Chimney: Other

Location of Chimney: Ridge off-center

Stories: One

Door Location: Other

Windows: Modern

Replaced?: Yes

Property

*Landscape Features: Commercial parking/ railtrack

Approximate Acreage: Less than 1

*Exterior Buildings: N/A

Comments

The depot was built in 1840 near the intersection of Exeter Rd. and Lafayette Rd. It was moved to the present location in 1900. It was completely renovated in 1942 and was used as a train station until the end of passenger traffic in 1963. It has since been turned into commercial and retail facilities.
