YES 377 NO 1220

Saturday, March 12, 1983

The second session of the March 8, 1983 Town Meeting was called to order by Moderator H. Alfred Casassa at 10:00 A.M. at the High School cafeteria.

Director of Public Works, George Hardardt led the Pledge of Allegiance to the Flag.

Hon. Kenneth W. Malcolm offered the Invocation.

The Moderator explained the parliamentary rules which would be followed in the conduct of the Meeting and introduced the head table.

The business of the Meeting began with the introduction of Article 13.

ARTICLE 13: The undersigned legal voters of the Town of Hampton respectfully request that the following item be placed in the Town Warrant for consideration at the Annual Town Meeting to be holden on the second Tuesday of March, 1983:

To see if the Town will raise and appropriate the sum of \$1,223,000.00 Dollars for the purpose of building and equipping an addition to the Lane Memorial Library in accordance with the report and recommendations submitted at the 1983 Annual Meeting by the 1982 Lane Memorial Library Study Committee, said sum to be raised as follows:

a. \$790,000.00 Dollars of said sum to be raised by the issuance of Serial bonds or Notes not to exceed \$790,000.00 under and in compliance with the provisions of the Municipal Finance Act (N.H.R.S.A. 33:1 et. seq. as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereof, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton;

b. \$250,000.00 Dollars of said sum to be raised by withdrawal of same from the capital reserve fund established for such purpose by the 1981 and 1982 Annual Meetings;

c. \$100,000.00 Dollars of said sum to be raised by contributions from other sources; and

d. \$83,000.00 Dollars of said sum to be raised from interest anticipated to be accumulated on all the aforesaid sums until expended; the provisions for the withdrawal and expenditure of funds from the capital reserve fund acceptance of contributions from any and all lawfull sources and expenditure of same, and all other matters relating thereto to be delegated to the Selectmen.

(Recommended by the Budget Committee)

The Moderator recognized the Chairman of Lane Memorial Library Study Committee, Mr. Richard Millette.

Article 13 was moved by Robert V. Lessard and seconded by Ashton Norton. Kenneth Malcolm moved the question after discussion and his motion was seconded by Paul Nersesian. The motion passed. Since passage required a 2/3 majority the polls were opened at 10:30 A.M. and closed at 1:30

P.M. giving everyone a chance to vote on the question.

The results of the vote were:

YES 586 NO 91

Article 13 passed.

ARTICLE 14 To see if the Town will vote to raise and appropriate to add to the Capital Reserve Fund for the purpose of constructing a new library or an addition to the Lane Memorial Library the sum of One Hundred Thousand (100,000.00) dollars due and payable December 31, 1983, for the purpose, to be added to such other monies as may be received for such purpose, in accordance with RSA 35. All interest earned on said appropriation shall be added to the said Capital Reserve Fund.

(Recommended by the Budget Committee)

The moderator suggested that Article 14 would become moot if Article 13 passed, and recommended skipping Article 14 until after the polls closed on Article 13 at 1:30 P.M.

The motion to postpone was made by Paul Nersesian and seconded by Glyn Eastman. The motion passed.

After the announcement that Article 13 had passed by more than a 2/3 majority, Paul Nersesian moved that Article 14 be indefinitely postponed, seconded by Glyn Eastman. The motion passed and

Article 14 was indefinitely postponed.

ARTICLE 15: To see if the Town will vote to accept the budget as submitted by the Municipal Budget Committee and to raise and appropriate the sum of \$5,920,681.00.

Article 15 was moved by Arthur Moody and seconded by Glyn Eastman.

Dana Newcomb moved to amend Article by raising \$49,500 for drainage in the Town of Hampton. The motion was seconded by Diane Newcomb.

The Moderator asked for a count on the Newcomb amendment.

YES 50 NO 118

The Newcomb amendment failed.
Article 15 was passed without amendment.

ARTICLE 16: We, the undersigned, being legal residents of the Town of Hampton, New Hampshire, petition the Selectmen at the next Town Meeting as to the following:

All town-owned Lots to the East (Oceanside) of Lots #267 and #272, Town of Hampton Map #105, and Lots #165, 182, 212, 220, 243 and 248, Town of Hampton Map #104, located in the so-called "Pines", be made into a perpetual park, and registered in the Rockingham County Court House, Exeter, N.H. as such.

Article 16 was moved by Diana LaMontagne, seconded by Peter Randall.

Paul Nersesian moved to sell the lots for fair market value.

The Moderator would not entertain the amendment because it was a substitution for Article 16.

Arthur Moody offered the following amendment:

"by adding; and that from this day forward these lots shall not be considered to be included in any Town Meeting vote, past or present, concerning Town-owned leased land or leased lots." The amendment was seconded by Kenneth Malcolm.

The Moody amendment failed.

Phyllis Tucker moved to amend Article 16 by inserting after "Pines: and any land that accrues in the future to the east."

The amendment, seconded by Laura McLean, passed.

Article 16 passed as amended.

ARTICLE 17: To see if the Town will vote to give the Selectmen and Town Treasurer power to borrow not more than \$3,900,000 in anticipation of taxes.

(Recommended by the Budget Committee)

(Recommended by the Budget Committee)

Article 25 was moved by Glyn Eastman, seconded by Ashton Norton.

The subject of the \$1.00 came up because it had not been appropriated. Kenneth Malcolm offered to donate the \$1.00

Article 25 passed.

ARTICLE 26: To see if the Town will vote to rescind Article 2 of the March 14, 1981 Town Meeting and substitute the following;

"To see if the Town will vote to raise and appropriate a sum of \$95,000 for the purpose of preparing a facilities plan on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et sec.) and will qualify the Town for Federal and State funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$95,000 under and in compliance with the provisions of the Municipal

Finance Act (NH RSA 33.1 et sec., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Hampton, N.H., and to allow the Selectmen to expend such monies as become available from the Federal and State Government under Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et sec.) and pass any vote relating thereto."

(Recommended by the Budget Committee)

Article 26 was moved by John Walker, seconded by George Hardardt.

Article 26 was passed by 2/3 of those present and voting.

ARTICLE 27: To see if the Town will vote to raise and appropriate a sum of \$250,000 for the purpose of preparing plans and specifications on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq) and will qualify the Town for Federal and State Funds; up to \$62,500 of this sum is to appropriated from funds already raised pursuant to Article 2 of the 1979 Town Meeting for this same purpose, the balance of the \$250,000 to come from Federal and State matching funds, and the Selectmen are further authorized to expend such monies as become available or have become available from the Federal Government under the Federal Water Pollution Control Act, and pass any vote relating thereto.

The purpose of this Article is to effect an amendment to Article 2 of the 1979 Town Meeting, to clarify the amount of money to be raised and appropriated by the Town and to increase the total funds appropriated for preparing plans and specifications.

(Recommended by the Budget Committee)

Article 27 was moved by John Walker, seconded by George Hardardt.

Article 27 passed.

ARTICLE 28: We the undersigned, being voters and residents of the Town of Hampton, petition to see if the town will instruct the Selectmen to maintain and keep up the property it owns on High Street, known as the "Mill". As the lack of such maintainance will cause harm to this historic building and devalue the property surrounding it.

Article 28 was moved by Ashton Norton, seconded by Diana LaMontagne.

Article 28 passed

ARTICLE 29: Due to the severe drainage problems at Tuck Field, the following registered voters of the Town of Hampton, petition the Town to see if it will vote to raise and appropriate \$7,000 to conduct a design study of Tuck Field, consisting of map of topography, subsurface soil explorations and a general gathering of existing data to render an understanding of existing conditions contributing to the drainage problems.

(Recommended by the Budget Committee)

Article 29 was moved by Robert V. Lessard, who after consultation with Ashton Norton withdrew his motion.

Ashton Norton moved to indefinitely postpone Article 29.

The motion was seconded by John Walker.

The question was moved by Victor DeMarco, seconded by Mr. Sullivan.

The Norton amendment failed.

The question was moved by Victor DeMarco, seconded by Craig Salomon.

Article 29 passed

ARTICLE 30: On petition of Arthur J. Moody and nine or more other legal voters, to see if the Town will vote to increase the salary, or stipend, of the Board of Selectmen from \$1,200 to \$2,000 per year per member, as requested by the Board, and to raise and appropriate sufficient funds therefore, as well as for the previously set amount of \$500 annually paid each member to cover any personal expenses of the office that may be incurred.

(Recommended by the Budget Committee)

Article 30 was moved by Arthur J. Moody, seconded by Glyn Eastman.

Mr. Moody moved to amend article 30 by substituting \$2,500 per year per member. "To raise and appropriate the sum of \$4,000, to increase the Selectmen's salary to \$2,000 plus the \$500 per annum."

The question was moved by Arthur J. Moody, seconded by Glyn Eastman.

The amendment passed.

Article 30 passed as amended.

ARTICLE 31: On petition of Thomas H. Burbank and 17 voters of the Town of Hampton: To see if the Town will vote to raise and appropriate the sum of \$8,000 to assist the Seacoast Regional Counseling Center, a private non-profit organization.

During the year 1982, over 100 Hampton residents for a total of 1200 plus sessions used this service at a cost of \$73,000 to the Counseling Center. The funds requested are to be used for current operating expenses to enable the Counseling Center to continue providing counseling service for residents of the Town, whether or not said residents are able to pay.

(Recommended by the Budget Committee)

Article 31 was moved by Thomas Burbank, seconded by Peter Randall.

Article 31 passed

ARTICLE 32: To see if the Town will vote to appoint a 350th Birthday Celebration Committee consisting of Five (5) members to be appointed by the Board of Selectmen and to raise and appropriate the sum of Five Hundred (\$500) dollars to be used by the same.

(Recommended by the Budget Committee)

Article 32 was moved by Ashton Norton, seconded by Kenneth Malcolm.

Article 32 passed

ARTICLE 33: To see if the Town will vote to raise and appropriate the sum of \$3,000 for the Area Homemaker Home Health Aide Service, Inc. to defray a portion of the costs of services provided by said organization to residents of the Town.

(Recommended by the Budget Committee)

Article 33 was moved by Allaire Nownes, seconded by Kenneth Malcolm.

Article 33 passed

ARTICLE 34: We the undersigned voters, petition the Town of Hampton to appropriate the sum of \$2,157 to Greater Portsmouth Community Action Center, a subdivision of Rockingham County Community Action Program, Inc., a private, non-profit, antipoverty agency. This figure represents 2.5% of \$86,317 in services rendered to Hampton residents during the fiscal year 9/1/81 - 8/31/82.

Article 34 was moved by Jane Kelley, seconded by Ashton Norton.

Article 34 passed

ARTICLE 35: I, Robert H. Price, resident of the Town of Hampton, present this petition with the following signatures to see if the Town of Hampton will vote to raise and appropriate the sum of \$1,600 from the general town revenue for the Newmarket Regional Health Center services and programs, including the Senior Citizen Transportation Program.

(Recommended by the Budget Committee)

Article 35 was moved by Robert H. Price and seconded by Glyn Eastman.

Article 35 passed

ARTICLE 36: To see if the Town will vote to raise and appropriate the sum of \$1,500 for the Seacoast Task Force on Family Violence, a private nonprofit organization, which operates A SAFE PLACE, shelter for Battered spouses and their children, which provides shelter and supportives services to residents of Hampton.

From January through September, 1982, 16 Hampton residents received services from A SAFE PLACE, including 2 familes which received 127 days of shelter, and 13 individuals who received crisis line services, including assistance with obtaining restraining orders.

(Recommended by the Budget Committee)

Article 36 was moved by Victor DeMarco, and seconded by William Wilson.

Article 36 Passed

ARTICLE 37: We, the undersigned Hampton residents, petition the Town of Hampton to place on the warrant the request for the Seacoast Big Brother/Big Sister of New Hampshire for the sum of \$1,060 to help defray some of the expenses for fiscal year 1983.

(Recommended by the Budget Committee)

Article 37 was moved by Peter Randall and seconded by Ansell Palmer.

Article 37 passed

The Moderator recognized Bruce Aquizap for the purpose of giving a report from the Vietnam Honor Roll Committee.

The Committee of five appointed by the Moderator are bringing before the Town meeting the findings of the Committee.

1. The Korean stone now located in front of the Junior High to be moved in front of the Court House and reverse side to be used.

Reasons:

(1) Savings to the Town.

(2) One stone is on the west side of the grass. This one would be located on east side on the grass.

(3) More people would observe the stone, than where it is now located.

(4) Plaques of three wars would be together.

2. The estimated cost as of Feb. 8, 1983 \$2,350.

Consist of:

(1) Re-setting of stone.

(2) Bronze Plaque.

(3) Installation of plaque.

This price is based on 900 letters. Additional letters will be extra.

3. The dates of eligibility shall be Dec. 7, 1961 - May 7, 1975 set by Congress.

If it is the wishes of the Town's people to honor the Vietnam Veterans, the Committee shall do the following:

(1) Names will be obtained from adjutant General's office, individuals, newspapers and magazines.

(2) Funds for the project which may be higher next year, would be put in next years Town Budget.

Diana D. LaMontagne
Chairman

Kenneth Malcolm moved acceptance of the report with thanks to the committee. His motion was seconded by Robert V. Lessard.

The motion passed

ARTICLE 38: The undersigned registered voters of the Town of Hampton respectfully request that the following item be placed in the Town Warrant for consideration at the Annual Meeting to be holden on the 12th day of March 1983.

To see if the Town will vote to raise and appropriate the sum of \$1,384 to assist Rockingham Child and Family Services, a private non-profit organization. The amount of this request is based on services rendered to 38 residents of the Town of Hampton during the period July 1, 1981 through June 30, 1982, inclusive. These residents used \$5,180 worth of services, however, only \$1,384 could be billed according to their ability to pay. We therefore request a match payment from the Town, in this instance being \$1,384. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of Hampton whether or not said residents are able to pay.

(Recommended by the Budget Committee)

Article 38 was moved by Frances Irving, seconded by Russell Bridle.

Article 38 passed

ARTICLE 39: We the undersigned, Hampton residents and RSVP volunteers petition the Town of Hampton to place on the warrant the request to support the Retired Senior Volunteer Program by allocating \$500 to help defray some of the expenses for fiscal year 1983 - 1984.

(Recommended by the Budget Committee)

Article 39 was moved by Robert V. Lessard, seconded by Diana LaMontagne.

Article 39 passed

ARTICLE 40: On petition of Roland W. Paige and 24 other legal voters in the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of \$300 for the Portsmouth-Kittery Armed Services Committee.

(Recommended by the Budget Committee)

Article 40 was moved by Roland Paige, seconded by Glyn Eastman.

Article 40 passed

ARTICLE 41: We, the undersigned, being legal voters in the Town of Hampton hereby petition the Hampton Board of Selectmen to place the following Article on the Hampton Town Warrant for the Annual Town Meeting to be held in March 1983 pursuant to provisions of RSA 39:3:

To see if the Town of Hampton will vote to close and discontinue that portion of Briar Road which is situated between North Shore Road and Cranberry Lane.

Article 41 was moved by Robert V. Lessard to indefinitely postpone, seconded by Paul Nersesian.

Article 41 was indefinitely postponed.

ARTICLE 42: To see what action the Town will take on the following question:

To see if the Town will vote to exchange a portion of land owned by the Town and located on the northeasterly side of Dumas Avenue, to and with Ronald J. Pare and Maura G. Pare in exchange for a portion of land adjacent to said parcel and owned by Ronald J. and Maura G. Pare. Said parcels are described as follows:

Town parcel: Beginning at a point at the northwesterly corner of the within described premises at land now or formerly of the Town of Hampton and turning N 46° 15' 20" E for a distance of 20.75 feet to a point; thence turning and running

N 69° 19' 15" E for a distance of 11.05 feet to a point; thence turning and running S 89° 45' 28" E for a distance of 21.28 feet to a point; thence turning and running S 81° 35' 20" E for a distance of 20.92 feet to a point; thence turning and running S 44° 26' 10" E for a distance of 25.58 feet to a point; the last five directions being along land of the Town of Hampton and the Atlantic Ocean. Thence turning and running S 31° 8' 21" W for a distance of 105.65 feet along land now or formerly of the Town of Hampton and land now or formerly of J. Doyle. Thence turning and running N 16° 50' 14" W for a distance of 66.09 feet to a found fence post; thence continuing N 20° 38' 29" W for a distance of 32.42 feet to the point of beginning. The last two courses being along other land of Ronald J. and Maura G. Pare and along the travelled portion of Dumas Avenue, so-called.

Pare Land: Beginning at a point representing the southerly most point of the land described in the paragraph above, and at the intersection of land now or formerly of J. Doyle and Ronald J. and Maura G. Pare and turning and running S 31° 8' 21" W for a distance of 30.91 feet to the sideline of Dumas Avenue, so-called: thence turning and running along a curve with a right hand turn along said Dumas Avenue for a distance of 24.3 feet to a point; thence turning and running N 10° 28' 50" E for a distance of 51.48 feet along said Dumas Avenue to a point; thence turning and running S 16° 50' 14" E for a distance of 47.47 feet to the point of beginning and along a portion of the land described above.

And to authorize and empower the Selectmen, on behalf of the Town, to execute such deeds and other documents as are required to complete the exchange transaction.

Both parcels to be exchanged as described above are further described on a plan entitled "Exchange of land for Ronald J. Pare and Maura G. Pare, Hampton, New Hampshire. Scale 1" = 20', September 1982, Parker Survey Associates, Inc., Exeter and Seabrook, New Hampshire."

Article 42 was moved by Robert V. Lessard, and seconded by William Wilson.

Article 42 passed

ARTICLE 43: On petition of Arthur J. Moody and nine or

more other legal voters, to see what amount shall be set for the annual salary and/or benefits of the Manager.

Article 43 was moved by Arthur Moody, seconded by Richard Bateman.

The Moderator read a letter from Town Counsel stating that the substance of this article would have already been dealt with in Article #15.

Margaret Lawrence moved the question, seconded by Paul Nersesian.

Article 43 failed

ARTICLE 44: On petition of Mary-Louise Woolsey and at least nine other legal voters to see what votes the town may take in relation to the sale of town-owned leased land.

Article 44 was moved by Mary-Louise Woolsey, seconded by Arthur Moody.

Mary-Louise Woolsey moved to rescind the vote of May 11, 1982 special Town Meeting relative to the sale of leased land.

The Moderator stated that this article was not specific enough, and that the voters had not been sufficiently warned of the action which might be taken under this article. Lacking such specificity he declared the motion out of order. Ref: RSA 39:2 on advice of Town Counsel.

Arthur Moody offered an amendment, seconded by Suzanne Ficke, "To suspend all land sales in the Hampton Beach Improvement Company area."

Ralph Coliander moved the question, seconded by William Wilson.

The Moody amendment failed.

Gerry Dignam moved the question, seconded by Kenneth Malcolm.

Article 44 Failed

ARTICLE 45: On petition of Arthur J. Moody and nine or more other legal voters, to see if the Town will vote to establish a committee of at least five members, to include the Fire and Police Chiefs, or their designees, and a minimum of three citizens appointed at large by the Board of Selectmen, to study

a user and/or penalty fee structure of charges for the provision of special and extra services related to the use of private fire, burglar, etc., alarm systems in structures other than those owned by the Town, or School District or Village District situated wholly within the Town, and to develop ordinances or administratively imposed fees to cover same. The intent of such fees is to place more of the cost of those special demands, which are above and beyond those considered usual or traditional, imposed on the emergency services onto those requesting them rather than on all property taxpayers as a group, since these demands have resulted in hundreds of emergency runs (increasing in number each year) for false alarms caused by malfunctioning (other than by an external power problem), improperly designed, installed or maintained, or over-sensitive alarm systems, or incorrect use thereof, and which activations are reported to the departments by electronic, mechanical, radio or telephonic means other than by an observer who is, or was, at or near the scene (audible alarms on structures will have to be covered separately).

Article 45 was moved by Arthur Moody, seconded by Richard Bateman.

Article 45 failed.

ARTICLE 46: On petition of Arthur J. Moody and nine or more legal voters, to see if the Town will amend the Dump Ordinance adopted by the 1967 Annual Town Meeting to increase the penalty for conviction of each offense from a fine not exceeding \$10 to a fine not exceeding \$100, the maximum under the state's penal code for most "Violations". Also, to add the following to the penalty section: "Upon a second conviction within a 12-month period, loss of dump privileges for a period of time, as set by the Court, or subsequent to such conviction by the Board of Selectmen, after a hearing, if requested, may be imposed."

Article 46 was moved by Arthur Moody, Seconded by Richard Bateman.

Article 46 passed

ARTICLE 47: We, the undersigned, being legal voters in

the Town of Hampton, N.H., do hereby petition the Board of Selectmen of said Town, to place the following article on the warrant for the 1983 annual meeting.

ACID RAIN WARRANT ARTICLE

To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Hampton, N.H., and to the health and welfare of the people of Hampton, N.H.

These Actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.

2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

Article 47 was moved by Peter Randall, seconded by Paul Nersesian.

Bruce Aquizap offered an amendment, seconded by David Colt, "3. Support those energy producing projects required to maintain adequate industrial levels such as nuclear and hydro electric power plants that do not cause acid rain."

The amendment failed.

Ralph Colliander moved the question, Margaret Lawrence seconded.

The motion passed and Article 47 passed unanimously.

ARTICLE 48: On petition of 12 legal voters of the Town of Hampton, New Hampshire, to see if the Town will vote to adopt the following resolution:

BE IT RESOLVED, by the Town of Hampton that no Representative Official or Designated Agent of the Town of Hampton will assist or cooperate with Public Service Company of New Hampshire, the New Hampshire Civil Defense Agency, of the Federal Emergency Management Agency in initiating, formulating or carrying out any Nuclear Emergency Response Plan established pursuant to N.H. RSA 107-B:1 through N.H. RSA 107-B:6 until such time as the United States Nuclear

Regulatory Commission promulgates specific and binding regulatory standards defining emergency response adequacy under 10 C.F.R. 50.47. Such standards must detail adequate Town Specific:

- (1.) Time limits for complete evacuation of each Town within the 10 Mile radius from the Seabrook Station Site,
- (2.) Human dose levels between initiation and completion of a complete evacuation with respect to:
 - (a.) Resident Town populations and,
 - (b.) Transient summer populations.

This resolution shall remain in effect until dissolved by the Town of Hampton after it has been satisfied that the standards described above have been established in final form.

ADDENDUM

For purposes of this Resolution the word "assist" shall mean to communicate or provide any existing or future known information relating in any way to the development of any Nuclear Emergency Response Plan.

Article 48 was moved by Richard Dumaine, seconded by Paul Sullivan. The question was moved by Glyn Eastman, seconded by Ralph Colliander.

Article 48 failed.

ARTICLE 49: On petition of James and Ann Polizzo and Gary and Sandra Upham, and ten or more legal voters of the Town of Hampton to vote to abandon and discard that roadway (approximately 50' X 88') within the town which is shown on the plan entitled "Subdivision Plan of Glen Hill" approved February 11, 1960, running between the property of James and Ann Polizzo and Gary and Sandra Upham on Carolan Avenue, Hampton, New Hampshire between Lot #19 and Lot #20 said roadway or paper street being over twenty years old, and to further authorize selectmen to quitclaim one half of said roadway to each abutter, James and Ann Polizzo, and Gary and Sandra Upham.

Article 49 was moved by Craig Salomon, seconded by James Polizzo.

Seth Junkins moved to indefinitely postpone Article 49, seconded by Paul Nersesian.

Roland Paige moved the question, seconded by William Wilson.

The motion to indefinitely postpone passed.

The Moderator asked if there was any other business to come before the meeting.

Kenneth Malcolm asked that those assembled stand for a moment of silence in memory of those people active in town affairs during their lifetimes, who had passed away during the preceeding year.

Caroline Higgins, Joseph Flynn, George Downer, William Stickney, and Jeanne Cassidy.

A few moments of silent reflection were observed as the Town paid its respects to these persons who had contributed so much to the Town and to its citizens.

Louisa Woodman wished to thank all those who worked toward the improvement of the Lane Memorial Library, seconded by Kenneth Malcolm. Her resolution was passed unanimously.

The legislative delegation was offered thanks for their work on the enabling legislation which was a necessary prerequisite to selling the leased land.

Move to adjourn was made by Paul Nersesian, seconded by Ray Hutchinson.

Respectfully submitted
Jane Kelley, Town Clerk

SPECIAL TOWN MEETING

December 8, 1983

Moderator, H. Alfred Casassa opened the Special Town Meeting at 7:30 P.M. in the Winnacunnet High School auditorium. Declaring the presence of a quorum he read the Return of the Warrant.

George Hardhardt led the Pledge of Allegiance. Rev. Henry Stonie delivered the opening prayer.

The Moderator read the Warrant:

"To the Inhabitants of the Town of Hampton in Rockingham County, New Hampshire, qualified to vote in town affairs:

"You are hereby notified that there will be a special town meeting held at the cafeteria of the Winnacunnet High School, Alumni Drive, Hampton, New Hampshire, at 7:30 P.M., on Thursday, December 8, 1983.

"This special town meeting is being warned by the Board of Selectmen of the Town of Hampton for consideration of the following subject matter:

"To see if the Town will vote to clarify that the "leased lands" which it voted to sell at it's special town meeting of May 11, 1982 were intended to include only those 640 lots historically leased by the Town within the areas commonly referred to as the "Pines" lots (bounded on the North by "Q" Street and Haverhill avenue, on the East by Beach, on the South by Epping Avenue, and on the West by Ashworth Avenue and Ocean Boulevard); those lots leased to the Hampton Beach Improvement Company (bounded on the North and West by Ashworth Avenue, on the East by Ocean Boulevard, and on the South by "Q" Street); "King's Highway" lots (bounded on the North by High Street, on the East by Ocean Boulevard, on the South by Winnacunnet Road, and on the West by King's Highway); and the "Plaice Cove/North Beach" lots (Bounded on the North by the North Hampton Town Line, on the East by Beach, on the South by the Southerly line of the Ancient Highway, and on the West by Ocean Boulevard.)

Passage was moved by Selectman Ashton Norton, Seconded by Glyn Eastman.

Norton explained the purpose of the meeting was to make a housekeeping change in the May, 1982 vote, relating to purchase of lands other than at the Beach.

After a short discussion the question was moved by Ashton Norton, seconded by Robert Lessard.

The motion passed and the meeting was adjourned.

Respectfully submitted,
Jane Kelley, Town Clerk

BOARD OF SELECTMEN'S ANNUAL REPORT

To the Citizens of Hampton:

The Board of Selectmen takes great pleasure presenting Hampton's 346th Annual Report for the year ending December 31, 1983.

The Board of Selectmen welcomed Mrs. Woodman as the newly elected member of the Board after the Town Meeting in March.

The year of 1983 was an extremely busy year with the following major items being planned and accomplished:

First of all, after many years of planning, the ground breaking ceremony for the Lane Memorial Library expansion was held and construction is now under way for the new addition to this fine public facility. A hearty thanks to all committees and individuals who worked so hard to bring this dream to a reality.

Second, but no less of a major accomplishment, was the large move forward in the sale of the leased land at Hampton Beach. In the very near future, the Board of Selectmen should be able to begin the actual process of transferring the deeds to the leaseholders desiring to make the purchases.

Other major programs accomplished in 1983 were Phase 1 of the Solid Waste Disposal plan and the 201 Study pertaining to our Waste Water Treatment Plant, a necessary item if we are to remain eligible to receive Federal Funds for sewer projects.

The Selectmen greatly increased the parking at the beach through the construction of two new parking lots and the enlargement of one other. This will make parking more available and easier for our many summer guests.

The Selectmen had a beach traffic study done by the Dufresne-Henry Company and are confident the many changes

recommended will enhance the flow of traffic at Hampton Beach when put into effect this year.

The Town also continued to expand its sewer system with the inclusion of Mill Pond Lane, Little Fox Road and Glen Road into our sewer system.

Your Board of Selectmen also made several changes in the Town office structure to streamline the workload and provide better service to the public. Our Town office computer has had several more programs added which includes the Precinct voter list and will soon be including the Town's voter list.

The year of 1983 was a difficult year financially for Hampton due to the ever increasing costs of providing the necessary services for our citizens. Most of these increases were due to changes in the various State laws which increased the financial burdens placed on the local budget rather than the State budget.

However, with diligent planning and fiscal austerity, your Town Fathers managed to hold the increases in taxes to a very minimal amount, while still providing a high level of service to you.

Projects that were reviewed in 1983 and will bear fruit in the very near future, will include the reconstruction of the Neil Underwood Bridge, the reconstruction and straightening of the Tide Mill Bridge on Route 51, and the eventual use of the Arnold property by the citizens of Hampton.

This report covers some of the highlights of our 1983 activities. We have tried to work in the best interest of all of our citizens of the Town and with your help we will continue to develop an even better Hampton in the years ahead.

Respectfully submitted,

Board of Selectmen:
John R. Walker, Chairman
Brian G. Doherty, Vice-Chairman
Ashton J. Norton
Robert V. Lessard
Louisa K. Woodman

TOWN MANAGER'S ANNUAL REPORT

The 1983 Town Report is designed to describe the operation of Town Government for the benefit of the citizens of our community, and does so in the form of written reports of Departments, Boards and Commissions. The annual audit is reproduced to indicate the financial condition of the Town of Hampton.

We have achieved, in large measure, our goals of performing all Town financial operations in a professional manner through the use of our I.B.M. System's 23 Computer. In addition to the regular programs for payroll, fund accounting, and tax programs; we have added new programs for rent/lease of Town owned property, voter list, ambulance billing, parking ticket billing, receivables billing for sludge, private detail, permits and other receivables, for a total of ten working programs. Many manhours have been saved by the utilization of a new envelope tax bill/mailer.

All Town owned leased land has now been surveyed and maps prepared showing the location of buildings on the lots, which will assist in minor lot line corrections prior to the sale of the lots.

Parking lot revenue was substantially increased in 1983 to an all time high of \$243,000.00. Development of additional space at the old Island Path dump site was particularly useful for parking of buses. A small, new lot was developed on Church Street easterly of the water tower to accommodate approximately one hundred automobiles, half of which are designated as numbered seasonal leased spaces. The first year of a three year lease with the Diocese of Manchester for the use of their Church Street parking lot worked very well during this first year, with fencing, attendant building and signs all in place prior to our heavy influx of visitors. While the first year was

considered sort of break-even because of our capital expenditure, the next two summer seasons should provide a decent revenue from this lot.

Our five Town operated lots provide in excess of thirteen hundred parking spaces at the beach; still considered far too few to accomodate our visitors to the beach. It is imperative that the Town be successful in securing approval for the expansion of the Island Path parking lot onto the undeveloped half of the lot. An application has been submitted and a drainage plan designed, but environmental issues are holding up the project.

Hampton center parking was relieved of some congestion due to the addition of a commuter parking lot behind the Town office. We have solicited the cooperation of companies providing this service and hope they will continue to use this lot during the 1984 season.

I am anxious to see the short-term traffic improvements, as suggested by the Dufresne-Henry Hampton Beach Traffic Study, put in place for the 1984 season. Every effort must be made to improve the flow of traffic during our busy summer weekends.

My personal thanks are extended to the Board of Selectmen, Town employees, Boards and Commissions, and residents of the Town of Hampton for their cooperation during the past year.

Respectfully submitted,
Philip G. Richards
Town Manager

ANNUAL REPORT
BUILDING INSPECTION DEPARTMENT

The Building Inspection Department consists of two people, a building inspector and a secretary, both full-time employees.

Construction activity during 1983 showed a marked increase over the previous year. 789 building permits were issued, with a construction value of \$11,468,885.00, producing \$38,032.00 in fees. 145 new dwelling units were added, a 20 percent increase, and new single family homes increased by 93 percent over figures for 1982.

During this period 1,997 building and zoning related inspections were made, 70 building violations and 7 zoning violations were discovered, and 45 complaints were investigated. Certificates of Occupancy were issued for six dwelling units to be converted from seasonal to year-round occupancy.

A breakdown of activity follows:

This graph demonstrates an average increase in the tax rate of 8%. Therefore it appears that the average inflationary increase due to total town budgetary commitments is in line with the inflation rate of property values of 7% as demonstrated in the previous graph.

Note: If assessment values were kept at 100% of the market value as demonstrated our tax rate for the past year would have been \$18.18 slightly less than they were on April 1, 1979 at \$18.30. Therefore average growth and inflationary values would have stabilized the tax rate.

The Town of Hampton has enjoyed ample growth in past years. Sound management has resulted in stabilizing expenditures with growth and inflation. A credit to management, employees and tax payers of the community.

Administration

During 1983, there were a few changes made within the department with the addition of two new members, Patrolmen Shawn Maloney and Lee Griffin, who were hired in early spring. Patrolman David Cargill was hired in the fall to replace Patrolman Arthur Wardle, who was reassigned to the Bureau of Criminal Investigation as the Youth Services Officer. At this time I would like to thank Sgt. Joseph MacDonald, who was Youth Services Officer and who retired from the department at the end of the year. I know that I speak for all of our members in thanking Sgt. MacDonald for his years of dedication and concern for the youth in our community and in wishing him the best in his retirement.

Miss Isabel Coyne resigned to accept a position with Hampton District Court, and Miss Lynn Hodgin was hired to replace her as secretary to the Prosecutor, Patrolman Peter Smith.

Operations Division

The Operations Division, commanded by Deputy Chief Thomas Krajewski and consisting of the Patrol Division and the Bureau of Criminal Investigation, was kept very busy, especially during the crowded summer that we experienced this past year.

Detective Sgt. William Wrenn was promoted to his present rank as Commander of the Bureau of Criminal Investigation and the Youth Services Bureau in the early spring. The Detective Bureau has experienced an ever-increasing workload of cases, resulting in some limitations on time spent. The Youth Services Bureau, commanded by Sgt. Joseph MacDonald, also had another busy year. Detective Arthur Wardle will command the Youth Services Bureau as of January 1984, in conjunction with

many other duties as required. In the area of Crime Prevention, Detective Wardle attended about 15 meetings, speaking at each to various civic groups and reaching approximately 481 persons. In the fall, he was instrumental in starting an Ident-A-Kid program, assisted by area civic groups and a local bank. This program proved to be extremely successful, with well over 1100 school children being fingerprinted and photographed.

The Mounted Patrol, under the command of Sgt. Dennis Pelletier, has just experienced one of the busiest summers since its inception. In at least four situations this past summer, the Mounted Patrol had to quell problems that could have led to more severe altercations. Observations of these situations have convinced me, more and more, that it would require triple, if not more, personnel to alleviate such problems without the help of the Mounted Unit. I am very pleased with the performance of the Mounted Patrol and look forward to another successful year in 1984.

Sgt. Victor DeMarco has completed another busy year as the coordinator of Firearms Training. This program continues to be a mandatory qualification each year, with full-time officers required to meet the minimum standards in a basic course of fire twice a year and with special officers qualifying once a year.

Training Division

As well as heading the Bureau of Criminal Investigation, Detective Sgt. Wrenn is also the Department Training Officer and continues to function very well in both capacities. Since October 1982, and through this year, this department has authorized a number of officers to attend various schools and training seminars organized by the New Hampshire Police Standards and Training Council, this department and other organizations. Due to space limitations in this report, a description of the training programs, and the names of those officers in attendance, will be left out.

For anyone interested, this information may be viewed at the Police Department. Those programs attended include NEOA Crime School, Police Officer Stress, Managing People,

Domestic Violence, Advanced Defensive Driving, Intoximeter Recertification, Uniform Police Traffic Accident Report Training, Identi-kit Training Class, Motorcycle Operators Training, Auto Theft Training, In-Service Workshop, Arrest, Search and Seizure Seminar, Criminal Personality Profiling Seminar, Electronic Surveillance Technique, Issues in Child Sexual Abuse, Accident Investigation, Asian Organized Crime Conference, Confessions/Search and Seizure Seminar, Juvenile Officer Refresher Course, Management Issues, and Sexual Assault Seminar.

This past year, another certification program was conducted by this department. This training was to provide the new part-time officers with instruction to prepare them for properly carrying out their duties as Police Officers. The training, approved by the New Hampshire Police Standard and Training Council, consisted of approximately 80 class hours and was conducted in the spring of this year.

Staff Services Division

In the area of court and prosecution, Patrolman Peter Smith continues to work well with his assigned duties, including the maintenance of criminal and motor vehicle records, issuing pistol permits, investigating matters involving civil actions with the department, assisting the Chief in preparation of Town Ordinances concerning law enforcement, maintaining the Wrecker Call List, maintaining and implementing the New Hampshire Security and Privacy Plan, investigating and processing all animal complaints, and maintaining all records pertaining to animal control. Patrolman Smith spends the majority of his time in prosecuting adult cases for the Police Department in the Hampton District Court.

Summary

In summary, we could not continue in our present capacity if it were not for the fine inter-departmental cooperation that we have recieved from the Hampton Fire Department, under the direction of Chief Tony Kuncho, from the Public Works Department, directed by George Hardardt, and from the many

other town departments too numerous to mention. I would be remiss, if I did not extend my appreciation to the Board of Selectmen and the Town Manager, Mr. Phil Richards, for their support, and to the many citizens in our community. Lastly, I would like to congratulate and commend all of the members of the Hampton Police Department for the professionalism and dedication displayed throughout the year and to thank my Deputy Chief of Police Thomas Krajewski, for his continued support during difficult times.

Estimated Fire Loss 1983 **\$440,000.00**

The largest percentage of dollar loss has been attributed to arson. This year, due to a concentrated effort from Fire and Police, a number of arsonists have been prosecuted.

Fire Drills	49
Fire Investigations	32
Information and Assistance Rendered	325

The 1983 Fire Prevention campaign centered on the theme **LEARN NOT TO BURN Wherever You Are**, and it reached some

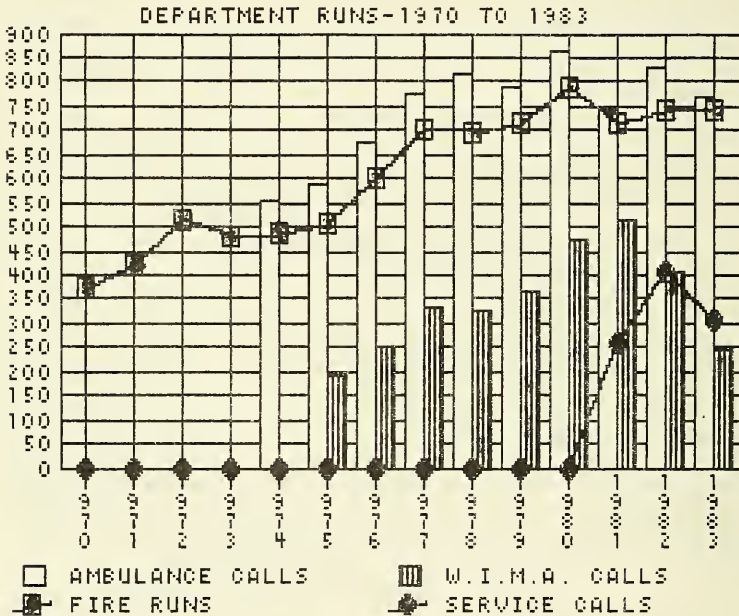

950 persons. During the year 5,086 pamphlets and brochures were handed out on fire safety.

Dollar Value Loss for the Past Three Years

1983	\$440,000.00
1982	44,888.00
1981	483,781.00

As you can easily see, fire loss varies from year to year and is not necessarily tied to the number of building fires, but to the type of structures that burn.

The graph indicates the increase of Fire department related activities over the past 14 years:

Training Division

Fire Science and technology is an on-going process. Ideas and approaches change from day to day as does the environment; therefore, the Hampton Fire Department has endeavored to keep abreast of all these changes logging approximately 3,151 hours of fire training and 1,352 hours of medical training to

provide you with the highest level of professional fire and medical protection available. Individuals who have sought to enhance the level of training within the department by attending school and becoming State Certified Fire Instructors this year are Lt. Kenneth Y. Richardson, Lt. Jack Goodwin and Call Lt. Jeffrey J. Baillargeon, thus bringing the level of Instructors to 12 within this department.

Report of the Chief

As one can see by the 1983 activities report, this past year was extremely active for the department. The Hampton Fire Department has a staff of 36 full-time employees, and for the first time in many years, has a full complement of Call Fire fighters, 30 in all. This gives the department 66 fully trained personnel. This year also the replacement of the 1959, 65-foot Ford/Seagraves aerial ladder with an 85-foot Mack/Maximum at the Beach station enabling the Fire Department to become more cost effective, better equipped, and more expertly able to protect and serve

The fire loss this year, \$440,000.00, is an actual figure that was paid out by insurance companies to customers sustaining losses in Hampton, but does not in one particular case reflect a true picture of actual dollars lost, i.e., loss paid was \$10,000.00, but the actual sustained loss was over \$200,000.00 in antiques and automobiles.

The Hampton Fire Department would like to thank the Police Department and Public Works Department for their efforts and cooperation this past year.

This past year also saw the State legislators passing a mandatory smoke detector law making it necessary for all rental property to have smoke detectors installed in them. We stand ready to assist you in any way.

From the staff and members of the Hampton Fire Department, we will continue to endeavor to provide the best and utmost protection affordable.

Wastewater Treatment Plant

In 1983, we reached another plateau at our Wastewater Treatment Plant in that we processed over one billion gallons of wastewater. In 1983, we processed 1,001,220,000 gallons of wastewater from which we extracted 542 tons of sludge. Our average daily flow was 2,740,000 gallons. Additionally, included in the overall flow was 4,003,950 gallons of septic tank system wastewater and sludge.

Overall, your Wastewater Treatment Plant is functioning in accordance with our National Pollutant Discharge Eliminations Systems permit.

Sewers and Drains

In 1983 drainage projects included the construction of or reconstruction of the following drains: Exeter Road, Leavitt Road, Ann's Lane, Park Avenue, Elliot Street, Tobey Street, Lafayette Road and Winnacunnet Road. Installed in the above roads were 61 feet of six inch pipe, 1084 feet of 12 inch pipe, 214 feet of 24 inch pipe and 16 catchbasins. We cleaned 57,201 feet of sewer and drain lines with the sewer jet along with cleaning 259 catch basins. Additionally, we reconstructed 10 catch basins.

The major sewer construction for 1983 was Priority No. 23 - Mill Pond Land, Glen and Fox Roads. Sewer reconstruction for 1983 included 285 feet of 8 inch main and one manhole on C Street. We installed 18 new sewer laterals and repaired 13 existing laterals. We reconstructed 36 of our existing manholes.

There were 73 new entrances into our sanitary sewer system

requiring 88 inspections; 38 new permits were issued. There were 250 sewer locations made for contractors, water co., gas co., etc. In addition 29 calls for plug-ups were handled of which 17 were the responsibility of the Town.

Solid Waste Disposal

Rubbish collection is still one of the most demanding jobs of our department. Routes are increasing steadily as our population increases and more and more sub-divisions are built.

Below is a 16 year comparison of compacted cubic yards of rubbish collected.

1968	33,124	1974	49,716	1980	53,711
1969	35,246	1975	51,670	1981	54,854
1970	37,180	1976	52,418	1982	54,903
1971	42,171	1977	50,692	1983	55,120
1972	45,854	1978	51,040		
1973	47,425	1979	52,125		

The above does not include rubbish taken to our dump by contractors, citizens, state and private collectors.

Highway Maintenance & Construction

Routine maintenance has been the priority of the highway section in the past year. Routine maintenance includes; trimming and grooming of roadsides, removal of roadside litter, sweeping streets and intersections, repairing sidewalks and patching streets.

Our road resurfacing program is a continuing one. During 1983 we resurfaced 15,981 linear feet of road. 1,000 feet of Highland Avenue and 2,531 feet of High Street were shimmed. Below is a list of those roads that were resurfaced.

Tide Mill Road	Cusack/Ocean Blvd. parking lot
Burgundy Drive	Hobbs Road
Evergreen Drive	Seabrook Beach parking lot
Huckleberry Lane	Leavitt cul-de-sac
Juniper Lane	Tuck Road
Linden Lane	Cogger Street
Bayberry Lane	Gray Avenue
Briar Road	Tobey Street

Along with the resurfacing of the above roads, shoulders were brought up to grade with crushed gravel where required.

During the year we used 69 tons of hot top and 172 tons of "Blue Chip" winter patch. This material was used for shoulder patching, drain and sewer ditch patching and hot hole patching.

The parking spaces, crosswalks, slow school and stop lines throughout the Town were painted.

During 1983 we received 57" of snow requiring plowing, snow removal and salting and sanding of our roads. All told we had 8 storms. The cost of these storms, excluding normal winter maintenance, was \$42,733.51 or \$749.71 per inch of snow.

There were 34 driveway permits issued requiring 68 inspections.

The rifle range was graded. Five asphalt pads were paved in the range. A portion of the sidewalk on C Street was removed to install a sewer and was replaced with a new cement sidewalk. A section of sidewalk on High Street, between Academy Avenue and the Junior High drive, was resurfaced. The cul-de-sac at the end of Leavitt Road was graded and repaired following the installation of drains. In August we had excessive amounts of seaweed in the North Shore area which required removal. The guard rails at Eel Creek had to be relocated and rebuilt.

By joint effort using the sewer section and highway section we constructed five (5) new parking lots this year at the following locations: Island Path, High Street, Church Street, Town Office and Seabrook Beach.

As always street signs and traffic control signs have been a large problem to maintain. During 1983 we installed and/or re-installed 771 signs of all types, mostly due to malicious vandalism.

Your Public Works Department, as it has in the past, will continue to produce commensurate with the funds made available to us. As always looking for better and more economical ways of getting things done.

George F. Hardardt
Director of Public Works

HAMPTON MOSQUITO CONTROL COMMISSION

At the 1983 Town Meeting, citizens appropriated \$19,456 and \$18,530.41 was spent. The Commission met twelve times, and hired Part-time Supervisor Lee G. Brooks, P.T. Ass't. Kyle S. Traeger, and certified Applicator Robert Mutch. The crew worked out of the Town Hall and Public Works Garage.

Fresh water breeding site surveillance began on March 23 when a town vehicle became available. Larviciding started April 19, and salt water treatment on April 29. The Spring of 1983 was one of the wettest on record. So breeding sites were larger and more numerous. Summer saw a lower water table, but the flood tides came regularly to the marshes.

Adulticiding was done June 15 thru Sept. 1. Four light traps were used in monitoring adult mosquitoes. In the second week of July, one fresh water species, *Coquillettidia* (*Mansonia*) *perturbans*, that overwinters under ice, peaked at the highest level ever recorded locally. Other species were at their lowest levels in Hampton's 5 year monitoring history. The very dry summer may have been the reason.

The whole town was adulticided approximately ten times during 31 different nights. It takes three nights to complete the whole town. Weather interfered occasionally (too windy or rainy). There were some mechanical breakdowns of ULV sprayer in its 8th year. A new one was requested in 1984 budget as it is much needed.

The Supervisor recruited and trained the other employees in monitoring, species identification, record keeping, larviciding, and adulticiding. Local records must be available at any time for state inspection by N.H. Pesticide Control Board, Selectmen, and Commissioners. Mr. Brooks met with the Commission each month, identified priorities, prepared a

budget proposal, state and local reports, and suggested procedures for an integrated mosquito control program. He did public notification work as well as public relations.

Each of the employees is publicly commended for his dependability and willingness to work very difficult, and constantly changing work-weeks in a weather-dependent Mosquito Control Program. State Epidemiologist Dr. David T. Dennis expressed strong support for the Town's mosquito monitoring and control and the high level of professionalism and cooperation of the Supervisor and supporting staff. The Commission regrets that Lee Brooks is not returning in 1984.

LIBRARIAN'S ANNUAL REPORT

1983 was a very good year for Hampton's public library. The year was highlighted by the March 12th Town Meeting at which our long-awaited library addition was passed by an overwhelming vote of 586 to 91. In the months that followed a seven-member Building Committee was formed to supervise and plan the development and construction of the library. John Carter of Nashua was hired as architect; he had previously done the Nashua, Salem, Merrimack, and Wolfeboro public libraries. Coakley Construction of Greenland was awarded the job of General Contractor.

In August we appealed to the townspeople to help us move the library by borrowing as many books as possible from our old location and returning them to the new quarters. Exceeding our wildest dreams people turned out to borrow half of the library's collection. September 3rd was our last day of operations in the old building, and in the following two weeks every book and stick of furniture was transported to our current quarters at Stickney Terrace. Stickney Terrace intersects Route One across from the Catholic Church, and the library is located in the former Palmer-Sicard building, a long green cement-block warehouse at the end of the street. We opened for business on Sept. 19th, and four days later groundbreaking ceremonies took place at the old building. On October 3rd the bulldozers visited destruction upon the 1957 addition to the library and hauled it to the town dump. A 13,500 square foot addition is now being constructed on the back of the original 1910 structure, which when completed will give the library more than four times more space than before. The building is expected to be completed toward the end of 1984.

1983 also witnessed the passing of Dr. Wheaton J. Lane, long-time benefactor of the Lane Memorial Library. The record of contributions by the Lane family goes back to the original construction of the library in 1910, which was totally financed by Wheaton's father Howard G. Lane.

A new service was added in April when the Polaroid Corp. gave us three new Sun cameras to loan out to the public. Along with a Kodak Instamatic we now have four cameras, with the promise of more to come in 1984. These can be borrowed for 2 weeks, just like a book. You must supply the film.

Circulation for the year was up over 1982. 91,197 books, magazines, records, cassettes, cameras, tape recorders and pamphlets were borrowed compared to 87,246 in 1982. 614 works of framed art and photographs circulated from January through August. In August most of our collection was distributed on long term loan to businesses and individuals, who do not have to return them until we are in the new building. We have no room to store them in our current facility. 2735 new books were acquired, while only 890 were discarded, allowing the collection to grow substantially for the first time in years. Many older books have been put into storage, however, until such time as we move into the new building.

In closing I would like to express the library's appreciation to the following individuals and groups who volunteered their limited time to the library over the past year: Olga Armen, Ruth Barkley, Arlene Farrell, Ann Hanson, Dorothy Lee, the Hampton Garden Club and the Friends of the Library. Further thanks go to all those individuals who helped us during our move; they are too numerous to name here. Special recognition too should go to the staff of the library for working above and beyond the call of their normal duties while shifting operations from one location to another.

Despite our small quarters and inconvenient location, the library will be open throughout 1984 to serve the public and to satisfy many of the town's informational, recreational, and educational needs.

RECREATION DEPARTMENT ANNUAL REPORT

In the spirit of LIFE. BE IN IT, the Hampton Recreation Department has worked throughout 1983 to encourage a zestful approach to life in general through the promotion of a broad spectrum of recreational activities. Life. Be In It, is a nationwide program sponsored by the National Recreation and Park Association to help promote an awareness of the importance of being active and involved. The focus of the campaign is to encourage the individual to place activity higher in the priorities of day to day life. Individual and organized forms of recreation and the creative use of free time have gained more and more importance in our lives. Many more people find time for or schedule time for their personal recreational pursuits, such as running, biking, sailing, weightlifting, needlecrafts, photography, and on and on. Organized sports is only one of many avenues available to us as individuals as recreation encompasses a myriad of activities which result in self satisfaction and a greater unity with family or friends. Recreation is not confined solely to the young or those who have retired from the work force, but rather has become an integral part of living and is pursued by persons of all ages in programs as varied as the arts, crafts, tourism, sports, and cultural endeavors.

As Life. Be In It, urges involvement, the Hampton Recreation Department has become actively involved with other agencies in promoting a number of community projects. During the winter months, the Recreation Department in cooperation with the Hampton School District maintained the Batchelder Pond area for ice skating and cross-country skiing, as well as offering x-c ski clinics. The Hampton Recreation Advisory Council and Recreation Department assisted the Chamber of Commerce with the sponsoring of Christmas hayrides and carolling. The Recreation Department also assisted the Jaycees with the Victory Garden which was tended to by local senior citizens. The Senior Citizens' Club and Recreation Department participated in a regional program at the Fox Run Mall geared to senior citizens of Rockingham County, entitled "Senior Salute", and which raised additional funds for the Hampton

Senior Citizens' Club. During the month of June, which is nationally recognized as Recreation and Parks month, the Recreation Department as part of the Seacoast Recreation and Park Association assisted with sponsoring a Superday Fun-Run for kids as well as helping to coordinate the first mall wide program to celebrate Recreation and Parks. The Newington Mall became the base of many activities which included exhibitions by the children involved in Hampton's gymnastics, ballet and tap programs; adults from Hampton's aerobics programs; and senior citizens from Hampton's line dancing program. This proved to be an excellent forum for local departments to show their offerings as well as an opportunity for the youth to demonstrate their newly acquired talents.

As summer months are notoriously hectic for Recreation Departments, 1983 was no exception. The Recreation Department, in cooperation with the Seacoast National Junior Tennis League, sponsored a youth tennis tourney in which youngsters from all over the seacoast participated. Inter-town competitions were again hosted at Tuck Field to allow the youth the opportunity to compete against other recreation departments in many recreational activities. Local youth also advanced to the state track and field meet. And another highlight of the summer was the Women. Be In It, 10K Road Race, a competitive, yet fun event attended by many local female runners.

Unfortunately, space does not permit the listing of the variety of programs-leagues, discussion groups, language classes, surfing clinics, HYA events, nutrition lectures, day trips, races, etc.,etc.,etc., offered throughout the year by the Hampton Recreation Department. We hope that you take this opportunity to discover the many programs offered by the Department, become involved in recreational activity, and allow the Hampton Recreation Department to serve you and your family.

And last but certainly not least, a very sincere "THANK YOU" to all in the community who volunteer time and energy in support of the Recreation Department. It could not be done without the efforts of the Hampton Youth Association, the Hampton

Recreation Advisory Council, The Senior Citizens' Club and the many, many individuals who assist.

SHADE TREE COMMITTEE REPORT

Budget requested was Eight Thousand Dollars (\$8,000.00), the budget granted was Five Thousand Dollars (\$5,000.00).

Over 35 trips to various parts of our town were made to view trees in 1983.

Again this year we are indebted to the Exeter and Hampton Electric Company for helping in removing ten trees at no cost to our town. Our thanks also to the Ralston Tree Service for their kind and very prompt service on emergency calls.

As long as we have the diseases of the elms and maples with us, we can expect the continual loss of trees.

1983 tree loss was thirty.

Expenditures were as follows:

Removal	\$1,835.22
Planting, 10 trees	1,000.00
Spraying and Trimming	2,164.78
	\$5,000.00

As always, our Shade Tree Committee appreciates the many calls from citizens regarding trees in their area.

CONSERVATION COMMISSION ANNUAL REPORT

The Conservation Commission has many responsibilities relating to the natural environment in our community. In Hampton, because a large part of the town is saltmarsh and other wetlands, we act upon many applications for "Fill and Dredge" and make recommendations to the New Hampshire Wetlands Board. The Wetlands Board makes the decisions. Application must be made and a permit issued before placing any fill "wherever the tide ebbs and flows" and in "those areas which border on tidal waters", as specified in the State Statutes. Some projects must also have a permit from the United States Army Corps of Engineers, as required by the River and Harbor Act of 1899 and the Clean Water Act.

Undisturbed saltmarsh has inherent value. Of local interest is the importance to both commercial and recreational fishing. The saltmarsh provides nutrients for successively higher links in the food chain. Approximately two-thirds of all commercial finfish and shellfish species depend upon the saltmarsh environment.

Conservation of saltmarsh continues to be furthered by people who generously donate their land to the town for conservation purposes. The most recent donations have been in the names of Gertrude Blake Sherburne, Barbara Blake Brown, Roscoe B. Palmer, and Hon. John and Ruth Perkins.

To accommodate the growing list of donors, the commission has had a large, hand-lettered list made and framed. This will be displayed in Tuck Museum, where it will be available to people who are researching local history. The commission also maintains the Memorial Stone at Tide Mill Creek.

We have been working on a wetlands ordinance to be placed on the ballot as a citizens' petition. Due to our being denied use of Town Counsel by the Selectmen before this petition was finalized, the proposed ordinance has some vague areas which may be challenged in court. This was an oversight on our part and we apologize for it. Our intent was to give the people of

the town the opportunity to determine the future of their wetlands. Work on this ordinance has not ended. We plan to rewrite it and put it on the ballot again next year.

This past October the Conservation Commission sponsored our second annual Marsh Day, which included a bird walk and talk led by Tim Bertrand of the New Hampshire Audubon Society and a marsh ecology walk led by Ellen Goethel of our Conservation Commission. The purpose of this is to develop an increased awareness of our Hampton saltmarsh.

We have attended Wetlands Board hearings in Concord, the Annual Meeting of the New Hampshire Association of Conservation Commissions in Manchester, meetings at the Urban Forestry Center in Portsmouth, and the Coast Week marsh walk led by Dr. Frank Richardson, Senior Inspector with the Wetlands Board Coastal Program.

The Conservation Commission meets regularly in the Selectmen's Meeting Room. The dates and times are posted at the Town Office. All are welcome.

The Conservation Commission members are sincere in carrying out their responsibilities to serve you, and we appreciate your support.

**REPORT OF THE MEETING HOUSE GREEN
AND
HISTORICAL SOCIETY
TUCK MUSEUM**

The 1983 season at the Tuck Museum has been a very busy and rewarding one. More than 450 people visited the museum through out our season and other days that the museum was open for special events or by request.

There have been many repairs made to the museum this year with siding project being finished, porches being rebuilt, windows in the school house being replaced and security system being installed. Plus the normal maintenance of the buildings.

The society hosted its second annual summer fair and again it was very successful for the Society.

Plans for an expanded "Farm Exhibit" and a new exhibit on "Hampton's Fire Department" are now in the process of being completed. We are also working to get the "Hampton Trolley" to include a stop at the museum and to increase the trolley display at the museum.

The Tuck Museum is open in the summer months by the unselfish efforts of volunteers. This year more than 30 people gave their time to this project, to them we owe a great deal of thanks, and still we could use more. Anyone interested in volunteering should contact Mr. Roland Paige.

This year John Holman retired from the museum as curator, to him and his wife we extend a heartfelt thanks. Our new curator is Mr. Les Cummings, anyone interested in making a donation should do so through the curator. Membership in the Meeting House Green and Historical Society is open to anyone for a \$2.00 personal membership, \$3.00 family membership, or a \$25.00 life membership.

The new officers for the society are, President Roland Paige, Vice President Diana LaMontange, Treasurer Alfred Carlson,

and Secretary Kathy Durkee.

As I end my terms as President of the society I would like to thank the members and the general public for their support.

Respectfully submitted,

Allen R. Bridle

HAMPTON PLANNING BOARD REPORT

The Hampton Planning Board held 38 Public Hearings in 1983. There was a significant increase in single family residential subdivisions with seven proposals containing a total of 48 lots under consideration. Four new condominium complexes were approved along with a condominium Mobile Home Park and a seasonal condominium conversion. A shopping center and two new banks were approved for the center of Town along with an auto body shop and four additions to commercial property.

The Board continued to hold Public Hearings on the first Wednesday of each month and work sessions on the third Wednesday. During work sessions the Board reviewed the material presented at the Public Hearings along with many proposals of less magnitude such as use changes, lot line revisions and boundary line surveys. Although the number of Public Hearings decreased substantially from 1982, agendas remained full and meetings seldom adjourned before 11 P.M. which, again, left little time for true "planning".

As a matter of policy, the Board voted against appointing alternates in spite of attendance problems. Former member Dona Janetos rejoined the Board in September to replace former Chairman, Craig Salamon, who resigned suddenly in August. At that time I resumed the Chairmanship as no other member was willing to serve in that capacity.

During the month of October, meetings were rescheduled to Thursdays to allow Board members Peter Olney, Dona Janetos, Frank Chiaramitaro and myself to attend the Municipal Training Seminar in Exeter which dealt with the many new State laws relating to Planning Board matters which became effective on January 1, 1984.

Again in 1983, the Board heard complaints from citizens unhappy with the conflict between the business and residential zones, but the loudest cry was from those with "water, water everywhere". As the remaining land becomes marginal and the

push to develop becomes stronger, such problems should only increase.

Another attempt at a Wetlands Ordinance was drafted by a sub-committee of Planning Board and Conservation Committee members. A legal opinion from Town Counsel declared the proposal "unconstitutional". Board members remain divided as to whether or not they wish to support a Wetlands Ordinance.

The Board agreed, however, to request a professional planner in an effort to move forward to plan for the future of the Town instead of merely trying to keep up on a week to week basis, but the Board of Selectmen have removed the request from our budget at this writing. Therefore, the Townspeople can look forward to things remaining as they are unless the majority are willing to put forth time and effort to make some changes.

Respectfully submitted,

Judith A. Doyle
Chairman

ZONING BOARD ANNUAL REPORT

The Zoning Board met on the third Thursday of every month at 7:30 P.M. in the Selectmen's Room to consider appeals and conduct business sessions. Due to the large number of petitions on several evenings, double sessions were held for two months. In total, 62 cases were given decisions along with seven requests for rehearing.

Regular members for the year included Michael Daboul, Wendell Ring, Jr., Peter Stern, John Bellerose, Clerk, and Dr. Henry J. Stonie, Chairman. Alternates were Bradley Cook, Richard True, Dana Newcomb, William Herlihy, and Malcolm Beaton. Msrs. Herlihy, Stern, and Stonie also represented the town in Rockingham Superior Court in three actions of which one was judged in the town's favor and two are still pending. Several members also attended the Municipal Training Consortium, an annual seminar held by the state to acquaint board members with changes in zoning laws.

Our Hampton board operated with a budget of \$1,800.00, a sum entirely composed of applicant fees and charges. About half the expenses covered legal notice advertising in newspapers and half went to transcription of minutes and secretarial services.

Mrs. Jean Hamilton served as permanent secretary assisted by Mrs. Carolyn Brewster and Mrs. Judith Doyle. After several years of conscientious service, Mrs. Hamilton is relinquishing her role, and the board thanks her for all the efficient work performed.

At best, service on this board is a difficult task in terms of time outlay, issue management, and concerns for individual - town equity. Members are to be thanked for their interest and input for the continued betterment of Hampton.

Respectfully submitted,
Dr. Henry J. Stonie
Chairman

CEMETERY TRUSTEES ANNUAL REPORT

As your Town Cemetery Trustees, we wish to report the following; With only part-time labor, only working parts of eight months and with a reduced budget, we tried to maintain all cemeteries in good shape, but could not give them all the care needed.

Number of graves sold:	55
Proceeds to town:	\$3,202.00
Proceeds to Trust Funds:	\$3,375.00
Graves loamed & seeded:	65
Spots loamed & seeded:	78
Stones repaired (High Street)	58
Stones repaired (Ring Swamp)	10
Stones repaired (Pine Grove)	12
Water lines (New One) (Repaired 3)	4

Estimated cost of labor and material for cemeteries other than High Street Cemetery was \$1,800.00. While mowing, trimming and raking is our main problem, we must also repair roads, stone walls, water lines, as well as cutting underbrush in all cemeteries.

Your Trustees and Superintendent serve without pay.

HIGHWAY SAFETY COMMITTEE ANNUAL REPORT

The Highway Safety Committee is only an advisory and suggestion Committee for the Town Government. Some of the work projects that we have been able to help accomplish with the Town and State officials are as follows:

1. Throughout the year, there were numerous requests for NEW street lights in our Town that the Committee reviewed on site and passed their suggestions to the Town fathers.
2. Surveyed permits for proposed new roads and housing areas; including street lights for some and to have the builders pay for the installation of poles and lights.
3. Reviewed the areas where fatal automobile accidents had occurred.
4. Instrumental in the installation of NEW "Slow Children Playing" signs and other traffic safety signs in our Town.
5. Suggested the clearing of bushes and trees at blind corners in Town.
6. Senator Preston informed the Committee that DRED has put some money aside for installation of NEW Guardrails at Hampton Beach for 1984.
7. Suggested a new paving cover be put on High Street. Some of the road was covered.
8. There were more parking areas at Hampton Beach than any other year.
9. The Highway Safety Committee received numerous traffic complaints throughout the 1983 year and tried to help solve them.

MUNICIPAL BUDGET COMMITTEE REPORT

The Municipal Budget Committee is composed of 12 elected members, and a Selectman, a Hampton School Board Member and a Precinct Commissioner. In working on the three 1983 budgets within its jurisdiction, the Committee held 18 work sessions and three public hearings, two of which were followed by finalization meetings.

The 1983 municipal operating budget recommended to the March Annual Town Meeting was \$5,920,681. That amount was adopted unaltered. The meeting also passed all MBC recommended special money articles proposed by citizens' petitions and by the Board of Selectmen, with the exception of an article placed by the Selectmen to continue the library construction capital reserve fund if the library addition bond issue failed to garner a two-thirds favorable vote.

The 1983-84 operational budget for the schools (grades K through 8) that was recommended to the Annual Hampton School District Meeting in March totaled \$3,103,814, with the contract salaries of teachers set at the previous contract's rates as no new contract had been negotiated by the SAU 21 Joint School Board prior to the meeting. At the meeting, the School Board proposed an amendment reflecting an 8.4 percent increase in economic terms of the contract - as recommended by the third-party fact-finder. This passed and the Seacoast Education Association representatives moved their position, which would bring the increase to 9.6 percent. This also passed along with a School Board amendment for \$4,740 regarding site improvement at the Academy Junior High soccer fields. The total approved was \$3,237,683 plus four special articles for \$49,456, including \$15,000 for contingencies, as recommended by the MBC.

The third annual budget acted upon was the Hampton Beach Village District ("Precinct") budget for 1983. The recommended operational budget of \$203,575 was passed with an additional \$3,000 amendment to upgrade the weekly summer fireworks displays. The Annual Meeting in late March

also passed the recommended money articles of \$1,000 for contingencies and the establishment of a Capital Reserve Fund out of sale of assets. The two articles on the lease and operation of the Church Street parking lot became moot questions when the Town Meeting earlier voted to lease the same lot. The 1983 budget appropriations for the special taxing district were divided approximately 45-55 percent between the purposes of governmental-fire and promotional-recreational, respectively.

The net result of the Annual Town and School meetings, plus high school and county budgetary actions (not within the purview of the MBC), was a Town property tax rate of \$24.24 per \$1,000 of assessed valuation (assessed in 1983 at approximately 75 percent of fair market value). This rate was a \$1.74, or 7.7 percent, increase over the 1982 rate. Helping to keep the rate down with most budgets increasing, was an increase in valuation of \$15 million (4.5 percent over 1982) as well as additional revenues from motor vehicle registrations and parking lots. Both Precinct tax rates decreased, reflecting the continuation of the process of Town-owned land lease renewals changing over from "land rent" to property taxes, including the Precinct tax for the first time on the land, pursuant to a 1977 State Statute requiring property taxes to be assessed on land owned by cities, towns and village districts but leased for private use.

As now required by the Municipal Budget Act (RSA 32), in effect in Hampton for nearly 30 years, the MBC met periodically throughout 1983 to review the budgets in progress by way of examining expenditures by the spending agencies. Regular monthly meetings took place in April, May, September, October and November. Special meetings were called in June, July and late November to act on, respectively: a citizens' petition for an appropriation to operate the Park Avenue Associates' pool in the summer, which would have gone to a Special Town Meeting had the MBC recommended it before and after the public hearing held by the MBC; the Non-Budgeted Expenditure Subcommittee's request that the MBC formally vote to request detailed expenditure information from the Board of Selectmen and School Board on certain projects and purchases, which the Committee did; and, a request of the Precinct Commission to purchase a used ladder

truck with funds appropriated to repair the old one, which request was approved and subsequently allowed by the State's Commissioner of Revenue Administration.

For the first time, the MBC voted to request inventories of Town and School District property. The School Board and most operations of Town Government complied with lists of vehicles, equipment and furnishings, and the condition of each item. These should be useful when the MBC acts on requests for replacement or additional purchases. They should also be helpful to management in determining resources needed for programs and projects, and in drawing up a schedule of orderly replacement of capital items.

All meetings of the Budget Committee are open to the public. Meeting notices and minutes are posted in the Town Office and Beach Fire Station; public hearings are also advertised in local newspapers. Legal voters of the Town may testify at the Town and School budget hearings; legal voters of the Precinct are eligible to testify at Precinct budget hearings.

The statutory duty of the MBC is to recommend budgets or expenditures to governing bodies within Hampton. Court decisions have analyzed that duty to include: "The purpose of this chapter (RSA 32) is to control the appropriation and expenditure of money in municipalities." "The budget committee is an arbiter, given power by the legislature to reconcile the various appropriation requests in order to maintain the tax load within manageable proportions, and although the committee puts an upper limit on appropriations, It should also function as an information agency with special fiscal knowledge and assist the voters in voting intelligently on budget problems."

We hope that our actions in 1983 provided the level of education and governmental services that met both your needs and your pocketbook. We extend our thanks to all who assisted us in our work - with special appreciation to officials and our Secretary, Irene McCain.

For the Committee,

Arthur J. Moody, Chairman
Paul Nersesian, Vice Chairman
Judith Park, Clerk

The Board of Commissioners
Hampton Beach Village District
Hampton Beach, New Hampshire 03842

We have examined the combined financial statements of the Hampton Beach Village District as of and for the year ended December 31, 1983. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1, the combined financial statements referred to above, do not include property, plant, or equipment asset balances and corresponding depreciation accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that the omission of the accounts described above result in an incomplete presentation, as explained in the preceding paragraph, the combined financial statements referred to above present fairly the financial position of the Hampton Beach Village District at December 31, 1983, and the results of its operations and changes in financial position of its proprietary fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining, individual fund, and schedules are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Hampton Beach Village District. This information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

**TOWN OF HAMPTON
STATE OF NEW HAMPSHIRE
1984
TOWN WARRANT**

To the inhabitants of the Town of Hampton in the County of Rockingham, said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Uptown Fire Station on Winnacunnet Road on Tuesday, the thirteenth day of March 1984, at eight o'clock in the forenoon to act upon the following subjects: Article 1 through Article 6.

Pursuant to the actions in Article 16 in the 1973 Town Warrant, the Board of Selectmen has set Saturday, March 17, 1984, at ten o'clock in the forenoon at the Winnacunnet High School Auditorium for the second session of the Annual Town Meeting to act upon the following subjects; Articles 7 through Article 43.

Article 1:

To choose by non-partisan ballot: one (1) Moderator for two (2) years; Two (2) Selectmen for three (3) years; One (1) Treasurer for one (1) year; one (1) Trustee of Trust Fund for three (3) years; one (1) Supervisor of the Checklist for six (6) years; one (1) Library Trustee for three (3) years; one (1) Cemetery Trustee for three (3) years; four (4) Budget Committee for three (3) years; one (1) Planning Board for one (1) year; two (2) Planning Board for three (3) years.

(The Polls for election of officers and Australian Ballot Articles will be opened at eight o'clock in the forenoon and will remain open until eight o'clock in the evening of the same day.)

Article 2:

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town of Hampton Zoning Ordinance as follows:

TO SEE IF THE TOWN WILL VOTE TO amend the Town of Hampton Zoning Map and Zoning Ordinance by rezoning Tuck Road (Formerly Kings Avenue), and all parcels bounded Easterly or Westerly by said road, and appearing on the Town of

Hampton Tax Map #51, excluding Lots 3 and 4 from the Business Zone, to become part of the Residence "A" Zone.

The adoption of this amendment would have the effect of removing a portion of the area, or the entire area of the following parcels from the Business Zone and rezoning them as part of the Residence "A" Zone.

Tax Map Reference

Lot Number

Sheet No. 51

5, 6, 16, 17, 18, 19, 21

Sheet No. 51

22, 27, 28, 29, 31, 33

Article 3:

Are you in favor of the adoption of Amendment No. II as proposed by the Planning Board for the Town of Hampton Zoning Ordinance as follows:

TO SEE IF THE TOWN WILL VOTE TO amend the Zoning Ordinance by amending the definition of "Kennel" contained in Article 1.6.3 to read as follows:

"Any premises, except where accessory to an agricultural use or veterinary hospital, where four (4) or more dogs, ten weeks in age or older, are bred, raised, trained or kept."

The adoption of this amendment would allow the keeping of three dogs, per household, in the Town of Hampton; presently only two dogs per household are allowed.

Article 4:

Are you in favor of the adoption of Amendment No. III as proposed by the Planning Board for the Town of Hampton Zoning Ordinance as follows:

TO SEE IF THE TOWN WILL VOTE TO amend Article VIII of the Zoning Ordinance, Multi-family dwellings, by amending Article 8.3, Condominium Conversion, by adding the following:

"Each specific provision of the exception must be identified. Each item that does not conform to the zoning Ordinance must be identified by the petitioner in the application and by the Zoning Board of Adjustment in their approval. Such conversion shall also require Hampton Planning Board approval as provided for in the site plan and subdivision regulations."

The adoption of this amendment will require those wishing to convert property to the condominium form of ownership to

specifically state each area that does not conform to present zoning regulations. Such projects will come under Planning Board jurisdiction, in all cases.

Article 5:

Are you in favor of the adoption of Amendment No. 1 as proposed by petition of the voters for this Town of Hampton?

We, the undersigned, registered voters of the Town of Hampton, NH, submit the following PROPOSED AMENDMENT to the ZONING ORDINANCE of the Town of Hampton to R.S.A. Chapter 31:63b.

TO SEE IF THE TOWN WILL VOTE TO amend the Zoning Ordinance of the Town of Hampton by adding a new section XIV entitled the WETLANDS CONSERVATION DISTRICT and renumbering current sections XIV, XV and XVI as sections XV, XVI, and XVII.

1. Purpose: In the interest of Public health, convenience, safety and welfare, the regulations of this Section are intended to identify Prime Tidal Wetlands and The Inland Wetland Conservation Areas, and accomplish the following purposes:

A. To prevent the destruction of natural wetlands which provide flood protection, are connected to the ground water supply, provide filtration of water flowing into ponds and streams, and the augmentation of stream flow during dry periods.

B. To prevent the development of structures and land uses on naturally occurring wetlands which would contribute to pollution of surface and ground water by sewage and other waste.

C. To prevent unnecessary or excessive expenses to the Town such as providing and maintaining essential services and utilities which would arise because of unwise use of wetlands.

D. To encourage those uses that can be appropriately and safely performed in wetlands areas.

E. To preserve other ecological values such as those cited in RSA 483 A;1-b.

F. To preserve and enhance those aesthetic values associated with the wetlands of this Town.

G. To prevent damage to property and structures inappropriately located in wetlands and to prevent damage to adjacent property.

PRIME TIDAL WETLANDS are define by:

A. Prime Tidal Wetlands Delineation Maps superimposed on our Town Tax Maps by Frank Richardson, 1982 which accompany this petition and

B. Those areas falling within the jurisdictional definition of RSA 483-A and A-1 and that possess one or more of the values set forth in RSA 483-A:1b.

In addition the Prime Tidal Wetlands shall include a Border Zone of fifty (50) feet (horizontal distance from the mean high water line) which acts as a buffer zone.

III. The Inland Wetland Conservation Areas are those areas of the Town which contain any submerged land under fresh water, which includes any marsh, swamp, bog or meadow subject to permanent or periodic flooding, including the surrounding shore and any abutting soil designated as poorly drained or very poorly drained as defined below and as delineated in the "Soils Information for Resource Planning. Hampton, NH, April 1982." New Hampshire Department of Agriculture Soil Conservation Service, and on the accompanying maps. Where there is a conflict between the maps and the definition; the definition will take precedent.

A. POORLY DRAINED SOILS: Soils in which water is removed so slowly that the soil remains wet for a large part of the time. A poorly drained soil has a water table near the ground surface that keeps the soil wet for 7 to 9 months of the year.

B. VERY POORLY DRAINED SOILS: Soils in which water is removed from the soil so slowly that the water table remains at or on the ground surface most of the year.

IV. WETLANDS CONSERVATION DISTRICT DEFINED: The Wetlands Conservation District is defined by those areas included in Section II and III of this Ordinance.

V. In the event that a landowner feels his property has been incorrectly classified as a wetland, he may apply to the Planning Board, without application fee, for reclassification. At that time the Planning Board will consult with the Conservation Commission. The Planning Board and the Conservation Commission may make an onsite inspection and make a decision on the wetland boundaries.

VI. SPECIAL PROVISIONS:

A. Any use not otherwise permitted in the wetlands conservation district may be allowed as a special exception to

the ordinance, provided that the Zoning Board of Adjustment, after consultation with the Planning Board and the Conservation Commission, find that the proposed use may be undertaken without contravention of the purposes and the spirit of the wetlands conservation district set forth in Section I, and further provided that such use is permitted in the underlying use district as specified in the Zoning Ordinance. However, this ordinance is not intended to supercede any state and federal regulations.

B. If any section, provision, portion, clause or phrase of these regulations shall be held to be invalid or unconstitutional by any court or competent authority, such holding shall not affect, impair or invalidate any other section, clause, provision, portion or phrase of these regulations.

(Signed by 121 registered voters of the Town of Hampton)
(NOT recommended by the Hampton Planning Board)

Article 6:

Upon petition of Barbara Ryan, and at least 10 other voters to see if the Town shall permit the public library to retain all money it receives from its income-generating equipment to be used for general repair and upgrading and for the purchase of books, supplies and income-generating equipment.

This article is pursuant of RSA Chapter 202-A:11-b.

Article 7:

To see if the Town will vote to accept the Budget as submitted by the Municipal Budget Committee and to raise and appropriate the sum of \$6,161,878.00.

Article 8:

To see if the Town will vote to give the Selectmen and Town Treasurer power to borrow not more than \$4,500,000.00 in anticipation of taxes.

Article 9:

To see if the Town will vote to discontinue a small portion of King's Highway for the purpose of straightening said Highway as shown on a plan entitled "Lot Line Revisions (Preliminary) Plantation Lots" in Hampton Beach, N.H., dated November, 1983, prepared by John W. Durgin Associates, Inc.

Said portion of King's Highway to be discontinued and added to Lots 312, 313, 314, 315 and 316 respectively as shown on said plan is described as follows:

Beginning at the present Southwesterly corner of Lot #312 hence S 80° 11' 50" E a distance of 10 feet to the edge of the new line of King's Highway; hence N 01° 36' 50" E a distance of 50.16' along said new line of King's Highway; hence continuing N 01° 36' 50" E a distance of 50.46' along said new line of King's Highway; hence continuing N 01° 36' 50" E a distance of 50.46' along said new line of King's Highway; hence continuing N 01° 36' 50" E a distance of 46.94' along said new line of King's Highway; hence continuing N 01° 36' 50" E a distance of 50.24' along said new line of King's Highway; hence turning and running from said point on the edge of the old King's Highway along Lots 316, 315, 314, 313 and 312 to the point of beginning containing 1228 square feet, reserving to the Town for present and future use any and all existing sewer, drainage, water and other utility easements.

Article 10 :

To see if the Town will vote to permit only those bulding encroachments, including attached auxiliary outbuildings, presently existing within public rights of way or upon the Town owned lands as lawful nuisances provided, however, that there shall be no expansion of the same, and provided further that at such time as the said encroachments are abated or destroyed by fire, flood or other casualty or catastrophe or voluntarily taken down that all future construction shall adhere to the then existing building codes, zoning regulations and other applicable codes and regulations. In this regard, Article 11 of the Leased Land Sales Agreement shall be modified to comply with said vote.

(Article 11, Encroachments presently states as follows: Any encroachments from the subject parcel onto land owned by the seller shall be removed by buyer(s) no less than one (1) day prior to transfer of title.

a. This provision shall also apply to land over which the seller has any right-of-way or easement, or in which the seller has any rights or interests whatsoever.)

Article 11:

To see if the Town will vote to grant the Board of Selectmen the right to sell portions of Town land not previously leased in the following cases:

1. Map 135 Lot 583 to be granted a small triangular shape parcel approximately 15 feet across at its maximum width and approximately 190 feet at its length containing approximately 1425 square feet.

2. Map 135 Lot 569 to be granted a small rectangular shape parcel approximately 10 feet by 25 feet containing approximately 250 square feet.

3. Map 132 Lots 534, 535, 536 to be granted that portion of land directly to the east of their respective lot. Said parcel containing a total of 1480 square feet. Description as shown on Durgin survey plan of lot line revisions, Plaice Cove Lots.

4. Map 120 Lots 312,313,314,315,316 to be granted that portion of land directly to the west of their respective lots along King's Highway containing a total of 1228 square feet. Description as shown on Durgin survey plan of lot line revisions, Plantation Lots.

The purpose for revisions shall be to straighten out irregularities in existing lot lines.

Article 12:

To see if the Town will vote to revise certain property lines as shown on a plan entitled Lot Line Revisions; (Preliminary) "Plaice Cove Lots" in Hampton Beach, N.H. as prepared by John W. Durgin Associates, Inc., dated November 1983 enlarging Lot #534 by 386 square feet; Lot #535 by 129 square feet and Lot #536 by 1015 square feet and to make other changes all as shown on said plan, reserving to the Town for present and future use any and all existing sewer, drainage, water and other utility easements.

Article 13:

To see if the Town will vote to authorize the Selectmen to continue with their efforts of the past twenty-two (22) months to resolve all property line corrections necessary prior to conveying "The North Shore Lots" as shown on a plan prepared by John W. Durgin Associates, Inc. as revised in September 1983 permitting the said Selectmen to use their best judgment and

discretion in resolving any disputes regarding property lines to insure an orderly resolution of all lines with the services of John W. Durgin Associates, Inc.

In this regard, to further authorize the Selectmen to exchange a small portion of Town owned land with the owner of Lot 567 (privately owned) to accomplish the corrections of lot lines necessary.

Article 14:

To see if the Town will vote to add \$1.00 to the price of parking in the Hampton Beach Municipal Parking Lots, this amount to be retained to a total not to exceed \$50,000.00, to be used in conjunction with the Town of Hampton and Chamber of Commerce for promotional activities. All sums expended under this article shall be approved by the Board of Selectmen.

Article 15:

To see if the Town will vote to change the title of line item #53 of the State of New Hampshire Budget Form and Budget as submitted by the Hampton Municipal Budget Committee for the Town of Hampton from "Band Concerts" to "Chamber of Commerce and Band Concerts".

Article 16:

To see if the Town will vote to raise and appropriate the sum of \$90,000. to have a drainage Master Plan for the Town of Hampton prepared.
(\$45,000. Recommended by the Budget Committee)

Article 17:

We the undersigned legal voters of Hampton request that the following article be included on the Warrant for the 1984 Town Meeting:

On petition of 24 legal voters of the Town of Hampton to see if the Town will raise and appropriate \$312,165 to complete priority 17 on the Town of Hampton Sewer Master Plan, commonly referred to as the North Shore Road Sewer Lines.
(\$173,250. Recommended by the Budget Committee)

Article 18:

To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under

the provisions of the State and Local Assistance Act of 1972 for the use as set-off against budget appropriations for the Police, Fire, and Public Works Department, and a direct appropriation for the restoration of the Arnold Property.

Fire	50,000.
Public Works	50,000.
Arnold Property	50,000.

(Recommended by the Budget Committee)

Article 19:

On petition of Arthur J. Moody and nine or more other legal voters, to see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of up to \$48,000. to purchase a modular ambulance to replace the one placed in service in May 1978.
(Recommended by the Budget Committee)

Article 20:

To see if the Town will vote to sell for fair market value to Neil G. Moore and Lorice Moore of 237 Landing Road, Hampton, N.H., as joint tenants with full rights of survivorship a certain parcel of land presently leased by the said Moores pursuant to a lease dated September 9, 1975, with the Town due to expire July 1, 1996.

The parcel of land being situate on the Easterly side of Landing Road, containing 7,170 square feet as shown on a plan entitled "Town of Hampton, Lot #581", by Chester A. Leach, C. E., dated June 1975 reserving to the Town for present and future use any and all existing sewer, drainage, water and other utility easements.

Article 21:

The undersigned, being legal voters of the Town of Hampton, hereby petition the Selectmen to insert the following Article in the Warrant for the Annual Town Meeting to be held on March 13, 1984:

To see if the Town will vote to convey, without consideration, the land owned by the Town and shown as Lot No. 23 on Town of Hampton Tax Map No. 23 to the owners of the land which immediately abuts the land of the Town on either side thereof with each abutter receiving the half of the Town land between

his land and the lot on the opposite side of the Town land which is closest to his lot and with each abutter paying his share of the cost and expenses incurred in making the conveyance.

Article 22:

We, the undersigned, being legal voters in the Town of Hampton hereby petition the Hampton Board of Selectmen to place the following Article on the Hampton Town Warrant for the Annual Town Meeting to be held in March 1984 pursuant to provisions of RSA 39:3:

To see if the Town of Hampton will vote to close and discontinue that portion of Briar Road which is situated between North Shore Road and Cranberry Lane.

Article 23:

To see if the Town will vote to direct the Town Manager in his capacity as health officer to prohibit the opening and for operation of any tattoo parlor within the Town. Tattooing shall include any similar type of business in which entries are made into the skin of a human body by needles or other instruments. The reason for said prohibition being to promote the public health by reducing the possibilities of transmitting infectious diseases such as hepatitis.

Article 24:

To see if the Town will vote to raise and appropriate the sum of \$5,000. to survey and design the layout of a new section in the Hampton Cemetery.
(Recommended by the Budget Committee)

Article 25:

To see if the Town will vote to authorize the Selectmen to accept funds, with the interest accumulated thereon, which have been transferred to the Town for the perpetual care of cemetery lots and to authorize the Selectmen to continue with the present sales arrangements relating to the sale of cemetery lots subject only to price increases in subsequent years, but not in 1984.

Article 26:

To see if the Town will vote to have the Public Works

Department move the existing garage on the Arnold Property to a suitable location on the Tuck Field property for use of the Town Recreation Department; subject garage to be placed on a concrete slab to be furnished by the Hampton Historical Society.

Article 27:

To see if the Town will vote to raise and appropriate the sum of \$25,000. to finance the contract and initial printing of the continuation of Dow's History of Hampton to bring said book up-to-date.

(\$5,000. Recommended by the Budget Committee)

Article 28:

On petition of the following registered voters of the Town of Hampton, to see if the Town will vote to raise, appropriate and expend ninety-thousand dollare (\$90,000.00) to complete the engineering design and construction of the proposed drainage improvements to Tuck Field, as generally outlined in the report "Drainage Study - Tuck Field" prepared by G & Underwood Engineers, Inc. as proposed in Article 29 and approved by the 1983 Town Meeting. And to allow the Selectmen to apply for and accept any such monies which may become available through the federal Land and Water Conservation Fund administered by the State Department of Resources and Economic Development or any other state and federal monies which may become available.

Due to the severe drainage problems at Tuck Field rendering many areas of the field useless for sports, and after studying the area topography, examining subsurface properties and monitoring water table levels, the study recommended the following measures may be taken:

- complete final design of drainage system

- Construction of drainage system to possibly include catch basins, headwall, and main drain line along east edge of property

- install underdrains the full width of Tuck Field and connecting to main drain line.

(NOT Recommended by the Budget Committee)

Article 29:

To see if the Town will vote to raise and appropriate the sum

of \$4,900. to make recommended repairs for the preservation of the old Grist Mill.

(Recommended by the Budget Committee)

Article 30:

To see if the Town will vote to raise and appropriate the sum of \$650.00 for the continued operation of the Vietnam Memorial Study Committee. This sum will be used to relocate the Korean War Memorial Stone so as to permit the use of both sides; one side for the Vietnam War.

(Recommended by the Budget Committee)

Article 31:

To see if the Town will vote to petition the State Highway Department to eliminate parking on the easterly side of Route 1A (Ocean Boulevard) from Epping Avenue to the vicinity of D Street and then implement a three lane traffic pattern on the boulevard from Epping Avenue to the Marine Memorial Statue.

Article 32:

To see if the Town will vote to have the Zoning Board of Adjustment serve as the Building Code Board of Appeals pursuant to RSA 673:3 adopted by the New Hampshire Legislature effective January 1, 1984.

Article 33:

On petition of Thomas H. Burbank and 21 Voters of the Town of Hampton:

To see if the Town will vote to raise and appropriate the sum of \$9,000.00 to assist the Seacoast Regional Mental Health Center, (formerly Seacoast Regional Counseling Center) a private, non-profit organization. During the year 1983, over 100 Hampton residents received a total of over 1200 sessions at a cost of more than \$73,000.00 to the Center. The funds requested are to be used for current operating expenses to enable the Mental Health Center to continue providing service for the residents of the Town, whether or not said residents are able to pay.

(Recommended by the Budget Committee)

Article 34:

PETITION FOR SPECIAL ARTICLE FOR TOWN MEETING WARRANT 1984

Purpose: to propose that the town vote on whether to raise and appropriate the sum of \$5,600 for the Seacoast Task Force on Family Violence, a private non-profit organization, which operates A Safe Place, a shelter for battered spouses and their children.

A Safe Place provides shelter and supportive hotline and advocacy services to residents of Hampton. From January to September of 1983, 24 Hampton residents have received services from A Safe Place. We estimate, based on these nine-month figures, that 32 residents will have received services by the end of the year. Four women and nine children have been sheltered and eleven individuals have received crises intervention or advocacy services as of September of 1983 at an estimated value of \$7,000. By the end of the year we estimate the value of services to Hampton to be approximately \$9,300. The request for funding is approximately 60% of the estimated total cost of services to Hampton for 1984. (Signed by 11 legal voters of the Town of Hampton)
(Recommended by the Budget Committee)

Article 35:

Application for Article to be included in Warrant

We approve an appropriation of \$5,000.00 to defray a portion of the cost of service rendered by the Area Homemaker Home Health Aide Service, Inc. (Signed by 12 voters)
(Recommended by the Budget Committee)

Article 36:

We, the undersigned voters, petition the town of Hampton to appropriate the sum of \$2,550.00 to Greater Portsmouth Community Action Center, a subdivision of Rockingham County Community Action Program, Inc., a private, non-profit, anti-poverty agency. This figure represents 2.5% of \$102,015.00 in services rendered to Hampton residents during the fiscal year 9/1/82 - 8/31/83. (Signed by 11 Voters)
(Recommended by the Budget Committee)

Article 37:

On petition of Frances W. Irving and 19 other legal voters of the town of Hampton to see if the town will vote to raise and appropriate the sum of \$2,172.00 to assist Rockingham Child and Family Services, a private non-profit organization. It has been established that our counseling services must be assessed at \$40.00 per hour. During the period July 1, 1982 through June 30, 1983, our fiscal year, 49 residents of the town of Hampton used this Counseling Center for a total of 242½ sessions at a cost of \$9,700.00 to the agency. However, only \$3,134.00 was received. These funds requested to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing Individual and Family Counseling for residents of the town of Hampton whether or not said residents are able to pay.

(Recommended by the Budget Committee)

Article 38:

I, Robert H. Price, resident of the Town of Hampton, present this petition with the following signatures to see if the Town of Hampton will vote to raise and appropriate the sum of \$1,700.00 from the 1984 general town revenue for the Newmarket Regional Health Center services and programs including both the Medical Program and the Senior Citizen Transportation Program.

(Recommended by the Budget Committee)

Article 39:

I, Sandra Kent, and the following fifteen (15) residents, petition the Town of Hampton to place on the warrant the request for the sum of \$1,060.00. This is to help defray some of the Organizations expenses for fiscal year 1984. (Seacoast Big Brother/Big Sister of New Hampshire)

(Recommended by the Budget Committee)

Article 40:

We, the undersigned, Hampton residents and RSVP Volunteers petition the Town of Hampton to place on the Warrant the request to support the Retired Senior Volunteer Program by allocating \$500.00 to help defray some of the expenses for fiscal year 1984-1985.

(Recommended by the Budget Committee)

Article 41:

On petition of Roland W. Paige and 16 other legal voters in the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of \$300.00 for the Portsmouth-Kittery Armed Services Committee.

(Recommended by the Budget Committee)

Article 42:

Pursuant to RSA 39.3, we, the undersigned, respectfully request the Board of Selectmen to include the following article in the 1984 Town Warrant:

"To see if the Town of Hampton shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Hampton, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire."

HAMPTON BEACH VILLAGE DISTRICT
Notes to Financial Statements
Year Ended December 31, 1983

Note 1.) Summary of Significant Accounting Policies

The accounting policies of the Hampton Beach Village District conform to generally accepted accounting principles for local governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis is used for all fiduciary funds. Governmental funds utilize the modified basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- A. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.
- B. Prepaid expenses are not normally recorded.

Property, Plant, and Equipment

Property, plant, and equipment acquired or constructed for general government services are recorded as expenditures in the fund making the expenditure. Funds used to acquire general fixed assets and/or debt service payments on borrowing in connection therewith are accounted for as expenditures in the year payments are made. This is contrary to generally accepted accounting principles which require that general fixed assets be capitalized and accounted for in a separate fixed asset group of accounts.

Types and Purposes of Funds

- A. General funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.
- B. Capital Project Funds - Used to account for financial resources to be used for the acquisition or construction of major capital facilities.

Other General Accounting Policies

Continuing Appropriations

Appropriations for certain projects and specific items not fully expended at year-end are carried forward as continuing appropriations to the next year in which they supplement the appropriations of that year. At year-end, continuing appropriations are reported as a component of fund balance. As of December 31, 1983, the following were continuing appropriations:

Study Committee (Separation)	\$ 6,838.05
Truck Repair	\$ 2,150.00

Fund Balances

The unreserved fund balance designated for subsequent years expenditures represents the following:

Truck Repair	\$ 2,150.00
Ross Fund	500.00
Study Committee (Separation)	<u>6,838.05</u>
	<u>\$ 9,488.05</u>

Note 2.) Capital Project Funds

Capital project funds consisted of monies voted for capital improvements in 1981 as the result of the sale of the salt water protective system.

The original voted amount was \$75,000. Interest earned on this money as of December 31, 1983, amounted to \$8,445.

ACCOUNTANT'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Hampton
Hampton, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Hampton, New Hampshire as of and for the year ended December 31, 1983, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted government auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Hampton at December 31, 1983 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining fund and account group financial statements and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Town of Hampton. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

ACCOUNTANT'S REPORT ON INTERNAL ACCOUNTING CONTROL

To the Members of
the Board of Selectmen
Town of Hampton
Hampton, New Hampshire

We have examined the combined financial statements of the Town of Hampton for the year ended December 31, 1983, and have issued our report thereon dated February 4, 1984. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the Town's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The management of the Town of Hampton is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Town of Hampton, taken as a whole. However, our study and evaluation disclosed no condition that we believed to be a material weakness.

This report is intended solely for the use of the Town of Hampton, State of New Hampshire and the cognizant and other federal audit agencies and should not be used for any other purpose.

ACCOUNTANT'S REPORT ON COMPLIANCE

To the Members of
the Board of Selectmen
Town of Hampton
Hampton, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Hampton for the year ended December 31, 1983, and have issued our report thereon dated February 4, 1984. Our examination was made in accordance with generally accepted government auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination we also (1) performed tests of compliance with the Revenue Sharing Act and regulations as detailed in the Commentary on the Audit Requirements of the 1980 Amendments to the State and Local Fiscal Assistance Act issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on the appropriate Bureau of Census Form RS-8 with the audited records of the Town of Hampton.

In our opinion, for the items tested, the Town of Hampton complied with the aforementioned provisions of the Revenue Sharing Act and regulations. Further, based on our examination and the procedures referred to above, nothing came to our attention to indicate that the Town of Hampton had not complied with the aforementioned provisions of the Revenue Sharing Act and regulations.

TOWN OF HAMPTON

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1983

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town.

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are Federal Revenue Sharing, Library, Parking Lots, Conservation Commission, Mosquito Control Commission, Cemetery Trustees and Municipal Coastal Planning Grant funds.

Capital Projects Funds - Transactions related to resources obtained and used for the acquisition, construction or improvement of capital facilities are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds and from federal and state grants.

FIDUCIARY FUNDS

Trust and Agency Funds - Trust and Agency Funds are used to account for the assets held in trust or as an agent by the Town for others.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1983

B. Account Groups (Fixed Assets and Long-Term Liabilities)

All governmental funds and expendable trust funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the Town does not maintain a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group. This account group is not a fund. It is concerned only with the measurement of financial position and not results of operations. Since they do not affect net current assets, such long-term liabilities are not recognized as governmental fund type liabilities. They are instead reported as liabilities in the General Long-Term Debt Account Group.

C. Basis of Accounting

The accounts of the General, Special Revenue, Capital Projects, and Expendable Trust Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the State or in the case of judgments and claims against the Town, when there is a probability that such

judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. Exceptions to this general rule include: 1) accumulated unpaid vacation and sick pay, and 2) principal and interest on general long-term debt which is recognized when due. All Nonexpendable Trust and Agency funds are accounted for using the accrual basis of accounting.

D. Budgetary Accounting

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. The Town budget represents departmental appropriations as authorized by annual or special town meetings. The Selectmen may transfer funds between operating categories as they deem necessary. State Statutes require balanced budgets but provide for the use of beginning fund balance to achieve that end. In 1983, beginning fund balance was applied as follows:

Unreserved fund balance used to reduce tax rate	\$250,000
Beginning fund balance - reserved for encumbrances	<u>16,769</u>
Total Use of Beginning Fund Balance	<u>\$266,769</u>

E. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year-end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures; and are therefore reported as part of the fund balance at December 31 and are carried forward to supplement appropriations of the subsequent year. The reserve for encumbrances at December 31 consists of the following:

F. Investments

Investments in all instances are stated at cost, or in the case of donated investments, at market value at the time of bequest or receipt.

G. Inventories

Inventory in the General and Special Revenue funds consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

H. Accumulated Unpaid Vacation and Sick Pay

Accumulated unpaid vacation and sick pay is not accrued in the governmental funds using the modified accrual basis of accounting. Employees may accumulate sick leave at various rates depending on the employing department. Also upon retirement or voluntary termination, the Town will pay a percent of accumulated unused sick leave, generally approximately twenty percent. Vacation is granted in varying amounts based on length of service. Vacation pay accumulation does not exceed a normal year's allowance. Accumulated sick leave is indeterminable.

I. Taxes Collected For Others

The property taxes collected by the Town include taxes levied for the Hampton and Winnacunnet Cooperative School Districts, Rockingham County and Hampton Beach Village Precinct which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

An analysis of the 1983 property tax levy is presented below.

	<u>Amount Levied</u>	<u>%</u>
Town of Hampton	\$3,573,848	41
School Districts	4,449,857	51
Rockingham County	484,184	6
Hampton Beach Village Precinct	<u>149,990</u>	<u>2</u>
<u>Total</u>	<u>\$8,657,879</u>	<u>100%</u>

J. Property Taxes

Annually, the Town establishes and raises through taxation an amount for abatements and refunds of property and resident tax revenues known as overlay. All abatements and refunds are charged to this account. The amount raised in 1983 was \$26,011 and expenditures amounted to \$27,261.

As prescribed by law, the Tax Collector sells at tax sale all uncollected property taxes in the following year after taxes are due. The purchaser at tax sale has a priority tax lien on these properties and accrues interest at 18% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the two year redemption period, the property is tax-deeded to the lien holder.

K. Sewer User Charge System

The sewer department budget is included in the budget of the public works department as a result of special State legislation. However, the Federal Government (EPA) has mandated the development of a sewer user charge system. Commencing in 1981, the Town established a formula which applies a credit to the non-sewer user's property tax bill. The amount of the credit in 1983 is equal to \$3,567,689 of assessed valuation to offset \$80,273 (non-user share) of the total sewer appropriation. In 1981, the formula was submitted to the State Water Pollution Commission for approval, which management felt would lead to EPA approval as a substitute for a direct sewer user charge. EPA rejected the proposal and the Town has appealed the decision. Any outcome of this appeal is indeterminable.

L. Interfund Transactions

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental and fiduciary fund financial statements reflect such transactions as transfers.

M. Interfund Receivable and Payable Balances

Individual fund interfund receivable and payable balances at December 31, 1983, were as follows:

<u>Fund</u>	<u>Interfund Receivables</u>	<u>Interfund Payables</u>
General Fund	\$ 5,146	\$
Special Revenue Funds		89,384

<u>Total</u>	<u>\$1,973,000</u>	<u>\$980,728</u>	<u>\$2,953,728</u>

All debt is general obligation debt of the Town, which is backed by its full faith and credit.

NOTE 3 - CAPITAL PROJECTS FUNDS

A. Bonds or Notes Authorized - Unissued

Bonds or notes authorized - unissued at December 31, 1983, are as follows:

<u>Town Meeting</u>	<u>Article No.</u>	<u>Amount Authorized</u>	<u>Purpose</u>
1972	4	\$38,000	Secondary Sewage Treatment Facility

NOTE 4 - PENSION PLAN

The Town participates in the State of New Hampshire Retirement System. The Town's contribution for normal cost of the plan is based upon an actuarial valuation of the entire State plan. Since the actuarial valuation is performed on the entire State plan the amount, if any, of the excess of vested benefits over pension fund assets is not available. The Town does not have an accrued liability for past service costs. Pension costs amounted to \$212,593 in 1983.

TOWN OF HAMPTON

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1983

NOTE 5 - TRUST FUNDS

The principal amount of all nonexpendable trust funds is restricted either by law or by terms of individual bequests in that only income earned may be expended. The Town's nonexpendable and expendable trust funds at December 31, 1983, are detailed as follows:

<u>Purpose</u>	<u>Nonexpendable</u>	<u>Expendable</u>
Cemetery - Perpetual Care	\$ 9,325	\$1
Town Needy	3,781	1
Library	<u>9,636</u>	<u>1</u>
<u>Total</u>	<u>\$22,742</u>	<u>\$3</u>

NOTE 6 - FINANCIAL STATEMENTS NOT INCLUDED

Financial statements of the District Court are not included in the annual financial report of the Town because the funds are not administered by elected officials. The Town appropriates the annual salaries of the Justice and Clerk and receives, on a monthly basis, the balance of court revenues after expenses. A separate report is filed with the Administrative Committee of District and Municipal Courts in accordance with the Revised Statutes Annotated 502-A:9-a.

NOTE 7 - PAYMENTS IN LIEU OF TAXES

The Town received \$46,902 in lieu of taxes in 1983 under provision of State Statutes R.S.A. 162-I:15, on property leased from the Industrial Development Authority of the State of New Hampshire.

NOTE 8 - COMMITMENTS

Commitments under lease purchase agreements for computer facilities and telephone equipment provide for annual payments as follows:

<u>Fiscal Year Ending</u> <u>December 31</u>	<u>Computer</u> <u>Facilities</u>	<u>Telephone</u> <u>Equipment</u>	<u>Total</u>
1984	\$ 7,043	\$ 2,375	\$ 9,418

1988	<u>2,175</u>	<u>2,175</u>	<u>2,175</u>
<u>Total</u>	<u>\$22,827</u>	<u>\$11,675</u>	<u>\$34,502</u>

TOWN OF HAMPTON

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1983

Both agreements stipulate that if funds are not appropriated, there is no obligation to pay the remainder of the total time sale price beyond the end of the then-current fiscal period. The facilities and equipment must be returned to the seller.

NOTE 9 - SALE OF LEASED LAND

At a special Town Meeting May 11, 1982, the Town voted to offer its leased lands for sale to the current tenants, subject to certain terms and conditions, including the adoption of Special Legislation to change Chapter 314 of the New Hampshire Revised Statutes Annotated. Legislation was enacted, effective March 15, 1983, which creates the Hampton Leased Land Real Estate Commission to oversee such sales. The Commission has the duty of monitoring and implementing the sale of leased lands and paying over the proceeds of said sales to the Trustees of Trust Funds to be invested by them. The trustees are authorized to obtain the services of a bank or professional management company. The income from the fund shall be paid annually or more often into the Town's General Fund, while the principal of the fund remains intact.

In recognition of their good faith to purchase leased lands, tenants have deposited \$53,300 with the Town. In the event all the conditions of the purchase and sales agreements cannot be met, these monies will be returned. Any interest earned on these deposits will be used by the Town to offset administrative costs associated with the sales.
