SELECTMEN'S ANNUAL REPORT

The Board started it's new year by welcoming John Walker as it's new member and having R. Victor Lessard re-enlist for another term.

The Selectmen were able to sign contracts for a two year period with both the Hampton Police Relief Association and the Hampton Permanent Firefighters, Local 2664, IAFF/AFL-CIO through the effort of Diana D. LaMontagne, Chiefs of each department and Labor Counsel.

We have been very pleased to welcome aboard to our new Town Manager Roland (Dick) Sevigny and his wife Ingrid. The search at times seemed long and fruitless, but we are confident that the choice was the right one and that time will continue to show the wisdom of this action.

The changes of command in both Fire and Police Departments this year have caused a great deal of added work for the personnel, Town Manager and Selectmen. We are looking forward to a term of long stability from here on.

Chief Stickney was a valued employee, department head and friend of Hampton and it's selectmen. It is an understatement to say he will be missed.

The adoption of a Code of Ethics for the Board is a major step forward in making Selectmen more responsive to the public and it's citizens.

Elderly housing appears to becoming a reality to Hampton. The combined efforts of a lot of citizens have made this come to fruition.

The Highway Safety Committee has handled many problems this year dealing with traffic problems. Their time and effort has been greatly appreciated.

The new Tanker/Pumper in the fire station has worked out satisfactorily to the town and is a valued piece of equipment.

How do you thank someone who gave unselfishly of his time and give a Town his total committment. George Hardardt has been of such service to the Town and especially to the Selectmen. The Chairman has leaned on George's broad shoulders many times during the time we were without a Town Manager. His wisdom and tireless efforts throughout this period is greatly appreciated.

We rode every current, endured the pounding waves,
and brought our township through the storm intact. Our
thanks to the Captain . . . George.

We look to our citizens for guidance with the hope you
will all make your desires known at the Town Meeting.

Respectfully submitted,

HAMPTON BOARD OF SELECTMEN

Allen R. Bridle, Chairman

Mary-Louise Woolsey

Diana D. LaMontagne

Robert V. Lessard

John Walker

TOWN MANAGER'S ANNUAL REPORT

I wish to take this opportunity to thank the Selectmen, Department Heads, Town Employees, Boards and Commissions, and most importantly, the citizens of Hampton, for the kindness extended to my wife, and me since our arrival in Hampton. Thanks to all of you, my neophyte period was passed with a minimum of trauma to my nervous system.

As you are all aware, 1979 was a year of many personnel problems, many of which aroused controversy and increased expense, and few of which were wholly solved by years end. It is hoped that the forthcoming year will see us stabilize our senior departmental positions, thereby injecting a sense of permanency in our entire work force.

Through exceptional budgetary management on the part of all our department heads and the Board of Selectmen, the Town ended the year with a \$35,944.00 surplus. As you know, due to the time consuming task of revaluation our tax bills went out a little late this year. As one action always impacts on another, due to the lateness of the tax bills we were not able to meet our deadline on the tax anticipation note and had to extend the note for fifteen days. Thanks to the close coordination on the part of Mr. Lewis Brown, our Tax Collector, Mr. Bill Dennett, our Treasurer, we were able to invest tax receipts on a daily basis, thereby reducing the amount of interest on the note by several thousand dollars.

With the continued support of the Selectmen and townspeople I will strive to provide comprehensive management throughout the coming year.

Respectfully submitted,
Roland Sevigny
Town Manager

COLLECTOR OF TAXES

The following report outlines the status of all accounts handled by this office.

**TOWN OF HAMPTON
SUMMARY OF WARRANTS**

Fiscal Year Ended December 31, 1979

DR.	1979	LEVIES OF:	Prior Years
Uncollected Taxes - Jan. 1, 1979:		1978

BUILDING INSPECTOR REPORT

The Building Inspection Department consists of two full-time personnel, The Building Inspector, The Assistant Building Inspector, and a part-time secretary.

The Total cost of construction for the year 1979 was \$14,953,714.00, an increase of \$6,078,841.00 over 1978. There were 805 building permits issued. The graph below shows a breakdown by months.

Jan.	882,250.00	July	6,424,577.00
Feb.	1,192,657.00	Aug.	910,330.00
Mar.	631,238.00	Sept.	719,813.00
Apr.	483,167.00	Oct.	261,815.00
May	1,039,114.00	Nov.	493,406.00
June	517,992.00	Dec.	1,397,355.00

Permits issued by classification :

HOUSEKEEPING RESIDENTIAL BUILDINGS

One-Family Houses	58
Two-Family Houses	7
Multi-Family Houses	6

MOVED OR RELOCATED BUILDINGS	3
MOBILE HOMES	16
ALL OTHER BUILDINGS AND STRUCTURES	
Industrial Buildings	4
Transit Hotels/Motels	2
Residential Garages or Carports	21
Professional Buildings	1
Stores and Other Mercantile Buildings	1
Other Non-Residential Buildings	1
Structures Other Than Buildings	1
Swimming Pools	16
Garden or Storage Sheds	27
DEMOLITION OR RAZING OF BUILDINGS	
Residential	6
Other	30
ADDITIONS, ALTERATION AND CONVERSIONS	375
INDIVIDUAL PERMITS OVER \$100,000.	9
WOOD STOVES	150
PERMANENT SIGNS (FREE STANDING)	20
MISCELLANEOUS	60
TOTAL	805

The total number of new housing units for the year 1979 was 152, and increase of 33% over 1978. Single-family house construction was down 11% from 1978. 27 building violations were discovered during the year 1979.

Zoning violations for 1979 amounted to 85 cases, Health investigations were 70 cases. There were 192 certificates of Occupancy issued.

Building permit fees collected amounted to \$53,480.00, an increase of \$22,677.00 over 1978.

Respectfully Submitted,
John E. Medlock, Building Inspector
Ray P. Hutchinson, Asst. Building Inspector
Eileen Bancewicz, Secretary

**1979 ANNUAL REPORT
ASSESSOR'S REPORT**

The net assessed value of Hampton increased drastically over the previous year. This is due to the 100% revaluation of all property completed by Municipal Appraisal Co. A comparison of the two years is indicated below.

Town and Precinct Taxable Valuation		
	<u>1978</u>	<u>1979</u>
Land	\$21,356,820	\$88,306,800
Buildings	78,343,430	202,309,700
Factories	643,700	1,972,400
Utilities	5,699,400	7,033,000
Mobile Homes	1,024,100	2,213,000
Boats	71,700	—
Gross Valuation	<u>\$107,139,150</u>	<u>\$301,834,900</u>
Elderly and Blind Exempt.	-1,390,000	- 760,000
Net Valuation	<u>\$105,749,150</u>	<u>\$301,074,900</u>

Precinct Taxable Valuation		
	<u>1978</u>	<u>1979</u>
Land	\$ 7,331,520	\$27,920,100
Buildings	26,608,670	74,894,600
Utilities	1,861,900	2,275,900
Mobile Homes	521,000	868,400
Boats	38,200	—
Gross Valuation	<u>\$36,361,290</u>	<u>\$105,959,000</u>
Elderly & Blind Exempt.	-245,000	- 215,000
Net Valuation	<u>\$36,116,290</u>	<u>\$105,744,000</u>

The comparison of the 1978 and 1979 tax years in the table on the following page shows the apportionment of the amounts attributable to each jurisdiction and the percentage of the total rate for which it accounted.

Tax Rate Structure

	<u>1978</u>	<u>Percent</u>	<u>1979</u>	<u>Percent</u>
Municipal	\$21.40	40%	7.00	38%
County	2.10	4%	.90	5%
Schools	<u>30.30</u>	56%	<u>10.40</u>	57%
Town Rate	\$53.80		\$18.30	
Precinct	<u>3.70</u>		<u>1.50</u>	
Precinct Rate	\$57.50		\$19.80	

The revaluation completed for the 1979 tax year was responsible for the lower tax rate.

Although there have been many trials and tribulations attributable to the equalization program, it has resulted in a firm 100% base to guide on as far as assessments are concerned.

Through the following months, any inequities which may still exist, high or low, will be adjusted.

We would like to thank all Hampton taxpayers for bearing with us and assisting the Company and the Assessor's Office during this period.

Respectfully submitted
James Fennessey

HAMPTON POLICE DEPARTMENT ANNUAL REPORT

PERSONNEL: 20 Regular
50 Special
5 Clerical

ADMINISTRATION

Considerable changes have been made within the Police Department this past year. Seven resignations were accepted from the ranks of Special Officers, and two full-time patrolmen, Raymond Elliott and Thomas Mallory, resigned. A further loss was encumbered by the department when Chief Robert Picucci left at the end of August.

Three additional patrolmen were hired to fill vacancies incurred by the resignations of full-time officers. Ptlmn. Larry Hamer and Ptlmn. Brian Chevalier joined the department in February, and Ptlmn. Charles Pierson joined in July.

As a result of competitive examinations, Ptlmn. George Bateman was promoted to the Detective Division in February. In September, Sgt. Thomas Krajewski was appointed to the rank of Acting Deputy Chief of Police, Commanding Officer of the Operations Division, and Deputy Chief Robert Mark was appointed as the Acting Chief of Police.

OPERATIONS DIVISION

The Patrol Bureau and the Bureau of Criminal Investigation were again faced with the almost insurmountable task of combating rising crime rates in the Town of Hampton during this past year.

CHART A

	1976	1977	1978	1979
Criminal Arrests	799	1,027	853	1,018
Motor Vehicle Arrests	1,056	1,001	744	846
Juvenile Arrests	559	582	571	469

Chart A depicts actual arrests over a four-year period.

CHART B

	1976	1977	1978	1979
Calls for Service	11,520	14,407	11,759	11,735
*Part I Crimes	640	811	951	1,050
Part I Crimes Cleared	63	82	153	129

Chart B. illustrates the increased workload in the Operations Division.

*Part I Crimes include Murder, Robbery, Rape, Burglary, Larceny, Assault and Auto Theft. Part II and all other crimes are not tabulated.

YOUTH SERVICES

Again, in the Youth Services Bureau, Sgt. Joseph MacDonald was kept extremely busy dealing with Juveniles and family problems. Although Chart A shows a decrease of arrests, there could have been many more Juvenile arrests had it not been for the hard work of Sgt. MacDonald. Many parents, upon learning that problems were arising with their youngsters, have called upon Sgt. MacDonald for assistance.

STAFF SERVICES DIVISION

The Staff Services Division, commanded by Sgt. John Nickerson, has been very productive this year, in overseeing In-Service Training for both Regular and Special Officers, who attended classes for a period of six weeks.

In November, Ptlmn. Arthur Wardle and Ptlmn. Larry Hamer attended and successfully completed a Crime Prevention School, conducted by the New Hampshire Police Standards and Training Council. In December, Acting Chief Robert Mark attended a school reference Managerial Budgeting for Police Organizations; Ptlmn. Robert McLaughlin successfully completed the Breathalyzer Specialist Training School, and Sgt. John Nickerson and Det. William Wrenn attended the Police Instructors Training School.

Det. William Wrenn, after exhibiting much interest, was appointed as the Training Officer of the Hampton

Police Department in October. The Law Enforcement Explorer Post, under the guidance of Ptlmn. Arthur Wardle, was re-established in December and is going well.

ANIMAL CONTROL OFFICER

The number of complaints received in 1979 totaled 843 as compared to a total of 861 complaints in 1978. The Animal Control Officer, Philip Darling, reports that 58 dogs were apprehended for running at large (summons issued), with a total of 129 picked up. Warnings issued totaled 146.

SUMMARY

I would like to thank Acting Deputy Chief Thomas Krajewski for his able assistance, Sgt. John Nickerson for his continued fine performance as our full-time Prosecutor, and Sgt. Joseph MacDonald, our Youth Service Officer, for his dedication and concern for the youth in our community. I would also like to thank all the other members of the department and the residents of the Town of Hampton for their continued support. And, finally, the Hampton Fire Department, under the direction of Chief Howard Stickney, and the Public Works Department, headed by George Hardardt, are to be commended for their inter-departmental cooperation. I would also like to thank our new Town Manager, Mr. Ronald Sevigny, for his cooperation and welcome him to the Town of Hampton. Our goal is to strive for a more professional law enforcement agency to better serve everyone.

Respectfully submitted,
ROBERT E. MARK
Acting Chief of Police

FIRE DEPARTMENT

Permanent Personnel - 31½

FIRE LOSS

YEAR	LOSS (BUILDING & CONTENTS)
1979.....	\$386,100 (Est)
1978	\$337,700
1977.....	\$190,000
1976.....	\$103,062
1975.....	\$590,000

FIRE PREVENTION

In most areas the year 1979 was known as The Year of The Child. To those in the fire service, the year 1979 will be known as The Year of The Wood Stove. This type of stove at the present time is a new play thing, a status symbol so to speak. Down the road apiece it may be a different situation. Good installations now can be altered or reinstalled improperly later. What isn't considered when thinking wood stoves is the creosote buildup potential. An airtight wood stove installation cannot be treated lightly. The number of woodstove installations checked out during the year is no indication of the whole picture. There could be as many if not more stove installations that have not been checked. These will show up when things go wrong. It just seems that the burning of air tight stoves is not recognized as the hazard it actually represents.

SERVICES OF THE FIRE PREVENTION BUREAU

Radiology Surveys	6
Underground Tank Inspections	4
Night Duty	7
Night Inspections	29
Overtime Hours	75

AMBULANCE SERVICE

The Emergency Medical Services of the Hampton Fire Department found 1979 to be consistently active with past years. The Fire Department's two ambulances logged a total of 789 emergency calls in 1979. The number of walk-in calls for aid at the Department headquarters showed a marked increase over 1978. The number of people treated was 363 in 1979, 60 more than in 1978. This can probably be attributed to the large numbers of people at Hampton Beach during the summer.

The Hampton Fire Department has an ongoing training program designed to keep its personnel informed of the latest techniques involving emergency medical treatment. The Department has 17 EMT's (Emergency Medical Technicians), eleven (11) of which are nationally registered. The Department also has eleven (11) people that have Red Cross Advanced First Aid Training. These people will be trained as EMT's as soon as funds for training are available.

Calls for 1979 are summarized as follows:

In-Town Calls		751
Town Area	356	
Beach Area	395	
Out of Town Calls		26
Calls to I-95		12

FIRE ALARM

Five new master fire alarm boxes were added to the system during the year:

7135.....	Springfield Motor Lodge-Ocean Boulevard
7342.....	Hampton Village Hardware Building Lafayette Road & High Street
7351.....	Town & Beach Motel-Lafayette Road
7363.....	Hampton Motor Inn-Lafayette Road
715.....	Ashworth Hotel Ocean Boulevard & Highland Avenue

To date, a total of forty public buildings, schools, factories, office buildings, and apartment complexes are connected to the Hampton Municipal Fire Alarm System.

All boxes in town, a total of one hundred and forty-three (143), were tested twice during the year to insure proper operation.

TRAINING

The Training Division of the Hampton Fire Department conducted in-service training of career firefighters. Daily training encompasses Fire Prevention, Fire Suppression, and Emergency Medical Training. The suppression forces were involved in over 3,969 man hours of training in all areas of firefighting.

The CALL Fire Fighters under the direction of their company officers logged over 452 man hours of training in related subjects.

The Hampton Fire Department endeavors to provide the highest level of service possible to the community, and in-service training is necessary to maintain this essential service.

The Hampton Fire Department in 1979 has seen a 24% increase in services to the Town of Hampton and the many tourists who visit us during the summer months.

Departmental changes in 1979 included three new Fire Fighters who were promoted from the Call Force to Permanent in order to fill vacancies within the Department. Two Fire Fighters from within the Department were promoted to the rank of Lieutenant. Ten new Call Fire Fighters were added to the Call Force, and Rev. Michael McCann was recently appointed our Department Chaplain.

The Department continues to keep up with modern methods of fire suppression and emergency medical services by continued training to provide the highest degree of protection of life and property for the Town of Hampton and its residents. This same high degree of protection is provided by our Call Force under the direction of Call Captain Bernerd Robertson.

In February the Department took delivery of a new Maxim Pumper which replaced the 1965 Maynard.

I would like to take this opportunity to commend the officers, the permanent fire fighters and the call fire fighters for their professional performance during the year.

On behalf of the Department, I would like to extend our sincere thanks and appreciation to the Police Department, Department of Public Works, area fire departments and those businesses and citizens who aided us during our emergencies. Their cooperation and assistance has been invaluable.

Effective January 1, 1980 I have chosen to retire as Chief of the Hampton Fire Department. This decision was not made lightly and not without a certain amount of personal regret and sorrow, but, however, with a great deal of pride and satisfaction gained since I started working for the Town some twenty-seven (27) years ago starting as a Call Fire Fighter to Chief of Department.

I would like to express my sincere appreciation to past and present town officials, Precinct Commissioners, and all the people I have worked for and with during my service to the Town of Hampton. Without their support, I would not have reached the goal that I have.

Respectfully submitted,
Howard W. Stickney
Chief of Department

PUBLIC WORKS DEPARTMENT

Personnel: Regular - 40
Part-time - 24
Total Personnel - 64

WASTE WATER TREATMENT PLANT

In 1979 we processed 750,870,000 gallons of waste water, of which 521.71 tons were solid waste (sludge). Our average daily flow was 2,057,000 gallons per day. Included in the overall flow is 5,262,190 gallons of septic tank system wastewater and sludge.

SEWER & DRAINS

1979 saw the completion of the following drainage projects: Lafayette Road relief drain, Mace Road, Gentian, Meadow Pond and Greene St., Fuller Acres and Mary Batchelder Road drains. Installed in the above drainage projects were 1045 ft. of 12" pipe, 580 ft. of 30" pipe, 110 ft. of 36" pipe, 1465 ft. of 18" pipe, 126' of 24" pipe, 37 catchbasins and 3 drain manholes.

There were 94 sewer entrances into our sanitary system. In addition, 223 sewers and/or laterals were located for the contractors, water company, gas company and others.

We installed 14 new sewer laterals and relaid 8 others. We cleaned and flushed 58,755 feet of sewer mains and drains. There were 7 new manholes built and 29 were raised and/or repaired. 479 catchbasins were cleaned. 7 catchbasins were repaired.

SOLID WASTE DISPOSAL

One of the largest projects for the highway section this year was the accelerated dump maintenance program. Extra men, equipment and gravel was used to cover the dump to meet state requirements. This program is now carried out on a continuing basis.

Rubbish collection is still one of the more demanding jobs in the highway section. The routes are increasing steadily as housing developments are being built, and the winter rentals at the beach are increasing. Below is a 12 year comparison of compacted cubic yards of rubbish collected.

1968 - 33,124
1969 - 35,246

1974 - 49,716
1975 - 51,760

1970 - 37,180
1971 - 42,171
1972 - 45,854
1973 - 47,425

1976 - 52,418
1977 - 50,692
1978 - 51,040
1979 - 52,125

HIGHWAY MAINTENANCE & CONSTRUCTION

Our road resurfacing program is a continuing one. During 1979 we resurfaced 16,333 lineal feet of roads. Below is a list of roads.

Carlson Road	Elliott Street
Sanborn Road	Mary Batchelder Road
Trafford Road	Fairfield Drive
Hurd Road	Ruth Lane
North Shore Road	Blake Lane
Barbour Road	Higgins Lane
Randall Street	Quinlan Lane
Jeness Street	Leavitt Rd. Intersection

Along with the resurfacing program all of the above roads had their shoulders brought up to grade with crushed gravel, so as to protect the edges of the new pavement.

In addition, the shoulders on Exeter Road and Lafayette Road were also graded.

This section is also responsible for patching of pot holes. During the year we expended 466 tons of patch material on pot holes and ditches.

During 1979 we received 40 inches of snow requiring plowing, pickup, salting and sanding of our roads. All told we had 10 storms. The cost of the storms alone, excluding normal winter maintenance, was \$31,135.54 or \$778.00 per inch of snow.

There were 29 driveway permits issued requiring 58 inspections, 31 septic tanks installed requiring 62 inspections.

Again, as always street signs and traffic control signs have been a huge problem. During 1979 we installed and/or reinstalled 470 signs of all types, largely due to malicious vandalism.

In closing this report, I would say that these are just highlights. There were many requests made of this department by our citizens, but are too numerous to list.

Your Public Works Director will continue to provide the services required of us with the monies allocated, always keeping in mind economy and trying to get the most that we can from the tax dollars we receive.

Respectfully submitted,
George F. Hardardt
Public Works Director

HAMPTON TOWN MEETING
Hampton, New Hampshire
March 13, 1979

The 1979 Annual Hampton Town Meeting convened at 8:00 a.m., March 13, 1979 with the Honorable H. Alfred Casassa, Moderator, presiding. “Are you in favor of the Town’s Planning Board elected by the voters for three (3) year terms instead of one appointed entirely by the Selectmen for a period of five (5) year terms?” If approved by majority vote, election of members will be held at Annual Town Meeting in 1980.

Yes 1578 No 447

ARTICLE 33

“Are you in favor of Amendment No. 1 as proposed by petition of the voters for this Town?”

A petition article to re-zone Tower Drive and all lots fronting on Tower Drive to the Residence A (RA) District. The property in question is currently in the Business (B) District.

(Approved by the Hampton Planning Board.)

Yes 1330 No 467

ARTICLE 34

“Are you in favor of Amendment No. 2 as proposed by petition of the voters for this Town?”

A petition amendment to allow persons to “babysit”

(take care of) up to and including three (3) children in any district in the Town of Hampton.

(Approved by the Hampton Planning Board.)

Yes 1704 No 346

ARTICLE 35

“Are you in favor of the adoption of Amendment No. 1 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A rezoning from Business (B) to Residence A (RA) all that land located in the Fairfield Park and Belmont Circle plans recorded in the Rockingham County Registry of Deeds and including land fronting on west side of Lafayette Road between Fairfield Park and Belmont Circle.

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1412 No 413

ARTICLE 36

“Are you in favor of the adoption of Amendment No. 2 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment to allow one sign advertising garage, barn or lawn sales in the Residence AA, Residence A, Residence B, and Residence C-Seasonal District on the date or dates of the sales.

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1563 No 394

ARTICLE 37

“Are you in favor of the adoption of Amendment No. 3 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment to delete footnote 17 in Article IV of the zoning ordinance and insert in its place the requirement that structure built on the 4 foot setback line must be of cement block construction or construction with an approved sprinkler system.

One and two family dwellings are exempt from this proposed change

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1440 No 356

ARTICLE 38

“Are you in favor of the adoption of Amendment No. 4 as proposed by the Hampton Planning Board for the Hamp-

ton Zoning Ordinance as follows?"

A Planning Board sponsored amendment to change the lot width definitions so that the new definitions would designate the distance between side lot lines as being measured along the setback line.

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1360 No 381

ARTICLE 39

"Are you in favor of the adoption of Amendment No. 5 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?"

A Planning Board sponsored amendment that would prohibit any use that was not specifically permitted in the zoning ordinance.

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1340 No 452

ARTICLE 40

"Are you in favor of the adoption of Amendment No. 6 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?"

A Planning Board sponsored amendment that would permit no more than 12 dwelling units from being built in any one year on any track or parcel or subdivision in the Town of Hampton.

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1537 No 366

ARTICLE 41

"Are you in favor of the adoption of Amendment No. 7 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?"

A Planning Board sponsored amendment prohibiting certain types of alcoholic beverage licenses from being allowed within 1,000 feet of currently existing licensed establishments.

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1536 No 392

ARTICLE 42

"Are you in favor of the adoption of Amendment No. 8 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?"

A Planning Board sponsored amendment to bring the zoning ordinance into conformity with state law as it pertains to fines for zoning violations.

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1541 No 296

ARTICLE 43

“Are you in favor of the adoption of Amendment No. 9 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment to change Article III, Section 3.1.4, to add the words “a radius of” between the word “within” and the figure “2,000” so that the section reads “within a radius of 2,000 feet.”

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1409 No 280

ARTICLE 44

“Are you in favor of the adoption of Amendment No. 10 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment to allow conversion of property into condominium ownership to come under local zoning ordinance control.

(Approved by voters at Town Meeting March 14, 1978.)

Yes 1519 No 345

ARTICLE 48

“Are you in favor of the adoption of Amendment No. 14 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment prohibiting off-premise signs and requiring conformity with size limitations in certain zones.

Yes 1458 No 322

ARTICLE 49

“Are you in favor of the adoption of Amendment No. 15 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment to rezone from General to Residence A the area known as “Eastgate” a land area shown on the plans recorded in the Rockingham County Registry of Deeds as Plan No. D-2745 and a Plan D-3680.

Yes 1243 No 413

ARTICLE 50

“Are you in favor of the adoption of Amendment No. 16 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment to adopt a revised Article VIII dealing with multi family dwellings; such revision having two substantive changes;

- 1. Prohibiting basement apartments in any district and,
- 2. Requiring buffer zones of at least 20 feet for multi family dwellings in all zones except the business seasonal district.

Yes 1277 No 544

ARTICLE 51

“Are you in favor of the adoption of Amendment No. 17 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment striking out certain footnotes and incorporating those requirements within the revised Article VIII.

Yes 1029 No 437

ARTICLE 52

“Are you in favor of the adoption of Amendment No. 18 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment to change the definition of multi family dwellings to “any building or group of buildings on a single lot containing three (3) or more dwelling units.”

Yes 1174 No 427

ARTICLE 53

“Are you in favor of the adoption of Amendment No. 19 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored amendment to rezone and change the Town zoning map so that the area known as “Plantation Lots” is included in the residence A district. (The land in question is currently zoned residence B and Business Seasonal.)

Yes 1090 No 464

ARTICLE 54

“Are you in favor of the adoption of Amendment No. 20 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?”

A Planning Board sponsored article rezoning land in the Fairfield Park area so that the land lying to the west of the westerly boundary lines of the lots fronting on Lafayette Road would be affirmed as Residence A and designating the lots which front on Lafayette Road as being in the B-Business District.

Yes 1009 No 607

1979 ANNUAL TOWN MEETING HAMPTON, NEW HAMPSHIRE

At 10 a.m. on Saturday, March 17, 1979 the Annual Town Meeting was reconvened. Selectman Bridle introduced the Color Guard, a delegation of Girl Scouts from Troops 775 and 616, who presented the flags. They were Rebecca LaMontagne, Tamara Olbres, Jamie Stempleski, Melissa Sharples and Rachel Bryner. The Pledge of Allegiance was led by Clifford H. Eastman, Sr., Chairman of the Board of Selectmen.

Moderator, the Hon. H. Alfred Casassa, called upon the Reverend James Barclay to deliver the invocation.

“Oh heavenly Father, we come together as has been the custom of this town for over three hundred years. We come together as a living heritage, the right to assemble and decide our own fate and our own future. We come together as a tap root of this nation’s tree of liberty. We are among the first of the Great Republic. We stand for the Democratic porcess. We ask Your help to preserve this institution. We ask Your Guidance, we ask Your presence, we ask Your love, we ask Your understanding, Your patience, and especially God, we ask Your humor. Amen.”

The Moderator asked that all people wishing to speak would announce their names so that they might be properly recorded by the Town Clerk. He announced that he normally recognizes the sponsor of a petition article to move its adoption, it is seconded and the assembly moves on to discuss it. The Moderator ruled that only one amendment would be entertained at one time, any motion for reconsideration would be made after the completion of the action on that particular article. Any amendments should be presented in writing to the Town Clerk. The rules of procedure would be the Moderator’s rules of procedure and he meant to use fairness and majority rule wherever possible.

The Moderator proceded to read the Warrant, and announced that the assembly would act on Articles 2 through 28 and Article 55, Articles 1 and 29 through 54 having been decided on the written ballot on March 13, 1979. He announced that Articles 2 and 3 would be voted on by Yes/No ballots and the polls would be open for two hours for each

article, since they are both bond articles and need a 2/3 vote for passage.

ARTICLE 2: To see if the Town will vote to raise and appropriate a sum of \$185,000 for the purpose of preparing plans and specifications on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S. C. 1251 et. seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$185,000 under and in compliance with the provisions of the Municipal Finance Act (N.H. R.S.A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other action as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Hampton and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and pass any vote relating thereto. (Recommended by the Budget Committee) Article 2 was moved by George Hardardt and seconded by Clifford H. Eastman, Sr. The Moderator declared the polls open at 10:20 and closed them at 12:30. The vote was taken on a printed yes/no ballot. Yes: 232 No: 50. The article passed by the necessary 2/3 vote.

Article 3: On petition of Ashton Norton and 22 legal voters of the Town of Hampton to see if the town will vote to:

- a. Raise and appropriate the sum of \$140,000 to purchase a new 100 foot aerial ladder.
- b. Said sum to be raised by the issuance and sale of notes and /or bonds of the Town of Hampton in accordance with the Municipal Finance Act, in the principal amount of \$140,000 maturing over a 5 year period.
- c. Authorize the Selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid thereon as may be necessary to affect issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton, New Hampshire.

D. Authorize the selectmen to enter into agreements and contracts and to take other action necessary to purchase said ladder truck and to apply for and accept state or federal grants in aid of such project.

E. Any other action in connection with the foregoing matters or any of them. (Submitted without recommendation of the Budget Committee).

Article 3 was moved by Ashton Norton and seconded by Robert V. Lessard. The polls were open from 11:15 a.m. to 1:30 p.m. Lacking the necessary 2/3 vote the article failed on a secret yes/no ballot. Yes: 192 No: 115

ARTICLE 4. To see if the Town of Hampton will vote to reduce the Budget Committee's recommended town operating budget by seven percent (7%). The article was moved by James E. Pinard and seconded by Hubert Marney. A petition was accepted to vote by secret ballot. The polls opened at 11:50 a.m. and closed at 12:07 p.m. Yes: 79 No: 115. The article failed.

ARTICLE 5: To see if the Town will vote to accept the budget as submitted by the Municipal Budget Committee and to raise and appropriate the sum of \$3,725,174. The article was moved by Glyn P. Eastman and seconded by Suzanne Ficke. Mary-Louise Woolsey moved, seconded by Allen Bridle, to add \$1,280.00 to the budget, for telephone expenses. The amendment passed. Mary-Louise Woolsey moved, seconded by Diana LaMontagne, to add \$6,000. to the budget for Town Office clerical help. The amendment passed 145 to 106.

Allen Bridle moved, seconded by Mary-Louise Woolsey to add \$3,400 to the budget for moving radar. The amendment failed. Mary-Louise Woolsey moved, seconded by Allen Bridle to add \$2,700 to the traffic traffic light account. The amendment failed.

It was moved by Mary-Louise Woolsey, seconded by Allen Bridle to amend the budget by adding \$173,632. for sewer construction. The vote was Yes: 89, No: 86. The vote was questioned by Selectman Bridle and the Moderator ruled that the assembly could vote on the amendment using a yes/no ballot. The results were: Yes: 97 No: 137. The amendment failed.

Ashton Norton moved, seconded by John MacInnes to reconsider Article 3. The motion failed Yes: 84 No: 93.

Mary-Louise Woolsey moved, seconded by Allen Bridle, to add \$13,999. to the budget for the cemetery account. The amendment passed.

Robert V. Lessard moved, seconded by Mary-Louise Woolsey to add \$13,000 to the budget for added insurance coverage for members of the Police Department. The amendment passed.

Philip Darling moved, seconded by Allen Bridle to add \$1,669.20 to the proposed budget for the Animal Control Account. The amendment failed.

Richard McAteer moved the question with William Wilson seconding and a final vote was taken on Article 5, the budget as amended. It passed in the amount of \$3,759,-453. an increase of \$34,279.

Selectman Lessard presented outgoing Chairman of the Board of Selectmen, Clifford H. Eastman, Sr. a pewter plate as a token of appreciation for his 47 years' service to the Town of Hampton. Mr. Lessard expressed the gratitude of the people of Hampton to Mr. Eastman citing the many areas in which Mr. Eastman has contributed unselfishly of his time to our community.

Mr. Clifford Eastman, Sr., retiring Chairman of the Board of Selectmen expressed his thanks to Mr. Lessard, and in turn presented a citation to Glyn P. Eastman, retiring Chairman of the Hampton Town Municipal Budget Committee. He thanked Glyn Eastman for serving the town so well on the Municipal Budget Committee, and congratulated him on being appointed to fulfill the unexpired term, for one year, of newly elected selectman John R. Walker who had resigned from the Budget Committee. The assembly rose to applause for the Messrs. Eastman.

It was moved by James Fallon, seconded by John Zapalla, to move action on Article 26 forward. The Moderator, Mr. Casassa, scheduled action on Article 26 after completion of Article 11.

Article 6: To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use of set-off against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action herein:

Appropriation:	Amount:
Police	\$57,000
Fire	57,000
Public Works	57,000
TOTAL	\$171,000

(Recommended by the Budget Committee)

Article 6 was moved by Allen Bridle, seconded by Mary-Louise Woolsey and the article passed.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$36,862 to fund cost items relating to the Police Officers' salaries and benefits for 1979, such sum representing the cost of those additional salaries and benefits agreed upon in collective bargaining by the Hampton Board of Selectmen and the Police Relief Association; pursuant to N.H. Revised Statutes Annotated Chapter 273-A. (Recommended by the Budget Committee.) Article 7 was moved by Diana LaMontagne and seconded by Mary-Louise Woolsey. The article passed.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$20,797 to fund cost items relating to the Firefighters' salaries and benefits of 1979, representing the cost of those additional salaries and benefits authorized to be offered by the Hampton Selectmen to the Hampton Firefighters, Local 2664 in the collective bargaining sessions which are still going on; pursuant to N.H. R.S.A., Chapter 273-A. (Recommended by the Budget Committee) Article 8 was moved by Diana LaMontagne and seconded by Glyn Eastman. The article passed.

ARTICLE 9: Raise and appropriate \$2,000 for a feasibility study of the proper course to be taken to alleviate a constant flooding of Plaice Cove during heavy rains and tidal floods. We also petition for the Town to seek state and/or federal funds if available. (Recommended by the Budget Committee.) Article 9 was moved by Nancy Greenlaw and seconded by Jane McDermott. Article 9 passed.

ARTICLE 10: Raise and appropriate \$1,000 from the 1979 general town revenue in support of the services of the Newmarket Regional Health Center. The Health Center in turn will use this sum as matching funds for the Center programs. (Recommended by the Budget Committee.) The article was moved by Robert Price and seconded by Carl Margeson. The article passed.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$11,000 to purchase a Hurst Power Rescue Tool (Jaws of Life). This piece of equipment to be used by the Fire Department to effect extrication of victims from automobiles involved in accidents. (Not recommended by the Budget Committee.) Ashton Norton moved, seconded by Larry Cullen, to indefinitely postpone Article 11 and the motion carried.

ARTICLE 26: To see if the Town will vote to rescind the provisions of the Municipal Budget Law. The article was moved by Peter Lombardi, seconded by John Bellerose. A secret Yes/No ballot was requested and the article failed. Yes: 53 No: 177

ARTICLE 12: To see if the Town will vote to:

A. To raise and appropriate the sum of \$50,000 for the purpose of removing and constructing three new tennis courts at Tuck Field, said projects to include all labor, materials and installation;

B. Authorize the Selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid thereon as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton, New Hampshire.

C. Authorize the selectmen to enter into agreements and contracts and to take any other action necessary to complete said project and to apply for and accept any state or federal grants in aid of said project;

D. Any other action in connection with the foregoing matters or any of them. (Not recommended by the Budget Committee.)

Robert V. Lessard moved, seconded by George Hardardt to table Article 12. The motion carried.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$8,000 to assist the Seacoast Regional Counseling Center, a private non-profit organization. During the year 1978, 82 Hampton residents, for a total of 811 sessions, used this service at a cost of \$29,196 to the Counseling Center. The funds requested are to be used for current operating expenses to enable the Counseling Center to continue providing counseling service for residents of the Town, whether or not said residents are able to pay. (Not recommended by the

Budget Committee.) Article 13 was moved by Allen Bridle and seconded by Mary-Louise Woolsey. The Article failed.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$500 to be used for the support of the N.H. Seacoast Region Association. (Not recommended by the Budget Committee.) Article 14 was moved by Richard Millette, seconded by Philip McDonough. The article failed.

ARTICLE 15: To see if the Town will raise and appropriate the sum of \$300 for the Portsmouth-Kittery Armed Service Committee. The Article was moved by Roland Paige, seconded by William Barry. Article 15 failed.

ARTICLE 16: To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such federal, state, or other assistance as may be available for the design of, and construction of a sewage disposal system, and to authorize the Selectmen to borrow money in anticipation of said assistance as outlined in N.H. R.S.A. 33:7-b et seq., as amended, and pass any vote relating thereto. Article 16, moved by Richard McAteer, seconded by Robert V. Lessard passed.

ARTICLE 16-A: To see if the town will vote to give the selectmen and town treasurer power to borrow not more than \$3,000,000. in anticipation of taxes. The article, moved by Mary-Louise Woolsey, seconded by Allen Bridle, passed.

ARTICLE 17: To see if the Town is in favor of excluding from its Social Security plan, services performed by election officials or election workers for a calendar year in which the remuneration paid for such service is less than \$100.00. Article 17 was moved by Mary-Louise Woolsey, seconded by Allen Bridle, and was passed.

ARTICLE 18: To see if the Town will vote to authorize the selectmen to apply for, accept, and expend (up to \$13,000) in Municipal Coastal Planning Grants as authorized and approved under the New Hampshire Coastal Resources Management Program. The article was moved by Clifford Eastman, and seconded by Robert V. Lessard, and was passed.

ARTICLE 19: To see if the Town will vote to authorize the selectmen to convey to the Hampton Precinct a certain

parcel conveyed by the Town to the Precinct by deed dated November 7, 1977 and recorded in Book 2298, Page 827. The article was moved by Allen Bridle, and seconded by Diana LaMontagne. The article passed.

ARTICLE 20: To see if the Town will vote to permit the nine vehicle parking spaces along Winnacunnet Road near the main entrance to the Town Office Building, such parking having been permitted ever since the site became solely the Town Hall in 1843 and prior to that the Church and Town Meeting House from 1797. The article was moved by Arthur Moody, seconded by Jane Kelley, and was passed.

ARTICLE 21: To see if the Town will authorize the Trustees of the Lane Memorial Library to accept grants of Federal or State aid or both; or private funds if such should be available to be added to the twenty-five thousand (\$25,000.) dollars already donated by Wheaton J. Lane towards the construction of an addition or reconstruction of the Lane Memorial Library. The article was moved by Dona Janetos and seconded by Barbara Nadreau. Article 21 passed.

ARTICLE 22: To see if the Town will authorize the selectmen to convey to Nicholas Samonas, upon such terms and conditions as the selectmen may determine appropriate, all of the Town's interest in that parcel of vacant land shown as Lot 33 on Town of Hampton Tax Map 111 and which parcel of land was conveyed to Nicholas Samonas by deed dated April 5, 1973 and recorded in the Rockingham County Registry of Deeds in Book 2199, Page 1860. The Article was moved by Mr. Samonas and seconded by Philip McDonough. The article failed.

ARTICLE 23: To see if the Town will designate the Zoning Board of Adjustment as the board of appeal for variances involving regulations for the construction, remodeling and maintenance of buildings (that is, building codes and ordinances adopted by Town Meeting.) The designation of the Zoning Board of Adjustment as the appeal board is authorized by Revised Statutes Annotated Chapter 156, Section 4-b.; without such designation, the Board of Selectmen is the variance board for building regulation and there is no requirement of a public hearing and notification of abutters for each variance request, as required by Zoning Board of Adjustment statutes. Article

23 was moved by Arthur Moody, seconded by Peter Lombardi, and was passed.

ARTICLE 24: To see if the Town will vote to direct the Board of Selectmen to dispose of the 1964 Maynard, one-of-a-kind fire engine-pumper by way of sealed competitive bids after advertising in various "fire buff" and collectors periodicals, and other publications as deemed appropriate by the Board, such bidding procedure being the town ordinance method of disposing of surplus town property not otherwise used for trade-in. The article was moved by Arthur Moody, seconded by James Fallon. Robert V. Lessard moved to amend the article by inserting "by way of sealed competitive bids opened at a pre-advertised public auction." The amendment passed. Article 24, as amended, failed.

ARTICLE 25: To see if the Town will vote to empower the Board of Selectmen to lease to the Bailey Motel Inc., a parcel of town land containing 2,645 square feet and designated on a plan entitled "Town of Hampton, Lot No. 583, January, 1978, Scale 1" equals 20'." Said lease to contain the restriction that no structure of any kind be placed upon the land. The article was moved by Emil Soucy, seconded by Robert V. Lessard. An amendment was offered by Robert V. Lessard and seconded by Diana LaMontagne, that "and that no vehicles be parked upon said land." be inserted after the words "Placed upon the land." Article 25, as amended, passed.

ARTICLE 26: Dealt with after Article 11.

ARTICLE 27: To see if the Town will vote the following, "Are you in favor of adopting an ordinance to limit the number of cats to three (3) per household, as applies to dogs?" The article was moved by Dennis McGowan seconded by Helene Joiner. Article 27 failed.

ARTICLE 28: Town Counsel Seth Junkins ruled that the assembly could take no legal action on this article. It was moved by Kenneth Malcolm seconded by Richard McAteer to indefinitely postpone Article 28. The motion passed.

ARTICLES 29 - 54: were dealt with on the written ballot, March 13, 1979.

ARTICLE 55: To transact any other business that may legally come before this meeting. The Hon. H. Alfred

Casassa, Moderator, took this opportunity to remark the passing of H. Clifford Bean, a distinguished resident of the Town of Hampton for many years, who was instrumental in introducing zoning and planning to the town, and in the formation of the Winnacunnet Scholarship Foundation, Inc., and was a Trustee of the Exeter Hospital, and also a Director of the Hampton Cooperative Bank.

James Fallon praised the Moderator for his fairness in his conduct of the meeting.

Kenneth Malcolm commended George Hardardt for his invaluable service to the Town of Hampton.

Ruth Stimson suggested that in the future the articles appearing in the Town Report be summarized.

Suzanne Ficke moved, seconded by Kenneth Malcolm that the Annual Town Meeting be adjourned. The motion carried and the meeting was adjourned.

Jane Kelley
Town Clerk

**TOWN OF HAMPTON
SPECIAL TOWN MEETING
NOVEMBER 1, 1979**

The Special Town Meeting convened in the Hampton Junior High School Cafeteria at 7:30 p.m. Moderator, H. Alfred Casassa opened the meeting and read the Warrant:

“Article 1 - To see if the Town will vote to establish a board of three (3) trustees to hold and expend at its direction funds for the benefit of the town cemeteries and to supervise all such cemeteries to the end that the said funds may be so expended as best to serve the purposes for which they are raised, said board of trustees to be separate and distinct from the Board of Trustees of Trust Funds, said trustees to be elected by ballot at the 1980 Annual Town Meeting, for terms of 3 years, 2 years and 1 year, respectively, and one (1) trustee to be elected by ballot at each annual meeting thereafter for a term of 3 years, pursuant to R.S.A. 289:7.

“Article 2 - To transact any other business that may legally come before this meeting.”

Article I was moved by Roland Paige, seconded by Glyn P. Eastman. Discussion followed. Peter Saari and Walter Vanderpool spoke in behalf of the Cemetery Association.

Edmund Langley moved the question and was seconded by Wilfred Cunningham. The Article passed.

There being no further business to come before the meeting the meeting was adjourned.

Respectfully submitted:
Jane Kelley
Town Clerk

HAMPTON MOSQUITO CONTROL DISTRICT REPORT

At the 1979 Town Meeting a \$15,903. appropriation was voted by the citizens. It was expended as follows through Dec. 31, 1979:

	1979 Approp.	1979 Expend.	1980 Request
Labor	\$ 8,868.00	\$8,885.66	\$11,303.00
Chemical Control Materials	6,000.00	5,943.36	3,860.50
Vehicular Maintenance, Fuel, and Repairs	500.00	380.38	600.00
Misc. Supplies, Medical Exams and Commission Expenses	335.00	438.89	6.30.00
ULV Leco Sprayer Main- tenance, and New Equipment	<u>200.00</u>	<u>130.80</u>	<u>183.50</u>
	<u>\$15,903.00</u>	<u>\$15,779.09</u>	<u>\$16,577.00</u>

The Commission held eight meetings, usually at the Library. Employees hired were: Part-time Supervisor Lauren C. Rowell, Part-time Assistant Lee Brooks, and Certified Pesticide Applicators: Mark Smith and Charles Lylis.

GOALS FOR 1979 WERE: to continue to conduct a comprehensive mosquito control program with source reduction, larviciding, adulticiding, and monitoring.

A more complete, monitoring system was developed with light traps, biting counts, extensive larval dipping, and identification of specimens collected. Data was carefully recorded to show patterns and trends of mosquito population in Hampton.

SOURCE REDUCTION: is required by state law. The Commission made a donation previously to the Rye Commission's research project on Marsh Management Pilot Study for Mosquito Prevention and Marsh Rejuvenation. A report was received after March, 1979, which outlined their proposal on five acres opposite Rye Harbor Road on west side of Route 1-A.

The Rye proposal favors an Open Marsh Water Management operation with ponds and radial ditches to remove surface water and provide new routes for fish to

possibly feed on mosquito larvae. Their report suggests "selective ditching techniques" to try to increase overall biological productivity of the marsh and hopefully to eliminate the use of insecticides, and still control mosquitoes.

Permanent pond construction could enhance waterfowl. The Rye report states that hand digging of ditches, if permission is granted, is "slow, arduous, and uncomfortable work". A visit to the Rye research site by Hampton employees and two of the Commissioners was made to view the work. It was disappointing to feel the effects of many mosquitoes at the visit.

The Open Marsh Management operation project in Rye needs more time to present its final results. It should be noted again that permission to ditch to accomplish source reduction is very difficult to obtain from the Special Board of the NH Water Resources Board. Rye is to be congratulated on its proposal on behalf of the seacoast commissions. The cost of applying the proposal to Hampton's vast salt marshes would be prohibitive in the future. Cleaning existent ditches to get water flowing to help eliminate mosquito breeding sites is an alternative plan and less costly. In both cases the goal is to minimize mosquito breeding sites without damaging the salt marshes.

HAMPTON LIGHT TRAPPING: Six traps were placed at selected sites and held constant during the 1979 season. Work started in May and went through September. Each trap was baited with dry ice as an attractant. It lasted through the night until morning pick-up. Specimens caught three times a week were frozen and later identified and recorded. A permanent collection of adult specimens was assembled by Supervisor Lauren Rowell.

BITING COUNTS: were done twice weekly at specific spots for a definite time period each time during the control season. The adult mosquitoes were taken with aspirators, and identified later.

LARVAL DIPPING AND SURVEILLANCE: were done to determine the existence of larval populations in standing water anywhere in Hampton. Salt marsh pools, fresh water swamps, snow melt pools, tires, litter, and storm drains were checked frequently. New breeding sites were located and documented on the town map.

It was learned by identifying species in storm drains that it may be unnecessary to treat with chemicals. *Culex pipiens* specie prefers avian blood rather than human. Other sites were treated with approved, selected materials according to the species present, the habitat, stage of mosquito development, and other enviornmental factors.

Monitoring, previously described, was scientific technique used in determining mosquito population figures rather than nuisance complaints as the basis of control in a town.

CHEMICALS USED IN MOSQUITO CONTROL PROGRAM: aimed at decreasing larval populations when necessary. Larvicides used were Abate 2G, Abate 4E, and Altosid briquets. Flit MLO was used effectively as a pupacide only when it was too late to use a larvicide on some site. It was applied with a hand sprayer. Cythion 95 (malathion) was used in the ULV old mist fog generator for adulticiding.

Power back pack sprayers were of great assistance in 1979 the employees reported. After a high run of tide, which covers acres of Hampton's salt marshes with water, it often does not drain off or evaporate within the time it takes a whole brood of mosquito larvae to devlop and emerge as adults. The back pack power sprayers aided work greatly in such spots. More area could be treated with the same number of employees.

ADULTICIDING: supplements the work of controlling the immature stages of mosquitoes. There can be up to forty million larvae per acre in stagnant water. The town-owned ULV sprayer was mounted on a Public Works truck. It was driven over all passable, town roads at 10 miles per hour. The whole town was completed once a week. It took three successive nights depending on factors of wind, weather, temperature, and mosquito population density.

The ULV sprayer was calibrated for droplet size during the season. Three slides with 200 droplets each were analyzed mathematically with the aid of a special microscope at UNH to determine the size of the droplets. They were in the proper range. All equipment was calibrated before use and during the season. All control materials were used specifically as recommended on the label. State pesticide control personnel made regular inspections and commended the work crew for its excellent records.

1979 SUMMARY: was another mosquito breeding season. District employees monitored carefully, and treated town breeding sites whenever necessary. High tides during the summer plus periods of hot weather make control efforts very strenuous as breeding is very rapid. Control can't be started until the flood tide goes out. Then the employees have to act rapidly with proper knowledge, skill, and equipment available to them. Priorities are identified for each day in view of ever changing weather conditions.

The District employees deserve public commendation for their mosquito control efforts and their comprehensive, monitoring program on behalf of Hampton's citizens and tourists. Workers are encouraged when citizens have taken time to express their approval.

1980 OUTLOOK: Supervisor Lauren Rowell in her report to the Commission stated in regard to Source Reduction: "The State Mosquito Committee is encouraging source reduction proposals. Until we can see the results of the Rye project, Districts should give Rye financial support." It would be economically unfeasible for each District to propose a source reduction plan, and be repetitious in areas of manpower, knowledge, and time. Once Rye's project has proved to be beneficial, other towns can adopt the methods. The results of their developmental research in source reduction need analysis presently in regard to permanent control of mosquitoes.

Hampton's goal should be to improve and expand its monitoring system to an even more informative and scientific level as the foundation of the control program in 1980. The primary aim of all districts is to eliminate the sources of breeding in control areas.

Hampton Mosquito Control Commission

LANE MEMORIAL LIBRARY REPORT

As I look back over the 13 years that I have spent as librarian here in Hampton, I am grateful to the many people who have contributed to the growth and increased services which have been possible. Our book collection has more than doubled and our circulation has more than tripled. We have added new services such as talking books, large print books, records and cassettes, original art and art prints, films, filmstrips, selected materials on microfilm, shut-in service, and extensive inter-library loan. We have established regular children's story hours and summer time special programs for children. We are active participants in school and public library cooperative ventures, and in various public library cooperatives. Such growth is possible because so many people have been interested in achieving better library service. Trustees have faced their responsibilities in encouraging more comprehensive service for the town and have worked diligently in preparing realistic budgets to achieve this goal. Voters have been supportive of their efforts. Staff members have worked at low wages to serve the patrons courteously and efficiently. The Friends of the Library have been most cooperative in their efforts to promote library activities and have made many significant financial contributions. Other community organizations have been generous with gifts. Volunteers have assisted with untold hours of typing and routine tasks in the library. People who have donated games, puzzles, and paperbacks have made it possible to expand our types of service without additional expense to the taxpayer. Our participation in cooperative ventures with other libraries has made it possible to save money on purchases of media materials and library supplies. Sharing resource materials enables us to offer more for the minor expense of a telephone call or return postage. At the present time the state-wide library card is still honored in some libraries, which enables the holder to borrow directly from certain other libraries at no charge. Otherwise it is still possible to obtain special materials through inter-library loan.

Libraries do not rank as a life-saving or emergency service, but they are the one cultural and recreational service available to all from the crib to the grave, regardless of

economic, educational, religious, or ethnic grouping. Take advantage of it.

Charlotte M. Hutton
Librarian,
Lane Memorial Library

RECREATION DEPARTMENT 1979 ANNUAL REPORT

The Hampton Youth Association has continued to serve the youth of Hampton, during 1979. The youth association provided Basketball, Football, Ice Hockey, Little League Baseball and Pony League Baseball. Over 150 boys and girls participated in the new Fall Soccer program, which was started this year.

The above mentioned programs would not have been possible, if it were not for the many volunteers of the youth association. Hampton is very fortunate to have the many volunteers who help provide wholesome recreation programs for the youth of our community.

I hope that in the future more people will become involved with the youth association, so we may continue to provide and expand the many youth programs.

The Hampton Police Relief Association again provided the financial support for the Fall swim program. The program was held for ten weeks at the Newburyport, Y.W.C.A. Over 800 adults and children took part in this popular program.

Our senior citizens programs have continued to be popular this year. 646 seniors took part in the bus trips we scheduled during 1979. This Fall a four day bus trip was organized to the Penn.-Dutch country in Pennsylvania. As of this date 838 senior citizens, 65 years and up have been issued discount cards.

The senior citizens club meets on the second Thursday of each month, at the United Methodist Church hall. All seniors from town are welcome to attend the meetings and take part in the many club activities!

Physical fitness programs continue to be very popular with adults, as well as children. During the Fall and Winter months, we provided fitness programs five days per week and still had many people waiting to get in classes.

Competitive sports programs have also continued to be popular. The men's slow-pitch softball league had 180 men participate last Summer. Co-ed volleyball, the Summer Soccer league and the A.A.U. Summer track meets had increased participation again this year.

During the school year and Summer, childrens sports programs were popular. Our Summer gymnastics program was very popular, as was gym hockey, basketball clinics, volleyball, soccer clinics and open gym play during school vacation periods.

In this report I have covered the major highlights of this department for 1979. This report by no means covers all of the programs and services which this department provides for you.

In closing, I would like to thank all of the individuals and organizations who have helped provide recreation programs for the community.

Respectfully Submitted,
Neal R. Socha
Recreation Director

HAMPTON CONSERVATION COMMISSION 1979

As in past years, much of the time of the members of the Conservation Commission has been spent responding to requests for permits to dredge and/or fill wetlands. Most of these requests are for property adjacent to the tidal marshes or tidal streams.

The work of the Commission in the area of protecting the town's wetlands is handicapped by the the lack of any local ordinances relating to the fresh and tidal wetlands of Hampton. Many communities throughout the state are including wetlands conservation districts as part of the town's zoning ordinances or master plans.

Although large fill projects at Hampton Beach would appear to be negated by state laws, continual small fill projects on or adjacent to the tidal marshes continues. Many of these fills are in violation of state law and swift action is required by both commission members, town officials and state officials to keep the problem in control.

Another concern however is the expansion of development in this community into fresh water wet areas. In some cases these developments are permitted only because Hampton has elaborate storm drainage and sewerage systems. Currently there is no attempt to assess the cumulative impact of these developments on the water table, fresh water supplies or drainage patterns.

This commission is charged by state law with producing an inventory of the town's wetlands and the completion of this inventory is a priority for the commission for 1980.

The commission appreciates the support received during 1979 from all town officials and employees.

HAMPTON HISTORIANS, INC.

In 1979, Hampton Historians continued its primary purpose of disseminating knowledge about the history of our 340-year-old town. Besides newspaper articles, genealogical inquiries from out of state were researched and answered at the request of the Town Clerk. In that regard, HHI is pleased with the Attorney General's ruling that the printing, in the town report, of basic data on the marriages, births and deaths recorded with the Town Clerk is entirely legal. In Hampton that practice has continued for nearly 100 years and those town reports constitute a ready-reference source for genealogical and historical information.

At the beginning of the year, Moderator Moody was asked to supply ideas for the design of the front cover of the 1978 town report. The final concept of photos of the three State Historical markers and the "Welcome to Hampton" sign was accomplished via photos taken or supplied by HHI. The photo of the "First Public School in N.H." marker was taken in the State Highway Dept's garage where it has languished for several years despite an HHI letter promoting its return to a roadside, preferably in the center of the town at the Centre School. Also in January, HHI supplied the three school photos for the cover of the Hampton School District's annual report.

At our request, the State Historical Commission is considering a historical marker honoring Hampton as the birthplace of U.S. First Lady Jane (Appleton) Pierce, wife of our 14th President, N.H.'s Franklin Pierce. She was the daughter of Rev. Jesse Appleton, D.D., the Town Minister from 1797 to 1807.

The Selectmen-approved project to place Bound Rock (1657 A.A.) on the National Register of Historic Places has been started. The Hampton UNION, through its staff photographer Ralph Morang III, has supplied sets of three different photos which must accompany the nomination application to the Federal Government via the State Historic Preservation Office.

In November, HHI sent historic brochures on our town to Hampton, South Carolina, in celebration of the latter's centennial.

HHI's accomplishments continue to be reported in THE ASSOCIATE, the quarterly newsletter of the Association of Historical Societies of New Hampshire, Inc., of which HHI is one of its 130 members. Moderator Moody was elected state President of the Association in October.

Arthur J. Moody, Moderator

Ednapearl F. Barr, Clerk

James F. Fallon, Bursar

**MEETING HOUSE GREEN
MEMORIAL AND HISTORICAL ASSOCIATION INC.**

SUBJECT: Annual Report to the Town of Hampton

The annual meeting of the Meeting House Green Memorial and Historical Association, Inc., (aka The Hampton Historical Society), was held on Saturday evening, October 13, and the following slate of officers were elected to serve for the 1979-80 year: President, Leslie S. Cummings; Vice President, Alfred H. Carlson; Treasurer, Samuel A. Towle; Recording Secretary, Kenneth Nelson; Corresponding Secretary, John M. Holman; and Historian, Harold E. Fernald.

Directors were appointed by the officers for the ensuing year as follows: Roland W. Paige, Carrie Higgins, Gertrude Palmer, Connie Holman, and Dot Cummings. John M. Holman was reappointed as Curator of the Tuck Memorial Museum and Kenneth Nelson as Membership Chairman. The Tuck House Committee includes Roland W. Paige, Connie Holman and Jewel Brown. Ruth M. Goodwin is the Tuck House Custodian.

TUCK MUSEUM CUSTODIAN'S REPORT:

During these summer months, July and August of this year, we had a total of 553 adult visitors plus numerous children from the area. Clearly, this is a drop in the number from previous years. I think much of the decrease in numbers can be attributed to the gasoline shortage which definitely kept many summer visitors from our area. A total of 36 volunteer aides assisted me in keeping the museum open daily from 1:00-4:00 p.m. during these two months. I would like to sincerely thank them and for their efforts in so ably manning the Courtesy Desk and keeping things running smoothly.

On several occasions, other than the regular hours, the museum has been opened for individuals or groups wishing to view it.

An herb garden was planted by the Salty Marsh Garden Club and was really a lovely addition to the grounds. Red geraniums were also planted along the side of the museum and certainly added a great deal to the appearance of the buildings and grounds. I wish to thank them on behalf of

the Museum and also the Town of Hampton for the great care of the grounds.

At this time, I would especially like to thank John and Connie Holman for all the work they did in the house prior to my occupation. My thanks also to the Mills (Loring and Judy.)

I have enjoyed this, my first year as Custodian, and hope I have fulfilled all my duties to everyone's satisfaction.

Respectfully submitted,
Ruth M. Goodwin, Custodian

TUCK MUSEUM CURATOR'S REPORT:

The annual Open House at the TUCK MEMORIAL MUSEUM was held on Saturday, June 30, from 2:00 to 4:00 p.m. and from 7:00 to 9:00 p.m. with many guests attending.

Painting of the Tuck Memorial property, including the one-room District school house, the garage, Tuck Museum, and Tuck House was accomplished by the residents of Odyssey House under the direction and guidance of Neal Socha, Hampton's Recreation Director, and John M. Holman, Tuck Museum Curator. The project was made possible by a grant from Wheelabrator-Frye, Inc. to Odyssey House of Hampton, in exchange for hours donated for the betterment and beautification of the town, by the residents of Odyssey House. This successful project was much needed and more than appreciated by the Historical Association. Letters of thanks and appreciation were forwarded to the residents of Odyssey House and to Wheelabrator-Frye, Inc. for making this project possible. A special thanks to Neal Socha for his help and cooperation.

A new section was opened at the Museum this year for use as a Conference Room and Research Library and has been named "THE IRA S. JONES ROOM" in memory of the founder of the Historical Association.

Many new acquisitions to the museum continue being received by the curator, one of which was the original plaster cast model of the N.H. Marine Memorial "The Lady", from which the statue at Hampton Beach was carved. This worthwhile addition was a gift from Mr. and Mrs. Reg Abbott of Manchester, N.H.

Another noteworthy gift was the original architects drawings of the East End School House, ca. 1874, given by Mr. and Mrs. O. Raymond Garland, in memory of the late Marion Garland.

A window and frame from the Exeter, Hampton & Amesbury Street Railway Company's trolley mail car No. 18 was given by Mr. and Mrs. Edwin L. Batchelder of Hampton.

Helen K. Clough of Hampton, donated a wall map of Hampton, dated 1841, showing all the houses and businesses of that period. This map hangs in the "Ira S. Jones Room" and was given in memory of the late L. Herbert Clough.

From Mr. and Mrs. Neil L. Harvey in Paris, France, came a miniature bas-relief of Edward and Julia Stell Tuck and a catalog of the Tuck Collection which was donated to the Petit Palace Museum in Paris. The preface to the Catalog was subsequently translated from French into English by Miss Theresa Michaud, a student at River College in Nashua, New Hampshire and typed by Ruth Goodwin.

There were many other fine gifts received during the year from interested members and friends, being too numerous to mention in detail here.

Respectfully submitted,
John M. Holman,
Curator

MEMBERSHIP COMMITTEE REPORT

Membership dues may be paid at this time at \$2.00 per person for an individual, \$3.00 for a family membership, or \$25.00 per person for a Life Membership, and may be sent to Meeting House Green, 40 Park Avenue, Hampton, N.H. 03842. Your annual dues and/or life membership dues are very necessary for the Tuck Museum still needs additional display cases and other acquisition equipment, not to mention the continued maintenance of the buildings and grounds.

The Hampton Historical Society cordially invites you to become a member of the Society and welcomes your interest and support in preserving Hampton's rich and historic past.

Respectfully submitted,
Kenneth Nelson,
Membership Chairman.

The Tuck Memorial Museum is open daily during July and August from 1 to 4 p.m. and the admission is FREE. Come see us in 1980, and bring along a friend! You'll be pleasantly surprised at what you'll find behind the door at 40 Park Avenue.

The annual Open House at the Museum will be held on Saturday, June 28, 1980, from 2 to 4 p.m. and from 7 to 9 p.m.

Respectfully submitted,

TOWN WARRANT

1980

1980

TOWN OF HAMPTON STATE OF NEW HAMPSHIRE

TOWN WARRANT 1980

To the inhabitants of the Town of Hampton in the County of Rockingham, said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Gymnasium of the Centre School on Winnacunnet Road on Tuesday, the eleventh day of March, 1980, at eight o'clock in the forenoon to act upon the following subjects: Article 1; Article 21 and Articles 31 through 40.

Pursuant to the actions in Article 16 in the 1973 Town Warrant, the Board of Selectmen has set Saturday, March 15, 1980 at ten o'clock in the forenoon at the Winnacunnet High School Auditorium for the second session of the Annual Town Meeting to act upon the following subjects: Articles 2 through 20; Articles 22 through 30 and Article 41.

Article 1

To choose by non-partisan ballot, one (1) Selectman for three (3) years, one (1) Moderator for two (2) years, one (1) Town Clerk for three (3) years, one (1) Treasurer for one (1) year, four (4) members of the Municipal Budget Committee for three (3) years, six (6) members of the Planning Board, Two (2) for three (3) years, two (2) for two (2) years, two (2) for one (1) year, one (1) Trustee of Trust Funds for three (3) years, two (2) Library Trustees, one (1) for three (3) years, one (1) for two (2) years; three (3) Cemetery Trustees; one (1) for one (1) year, one (1) for two (2) years, one (1) for three (3) years, one (1) Supervisor of the Checklist for six (6) years.

(The Polls for election of officers and Australian Ballot

Articles will be opened at eight o'clock in the forenoon and will remain open until eight o'clock in the evening of the same day.)

ARTICLE 2

On petition of Joseph C. Flynn and 23 legal voters of the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of \$990,000.00 for the design and construction of a new fire station to be located at the corner of Ashworth Avenue and Brown Avenue, such sum to be raised by the issuance of serial bonds or notes not to exceed \$990,000.00, under and in compliance with the provisions of the Municipal Finance Act (RSA 33:1) and to authorize the Selectmen to issue and negotiate such bonds or notes, and to determine the rate of interest thereon, and to take such other action as may be necessary, to effect the issuance of negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton.

(Not recommended by the Budget Committee)

ARTICLE 3

On petition of Alan L. Mason and 17 other legal voters of the Town of Hampton:

- (A) To see if the Town will vote to raise and appropriate the sum of \$985,000.00. to be added to a gift of \$25,000.00 (plus accrued interest due to date) made by Wheaton J. Lane, said total amount to be used for the purpose of building an addition to the Lane Memorial Library; and:
- (B) Authorize the Selectmen to issue and sell such bonds and/or notes in an amount not to exceed \$985,000.00 under and in compliance with the Municipal Finance Acct. (Chapter 33 of the NH Revised Statutes Annotated) and any amendments thereto, and any other enabling

authority, and determine the rate of interest to be paid thereon as may be necessary to effect issuance, negotiation, sale and delivery of such bonds and/or notes as shall be in the best interests of the Town of Hampton, N.H.; and

- C) Authorize the Selectmen to enter into agreements and contracts and to take other action necessary to complete said Library addition and apply for and accept State and/or Federal grants in aid of said project:and
- (D) Any other action in connection with the foregoing matters or any of them.

(Recommended by the Budget Committee)

ARTICLE 4

On petition of Mary L. Loughlin and 23 legal voters of Hampton to see if the Town will vote to raise and appropriate the sum of \$250,000.00 to purchase from the Hampton Beach Village District the land and buildings situated at the corner of Ashworth Avenue and Brown Avenue, comprising the Beach Fire Station and Precinct Garage, subject to the outstanding lease to the Hampton National Bank, such sum to be raised by the issuance of serial bonds or notes not to exceed \$250,000.00, under and in compliance with the provisions of the Municipal Finance Act, RSA 33:1, and to authorize the Selectmen to issue and negotiate such bonds or notes, and to determine the rate of interest thereon, and to take such action as may be necessary, to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton.

(Not recommended by the Budget Committee)

ARTICLE 5

To see if the Town will vote to:

- (A) Raise and appropriate the sum of \$170,000.00, to purchase a new 100 foot aerial ladder.
- (B) Said sum to be raised by issuance and sale of notes and/or bonds under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 NH Revised Statutes Annotated, and any amendments thereto) and any other enabling authority.
- (C) Authorize the Selectmen to issue and sell such bonds and/or notes and determine rate of interest to be paid thereon as may be necessary to affect issuance, negotiation, sale and delivery of such bonds and/or notes as shall be in the best interest of the Town.
- (D) Authorize the Selectmen to enter into agreements and contracts and to take action necessary to purchase said aerial ladder and to apply for and accept state and/or federal grants.
- (E) Any other action in connection with the foregoing matters or any of them.

(Recommended by the Budget Committee)

ARTICLE 6

On petition of Joseph A. Hurley III and 24 legal voters of the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of \$100,000.00 to purchase a new tanker/pumper for the Fire Department to replace one of the Hampton Beach Village District's pieces of apparatus, such sum to be raised by the issue of serial bonds or notes not to exceed \$100,000.00, under and in compliance with the provisions of the Municipal Finance

Act (RSA 33:1), and to authorize the Selectmen to issue and negotiate such bonds or notes, and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issue, negotiation, sale and delivery of such bonds or notes, as shall be in the best interest of the Town of Hampton.

(Not recommended by the Budget Committee)

ARTICLE 7

To see if the Town will vote to accept the budget as submitted by the Municipal Budget Committee, and to raise and appropriate the sum of \$4,386,912.00.

ARTICLE 8

On petition of Mary L. Loughlin and 22 legal voters of the Town of Hampton to see if the Town will vote to raise and appropriate the sum of \$265,000.00 to purchase from the Hampton Beach Village District the so-called "Salt Water System" of pipes and hydrants along Ashworth Avenue for fire protection.

(Not recommended by the Budget Committee)

ARTICLE 9

To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-off against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action herein:

Appropriation	Amount
Police	\$57,000.
Fire	57,000.
Public Works	57,000.
TOTAL	\$171,000.

(Recommended by the Budget Committee)

ARTICLE 10

On petition of Ann F. Devaney and 71 other legal voters of the Town of Hampton, New Hampshire, to see if the Town will vote to raise and appropriate the sum of \$80,000.00 for a Master Drainage Plan for the Town of Hampton.

This Master Drainage Plan will encompass the entire Town of Hampton, it's present problems, future problems and growth.

It will set up a priority system as to most critical area to be drained on a priority basis.

To authorize the Selectmen to enter into agreements and contracts and to take other action necessary to accomplish the Master Drainage Plan and to apply for and accept any state or federal grants in aid of such projects.

Any other action in connection with the foregoing matters or any of them.

(Not recommended by the Budget Committee)

ARTICLE 11

On petition of Joseph A. Hurley III and 23 legal voters of the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of \$75,000.00 to hire the use of the Hampton Beach Village District's fire station, garage and firefighting apparatus.

(Recommended by the Budget Committee)

ARTICLE 12

To see if the Town will vote to raise and appropriate the sum of \$60,000.00 for the purpose of purchasing a parcel of land owned by Adele J. Arnold and Shirlie Arnold, and located on Academy Avenue, north of the town's present Town Office building and further described on tax map No.3, Lot 3.

(Recommended by the Budget Committee)

ARTICLE 13

On petition of Jane P. Kelley and 11 voters of the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of \$8,000.00 to assist the Seacoast Regional Counseling Center, a private, non-profit organization. During the year 1979, 82 Hampton residents for a total of 835 sessions, used this service at a cost of \$36,740 to the Counseling Center. The funds requested are to be used for current operating expenses to enable the Counseling Center to continue providing counseling service for residents of the Town, whether or not said residents are able to pay.

(Not recommended by the Budget Committee)

ARTICLE 14

On petition of Louisa K. Woodman and 15 legal voters of the Town of Hampton to see if the Town will appropriate the sum of \$1,900.00 to purchase one "moving radar" unit for use by the police department.

(Not recommended by the Budget Committee)

ARTICLE 15

On petition of Roland W. Paige and 30 other legal voters of the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of Three Hundred (\$300.00) Dollars for the Portsmouth-Kittery Armed Service Committee.

(Not recommended by the Budget Committee)

ARTICLE 16

To see if the Town will vote to give the Selectmen and Town Treasurer power to borrow not more than \$3,250,000.00 in anticipation of taxes.

ARTICLE 17

To see if the Town will vote to amend the licensing of coin operated amusement devices, Chapter 4, Article 4, Section 4:404, which reads, "The fee for such license shall be in the amount of Two Dollars (\$2.00) for any hall, walk, structure or building containing one or two such devices, and Ten Dollars (\$10.00) for any hall, walk, structure, or building containing three or more such devices."

AMENDMENT

" The fee for any such license shall be in the amount of Two Dollars (\$2.00) for any hall, walk, structure or building containing one to three such devices, and One Dollar (\$1.00) per device for any hall, walk, structure or building containing four to 25 devices; and a flat rate of \$25.00, plus \$.50¢ (fifty cents) per device from 26 devices and up."

ARTICLE 18

On petition of Ashton J. Norton and 68 legal voters of the Town of Hampton to see if the Town will vote for the Town expenditures in 1980 not to raise the town's portion of the tax rate more than .25 (twenty five cents) per thousand over the previous year's (1979) tax rate.

ARTICLE 19

To see if the Town will vote to reduce the costs of publishing the Town Report by amending the format as follows:

- (A) Deleting that section in the Town Report entitled "Vital Statistics".
- (B) To authorize the Selectmen to sell advertising space to local business establishments, which would appear in the 1980 Town Report.

ARTICLE 20

To see if the Town will vote to rescind the vote of authorization to borrow the sum of \$4,205.00 (four thousand two hundred and five dollars) as it appeared in Article #3, in the 1978 Town Warrant. In that said money was in excess of that needed to purchase a new Tanker/Pumper.

ARTICLE 21

On petition of Mary L. Thomas and 16 legal voters of the Town of Hampton, N.H., to see if the Town will vote to:

“Shall we adopt the provisions of RSA 654:34-a, permitting applications for changes in party affiliation to be made with the Town Clerk?”

ARTICLE 22

On petition of 17 legal voters of the Town of Hampton, to see if the Town will vote to adopt the following resolution:

‘Be it resolved that it is declared that there is need for a housing authority to function in the Town of Hampton.

That this resolution is adopted pursuant to N.H. Revised Statutes Annotated 203:4.”

ARTICLE 22-A

To see if the Town will vote to:

“Be it resolved by the Town of Hampton that the New Hampshire Housing Commission be and is authorized to operate in the Town of Hampton, in the State of New Hampshire, that said New Hampshire Housing Commission is authorized to sponsor a project for persons of low income for any of the following accommodations or a combination thereof; (a) Existing standard housing 30 dwelling units; and (b) newly constructed housing 60 units

for the elderly only; the total amount of the foregoing not to exceed 90 dwelling units.

ARTICLE 23

On petition of Norman L. Grandmaison and 22 legal voters of the Town of Hampton, to see if the Town will vote to approve in principle the separation of Hampton Beach from the Town of Hampton as a separate and distinct town.

ARTICLE 24

On petition of James C. Connor and 18 additional legal voters, to see if the town will vote to adopt the following by-law:

Cemeteries: The minimum amount to be accepted by the Town as a perpetual-care trust fund on a grave's surface area in a Town Cemetery shall be \$100, to be held and managed by the Board of Trustees of the Trust Funds, as required by RSA 31, "Powers and Duties of the Towns." The remainder of any proceeds derived from the sale of town land for burial, monument or memorial purposes shall be deposited on a timely basis in the Town's General Revenue Account as an offset against the annual cemetery appropriation, as required by RSA 32, "Municipal Budget Law," which was previously adopted by this Town. The owner, or his heirs or assigns, of a cemetery grave previously transferred by the Town through a bill of sale or deed, with or without a perpetual-care provision, shall not be required to pay an amount for perpetual care to any party as it was a previous, long-standing policy of this Town that with the payment of the price of a grave the Town, through its annual appropriation, would care for the grave.

ARTICLE 25

On petition of Arthur J. Moody and 13 other legal voters, to see if the Town will vote to instruct the Board of Selectmen that it is the policy of this Town that single-family dwellings only are to be the basis of leases for the

private use of town-owned land and that the authority to lease town-owned land is limited to that leased as of the March 2, 1976 Annual Town Meeting, said restriction having been voted at the second session of that meeting at the request of the Board of Selectmen. Any deviation from this town policy must be approved by a properly warned Town Meeting. This town-lease policy does not apply to property acquired through tax-lien deeds, to use deviations legally in effect as of March 2, 1976, or to the land within the lease to the Hampton Beach Improvement Company.

ARTICLE 26

On petition of Arthur J. Moody and 20 other legal voters to see if the Town will vote to authorize the Board of Selectmen to grant one or more franchises to operate a cable television system in this Town, said authorization to encompass the setting of such conditions as the Board shall deem necessary and appropriate. Said conditions may include the setting of subscription or service rates to citizens and franchising fees to the Town to the extent that they are not inconsistent with N.H. RSA Chapter 53-C and the Rules and Regulations of the Federal Communications Commission.

ARTICLE 27

On petition of Jane P. Kelley and 16 other legal voters of the Town of Hampton to see if the Town will vote to authorize and direct the Selectmen to grant a cable television franchise to CableVision Service Co., Inc., upon such lawful conditions as they may require, to erect, install and maintain in, under, or over streets, highways, and other public ways of the Town, wires, cable and other equipment related to the delivery or enhancement of television signals and other electrical impulses all in accordance with and as allowed by, New Hampshire RSA 53-C (Supp. 1977).

ARTICLE 28

To see if the Town will vote to authorize the Selectmen to sell, lease and/or otherwise convey to Public Service Company of New Hampshire at private sale and for fair market value as determined by the Selectmen the right and easement to construct, repair, rebuild, operate, patrol, and remove overhead and underground lines consisting of wires, cables, ducts, manholes, poles and towers together with foundations, crossarms, braces, anchors, guys, grounds, and other equipment for transmitting electric current and/or intelligence over, under and across a Strip of land 135.54 feet in width in the Town of Hampton, County of Rockingham, in the state of New Hampshire.

Said 135.54 foot Strip shall extend 85 feet northeasterly and 50.54 feet southwesterly of a line or extension of a line, described as follows:

Beginning at a point in the westerly boundary of the Town's land at land of Howard D. Page, Jr. and Lois A. Page, said point being located South 25° 09' 25" West, 256.22 feet, along a fence and land of said Pages from an iron pipe found at the northwesterly corner of the Town's land at the northeasterly corner of land of said Pages and at the southerly side of Drakeside Road, so-called; thence, running South 63° 24' 35" East, 355 feet, more or less, to land of Leona M. James. (The bearings in this description are based on the New Hampshire Grid System.)

Said Strip being a part of the premises conveyed to the Town by collector's deed dated November 7, 1977, and recorded in the Rockingham County Registry of Deeds, Book 2298, Page 82.

Said conveyance shall include the right to clear and keep clear the Strip of all trees and underbrush by such means as said Company may select, to remove all structures or obstructions which are now found within the limits of the Strip, and the right to cut or trim such trees on the

above-mentioned premises of the Town as in the judgement of said Company may interfere with or endanger said lines or their maintenance or operation.

Said conveyance shall contain a covenant whereby the Town shall agree for itself and its successors and assigns, that they will not erect or maintain any building or other structure or permit the erection or maintenance of any building or other structure of any kind or nature upon the Strip, or change the existing grade or ground level of the Strip by excavation or filling.

ARTICLE 29

To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend up to \$15,000 in Municipal Coastal Grants as authorized and approved under the New Hampshire Coastal Resources Management Program.

ARTICLE 30

On petition of Scott Mercer and 10 legal voters of the Town of Hampton, to see if the Town will vote to authorize the Selectmen to inform the Nuclear Regulatory Commission that no operating license should be granted to Public Service Company of New Hampshire, because there is no way to safely evacuate the surrounding area. Further, the Town Selectmen inform the Nuclear Regulatory Commission that no Town funds will be spent on an evacuation plan.

ARTICLE 31

Are you in favor of the adoption of Amendment No. 1 as proposed by petition of the voters of this Town to see if the Town will vote to amend the zoning map of the Town of Hampton by rezoning to Residence A (RA) the entire area of Winnacunnet Road, Esker Road, Red Coat Lane, Bonair and Thorwald Streets and any streets or sections of streets that intersect with these streets currently zoned Business-Seasonal (BS) as follows:

Beginning at a point 300 feet northerly from the northerly sideline of Winnacunnet Road where Residence "A", Residence "B" and the Seasonal Business Zones presently meet on the northerly side of Esker Road, and running in an easterly direction along the northerly sideline of the existing Seasonal Business District to the intersection of this line with Kings Highway; thence turning and running southerly in a straight line along the center line of Kings Highway, through the intersection of Red Coat Lane to a point 300 feet southerly from the intersection of Ocean Boulevard and Winnacunnet Road, thence turning and running westerly by a line parallel to and 300 feet southerly from the southerly sideline of Winnacunnet Road to a point in the extension of the westerly sideline of Ring's Restaurant land so-called, in a southerly direction; thence turning and running northerly by the projection of and by the westerly sideline of Ring's Restaurant land to the point of beginning, and as indicated on the shaded area of the zoning map adopted by the Town of Hampton in 1972 and subsequently amended in lieu of the verbal description contained on pages 24-43 of the existing Ordinance as published in 1971, which accompanies this petition. (NOTE: This article appears on the Town Ballot as Amendment #1 by petition.) (Not recommended by the Planning Board.)

ARTICLE 32

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend ARTICLE 1.6.10 to read as follows:

Parking Space: A surfaced area, enclosed in the main building or in an accessory building, or unenclosed, having the dimensions of not less than nine (9) feet by eighteen (18) feet, exclusive of driveways, permanently reserved for the temporary storage of one automobile and connected with a street or immediately by a surfaced driveway which

affords satisfactory ingress and egress for automobiles.
(NOTE: This article appears on the Town Warrant as Amendment #1 by the Planning Board.)

ARTICLE 33

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town as follows:

To see if the Town will vote to amend the Zoning Ordinance by adding a new ARTICLE 1.6.16 to define restaurants as a place where meals can be bought and eaten.

(NOTE: This article appears on the Town Warrant as Amendment No. 2 by the Planning Board.)

ARTICLE 34

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend ARTICLE 6.3.5 to provide that the parking requirements for clubs, restaurants or similar uses shall be 1 space per 3 person capacity.

(NOTE: This article appears on the Town Warrant as Amendment No. 3 by the Planning Board.)

ARTICLE 35

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town as follows:

To see if the Town will vote to amend the Zoning Ordinance by adding a new condition for mobile home parks as ARTICLE 9.1.8. to require that an open space buffer of at least twenty (20) feet shall be preserved along all boundaries of the site. Retained natural woodland shall be preferred landscaping where approved by the Planning Board. Grass and mounds shall be approved buffer material provided suitable indigenous shrubs and other plant material are used for screening. All structures shall be located at least twenty (20) feet from the interior edge of the buffer zone. Buffers adjacent to roads may be reduced when the surrounding area has been previously developed

provided the existing character of the neighborhood is maintained. This may be permitted only upon written recommendation of the Planning Board.

(NOTE: This article appears on the Town Warrant as Amendment No. 4 by the Planning Board.)

ARTICLE 36

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town as follows:

To see if the Town will vote to amend the Zoning Ordinance by amending ARTICLE 4.1 to increase the minimum lot area for mobile home parks to 400,000 square feet.

(NOTE: This article appears on the Town Warrant as Amendment #5 by the Planning Board.)

ARTICLE 37

Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town as follows:

To see if the Town will vote to amend the Zoning Ordinance by amending ARTICLE 4.1.1. to increase the minimum lot area per unit for mobile home parks (other than for those transient facilities presently permitted) from 10,000 square feet to 20,000 square feet. (NOTE: This article appears on the Town Warrant as Amendment #6 by the Planning Board.)

ARTICLE 38

Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town as follows:

To see if the Town will vote to amend the Zoning Ordinance by amending footnote 20 to the minimum lot area requirements (ARTICLE 4.1.) to read as follows:

If public sewer is not available, the minimum lot size

shall be 40,000 square feet.

(NOTE: This article appears on the Town Warrant as Amendment #7 by the Planning Board.)

ARTICLE 39

Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town as follows:

To see if the Town will vote to amend the Zoning Ordinance by amending ARTICLE 11.8.1 to read as follows:

All construction, other than single and two-family dwellings shall conform to the BOCA - Basic Building Code, 1978 edition. Construction of single and two-family dwellings shall conform to the BOCA One and Two-Family Dwelling Code, 1975 edition and to any state and local laws, regulations and ordinances pertaining to such construction.

(NOTE: This article appears on the Town Warrant as Amendment #8 by the Planning Board.)

ARTICLE 40

Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town as follows:

To see if the Town will vote to amend the Zoning Ordinance by amending ARTICLE 11.3.1. to read as follows: All construction shall conform to the BOCA-Basic Fire Prevention Code, 1978 edition.

(NOTE: This article appears on the Town Warrant as Amendment No. 9 by the Planning Board.)

ARTICLE 41

To transact any other business that may legally come before this meeting.

1979 SHADE TREE COMMISSION REPORT

Budget requested was \$3,500.00., budget granted was \$3,000. Over 50 trips to various parts of our town were made to view condition of trees. This year we lost 14 trees by removal. Most of our elms were sprayed, injected and much pruning was done.

Again this year we are indebted to the Exeter & Hampton Electric Co. for their free work and to the Ralston Tree Service for the prompt and efficient service whenever needed.

Six trees were planted along our roadways. Ten other trees were planted on other town land (no charge on these ten).

As long as the diseases of elm and maples are with us we can expect to lose some each year. Also each year we lose trees where the locations will no longer permit planting.

Repairs	\$1,135.50
Removal	1,050.15
Fertilizing, Spraying & etc.	452.70
Planting	360.00
	<u>\$2998.35</u>

We appreciate all the calls from citizens made in the interest of trees which needed attention.

Respectfully submitted,
Roland W. Paige
For the Shade Tree Commission

HIGHWAY SAFETY COMMITTEE

Some of the work projects that the Safety Committee has been able to accomplish with the help of town officials are as follows:

1. Reconstruction of Tide Mill Bridge, Rte. 51, Expressway, with the help of N.H. State Highway funds.
2. Curve at Landing Road - 20 m.p.h. & arrowhead signs.
3. Crosswalks painted at Hampton Beach, Ashworth Avenue, length of beach for safer pedestrian crossing.
4. Four-way stop lines and word STOP at Brown Ave. and Island Path.
5. Worked on getting the traffic problem at High St. and Ocean Blvd. straightened out with the N.H. Highway Safety Agency for safe flow of vehicles and pedestrians. Work to be done in 1980 (state and town funding).
6. Reconstruction of uptown drain on High Street.
7. Were finally able to get State Highway Dept. to clean out drains and fill holes in at North Beach, Rte. 1A for safer driving.
8. The installation of new stop, slow children playing and reduce speed signs throughout town.

The Committee meets first Thursday at 7:00 P.M. of every month in the Selectmen's Meeting Room in the Town Office Building.

Roger A. Syphers
Chairman

ZONING BOARD OF ADJUSTMENT

The past year has been one of great change in this board. Two new board members, John Bellerose and Margaret Lawrence, were appointed, and a new chairman, Henry Stonie, and clerk, Harry Youngman, were elected. Emil Soucy was the fifth member. Four new alternates were appointed: Brian Doherty, Wendell Ring, Jr., Jane Riggs, and Peter Stern to serve along with Bradley Cook.

Fee charges were revamped in the latter part of the year due to increased costs. A twenty-five dollar fee is now required for each petition application along with \$1.50 for each cited abutter. These monies revert to the general fund and cover ongoing secretarial, mailing, and publishing expenses. It is expected that income equals expense.

Meetings of the board are held every third Thursday in the District Court House, and have ranged from three quarters of an hour duration to six hours. Forty-eight petitions were heard and eight re-hearings held. The Building Inspector, John Medlock, was present at those sessions and Eileen Bancewicz served as secretary with Mary Jo Stonie as substitute secretary. After the main public session, the board held short business meetings on occasion and began drawing rules of procedure.

The length and complexity of petitions seems to be increasing as the town grows in population and projects. These volunteer, unpaid board members are to be thanked for their interest and efforts on behalf of the town.

Respectfully submitted,
Dr. Henry J. Stonie
Chairman

TRUSTEES OF THE TRUST FUNDS

The year 1979 was an exceptionally busy and successful year for the Town Trustees. As Chairman, I worked with Bookkeeper Michael McCarthy and Clerk Arthur Moody in handling your poor, library and cemetery trust funds. An additional burden was placed upon us by a private cemetery corporation which has been allowed to sell lots in the town-owned cemetery and, since 1963, retain all the revenue derived therefrom. Since 1971 the town auditor has not audited either the operational accounts involving the annual town appropriations or the over \$100,000 in trust funds built up from the sale of lots. It has been the Town Trustees' position that the trusts resulting from the sale of lots in the town cemetery belong to the people of Hampton, present and future. State law requires that the Town turn over its trust funds to one elected board with one bookkeeper and one set of books. Despite such a request to the Selectmen in August 1978, the new trusts continued to be turned over to the cemetery corporation until June 1979.

The Trustees felt that they had to fulfill their sworn statutory responsibilities and I, along with Clerk Moody, met with an Assistant Attorney General in Concord. We also hired an attorney since a majority of the Selectmen had denied us access to Town Counsel two out of the three times we needed legal advice and we never received a reply the third time. The Attorney General's Office is now working on our request that public trust funds previously turned over to the private corporation be transferred to the responsible town officers (my Board) so that they will come under all the safeguards of the many statutes governing town trusts. (in RSA Chapter 31 especially).

The Selectmen warned a special town meeting for November 1 to authorize a Board of Cemetery Trustees to expend the annual appropriation required under RSA 289. The voters approved and a three-member Board will be elected in March 1980. That Board will be responsible for the daily operation of the town cemetery. Trust funds will continue to be held by the Town Trustees.

New perpetual-care cemetery trusts established in 1979 are (\$100 per surface-area grave): Robert J. Napen

(\$200), Oct. 6; Neil G. and Harriet E. MacPherson (\$200.),
Oct. 6; Robert P. and Eileen R. Spellacy (\$200), Oct. 11; John
J. Lessard (\$200), Oct. 16.

James C. Connor,
Chairman

AMERICAN LEGION POST 35

Dear Ladies and Gentlemen:

Following is a list of expenditures as the result of American Legion activities on behalf of the town of Hampton. Budget granted for 1979 Patriotic Purposes was \$650.00.

Memorial Day

HAMPTON BEACH VILLAGE DISTRICT
AUDITOR'S OPINION

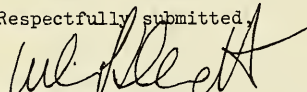

Board of Hampton Beach Village
District Commissioners
Hampton Beach, New Hampshire 03842

Gentlemen:

We have examined the Financial Statements, as indexed, of the Hampton Beach Village District, for the Fiscal Year Ended December 31, 1979. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and other auditing procedures, as we considered necessary in the circumstances.

In our opinion, the Financial Statements of the Hampton Beach Village District, as indexed, present fairly, the financial position of such fund and the results of operations of such fund, for the year ended December 31, 1979, in conformity with generally accepted principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

WILSON P. DENNETT

HAMPTON BEACH VILLAGE DISTRICT

NOTES TO FINANCIAL STATEMENTS

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Hampton Beach Village District conform to generally accepted accounting principles, as applicable to Village Districts, except where noted below.

BASIS OF ACCOUNTING

The Funds included in the Financial Statements are maintained and reported on a modified accrual basis. The major exception to the general rule of expenditure accrual relates to unmaturred Principal and Interest on general obligation Long-Term Debt.

CASH IN CERTIFICATE OF DEPOSIT - ROSS FUND

The Hampton Beach Village District received \$5,000.00 from the Ross Estate. This money is being used at \$1,000.00 per year with the first \$1,000.00 used in 1979.

THE ASHWORTH FUND

The \$240.00 was applied to playground salaries, as provided in the will of the late George Ashworth, in that the money was not used for the annual Christmas Party.

GENERAL FIXED ASSETS

The Fire Station and all its related equipment is recorded at Cost and Estimated Cost. Depreciation of General Fixed Assets should not be recorded in the Accounts of Governmental Funds.

FUTURE DEBT REQUIREMENT

The Debt Service Requirements of the Hampton Beach Village District at December 31, 1979 are as follows:

<u>YEAR</u>	<u>PRINCIPAL</u>	<u>INTEREST</u>	<u>TOTAL</u>
1980	\$ 500.00	\$ 27.50	\$ 527.50
1981	500.00	13.75	513.75
TOTAL	\$ <u>1,000.00</u>	\$ <u>41.25</u>	\$ <u>1,041.25</u>

These Bonds are not shown on the Balance Sheet as per explanation in basis of accounting.

NOTE 2: SALT WATER PROTECTIVE SYSTEM

The Public Utilities Commission has ordered the Hampton Beach Village District to enter into an agreement with the Hampton Water Works Company for the Sale of the Salt Water Protective System. If no agreement can be reached, this system will be taken over by Eminent Domain.

Town of Hampton

TOWN OF HAMPTON

AUDITORS' OPINION

We have examined the financial statements of the various funds and groups of accounts of the Town of Hampton, New Hampshire for the year ended December 31, 1979, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records as we considered necessary in the circumstances.

As is the practice with most New Hampshire communities, the Town of Hampton has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in these financial statements.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds and groups of accounts of the Town of Hampton, New Hampshire at December 31, 1979, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The supplemental schedules included in this report, although not considered necessary for a fair presentation of the financial position and results of operations of such funds and group of accounts, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In connection with our examination we also (1) made a study and evaluation of the Town's system of internal accounting control, (2) performed tests of compliance with the Revenue Sharing Act and regulations as required by Sections II.C.3 and III.C.3 of the "Audit Guide and Standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients" (guide) issued

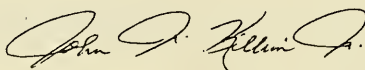

TOWN OF HAMPTON

AUDITORS' OPINION

by the Office of Revenue Sharing, U.S. Department of the Treasury and (3) compared the data on the Bureau of Census Form RS-9 to records of the Town of Hampton as required by Section II.C.4 of the "Guide".

Based on these procedures we noticed no instance of non-compliance with the regulations and no material differences between Census data on Form RS-9 and the records of the Town of Hampton for the year ended December 31, 1979.

January 28, 1980

TOWN OF HAMPTON

LETTER OF TRANSMITTAL

Members of the Board of Selectmen
Town of Hampton
Hampton, New Hampshire

Members of the Board:

Submitted herewith is the report of our examination of the financial statements of the Town of Hampton, New Hampshire for the year ended December 31, 1979. Exhibits as hereafter listed are included as part of this report.

FINANCIAL STATEMENTS

Combined Balance Sheet - All Fund Types and Account Groups. Exhibit A

A combined balance sheet - all fund types and account groups is contained in Exhibit A.

General Fund

Balance Sheet Exhibit A-1
Statement of Changes in Fund Balance. Exhibit A-2
Statement of Estimated and Actual Revenues. Exhibit A-3
Statement of Appropriations, Expenditures and Encumbrances. Exhibit A-4

A balance sheet disclosing the financial condition of the general fund is presented in Exhibit A-1. As indicated therein, the unreserved fund balance amounted to \$265,765 at December 31, 1979. A statement of the changes in fund balance is shown in Exhibit A-2.

Statements of estimated and actual revenues, appropriations, expenditures and encumbrances are included in Exhibits A-3 and A-4, respectively. Revenues in excess of estimates amounted to \$62,374, while appropriations exceeded expenditures and encumbrances by \$35,994, resulting in a 1979 budget surplus of \$98,368.

FINANCIAL STATEMENTS

All Special Revenue Funds

Combining Balance Sheet Exhibit B-1
Combining Statement of Revenues,
Expenditures and Changes in Fund Balances Exhibit B-2

A combining balance sheet of all the special revenue funds is presented in Exhibit B-1. These funds include Federal Revenue Sharing, Public Library, District Court, Conservation Commission, Mosquito Control Commission, Parking Lots and Coastal Planning Grant Funds. The unreserved fund balances totaled \$220,884 at December 31, 1979. A combining statement of revenues, expenditures and changes in fund balances is contained in Exhibit B-2.

All Capital Projects Funds

Combining Balance Sheet Exhibit C-1
Combining Statement of Revenues,
Expenditures and Changes in Fund Balances Exhibit C-2

A combining balance sheet of all the capital projects funds is presented in Exhibit C-1. A combining statement of revenues, expenditures and changes in fund balances is contained in Exhibit C-2. The fund balances totaled \$523,252 at December 31, 1979.

All Trust and Agency Funds

Combining Balance Sheet Exhibit D-1
Combining Statement of Revenues,
Expenditures and Changes in Fund Balances Exhibit D-2

A combining balance sheet of all the trust and agency funds is presented in Exhibit D-1. A combining statement of revenues, expenditures and changes in fund balances is included in Exhibit D-2. These funds include the Town trust funds and Performance Bonds fund. The total fund balances amounted to \$37,051 at December 31, 1979.

General Long-Term Debt Group of Accounts

Balance Sheet Exhibit E-1
Statement of Town Debt. Exhibit E-2

A balance sheet of the general long-term debt of the Town is contained in Exhibit E-1. The long-term debt amounted to \$1,255,248 at December 31, 1979. A statement of Town debt is shown in Exhibit E-2.

Very truly yours,

KILLION, PLODZIK & SANDERSON

The accompanying notes are an integral part of these financial statements.

TOWN OF HAMPTON

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Basis of Presentation

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equities, revenues, and expenditures or expenses. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action.

Capital Projects Funds - The Capital Projects Funds are used to account for financial resources segregated for the acquisition or construction of major capital facilities other than those financed by enterprise operations.

FIDUCIARY FUNDS

Trust and Agency Funds - Trust and Agency Funds are used to account for the assets held in trust or as an agent by the Town for others.

ACCOUNT GROUPS

General Long-Term Debt Account Group - This account group is established to account for the long-term debt that is backed by the Town's full faith and credit.

B. Basis of Accounting

The Governmental and Fiduciary Funds are presented on the accrual method of accounting. General governmental liabilities for the retirement of long-term debt are accounted for on the cash basis in the General Long-Term Debt Account Group. Amounts due in future periods are provided by appropriation and become part of the funds raised through taxes.

NOTES TO THE FINANCIAL STATEMENTS

C. Budgetary Accounting and Encumbrances

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations.

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures; therefore, the reserve for encumbrances is reported as part of the fund balance, although the transaction is accounted for as a reduction of budgeted appropriation in the year the commitment is made.

D. Investments

Investments in all instances are stated at cost, or in the case of donated investments, at market value at the time of bequest or receipt.

E. Inventories

Inventory in the general fund consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

F. General Fixed Assets

General fixed assets have been acquired for general governmental purposes and have been recorded and expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the Town does not maintain a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Note 2 - PENSION PLAN

The police, fire and other Town employees are covered under the State of New Hampshire Retirement System. Contributions are deducted at rates according to employment compensation. The Town's contribution for normal cost of the plan is based upon an actuarial valuation of the entire State plan and has been set at various rates of the employees' annual compensation. Since the actuarial valuation is performed on the entire State plan, the amount, if any, of the excess of vested benefits

TOWN OF HAMPTON

NOTES TO THE FINANCIAL STATEMENTS

over pension fund assets for the Town of Hampton is not available. The Town does not have an accrued liability for past service costs. The expense for 1979 was \$100,752.

Note 3 - VACATION AND SICK PAY

Employees may accumulate unused sick leave. Vacation is granted in varying amounts based on length of service. The Town's policy is to recognize cost of sick and vacation leave only at the time payments are made.

SCHEDULE I
 TOWN OF HAMPTON
