The former Joshua Lane Store is now incorporated into the Lamie's Tavern complex to such a degree that the structure joining it to the original tavern is now larger than the store was.

The peak on the right of Lamie's Tavern is a part of the original structure which was raised and turned 90 degrees.

Connecting ell demolished 2001.

Thomas Lane "lived where Abbott Norris now lives." (Dow 807)

Dow says that John Towle(7) lived "on the Norris place." His son Lemuel (35) is on the 1806 map - he may have built an earlier house here, or this is a remodeled version?
