeter for disposal of the sewage collected.

(\$18,000 recommended by the Budget Committee)

Article 21. On petition of Kenneth C. Woods and twenty-four legal voters of the Town of Hampton; to see if the Town will vote to raise and appropriate the sum of \$15,000 to extend the sewerage system along Winnacunnet Road from the Elmwood Corner to 333 Winnacnueet Road.

(Not recommended by the Budget Comm.)

Article 22. On petition of James H. Marsh and ten other legal voters of the Town of Hampton; to see if the Town will vote to raise and appropriate the sum of \$13,200 for the installation of a sanitary sewer system on George Avenue and Emery Lane.

(Not recommended by the Budget Comm.)

Article 23. We, the undersigned, being more than ten legal voters of the Town of Hampton, New Hampshire, hereby petition that the following article be included in the town meeting warrant for the Town Meeting scheduled for March of 1969, pursuant to N.H. RSA 39:3

To see how much money the Town will vote to appropriate to improve the drainage facilities in the Hackett Lane and Moore Avenue section of Town, this project to also control the Dearborn Avenue flow off of storm drainage.

Article 24. On petition of Philip H. Palmer and thirty-six other legal voters of the Town of Hampton, to see if the Town of Hampton will vote to accept and pave Walnut Avenue, which is located in Surfside Park.

Article 25. On petition of Robert Bridle and 192 other legal voters of the Town of Hampton; to see if the vot-

ers of the Town of Hampton will instruct the Board of Selectmen and members of the Hampton Municipal Development Authority that it is the will of the citizens (under Article 8 of the New Hampshire Constitution on Accountability of Magistrates and Officers) :

That after the Authority's present funds on hand are expended in initiating a test of the Tidal Waters Law (RSA Chapter 483-A) in a New Hampshire Court Case pending, that no more funds shall be expended in conduct of the Authority's court case, or expended on any future request by the Board of Selectmen and/or Authority,

the Municipal Development Authority for funds for the Authority, unless so voted by the citizens on an Australian ballot at a regular or special Town Meeting.

\*

Article 26. On petition of Paul E. Moody and 66 other legal voters of the Town of Hampton to see if the town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949, and amended at subsequent Town Meetings, to make it illegal for School Busses or similar size vehicles to be parked in "Residential A or AA Districts" for longer than one-half hour.

(Not recommended by Planning Board)

\*

Article 27. On petition of Frederick R. Vogel and 31 other legal voters of the Town of Hampton to see if the town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949, and amended at subsequent Town Meetings, to Re-zone from the Residence "B" District to the Residence "A" District beginning at a point where the center line of High Street intersects the center line

of Hedman Avenue to the center line of Elliott Street; thence Westerly along the center line of Elliott Street to the center line of Randall Street; thence Southerly and Easterly along the center line of Randall Street to the center line of Jenness to the center line of Bradstreet Road; thence easterly along the center line of Bradstreet Road to the existing Westerly boundary of Residence "B" district said boundary running parallel with Trafford Road and 200 feet Easterly of the center line of said Trafford Road; thence turning and running Southerly along the Westerly boundary of Residence "B" District to the Southerly boundary of the Plan Durgin Crest; thence turning and running Easterly along the Southerly boundary of said Plan of Durgin Crest to the Easterly boundary of said Plan of Durgin Crest; thence turning and running Northerly along the Easterly boundary of said Plan of Durgin Crest projected to a point in the center line of High Street; thence Westerly along the center line of High Street to the point of beginning.

(Recommended by Planning Board)

\*

Article 28. On Petition of Leo P. Roy and 37 other legal voters in the Town of Hampton, to see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949, and amended at subsequent Town Meetings, to change the following area of land in the Town of Hampton to Residence "B" Beginning at a point at the Hampton Falls Town Line on the Southerly side of Old Stage Road; thence continuing along the Southerly side of Old Stage Road to Timber Swamp Road; thence continuing along the Westerly and North-Westerly side of Timber Swamp Road to the intersection to Timber Swamp Rd. and Mary Batchelder Rd.; thence proceeding Batchelder Road to the intersection of Mary

Southeasterly along the Northeasterly side of Mary Batchelder Road and Towle Farm Road; thence proceeding Easterly along Towle Farm Road to the New Hampshire Turnpike thence proceeding South along the New Hampshire Turnpike to a distance of 500 feet South of the Southerly side of Towle Farm Road to a point; thence proceeding in a general Westerly and Southwesterly direction on a course 500 feet from and parallel with said Easterly side of Towle Farm Road to the Hampton Falls Town Line; thence in a general Northwesterly direction along the Hampton Falls Town Line to the point of beginning.

(Not recommended by Planning Board)

\*

Article 29. On Petition of William Kennedy and 25 other legal voters of the Town of Hampton to see if the Town will vote to ammend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949, and amended at subsequent Town Meetings, to be amended by striking out Article III, Section 3 A, the following word, "In a Seasonal Business and Recreational District, no building or land shall be used for the sale of intoxicating liquors or intoxicating beverages of any kind, whether by the bottle, by the can, by the glass, or otherwise."

(Not recommended by Planning Board)

\*

Article 30. On Petition of F. Alfred Janvrin and 24 other legal voters of the Town of Hampton to see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent Town Meetings, to change the area South of Hampton River from Residence "A" to Residence "B".

(Not recommended by Planning Board)

\*

Article 31. On Petition of Leo G. Turcotte, and 41 other legal voters of the Town of Hampton to see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton and adopted at the Annual Town Meeting on March 8, 1949, and amended at subsequent Town Meetings, to create a new zoning district to be known as "Residence BB District" by amending Article 3 by adding immediately after Section 2 the following: 1. Any use permitted in Residence "AA" and Residence "A" Districts. 2. Duplexes or two family residences, "and to change the following area of land to Residence "BB" hereinafter defined:

All of the land bounded on the North by 19th Street the Seasonal Business District, on the East by the Ocean Boulevard, and on the West by Meadow Pond and Eel Ditch.

(Not recommended by Planning Board)

\*

Article 32. To amend the Zoning Ordinance Article VI, Section 2, to read as follows:

Section 2. The Building Inspector at the time of the issuing of a permit by him shall collect from the applicant a fee based on the following scale:

\$5.00 per \$1.000 based on a fair estimate of the total cost of construction or alteration, but in no case shall the fee be less than \$5.00. In any case where, in the opinion of the Building Inspector, the total cost of the alteration or new construction shall amount to less than \$100, the Building Inspector may waive the inspection and the fee.

The Building Inspector shall collect all fees as prov-

ided herein and deposit to the Town each month the total sum collected.

Article 33. To transact any other business that may legally come before this meeting.

Note: Articles with "Star" in the margin appear on the Ballot.

Borrowed from Bookmobile	5,103
Borrowed from State Library	125
Inter Library loan	51

---

Total	5,279
-------	-------

The Magic Green Carpet Story hour continues to be popular with the pre-school group. This is held on Wednesdays at 10 a.m. and repeated at 1 p.m. It is planned for about 45 minutes and is a combined picture-book story hour and film program.

The summer reading program had over 200 children registered in a trip through space with books. The space trip was charted on the peg board in the children's room, and for each book read the traveler advanced his space

ship one station. Children completing the program attended a picnic film party at the library.

During the school year various grades visit the library for orientation, book appreciation sessions, and film programs. The kindergarten classes come regularly each week on a rotating basis. During summer months hour-long film programs are held for the school age children in addition to the regular story hour.

Hampton has been host to several Southeast District Library meetings, and staff members have attended all of the State Library workshops.

A Friends of the Library group was formed in October with Mrs. Geraldine Palmer and Mrs. Mildred Blanchard serving as co-chairmen. Mrs. oan Hackett was elected secretary, and Mrs. Mary Simonds as treasurer. The group has contributed many hours of volunteer work in assisting the librarian with typing, filing, cataloging phonograph records, and assisting with the exchange of books when the Bookmobile is scheduled. They have also organized a service for shut-ins who find it difficult to get to the library to pick up books. A book study group has been formed and also other projects are still in the planning stage.

Again, I wish to express my sincere appreciation: To the members of the Hampton Garden Club for their gifts of books an magazines, and for their continued floral displays which add a spot of beauty to the library.

To the members of the Oceanside Grange for their gift of \$100 for books in honor of Mrs. Margaret Noyes, librarian of the Lane Memorial Library for 35 years.

To the trustees, staff and Friends for their cooperation.

To each and every person who has given of their time and effort to make the Lane Memorial Library of greater service to the community of Hampton.

Charlotte M. Hutton,  
Librarian.

## 1968 ANNUAL REPORT OF HAMPTON CONSERVATION COMMISSION

In compliance with its enabling legislation the Hampton Conservation Commission submits the following report to the Board of Selectmen, citizens, and N.H. Dept. of Resources and Economic Development:

During the year four meetings were held to consider the following:

1. Election of officers, welcoming new member, Ralph Gould, Conservation Commission News, communications, National Estuarine Pollution Study, donor certificates, flood plain zoning, Tidal Waters Law, need for additional plaque on Tide Mill Boulder, public Right-of-way signs for Hampton River Landing and Place Cove.

2. Position statements of Commission were formulated on:

- A. Proposed zoning exclusions of a plot of marsh land on west side of North Shore Boulevard.

- B. Values of Hampton's wetlands, best use of estuary, future of coastall zone, pollution damage and management system for best protection of natural resources for National Estuarine Pollution Study. Mr. Hobbs represented the Commission at the public hearing in Maine.

- C. Tidal marsh filling requests.

- D. Future of Hampton marshes from conservation viewpoint for use in articles in Profiles and Yankee magazines.

3. The Governor's Conference on Natural Resources was attended by Miss Stimpson and articles sent periodically to N.H. Conservation News.

4. Mr. Harold Fernald presented a fine, illustrated program on Hampton's history and the marshes. The Commission would like to offer the following recommendations:

1. Since the Atlantic Ocean shoreline is a part of Hampton's natural resources, the Commission would like to recommend that the Selectmen contact the proper state officials in regard to cleaning the beaches of debris. Since such expense an effort are made to attract tourists to visit Hampton's beaches, the Commission feels the co-operation of local and state officials is needed, plus that of citizens and tourists, using the beaches in the future, to keep the coastline from Hampton River to the North Hampton line in a safe, clean condition free from bottles, cans, other refuse and debris. This could be accomplished possibly by a town and/or state ordinance on glass bottle and can disposal, and by assigning the life guards and police with a responsibility of policing and enforcing any existing ordinance when on duty.

2. The Conservation Commission views with concern the news article that appeared in the Portsmouth Herald of Nov. 13, 1968 stating that Hampton Municipal Development Authority is reported to be introducing in the provisions of the newly-passed New Hampshire Tidal Waters Law. Since such exclusion could result in a diminishing of one of Hampton's most valuable natural resources in the name of building development and since the town has ample land in other areas for housing and building, the Commission vigorously opposes the amendment which the Hampton Municipal Deveopment Authority is reported to be introducing in the next session of the state legislature. This point of view will be conveyed to the New Hampshire Department of Resources and Economic Development.

3. The Conservation Commission views with alarm the proposal of a nuclear plant in the Seabrook marshes. They believe a very thorough study, and public hearings should be held, to consider all possible economic,

scientific, and public health concerns, if any of the plant's equipment or disposal facilities will endanger the ecology of the Hampton River estuary and the citizens of Hampton.

Respectfully submitted,

Ruth G. Stimson, Co-Chairman

Stillman Hobbs, Co-Chairman

Ednapearl Parr, Secretary

## HIGHWAY DEPARTMENT

1968 Expenditures Ralph Osgood Personnel Full-Time16  
\$216,674 Supt. Part-Time18

The Highway Department is now working out of the new Public Works building located at the end of Tide Mill Road. All of the public works equipment is stored and repaired in this building.

There are over sixty-five (65) miles of roads repaired and maintained by the department. This includes patching, sweeping, and cleaning in the summer, and plowing, salting, and sanding in the winter. Approximately twenty-three (23) miles or  $\frac{1}{3}$  of the roads are seal coated each year. The department rebuilds sections of the highway each year with Town Doad Aid (TRA) Funds. In 1968, 1,950 feet of road was widened and resurfaced at the intersection of Little River Road and Woodland Road.

Over 300 catch basins are cleaned on a scheduled basis each year to insure proper drainage.

The following new storm drainage systems were constructed by the department. Landing Road 60 feet of 12" pipe; Mill Road and Mace Road intersection 170 feet of 12" pipe and two catch basins; Locke Road 511 feet of 10" pipe and three catch basins; Five Corners at High Street 45 feet of 12" pipe.

A two rail fence 130 feet in length was constructed in Town Square and a guard rail type fence 337 feet in length was constructed in the rear of the Police Station.

The Highway crews paint all the crosswalks, stop lines at intersections, and parking space lines throughout the Town and Beach. They also paint and maintain the Town Offices, the Martel Building, and Court Room

The Ashworth Avenue parking lot has been leveled and penetrated and is scheduled to be sealed and line marked in the spring of 1969.

There are seven (7) parks and five (5) intersections

which are mowed, raked, and trimmed requireing full time attention during the summer months.

For eleven (11) weeks during the summer season, the paved streets an sidewalks at Hampton Beach are swept and cleaned seven (7) days a week. The new sweeper was utilized daily to assist the beach cleaning crew.

Mosquito spraying was carried out throughout the spring and summer.

Percolation rates of soils needed in computation of adequate septic tank systems for sewarge disposal are made by department personnel in cooperation with the Health Officer. Forty-nine (49) such tests were made in 1968.

Rubbish collection requires a major effort, especially during the summer months. Increases in population and amount of waste per person requires continual revision in town requirements to maintain a constant level of service. A total of 33,124 cu. yds. of compact rubbish was collected in 1968.

## SANITARY ENGINEERING DEPARTMENT

Expenditures: Leavitt Magrath Personell: Full Time-8  
\$103,923.00 Supt. Part-Time4

Your Sanitary Engineering Departments main plant, The Hampton Water Waste Treatment Plant, is located at the end of Tide Mill Road. Along with the main plant, we maintain two large pumping stations one at the lower end of Winnacunnet Road, and one at the North-west corner of the main beach on Church Street; we also maintain five (5) lift stations strategically located throughout the town.

Normal compulsory routine work takes up 80% of our working force. This percentage may seem high, but it is justified by the fact that the department, in addition to the above, maintains some twenty-nine (29) miles of sewer mains, and fifteen (15) miles of sewer laterals. The effectiveness of this routine work can be seen by the minimal amount of sewer plug-ups and/or major problems we have each year.

Our annual influent of sewage is approximately 300 million gallons, of this approximately 1% of three million gallons is sludge. In 1968, we processed 265 tons of sludge at a cost of \$2,527.29.

This department has the responsibility of inspection of all sewage lines laid in the Town of Hampton. This is costly, but must be maintained in order to get the minimum allowable infiltration of water and inorganic matter into our system. Departmental records indicate that an average of 260 mains and laterals are located and marked annually for the water, gas, electric, and telephone companies. Ninety-five (95) sewer laterals constructed by private contractors were inspected. A full-time inspector was necessary during the construction of the Hutchinson Drive sewer (2639 feet), Exeter

Road sewer (2300 feet), and Plaice Cove (125 feet).

The department constructed the sewer main and laterals on Tobey and Gray Streets, 1,426 feet at a cost of \$10,963.98. Three full-time and three part-time men were used to accomplish this work.

The department assisted the Fire Department, by digging a trench two (2) feet deep, four thousand two hundred (4,200) feet long for the new fire alarm system as it goes underground across the marsh.

The department assisted the Highway Department during snow-removal operations with the Massey-Ferguson Bucket Loader, and two dump trucks. The total number of man hours for snow removal this year was 520. The department laid a water line three hundred (300) feet long, four and one-half (4½) feet deep, and also a sewer line five hundred and ninety-nine (599) feet long with the depth of five (5) feet, to the new Public Works Garage.

This year 13,723 feet of sewer mains were cleaned at a cost of \$5,252.40; fourteen thousand seven hundred thirty-eight (14,738) feet of sewer mains were T.V.'d and sealed, at a cost of \$4,654.00, with a total cost of \$9,906.40. Due to our program of continual preventative maintenance, the cost was down thirty (30) cents per foot from last years' cost.

This year two (2) men from this department attended the Interstate Water Pollution School held at Topsfield, Mass., and the superintendent attended all four meetings of the New Hampshire Water Pollution Association.

Sewerage and sewerage treatment is a continuing process and is becoming more sophisticated as years go by,, requireing us to be constantly alert to changes and new methods in order that we may accomplish our job, always keeping in mind economy, pollution abatement, water conservation and services desired by the people of the town.

FIRE PREVENTION

Complete Building Inspection 106

OIL BURNING PERMITS

Requests 29	Issued 19
Sprinkler Systems Tested	12
Public Assembly Permits Issued	8

During the past year, two new nursery schools were licensed, making a total of eight (8) day care schools in Hampton.

Two summer classes were given on fire prevention and firefighting in cooperation with the Head Start program.

A total of thirty three (33) fire drills were held in the schools, with two complete inspections of each of the eight schools held during the year.

The Plimpton Nursing Home was inspected fourteen (14) times during the year. Instructions were given in fire procedure and use of extinguishers.

Evacuation plans were resolved in cooperation with the State Fire Marshall's Office.

A total of thirty four (34) places of business were inspected in the town area. These inspections were held by personnel on duty, using fire apparatus for driver training and familiarization of potential hazards in the business district.

The 1968 budget requests for funds to be used for inspection purposes was deleted from the budget, consequently no inspections were performed at the resort area this past year. An attempt to perform in-service inspections will be made on a limited basis this year, depending on available manpower.

The program for 1968 was realized through the untiring efforts of Lieutenant Michael Linn as Fire prevention officer.

## TRAINING AND PLANNING

The training program, under the direction of Captain Howard Stickney, has proven its worth over the past two years. A total of nine hundred and seventy (970) hours of drill school was held by the training officer, in addition to four hundred fifty three (453) hours of training programs given by both state and private agencies during this year.

Over two-thirds of the firefighters received some portion of the above training.

The Hampton Fire Department stands as one of the better trained, more efficient permanent departments in the State of New Hampshire.

## POLICE DEPARTMENT

Paul C. Leavitt, Chief

Expenditure: \$143,297.00

Personnel: Regular 12  
Special 43

### ADMINISTRATION

The most noticable improvements in the area of administration were (1) tighter fiscal controls resulting in a substantial unexpended balance of appropriated funds, the first such balance since 1962, and (2) the addition of a policewoman-secretary, Mrs. Dorothy Bergquist who has improved public relations, released officers for other types of police work and generally increased the efficiency of the department.

### PATROL

Our Cruiser Patrol functioned the entire year in 1968 without the assistance that has been available summers since 1960. Also, for greater safety, all patrol vehicles have been marked with reflectorized decals and red and blue warning lights.

The motorscooter patrol completed its first full season with almost 4000 miles of patrol being logged. This patrol has added flexibility, mobility and greater police coverage during the heavy traffic season in the summer months.

Patrol activities have soared upward this last year as can be seen in the following comparisons:

	1967	1968
Accident Investigations	288	429
Motor Vehicle Violation Arrests	417	805
Criminal Arrests	471	615
Log Items	4,073	8,044

### HEADQUARTERS

In the spring of 1968 members of the department volunteered their time to improve the physical plant

operations. Many of the police officers spent their off-duty hours reconstructing the front office to make it more functional and by building an attractive console to house the various radios.

The Department is now an active member of the National Crime Information Center (N.C.I.C.) sponsored by the F.B.I. Up-to-date records are maintained in the memory bank of a computer located in Washington, D.C. and are available instantaneously to law enforcement agencies. The total time lapse from the time of entry into the computer until the message is received is fifteen seconds.

### TRAINING

One officer attended the Command & Staff School on Riot and Disaster Planning held at Fort Gordon, Georgia. Three officers graduated from the New Hampshire State Police Academy. Three officers graduated from the Rockingham County Sheriff's Department Basic Police Science Course. Hampton Police "in-service" Training program provided 30 hours of review and, in some cases, first exposure training, on local police problems.

Four officers graduated from the F.B.I. Firearms Instructors School. An expanded firearms training program was inaugurated which included familiarization and qualification of officers with weapons they are expected to know how to use when necessary. Over 4000 rounds of ammunition were expended on training.

### SCHOOL SAFETY

Last year was the first organized, productive school safety program. This program was engineered by officer MacDonald who set up an educational program in the schools.

Officer MacDonald appeared in school on numerous occasions, talked to the children via taped messages

played over the school intercom; conducted bicycle safety inspection programs and distributed safety material throughout the town.

The program terminated with a school safety award program. The winner was Miss Denise Chaison who displayed exceptional talent with her drawing of an owl and the safety slogan "Be wise - use your eyes."

#### BUREAU OF CRIMINAL INVESTIGATOIN

As a result of many hours spent in this program a total of 71 persons were arrested on drug abuse charges. In addition B.C.I. has conducted a total of 573 criminal investigations; a considerable increase over 1967. Detective Sgt. Prakop is noted for his excellent work in this field.

#### SUMMARY

The goal of the Hampton Police Department is for better, more professional, law enforcement through the alert, aggressive, fair police prevention and protection program. Citizen cooperation this past year has been appreciated and we are looking forward to working toward common community goals throughout 1969.
